Preface

The House Select Committee to Investigate Covert Arms Transactions with Iran and the Senate Select Committee on Secret Military Assistance to Iran and the Nicaraguan Opposition, under authority contained in the resolutions establishing them (H. Res. 12 and S. Res. 23, respectively), deposed approximately 290 individuals over the course of their 10-month joint investigation.

The use of depositions enabled the Select Committees to take sworn responses to specific interrogatories, and thereby to obtain information under oath for the written record and develop lines of inquiry for the public hearings.

Select Committees Members and staff counsel, including House minority counsel, determined who would be deposed, then sought subpoenas from the Chairmen of the Select Committees, when appropriate, to compel the individuals to appear in nonpublic sessions for questioning under oath. Many deponents received separate subpoenas ordering them to produce certain written documents.

Members and staff traveled throughout the United States and abroad to meet with deponents. All depositions were stenographically reported or tape-recorded and later transcribed and duly authenticated. Deponents had the right to review their statements after transcription and to suggest factual and technical corrections to the Select Committees.

At the depositions, deponents could assert their fifth amendment privilege to avoid self-incrimination by refusing to answer specific questions. They were also entitled to legal representation. Most Federal Government deponents were represented by lawyers from their agency; the majority of private individuals retained their own counsel.

The Select Committees, after obtaining the requisite court orders, granted limited or "use" immunity to about 20 deponents. Such immunity means that, while a deposed individual could no longer invoke the fifth amendment to avoid answering a question, his or her compelled responses—or leads or collateral evidence based on those responses—could not be used in any subsequent criminal prosecution of that individual, except a prosecution for perjury, giving a false statement, or otherwise failing to comply with the court order.

An executive branch Declassification Committee, located in the White House, assisted the Committee by reviewing each page of deposition transcript and some exhibits and identifying classified matter relating to national security. Some depositions were not reviewed or could not be declassified for security reasons.

In addition, members of the House Select Committee staff corrected obvious typographical errors by hand and deleted personal and proprietary information not considered germane to the investigation.

In these *Depositions* volumes, some of the deposition transcripts are followed by exhibits. The exhibits—documentary evidence—were developed by Select Committees' staff in the course of the Select Committees' investigation or were provided by the deponent in response to a subpoena. In some cases, where the number of exhibits was very large, the House Select Committee staff chose for inclusion in the *Depositions* volumes selected documents. All of the original

exhibits are stored with the rest of the Select Committees' documents with the National Archives and Records Administration and are available for public inspection subject to the respective rules of the House and Senate.

The 27 volumes of the *Depositions* appendix, totalling more than 30,000 pages, consist of photocopies of declassified, hand-corrected typewritten transcripts and declassified exhibits. Deponents appear in alphabetical order.

2 Whereupon,

3 GEORGE EARL COLLIER

4 was called for examination by counsel for the Senate Select Committee,
5 and having been first duly sworn by Colonel John K. Wallace III, was
6 examined and testified as follows:

7 EXAMINATION

8 BY MR. SAXON:

9 Q If you would, sir, please state your full name for the record.

10 A George Earl Collier.

11 Q And, Mr. Collier, what is your current position?

12 A Supervisor, Logistic Management Specialist, in the Fielded
13 Application Branch, Logistic Management, TOW Project Office.

4 Q And how long have you been in that position?

15 A Since December 1985.

16 Q And what were you doing previous to that?

17 A I was a head logistician on the Bradley Fighting Vehicle Program

18 Q I'm sorry; on the what?

19 A Bradley Fighting Vehicle Program.

20 Q And in your current position, to whom do you currently report?

21 A Currently?

22 Q Yes.

23 A C. C. Johnson.

24 Q And what is his position?

25 A He's division chief.

UNCLASSIFIED

UNCLASSIFIED

5

Q Okay. At the time of the Project Snowball, what we now know as Snowball, the TOW missiles which we now know went to Iran, who was your supervisor?

A Chris Leachman.

Q And he is now the Deputy TOW Project Manager?

A That's correct.

Q At the time, who was the TOW Project Manager?

A Colonel James Lincoln.

Q And who is now the TOW Project Manager?

A Colonel Devanney, Thomas Devanney.

Q And for our purposes, we have no interest in Colonel Devanney because he came on the scene after all this, I assume.

A Right.

Q All right, if you would, Mr. Collier, walk us through chronologically what happened from your own personal standpoint in being involved with Project Snowball. If things took place prior to your coming on board, we're not interested in those. Tell us what happened from day one of your involvement, on.

A Okay. I became involved with the second shipment, and in that--

Q That's the second shipment of TOWs, which would have been 508 in number, correct?

A That's correct. And as a part of that, my involvement was after certain calls was made to my front office, you know; all I did was provide directions to the item manager to prepare the missiles for shipment.

UNCLASSIFIED

UNCLASSIFIED

6

Q And from whom did you receive that call?

2 A That call?

3 Q Yes.

4 A That call would either have been from my--I'm trying to see
5 what my division chief--it probably would have been from him or the deputy
6 I took over on the second shipment because my boss was going out of town.

7 Q Mr. Leachman was going to a quarterly review.

8 A Right. And I really can't just say right now whether or not
9 he was actually present when that actual call was made. In answer to
10 that, maybe no; I may have gotten it from the deputy.

11 Q From whomever you got that call, how did the tasking come to
12 you? What were you told to do?

13 A The tasking was prepare, you know, "Get 508 missiles ready for
14 shipment, and everything will be the same as the first one."

15 Q So, basically the same customer and the same logistics, handling
16 everything else?

17 A Right. Call out MRO, have them shipped to appear at Redstone
18 at a certain date, and they would be off-loaded, on-loaded on the trucks,
19 going, you know--

20 Q And for the record, what's an MRO?

21 A Materiel Release Order.

22 Q And what is it? What function does it serve?

23 A Well, it's the official document for releasing items out of
24 stock.

25 Q And that's what's necessary for the Army Missile Command to

UNCLASSIFIED

UNCLASSIFIED

7

provide to Anniston Army Depot in order for them--that's their authority

2 to go forward and execute on the requirement?

3 A That's correct.

4 Q To your knowledge, who physically prepared the MRO?

5 A The item manager would have.

6 Q And who was the item manager at that time?

7 A Would have been John Coward.

8 Q Coward, C-o-w-a-r-d?

9 A Right. Now, you know, they say that--I'm sure not in all cases,

10 they prepare a complete form--you know, I'm sure, you got tech edit,

11 another staff over there that finish processing.

12 Q Tech edit?

13 A Tech edit, right. Right.

14 Q When you told Coward to prepare the MRO, what kind of information

15 did you give him, other than to say 508 missiles? Did you tell him what

16 kind of missiles?

17 A Thinking back, I don't think I did because, again, having these

18 missiles, I guess somewhat fenced, he knew that when I made the call that,

19 "John, we got another shipment, same as the first," he knew what the

20 missile type, NSN, what condition code we needed.

21 Q And what would that have been that he knew? What would have

22 been the abbreviated NSN, national stock number?

23 A He would have known the NSN stock number, condition code, and

24 I would have told him the quantity. Okay.

25 Q All right. But--and we will talk to Mr. Coward; I'm not asking

82-698 067

UNCLASSIFIED

8

you to get in his mind and tell us exactly what he knew--

2 A Okay.

3 Q --but, from your understanding at that time, did you know what
4 the national stock number was?

5 A Oh, I did, but in transcribing--in other words, calling him
6 and telling him, I didn't have to tell him any of this because, again,
7 he--

8 Q Let me ask you this way. Did you know if we were talking about
9 basic TOWs with MOICs?

10 A Yes.

11 Q M-O-I-C, the safety modification?

12 A Right.

13 Q And did you know that that had a particular stock number
14 separate and apart from a basic TOW without the safety modification?

15 A That's correct.

16 Q And did you know what the price of that missile would have been,
17 roughly, rough figures?

18 A In referring to the AMDF, yes, I would have. Right.

19 Q And AMDF, that A-M-D-F, the Army master data file. That's
20 the catalog that has prices and stock numbers for parts--

21 A Right.

22 Q --and materiel?

23 A Right.

24 Q And what would you have known the price of the basic TOW
25 with MOIC to be as carried in the AMDF?

UNCLASSIFIED

UNCLASSIFIED

9

1 A 8435.

2 Q Eight thousand, four hundred and thirty-five dollars.

3 A Right.

4 Q Let me talk about this a bit further by asking you--you knew,

5 I assume, that a basic TOW by itself would have been carried in the AMDF
6 at a much lower price, correct?

7 A That is correct.

8 Q And what was that price? Do you recall?

9 A Knowing now, \$3,169.

10 Q And do you have any idea what a MOIC costs or the MOIC kit?

11 A A round number, \$350.

12 Q So, if I understand your testimony, you're saying that if we

13 have a basic TOW with MOIC, we don't simply take 3169 and add 300--

14 A No.

15 Q --and get 3469.

16 A No.

17 Q What happens?

18 A Why we wouldn't have that?

19 Q Right.

20 A It's different in acquisition years, you know. That old missile

21 was bought in '69, and you take the missile we're talking about, with a

22 MOIC, you're talking about a 1970--about a '77, '78 vintage, and just

23 price alone '69 to '70 would change.

24 Q Someone at the Missile Command fed into the AMDF at some point

25 a higher price at the point at which the MOIC was identified as solving

UNCLASSIFIED

UNCLASSIFIED

1 a particular safety problem.

2 A Sure.

3 Q And that created a new missile with a new national stock number.

4 A That's right.

5 Q And you knew that.

6 A Right.

7 Q Would it be fair to say that other people who worked with you
8 and around you knew these things; i.e., that a basic TOW with MOIC had
9 a different national stock number and, therefore, a different price?

10 A Different price, right.

11 Q And understand that I'm not asking you to state specifically
12 everybody who might have known that, but let me ask you about some
13 particular individuals who you might have reason to know would know that.

14 A Okay.

15 Q I think you've already said that Mr. Coward would know that.

16 A Right.

17 Q To the best of your knowledge, did Mr. Leachman know that at
18 the time?

19 A He would know it, but, I mean, saying--to know what the actual
20 number without referring to the AMDF, he wouldn't know, but, yes, he
21 would know it would have a different stock number, different NSN.

22 Q Would Mr. Williams know that?

23 A Yes.

24 Q Would Colonel Lincoln know that?

25 A Yes, but only after referring to the documents. You know,

UNCLASSIFIED

UNCLASSIFIED

11

just off the top of their head, they wouldn't.

2 Q By which you mean they might not know the exact price, but
3 they would know that if you had a basic TOW with MOIC, it would have a
4 different stock number and it would have a different price?

5 A That's correct.

6 Q Now, let me ask you a little bit about the AMDF. Do you regularly
7 at that time, did you regularly use the AMDF?

8 A On different--on other projects, yeah. I had to refer to AMDF.

9 Q It was not a resource with which you were unfamiliar?

10 A No. No.

11 Q And when and why would you use the AMDF?

12 A For price references.

13 Q And you would--it may sound elementary, but just for the record,
14 describe what you would do?

15 A Well, for instance, in the other programs I'd work on, you
16 know, if I--

17 Q Well, use this one. Let's say you wanted to look up just the
18 price of a basic TOW. Pretend you didn't know it. What would you do?

19 A Okay. If I wanted to know what the price of a basic TOW, I'd
20 just go to the AMDF. I'd go to the microfiche, and I'd go by NSN, and
21 I know we got several different types of missiles now because of different
22 modifications added to them.

23 Q So, you'd take a particular stock number--

24 A Right.

25 Q --and simply look it up?

UNCLASSIFIED

UNCLASSIFIED

12

A Right.

2 Q And would you go across some column--

3 A Right.

4 Q --till you find the price?

5 A Right. Correct.

6 Q And that's a fairly--

7 A Simple process, and AMDF was--basic system is updated annually,
8 but I'm told you can update it more frequently than that, but as a rule,
9 there's an annual update, price change.

10 Q And I think you've answered it, but let me make sure. If you
11 went to the AMDF to look up a price of a basic TOW that you were told
12 had to be in condition code "A", would you know that that was a basic
13 TOW with MOIC?

4 A It had to be, in condition code "A."

15 Q Right.

16 A Yes, it would have to be a basic TOW, right, because otherwise
17 a basic TOW would be in condition code "N" or "J" because of the MOIC
18 situation.

19 Q For the record, MOIC is the acronym for Missile Ordnance
20 Inhibitor Circuit, which is a safety device added to the basic TOW to
21 prevent a [REDACTED] problem.

22 A Right.

23 Q And when you went to the AMDF and looked at the basic TOW with
24 MOIC, what would you find the price to be?

25 A It would be \$435. Now for the--

UNCLASSIFIED

UNCLASSIFIED

13

1 Q Go ahead.

2 A Now, for the record, now, again, now, I did not do this. You're
3 just asking, of course, if we--okay. I wanted to make sure. Okay.

4 Q What would be the reason why you did not do it in this
5 particular case?

6 A Well, in this particular case, you know, again, when I came on,
7 the price issue was, as I knew it, was a foregone conclusion, okay.

8 Q You were not personally involved in any--

9 A Negotiations.

10 Q --discussions or negotiations?

11 A Changes, no.

12 Q Over price.

13 A Correct.

14 Q Is there a preferred source to go to, other than the AMDF,
15 within the TOW Missile Division?

16 A Well, you can always use your program manager's office to look
17 at the--like I say, replacement price: What did we buy for this?
18 What do we buy for it now? and they really are the people that supposed
19 to update the AMDF as well, so that's the other critical thing, that if
20 they got something later, you can go to them. It's maybe not in the
21 machine, and they ought to be able to tell you.

22 Q If I asked you for the best source of pricing data on a basic
23 TOW missile with MOIC, what would you say is the answer?

24 A I'd go to the AMDF, but as a backup, I'd always tell anybody
25 to refer to the appropriate person in the program management office.

UNCLASSIFIED

UNCLASSIFIED

14

Q All right. If you knew the AMDF price of a basic TOW with
2 MOIC was \$8^f435 and somebody said, "Well, we want to sell it for less
3 than that," to your knowledge, is there any basis that would allow the
4 Army to discount it, so to speak?

5 A Negative.

6 Q Have you ever been involved with a project in which a price
7 was discounted from that that was reflected in the AMDF?

8 A No. No. Well, I can say only this one, okay.

9 Q Let me ask you about whether it came to your attention that
10 anyone in the Missile Command leadership raised the issue of price.
11 You've already said that you personally weren't involved in any
12 negotiations, dickering, arguing, over what the appropriate price should
13 be. Were you ever made aware that individuals did press forward with
14 higher authorities the issue of what the appropriate price for the basic
15 TOW with MOIC should be?

16 A Yes, and as I understand, you know, basically what happened is
17 that Colonel Lincoln, Mr. Williams, as well as Mr. Leachman both tried to
18 get the price, you know, increased to the ⁶\$8435, but it was a losing
19 battle. You know, the decision was already made that, "Hey, we're going
20 with the lesser price."

21 Q All right. Let me ask you several questions about this. You
22 said the argument was to try to get the ^f\$8435 price.

23 A Right.

24 Q Now, do you use that figure because ^f\$8435 was, in your mind,
25 the appropriate price for a basic TOW with MOIC, or when you use that

UNCLASSIFIED

UNCLASSIFIED

15

figure, do you mean it to be the replacement figure if the Army was going to replace these TOWs with ITOW or TOW2?

A Well, I would believe it to be what was reflected in the AMDF, what I would have to buy, but, also, it would be replacement if I was buying ITOW.

Q And how do you know that these arguments or issues were raised? What's your source for knowing that Colonel Lincoln and Mr. Williams and Mr. Leachman may have raised these issues?

A Well, just based on, I guess, after getting involved with the second shipment and talking with them.

Q Being told by whom, to the best of your recollection?

A Well, Mr. Leachman, Mr. Williams, and understand from Mr. Bentley at that time, who was program manager, it was discussed.

Q Mr. Bentley? What's the first name?

A Bill.

Q And he was program manager for what?

A For TOW Project. He was chief of program management.

Q Okay.

A I can't say whether or not--whether Colonel Lincoln and I ever-- wouldn't have been a reason anyway.

Q To whom did this issue get raised by these individuals? Who did they raise it with?

A As I understand it, it was raised back to, at that time, a Major Chris Simpson.

Q And Major Simpson would have been the action officer at the

UNCLASSIFIED

UNCLASSIFIED

16

office of the Deputy Chief of Staff, Logistics, in Washington?

2 A Right.

3 Q What was your understanding of the disposition of this issue?

4 I'll put it another way. What did Major Simpson say to their argument?

5 A Well, I--just only thing I was told, that, you know, 31--whatever
6 it is--plus the MOIC is what we're going to pay.

7 Q \$3169 plus the 300?

8 A Right. That's all we're going to get. Nothing else was said
9 about it.

10 Q To your knowledge, did this ever get raised to the level where
11 generals were talking to each other?

12 A As I know it, my commander at that time, General Burbules, was
13 told.

14 Q General Peter Burbules, the Commanding General of the Army
15 Missile Command?

16 A Right. He was told by Colonel Lincoln. You know, I don't know
17 what he did from his angle to try to get anything changed, but I know he
18 was told.

19 Q When you talked with Mr. Leachman at any point about this, do
20 you recall him ever using the figure of \$435 to talk about the basic TOW
21 with MOIC?

22 A Well, only in describing the fact that there was really an
23 argument between, you know, DA and MICOM that the price ought to be that
24 and that we was taking it ^{on the} under chin to accept it for the other price.

25 Q But, you clearly understand that he--let me withdraw that and

UNCLASSIFIED

UNCLASSIFIED

17

put it this way. Your testimony is that, in your opinion, Mr. Leachman
2 clearly knew that the price for a basic TOW with MOIC, if you go to the
3 AMDF, was \$8435.

4 A Yes. If you went there and looked, right.

5 Q And do you recall him specifically ever using that number with
6 you in a discussion or you using it with him where he clearly would
7 understand what you were talking about?

8 A Well, I was--well, let me see. In discussing with him,
9 discussing the price issue, the \$8435 number were, you know, was used
10 by him. He was familiar with the \$8435 number.

11 Q So, if I phrased it this way, there was no doubt in your mind
12 that he was familiar with the \$8435 number.

13 A Right.

14 Q And would have known that what that represented was the price
15 of a basic TOW with MOIC according to the AMDF.

16 A Right. Right.

17 Q Did you ever have--same questions with regard to Mr. Williams.
18 Did you have discussions with him where the \$8435 number was used?

19 A Never. No.

20 Q Would you have any reason to know whether he had knowledge,
21 though, of its being the appropriate figure for a basic TOW with MOIC?

22 A Based on general conversation, yes. Yes.

23 Q General conversations with whom? Leachman?

24 A With Mr. Leachman and understand with Mr. Bentley.

25 Q Okay. I'm going to make reference several times during the

UNCLASSIFIED

UNCLASSIFIED

18

course of this deposition with the sworn testimony that you provided to
2 the Department of Army Inspector General on 15 December 1986. Do you
3 recall that--

4 A Right.

5 Q --interview?

6 A Right.

7 Q You stated in that testimony that the difference between 8435
8 and 3469 stuck out like a sore thumb. Is that a fair statement?

9 A Yeah. Yes.

10 Q And was it your sense that the Army was, as you said earlier,
11 taking it on the chin if they were going to be required to provide these
12 missiles for the lower price?

13 A Sure. Sure.

14 Q Was that a concern that was shared by more people than yourself?

15 A Yes. Yes.

16 Q And who would that circle extend to?

17 A I would say my colonel, my deputy, my division chief, the item
18 manager, you know; all who was involved at that time.

19 Q All right. Mr. Collier, in the DA IG testimony, you stated
20 that it was your understanding that a written message went forward from
21 someone here at the missile command to Department of the Army on this
22 issue of price. Do you have any recollection of that, and are you able
23 to enlighten us any on what that might have been about?

24 A Okay. As I recall, you know, the answer to that, it would
25 still be yes, but now whether or not ^{we} seen that actual document, I

UNCLASSIFIED

UNCLASSIFIED

19

1 think that my answer to that would be no. I don't think I saw that.

2 Q Let's go through it this way. First of all, you did not
3 yourself prepare such a document?

4 A No.

5 Q Second, if any such document were prepared, it would have been
6 prepared, I assume, at the time of the first shipment.

7 A Right.

8 Q Which was before you got involved.

9 A Right.

10 Q If you saw a document then, it would be after the fact.

11 A Right.

12 Q And it would have been in the course of what? reviewing the
13 files for this project when you got involved?

14 A Right.

15 Q Let me take a moment and read you your previous testimony, and
16 let me make it clear, as I've said before we went on the record, we're
17 simply looking for your best testimony today.

18 A Okay.

19 Q And all these matters took place over a year ago. People's
20 memories get fuzzy; events get confused, so there's no effort here to
21 try to impeach you in the sense of "You were telling the truth one time,
22 and you're not this time," or vice versa. It's just simply to try to
23 refresh your recollection, and I want you to tell me in your best
24 judgment what you recall.

25 A Okay.

UNCLASSIFIED

UNCLASSIFIED

20

Q You were asked this question, and I quote, "Did you know that--
2 did you hear the rumor that your command or your chain of command out
3 here got some general officers involved in the pricing? Did you hear
4 that rumor or that fact?" unquote. Answer: quote, "Well, again, I guess
5 I have to go back to what I said earlier. I understood that we did
6 challenge the price, and I know for a fact that a message was--I can't
7 say it was a message or letter, but I know it was written, that it did
8 go out. I don't know whether it went to a two-star or a three-star level,"
9 unquote. Now, that's what you stated then. Does that help refresh your
10 recollection in any way or just confuse things further?

A Well, you know, I probably said it at that time, but I guess
12 I shouldn't have been like absolute I knew for sure because, again, I
13 was not involved at that time. I would have to go back--fact that I was
14 told; I understood that. I should have never made the statement that
15 I was sure that something went forward 'cause I don't.

Q In terms of what sent forward, whether written or oral--

A Mm-hmm.

Q --is it your understanding that the issue raised was the
19 8435 versus the 3469?

A 3469, that's correct.

Q And that's as opposed to, "We're going to have to replace these
22 missiles. We might want to go with TOW2. That might cost, let's say,
23 \$11,000."

A Right. Right.

Q And you understood it was the former and not the latter?

UNCLASSIFIED

UNCLASSIFIED

21

A That's right.

2 Q Just to make sure I understand your testimony, is it your best
3 recollection now that you aren't sure whether there was ever a written
4 message on this point?

5 A I would have to say that's right. Right.

6 Q Could have been, but you're not sure.

7 A Right. There's no way I could be absolutely sure.

8 Q If there was such a message, would it show up in any files that
9 still exist?

10 A Yeah, if it was.

11 Q Do you have access to those files at present?

12 A I can get access to them.

13 Q Could you check on that and see if any such document exists?

4 A Yes.

15 Q And when a request goes from Redstone Arsenal through Anniston
16 Army Depot, in general what would take place? Would the item manager be
17 the one who passed forward the request?

18 A Right. That's correct.

19 Q And would he do that initially by a phone call?

20 A In this case, the answer's yes, but not in all cases.

21 Q Okay, so in this case, a phone call was made by whom? Mr. Coward?

22 A Right.

23 Q To Anniston Army Depot?

24 A Right.

25 Q And was that followed by the MRO?

UNCLASSIFIED

UNCLASSIFIED

A Right.

2 Q Hard copy?

3 A Right.

4 Q Do you know what information was on that MRO?

5 A The information should have been the quantity, NSN, part number,
6 condition code, of the basic missile.

7 Q Would that include price normally?

8 A Yes.

9 Q In terms of the MRO for the first shipment, you weren't around
10 then in terms of direct involvement, right?

11 A Right.

12 Q When the MROs were prepared for the second and third shipments,
13 you would have been involved in the general process, right?

4 A Right.

15 Q Did you have any direct involvement in preparing the MRO on the
16 second or third shipment; in other words, physically providing the
17 information or putting it onto the form?

18 A Negative. No.

19 Q Would you have seen the MRO after it was prepared?

20 A No. No.

21 Q Anniston Army Depot at some point would have prepared a
22 document called the ammunition planning worksheet. Would you have had
23 any reason to see that?

24 A No.

25 Q At the point at which the missiles are physically transferred

UNCLASSIFIED

UNCLASSIFIED

1 from the depot to Redstone.

2 A Right.

3 Q What documents would be prepared in order to reflect that
4 transfer?

5 A Well, the 1348.

6 Q That's a standard Department of Defense form?

7 A Right. Right. We in turn call it a flimsy, but that's the form.

8 Q DD 1348.

9 A Right.

10 Q And what kind of data does it have on it?

11 A It has basically the information--probably, you know, of the
12 MRO; they had the NSN, part number, requisition number, price, you know.
13 That's about all.

14 Q Ship from, ship to?

15 A Right.

16 Q And did you have any involvement with the 1348s once the
17 second and third shipments got to Redstone?

18 A Well, I signed them.

19 Q So, as the missiles were transferred, the physical possession,
20 and, I guess, in a technical and legal sense, the ownership, they were
21 transferred from Anniston Army Depot, and physically here at Redstone,
22 you signed the 1348 to take receipt of the missiles.

23 A Right. And the persons from DA would sign in his column, taking
24 the shipment outright.

25 Q So, on up the line. You transferred to DA, and you wouldn't

UNCLASSIFIED

UNCLASSIFIED

24

have had a reason to know this at the time, but DA transferred them to the CIA, and at each stage, a 1348 was signed.

A. Okay. Okay.

Q. Do you recall whether a price was on the 1348s that you signed when you received shipment from Anniston Army Depot?

A. Okay. Some had price on them, and some did not.

Q. Okay. Let me stop at this point and mark some exhibits, and there are some things I want to come back to, but it's probably best to do this by going through some documents, and I'm going to break them down into the first, second, and third shipments, and I'm going to run through some in the first shipment, even though I understand you didn't personally have any involvement, but I want to get the documents in the record. Let me provide that to you to mark as Exhibit 1 [handing it to the reporter]; give you a copy [handing it to the witness]; give you a copy [handing it to COL Wallace].

[The reporter marked Exhibit 1.]

Q. Without addressing yourself to the specifics of this document, Mr. Collier, is this the form you're familiar with?

A. Yes.

Q. This is MICOM Form 496, is that correct?

A. Mm-hmm.

Q. And is a Materiel Release Order, or an MRO?

A. Mm-hmm.

Q. All right, if you would look at the date, it's--I apologize for the poor copy, but this is a--it's been copied many times before, but that

UNCLASSIFIED

UNCLASSIFIED

25

is January '86, and whether that's 21 or some other date is not clear,
2 but if you'll look at the quantity block, it shows that we're talking
3 about 1,000 missiles. The last three digits--the last four digits--of
4 the national stock number, 1512--would you know that to be a basic TOW
5 with MOIC?

6 A Mm-hmm.

7 Q And if you look at the unit price, you'll see that it bears
8 the figure \$8,435, is that correct?

9 A Mm-hmm.

10 Q Now, to the best of your knowledge, would this form for the
11 first shipment have been prepared by Mr. Coward as the unit manager?

12 A I'm trying to think. After getting involved with it, I really
13 can't say because, again, I don't know. John, somehow or another, was
14 on travel, and I would have to leave that up to him because I'm not
15 sure.

16 Q We'll ask him that question, but in the normal course of
17 business, the item manager would have prepared this?

18 A Right.

19 Q And this would be the first document going to Anniston Army
20 Depot providing them the basic data, would that be correct?

21 A Right. Which would follow up the phone call.

22 Q I want to have this marked as Exhibit 2 [the reporter marked
23 the exhibit], and I don't have other copies of that, so when you mark
24 that, let me have it back. [The reporter returned it to Mr. Saxon.]
25 I want to provide you with this to take a look at [handing it to the

UNCLASSIFIED

UNCLASSIFIED

26.

1 witness]. This is a computer card that's generated at Anniston Army
2 Depot.

3 A Mm-hmm.

4 Q And if you would--let me ask you first, are you familiar with
5 the use of this card?

6 A Well, yeah, you know, I've seen them after certain shipping
7 transactions, yes.

8 Q And, if you notice, in this column under quantity [pointing it
9 out], it has 1,000--

10 A Mm-hmm.

11 Q --so, we're talking about the first shipment.

12 A Mm-hmm.

13 Q And it bears the price of \$8,435.

14 A Right.

15 Q Now, this came from the General Accounting Office, and the
16 notations on here are from the GAO investigators, and it reflects that
17 Mrs. Jane Griffiths, who works at Anniston Army Depot, received this
18 price of \$8,435 from MICOM. The note's here, "MICOM gave price,
19 paren, John Coward."

20 A Mm-hmm.

21 Q But you personally would not have been involved with the first
22 shipment and with that document, is that correct?

23 A No. No.

24 Q Exhibit 3, I ask that that be marked. [The reporter did so.]

25 Also pertains to the first shipment. This is something called the

UNCLASSIFIED

UNCLASSIFIED

27

ammunition planning worksheet, as I understand it, and if you'll look

2 [indicating] under the shipped quantity, you see 1,000 for the first
3 shipment and the total price is \$8,435,000, so if you do some quick
4 division, that works out to \$8,435. Would that seem to be correct?

5 A Mm-hmm.

6 Q Have you ever seen this, the generic form before? Are you
7 familiar with this worksheet?

8 A Yeah, I've seen it from depot transactions, yeah.

9 Q And it would be prepared in the normal course of business?

10 A Right. Correct.

11 Q Let me have this series of documents marked as Exhibit 4
12 [the reporter did so], give you a chance to look at those [handing the
13 exhibit to the witness]. These are copies of DD Form 1348 prepared by
Anniston Army Depot. Again, for the first shipment, the quantity of
15 1,000. Look in the upper right-hand corner. It appears the unit price
16 of \$8,435.

17 A Mm-hmm.

18 Q Is this what a DD Form 1348 looks like when it's prepared,
19 before anyone has signed it to effect a transfer, to the best of your
20 knowledge?

21 A Yes.

22 Q I'd like for these, this next group of documents, to be marked
23 as Exhibit 5 [the reporter did so], give you a chance to look at those
24 [handing the exhibit to the witness]. These are not multiple copies of
25 the same document. What they are are, as I understand it, for a shipment

UNCLASSIFIED

UNCLASSIFIED

28

1 of 1,000 it's broken up into individual lots, so you would have more
2 than one DD 1348 for 1,000 TOWs, is that correct?

3 A Mm-hmm.

4 Q All right. These are the copies of the 1348 actually signed
5 here at Redstone by Mr. Leachman for the first shipment, and if you
6 can make it out, it bears the date of 29 January '86, and if you'll
7 look in the upper right-hand corner, Mr. Collier, you'll see that at
8 this point, the price does not appear on the 1348, is that correct?

9 A Mm-hmm.

10 Q Now, did you ever have any discussion with Mr. Leachman prior--
11 way after the second shipment and those documents yet--prior to them
12 being prepared, did you ever have any discussion with Mr. Leachman about
13 the fact that the first shipment did not bear a price on the transfer
14 document?

15 A Never. No.

16 Q I want to show you, to complete the cycle on the first shipment--
17 have this marked as Exhibit 6 [the reporter did so], give you a chance
18 to look at that [handing it to the witness]. You'll see that this is
19 the DD 1348 that was signed by Major Christopher Simpson. You see the
20 typed-in signature block "Major Chris Simpson" and then his signature
21 showing that he received them from--on behalf of the office of the
22 Deputy Chief of Staff of Logistics, received them from the Missile
23 Command, says shipped from Redstone Arsenal, and you'll note, also, on
24 this one the price block is blank, is that correct?

25 A Right.

UNCLASSIFIED

UNCLASSIFIED

29

Q Then the last stage of the transfer on the first shipment, have that marked as the next exhibit [the reporter marked Exhibit 7] is the document transferring them from the Army to the CIA, and, again, you would have had no occasion to see this document even if you had been involved in the first shipment, but it shows that Major Simpson had signed it and then he has transferred them to an individual--and the name is blacked out. This is the declassified version, and the White House removed the name of that particular CIA individual who received them from Major Simpson, HQ DA Headquarters, Department of the Army, on 13 February '86, and if you'll look in the upper right-hand corner, you'll see that the price reappears now, and it's \$469, is that correct?

A Mm-hmm.

Q Now, just for the record, and in the interest of fairness, you were not involved with the first shipment, had no involvement in the preparation of these documents, is that correct?

A Right.

Q I want to focus on something that you will, hopefully, have a little more knowledge of and direct involvement, and that is the second shipment. Let me have this exhibit marked as Exhibit 8 [the reporter did so]. And this is the MRO for the second shipment. The date is more legible--it's 16 May '86--and ask if you will take a look at it. You'll note that the quantity is 508, so that would be the second shipment, correct?

A Mm-hmm.

UNCLASSIFIED

UNCLASSIFIED

30

1 Q And I don't suppose either of those signatures at the bottom
2 is yours.

3 A No.

4 Q Do you recognize either of those? Is that W. R. Gibson at
5 the bottom?

6 A Naw, I can't say that; it might be.

7 Q And Gary W--someone. Do you know who would have been the
8 approving authority for this document, who those individuals would be?

9 A That looks like Gary W. Akins there.

10 Q And who is he?

11 A He would have been the--well, he would have been the branch
12 chief. He would have been John Coward's branch chief at that time.

13 Q And would it be reasonable to assume that this MRO was prepared
14 by Mr. Coward?

15 A Yes.

16 Q All right, and if you'll look, in addition to the date and
17 the quantity and the national stock number of 1512, which would indicate
18 a basic TOW with MOIC, you'll see the unit price is \$8,435, is that
19 correct?

20 A Mm-hmm.

21 Q I'd like for you to look at the next exhibit. When that's
22 marked, if you would, let him look at it, and then make sure you give
23 it back to her. [The reporter marked Exhibit 9 and handed it to the
24 witness.]

25 Q This would be the computer card, again prepared at--

UNCLASSIFIED

UNCLASSIFIED

31

A At Anniston.

2 Q --Anniston Army Depot, and you see the quantity of 508.

3 A Mm-hmm.

4 Q And GAO has noted that the 1512 indicates that that's the MOIC
5 modified, and then if you look at the bottom, and the price is \$8,435.

6 A Mm-hmm.

7 [The witness returned Exhibit 9 to the court reporter.]

8 Q Let me give you the next document and have that marked as
9 Exhibit 10 [the reporter did so], and this is the ammunition planning
10 worksheet for shipment to--look under the shipped quantity; you'll see
11 508; and total price is 4 thousand--excuse me; \$4,284,980, and my
12 arithmetic says that works out to \$8435.

13 A Mm-hmm.

14 [The witness returned Exhibit 10 to the court reporter.]

15 Q Let me have that marked as the next exhibit. [The reporter
16 marked Exhibit 11.] And, if you would look at that, that is a DD 1348.
17 [The reporter handed the exhibit to the witness.] And the quantity
18 shows 508, so that would be for the second shipment, is that correct?

19 A Mm-hmm.

20 Q And there are no signatures on that, so that would appear
21 to be the form prepared at Anniston Army Depot prior to the actual
22 shipment, and what is the price reflected on that?

23 A \$8435 [returning the exhibit to the reporter].

24 Q With regard to that exhibit, I'm going to simply include
25 the one as representative of all the additional documents for that lot.

UNCLASSIFIED

UNCLASSIFIED

1 A Okay.

2 Q Let me have these next four pages marked as the next exhibit,
3 going to be number 12, is that correct? [reporter confirmed] and ask
4 that you take a look at that, Mr. Collier, and tell me what they reflect.
5 [The reporter handed the exhibit to the witness.]

6 A They reflect the appropriate NSN, the price, which we said
7 would be right--

8 Q Would be what?

9 A \$8435.

10 Q And this would be the DD 1348 that actually shows the transfer
11 from Anniston Army Depot to the Army Missile Command.

12 A Right.

13 Q And they were received by yourself, is that correct.

14 A That's right.

15 Q That is your signature?

16 A That is right.

17 Q And so when you--you actually took receipt of these on the
18 second shipment and signed this card. It bears the price of \$8,435,
19 correct?

20 A Mm-hmm.

21 Q Do you remember taking note of that price at the time?

22 A No. Whether or not I--whether I actually signed it and looked
23 at the corner there? No. No, I did not. I mean, if you mean just to
24 look at it and say, "Hey, I'm seeing something," no, but actually knowing
25 that, that the NSN was there, the price was there, and everything was

UNCLASSIFIED

UNCLASSIFIED

33

there, yes. That, answer yes. But to actually look at the price--

2 Q Did it register with you--

3 A NO.

4 Q --that the price of the missiles you were signing for was
5 \$8,435?

6 A NO. NO. NO.

7 Q At the time that document came in, do you recall having any
8 discussion with Mr. Leachman about the price issue and what price should
9 show up in that block?

10 A NO. NO. NO, 'cause at that time, when that came up, when I
11 signed that for Anniston that day, again, Mr. Leachman had to have been
12 gone to that quarterly--I don't think he was here, so I signed those
13 forms and just made a record of them and put them in a folder and just
14 filed them away.

15 Q All right. Let me have this marked as the next exhibit and
16 ask that you take a look at it [the reporter marked Exhibit 13], and
17 what that reflects is the DD 1348 showing transfer to Colonel Armbright.

18 A Right.

19 Q And if you will notice, then, the price block is blank.

20 A Right.

21 Q Do you know why that is?

22 A Well, again, today I have to say, you know, the original price
23 was not there. Again, I'm assuming that we were directed by higher
24 headquarters not to put it on there, on the transfer documents to the
25 DA rep. There would not be a price on there.

UNCLASSIFIED

UNCLASSIFIED

34

Q All right. This is an important point, so let me back up
2 and make sure we cover it adequately. One can make that assumption--I
3 can make that assumption--but I wasn't involved with them.

4 A Okay.

5 Q What do you know, and what do you specifically recall as to
6 price on the 1348s that went forward from you that you signed when
7 either Simpson or, in second and third shipments, Armbright took
8 possession, and from them to any subsequent transfers? Were you given
9 instructions that that price block should be changed in any way from
10 18435?

11 A No, but the way I understood it, the way we supposed to fill
12 it out, you know, I filled out the form, had the form typed--I'm trying
13 to think if one of our secretaries typed it--and when I got to the price
14 block, it was just said, you know, "Leave it off." Now, who directed
15 who, who actually told me to do that, I can't say that.

16 Q Is it your recollection that somebody told you to leave that
17 off, to leave price completely off?

18 A As I understood it, it was supposed to been done the same as
19 before, okay.

20 Q So, would you have gone and looked at the previous--

21 A To get the previous form and typed it as the other but changed
22 the serial number from C001 to C002 and everything else.

23 Q All right. I need to know whether this is a conscious process
24 or not. Do you recall whether you were simply told, "Type up the transfer
25 document the same as the last one," or whether there was specific mention

UNCLASSIFIED

UNCLASSIFIED

35

1 of, "Type up the transfer document, and, as we did with the last one,
2 don't put a price in there"?

3 A No, as I recall it now, it was just, "Type it up the same
4 as before," because, again, yeah, I'm almost sure.

5 Q Do you recall being told by anybody that the documents should
6 not bear a price, that the price block should be left blank?

7 A I have to say now no, I don't believe I was.

8 Q All right. Let's look at the third shipment; then we'll come
9 back to this. Let me have this marked as the next exhibit to go through
10 the sequence and have you take a look at that, and I think you'll find
11 that it's simply the MRO for the third shipment [the reporter marked
12 Exhibit 14], and if you'll look in the quantity block, you'll see that
13 it says 500, and, if you would, tell me what the price block says.

14 A It looks like \$8164, doesn't it?

15 Q Is there any reason that you can think of why \$8164 would be used
16 as opposed to \$8435 or any other number?

17 A Right now, I can only say 'cause this is NSN and in 2507, and--

18 Q Would that be the ~~I~~TOW, I-T-O-W downgrade?

19 A Mm-hmm. And the reason it could have been different in the
20 other one is that this particular missile had the newer battery in it.
21 It wouldn't have required the MOIC, so that particular price could be
22 the--that would be my only rationale to say it would be different than
23 \$8435. Don't quite add up, because, you know, again, the MOIC, I guess
24 on average, we talk a little bit about \$350, but, you know, if you look
25 at it, it's probably anywhere from \$280 and above to 4 hundred and something.

UNCLASSIFIED

36

- Q And would this document likely have been prepared by the item
2 manager?
- 3 A Yes.
- 4 Q Let me ask you to look at the next exhibit, which is the computer
5 card generated at Anniston Army Depot, and you can look at this copy.
6 [The reporter marked Exhibit 15.] It shows a quantity of 500, which would
7 be the third shipment.
- 8 A Mm-hmm.
- 9 Q And lists you or Mr. Coward as the Redstone point of contact.
- 10 A Mm-hmm.
- 11 Q And what price is in that block?
- 12 A They used \$8435.
- 13 Q Okay.
- 14 A I don't know why they didn't use John's price.
- 15 Q Let me have you look at the next exhibit, which is the
16 ammunition planning worksheet for the third shipment [marked Exhibit 16],
17 and if you look at the quantities, you'll see 500 and the total price
18 of \$4,217,500, which should work out to \$8435.
- 19 A \$8435, yes.
- 20 Q Next is the DD 1348 prepared [marked Exhibit 17] at Anniston
21 Army Depot before actual transfer for a quantity of 500.
- 22 A Mm-hmm.
- 23 Q And you'll see that it bears a price \$8435, is that correct?
- 24 A Mm-hmm.
- 25 Q Let me give you this series of iterations of the same document,

UNCLASSIFIED

UNCLASSIFIED

37

and that's the DD 1348 that actually reflects the transfer from Anniston
2 Army Depot to Redstone [marked Exhibit 18]. If you'll note, there's a
3 quantity of 500, again the price of \$435, and that bears your signature,
4 is that correct?

5 A. Right.

6 Q So, were you the official here who signed for the third
7 shipment?

8 A. Right.

9 Q Do you recall specifically taking note of the price that was
10 in that block on this form?

11 A. Negative. 'I did not at the time.

12 Q Do you recall any discussion with Mr. Leachman or anyone else
13 about what price should be in that block?

14 A. No. No.

15 Q Did anybody at any point raise the issue--as you've testified
16 at this point, the price was clearly established. Any arguments to be
17 made had been made, and the price was \$469. That was the price the
18 Army was getting from the customer, whoever it was to be.

19 A. Right.

20 Q Did you ever raise the point, "Wait a minute. We've got a
21 problem. The paperwork looks curious or screwy because we're signing
22 for these, and it shows \$435"?

23 A. No. No.

24 Q Can you think of why you might not have taken note of the
25 price block? Was this simply a--sign for them; you knew what you

UNCLASSIFIED

UNCLASSIFIED

38

were getting?

2 A Well, it--right. I knew--yeah. You could say that.

3 Q Would you normally have gone through this document and made
4 sure all of the numbers and figures and quantities were right?

5 A You know, as a norm, you say the answer's yes, but then after
6 you handle so many of them, especially the same type, you know, once
7 you see basic information, quantity, NSN, you know, other data on the
8 form becomes, you know, something like a standard; it's just there, you
9 know: price, location, you know, pallet size, and all that, that wouldn't--
10 I wouldn't worry about scrutinizing, you know.

11 Q What happened physically as you took possession and signed
12 for these? Now, my understanding is contemporaneously, like at the same
13 time, there would have been someone on the scene--I guess Colonel
14 Armbricht--

15 A Right.

16 Q Then you would have--who you then would have signed them over to.

17 A Right.

18 Q So, the document that he signed would have been prepared by whom?

19 A Our office.

20 Q Did anyone take note of the fact that the document he signed
21 didn't bear a price?

22 A Well, you know, the first two times, I'm sure we did, but, again,
23 by direction, it was not there, and I don't think nobody ever challenged it.

24 Q Let me ask as the final exhibit you look at this document
25 [marked Exhibit 19], which reflects that these were then transferred

UNCLASSIFIED

UNCLASSIFIED

39

from Redstone to Colonel Armbright and then from him to the individuals
2 with the CIA whose names have been redacted.

3 A Mm-hmm.

4 Q And you'll see the price block; it shows \$3469.

5 A Right.

6 Q Now, what we're trying to figure out, Mr. Collier is what went
7 on here--

8 A Right.

9 Q --and you may wonder, "Why did you walk me through all these
10 documents that I didn't prepare and that I didn't see at Anniston Army
11 Depot or whatever or those with regard to the first shipment, which I
12 wasn't involved with?" and there's a simple reason for doing that, and
13 that is to say this: all of the documents prepared here, to start with,
14 show the price of \$8435.

15 A Mm-hmm.

16 Q The MRO.

17 A Mm-hmm.

18 Q On all three shipments, or came close on the third shipment,
19 \$8164--

20 A Mm-hmm.

21 Q --and then we go to Anniston Army Depot, and the computer card
22 that they generate initially bears the \$8435 price, as does the ammunition
23 planning worksheet.

24 A Right.

25 Q As does the DD 1348 that they prepare, which ostensibly would

UNCLASSIFIED

UNCLASSIFIED

40

come here.

2 A Right.

3 Q And the blank ones, unsigned by you, which were prepared at
4 Anniston Army Depot, show that price.

5 A Mm-hmm.

6 Q And then when they get to this stage and they're signed by
7 you, they show \$8435.

8 A Mm-hmm.

9 Q And then from the point at which we transfer them to Major
10 Simpson or Colonel Armbright--

11 A Mm-hmm.

12 Q --we have no price.

13 A Mm-hmm.

14 Q And then at the point at which they transfer them to the CIA,
15 the price reappears--

16 A Mm-hmm.

17 Q --and it's the \$3469 price.

18 A Right.

19 Q And what we're trying to figure out is why and what happened.
20 Do you have a judgment as to how the price disappears on the forms that
21 are prepared here and that are executed here in transferring them from
22 Redstone to Department of Army?

23 A Okay. Well, again, we here will prepare it, you know, business
24 as usual, so it wouldn't have been no--you know, like I'm talking about
25 in the item manager's case, we would, you know--everything we done was

UNCLASSIFIED

UNCLASSIFIED

41

right, you know, the right price, right NSN, reflect the latest, whatever.

2 Now, you know, again--

3 Q But you said that your office would have prepared the form
4 that reflects no price.

5 A Right.

6 Q Are you familiar with any instance in the past where to effect
7 a transfer from Redstone to some other party using a DD Form 1348, you
8 would have no price in the unit price block?

9 A No. No.

10 Q So, this would have been the first and only time that happened?

11 A Right. Right.

12 Q I may have asked this before, but did you take note of the fact
13 that the time those forms were prepared that it had no price in the block?

14 A I think I did, but I, you know, really made no comment because,
15 again, the first shipment didn't have it, and I was told on the second
16 shipment to type the form the same as the first one except change the
17 serial number from C001 to C003.

18 Q Do you recall being told by anyone that there was to be no
19 price on the document?

20 A Not to be no price but just told to type it the same as the
21 first.

22 Q Do you recall being directed by Mr. Leachman that there would
23 be no reference to price?

24 A No. No, he did not. In other words, his direction before
25 that was type the same form the same as the first one.

UNCLASSIFIED

UNCLASSIFIED

42

Q All right, but let me walk you through a few of the statements
2 that you made with the Department of the Army IG.

3 A Okay.

4 Q See if this helps to refresh your recollection in any way. Now,
5 you were asked about the 1348s as they were prepared. Question, quote:

6 "Do you recall what price was put on the shipment?" unquote. Answer:

7 "I don't recall, but I can say it was probably the \$8435 because that

8 was the price," unquote. Question, quote: "Did you have anything to

9 do with preparing of the 1348 that transferred the missiles from the

10 project office to the Department of Army DCSLOG, D-C-S-L-O-G?" unquote.

11 Answer: "Yes." There was further discussion about this, and you

12 stated, quote, "We had all that information typed on it," unquote.

13 Question: "Notice there is no price on that document," unquote. Answer,

14 quote: "Right," unquote. Question, quote: "Was that intentional?" unquote.

15 Answer, quote: "It was directed that way," unquote. Question: "Directed

16 by whom?" unquote. Answer, quote: "By DA," unquote. Some further

17 discussion about this point, and you said, "Well, no, not DA itself

18 but Mr. Leachman." Question, quote: "So, Mr. Leachman, then, basically

19 told you that because he did the first one, is that right?" unquote.

20 Answer, quote: "Right. He was just saying--well, he just said, 'This

21 is how they want us to fill them out,'" unquote. Question, quote: "Why

22 would you leave the price off, though? I mean, if you've got--if you

23 are putting down a basic missile with MOIC?" unquote. Answer: "Uh-huh."

24 Question, quote: "The right stock number," unquote. Answer: "Uh-huh."

25 Question, quote: "The right nomenclature, 71 alpha 2; why would you

UNCLASSIFIED

UNCLASSIFIED

43

leave the price off?" unquote. Answer, quote: "Because that is how I understood that it was directed to be done here. It was not put on the first document, so the second document was consistent with the first," unquote. You stated further, quote, "The price was not on the first one, so the price wasn't on the second one," unquote. Then you continued, quote, "Because, as I understood, again, it was directed that there would be no reference to price on the document," unquote. Question, quote: "Okay, so you were told in an earlier conversation there would be no reference to price?" unquote. Answer, quote: "Right," unquote. Question, quote: "And Mr. Leachman, I mean, yes; Chris Leachman told you that?" unquote. Answer, quote: "Right," close quotes. And then your-- the question is put as to why you would do it, and so forth, and you answered, quote: "Well, you know, again, like I say, in this case, if you were directed not to, you know, you don't do that," unquote. Now, I walked through this to see if any of that refreshes your recollection.

16 A. Right.

17 Q And let me specifically ask you whether that sounds correct
18 as to what your testimony was at the time.

19 A It's correct in there except for one point. You know, at that
20 time I guess I shouldn't have been so absolutely--in other words, making
21 an absolute true statement that Mr. Leachman said. In other words, putting
22 him there. If he directed it.

23 Q I clearly understand that you would not have direct knowledge
24 of who told Mr. Leachman anything--

25 A. Right.

UNCLASSIFIED

UNCLASSIFIED

44

Q --unless you were standing--

2 A Right.

3 Q --in the presence of Mr. Leachman and someone else.

4 A Right.

5 Q Although you could have indirect knowledge if he told you that
6 somebody else told him.

7 A Right.

8 Q My question to you is, as to your best recollection today, were
9 you told that there was to be no reference to price on the 1348 that was
10 used to transfer control to the office of the Deputy Chief of Staff of
11 Logistics?

12 A Well, again, on the second one, I was told to type as the first
13 one, and there was no price there, and naturally, we looked, and we saw
14 that, but, you know, didn't question it. On the last shipment, you know,
15 we were told by the DA rep that he wanted the 3469 in that block, and
16 that's what--

17 Q And by the DA rep, do you mean Colonel Armbright?

18 A Right.

19 Q Who was told that by Colonel Armbright?

20 A Well, I'm sure it came into Colonel Lincoln's office, and I'm
21 thinking that--I'm trying to see; did I have any personal conversation
22 with him about that? I can't say that, but I do know that once we typed
23 the form, we did put the 3469 in there this time because that's what
24 DA wanted.

25 Q Okay.

UNCLASSIFIED

UNCLASSIFIED

45

A. Okay.

2 Q Let me make sure I understand your testimony as to the form of
3 the second shipment. You were told to type that form as it had been
4 typed for the first shipment?

5 A. Right.

6 Q In the process of preparing that, whether you physically typed
7 it or directed someone to type it, did someone take note of the fact
8 that in taking the identical data--

9 A. Mm-hmm.

10 Q --from one form to another, that there was no price there?

11 A. No.

12 Q You don't recall--

13 A. No.

4 Q --anyone flagging that?

15 A. No. Nobody challenged; no. No.

16 Q Do you recall Mr. Leachman ever telling you either, a, to leave
17 the price off, specifically, or, b, that there was to be no reference to
18 price on these forms?

19 A. Neither one. It was absolutely, you know--the statement was,
20 "Type the second form the same as the first," okay.

21 Q All right, now, you don't have to agree with my conclusion,
22 but as I read your DA IG testimony, it's fairly unequivocal. It didn't
23 seem to be a lot of uncertainty as to the fact that you were told there
24 would be no reference to price and that Mr. Leachman said that. Is it
25 your statement today that you just maybe weren't correct in those

UNCLASSIFIED

UNCLASSIFIED

statements that you made?

2 A. Well, you know, I was incorrect in those statements when it
3 comes out so absolute like I put it there. You know, again, the discussion
4 was "Type the same as the first," and I guess if anything came up, maybe
5 indirectly, you know, he may have said, "Okay, we're supposed to make
6 no reference to price," you know, and, again, you know, I can only assume
7 that, you know, it was directed from the top that we do it that way. But
8 I shouldn't have never had anything so for certain, sure, that "Hey, this
9 is right." I shouldn't have made statements like that.

10 Q When Armbright signed the documents receiving the missiles from
11 you, do you recall if he made note of any of the data that was on the
12 form?

13 A. Well, on the second one, he went through it, and he said,
14 "Mm-hmm, mm-hmm," you know, and far as there was no price there, there
15 was no challenge there, okay. He signed it.

16 Q Do you recall if that was specifically discussed, the fact that
17 there was no price on that form?

18 A. No, he didn't say anything, but he did notice in looking at
19 it; he checked it. He had the first form that Major Simpson signed with
20 him; probably was a copy of it, but he made sure everything tracked and
21 that the serial number was the thing they changed, and he signed it.

22 Q Did you ever look at the copy of the form he had that Major
23 Simpson signed for the first shipment?

24 A. No, but I had a copy. A copy was on--in our files. Chris
25 already had a copy of that from the first shipment. Now, on the third

shipment, again, when Colonel Armbright signed those, we looked at it, and he wanted to make sure that the 5469 was there. I do know on that one it was made a reference--said, "Okay." We went across, and that price, "Okay." Everything was checked, and he signed it.

Q He did not physically in your presence turn to anyone and then convey them to another party, did he? which party you would not have known at the time, but, again, that would be the CIA.

A Negative. No.

Q We will at the conclusion of this investigation be writing a report and making recommendations for how things should be done differently in the future, if at all. Do you have any recommendations for us, for anyone, either at your level or higher up, as to how these transactions should be handled in the future?

A Well, you know, again, it's a recommendation, first of all, that everything be put in writing, that we shouldn't accept anything from a phone call, and that whoever's directing the topside, you know, especially when they make reference to price, that a call to someone at the local command who has the actual responsibility, who the item is managed by, as for price, any reference NSN types and all should be discussed before a transaction is made and not someone topside who's not totally familiar with the process.

Q If I understand what you're saying, you think that the Army should have a system that, for any requirement, the need for the customer, whoever it is, they should know in advance before approval is given the nomenclature, the stock number, the price, the quantity, and all of

those things with regard to what they're being asked to transfer.

2 A Right, all the different types that you have simply because
3 of modifications. You know, the thing that was old, old has probably
4 got changed along the way, so, you know, again, far as record keeping,
5 so you'd have an audit trail, you do keep the old number in there, so
6 you can come forward.

7 Q If the Army happened to already have such a system, would it
8 be your recommendation that it be used in the future?

9 A Yes, which is the AMDF.

10 Q Final question for you, which I hope you'll understand I'm
11 obligated to ask. Has there been anyone who has talked to you about
12 the testimony you were to provide today and in any way tried to influence
13 what you've told us?

14 A Negative. No. No.

15 MR. SAXON: Okay. Mr. Collier, let me say on behalf of both the Senate
16 and the House committees, that we appreciate your time. I know we kept
17 you cooling your heels all morning while we interviewed some other
18 individuals--

19 WITNESS: Hey, that's okay.

20 MR. SAXON: --and we appreciate your time and appreciate your testimony.
21 It's been very helpful.

22 WITNESS: Okay.

23 MR. SAXON: Thank you.

24 [Whereupon, at 1:13 p.m., August 10, 1987, the taking of the deposition
25 was concluded.]

1 Whereupon,

2 GARY COLE

3 having been first duly sworn, was called as a witness herein,
4 and was examined and testified as follows:

5 MR. CAROME: Mr. Cole, for the record, my name is
6 Patrick Carome. I am staff counsel for the House Select
7 Committee to Investigate Covert Arms Transactions with Iran.
8 Our committee was established pursuant to a resolution and
9 rules. The CIA has previously been provided with copies of
10 those rules. I have also today given you a set of those rules
11 and the resolution. The mandate of our committee is to
12 investigate the circumstances surrounding primarily the Iran
13 affair but also the United States Government's involvement
14 with the contras and this deposition is being conducted
15 pursuant to those rules.

16 EXAMINATION ON BEHALF OF THE HOUSE SELECT COMMITTEE

17 BY MR. CAROME:

18 Q Could you begin by stating briefly your educational
19 background and the positions which you have held since
20 graduating from law school?

21 A Certainly. I graduated from Williams College in
22 Williamstown, Massachusetts in 1981. After working for a
23 year with a solicitor's firm in London, I attended Stanford
24 Law School, Stanford University in Palo Alto, California.
25 I graduated from there in 1983 and after taking the bar exam

1 I joined the Office of General Counsel at the Central
2 Intelligence Agency where I have been an attorney-advisor
3 since October of 1985.

4 Q What is the position that you have held since you
5 began work --

6 A Attorney-advisor is the term.

7 Q And what department or division of the Office of
8 General Counsel have you been working in?

9 A I have been working since I came on board in the
10 Intelligence Law Division.

11 Q And how many lawyers are in that Division?

12 A At present, we have, let's see, five attorneys in
13 the Division. A total of five.

14 Q And to whom do you report?

15 A I report to David Roseman, who is the Division
16 Chief.

17 Q Is that the person you have been reporting to since
18 coming into the CIA?

19 A Essentially. We had a reorganization about
20 approximately a year ago. When I came on board Bernard
21 Makowka was the Division Chief, David Roseman was the Deputy
22 Chief. I have effectively been reporting to David, though,
23 throughout my tenure at the Agency.

24 Q And that would apply to the period December 1985
25 and January 1986; is that right?

~~UNCLASSIFIED~~

UNCLASSIFIED

4

1 A That's correct.

2 Q Have you been involved in the preparation of covert
3 action findings at the Agency in your position?

4 A Yes, I have.

Q What month did you begin working at the CIA? I'm not sure we covered that.

A I began in October of 1985, early October.

Q Did there come a time when you became involved in the preparation of a finding pertaining to Iran?

A Yes.

Q And if you could be as precise as possible, when was the first time you heard anything about a finding pertaining to Iran?

A January 2nd, 1986.

Q You have a firm recollection that that's the first time that that subject ever came up with respect to yourself?

A Yes, I do.

Q What happened on January 2nd, 1986, to make you aware of this finding matter?

A I was called into Mr. Roseman's office, who advised me that the General Counsel wanted us to work on preparation of the finding.

Q Who was present in Mr. Roseman's office at this time?

UNCLASSIFIED

UNCLASSIFIED

6

1 A Just the two of us.

2 Q And where is his office in location to yours? Are
3 they nearby to one another?

4 A Oh, within -- at the time, within 30 or 40 feet. I
5 was about three offices away.

6 Q And this is at [REDACTED] is that
7 correct?

8 A That's correct.

9 Q And what did Mr. Roseman say to you, as best you
10 can recall?

11 A He mentioned that the General Counsel had been
12 pleased with our work [REDACTED]

13 [REDACTED] and had wanted us to help in
14 this particular area. He gave me a general description of the
15 scope of the finding and asked me to take a first crack at
16 drafting it.

17 Q What was the general description of the scope of
18 the finding that he gave you, if you can recall?

19 A Well, he mentioned that assistance was to be
20 provided to Iran. I do not have a firm recollection as to at
21 that point what sort of assistance was described. But that
22 was the general description that he gave me. He did not have
23 a lot of detail at that meeting.

24 Q Did he tell you anything else about the finding and
25 what was to be done?

UNCLASSIFIED

UNCLASSIFIED

7

1 A My recollection is no, that there wasn't a lot of
2 additional information provided at that first meeting.

3 Q And that's on a Thursday; is that right?

4 A That's correct.

5 Q Do you recall about what time during the day that
6 you met with Mr. Roseman?

7 A I would guess it was probably, oh, perhaps mid to
8 late afternoon, perhaps around 4 o'clock.

9 Q And how was the work to be done as Mr. Roseman laid
10 it out? Did he explain what needed to be done?

11 A He did in some generality. We, as I mentioned, had
12 worked on [REDACTED] and in that
13 context had had access to other findings. And he suggested
14 that I have recourse to those for use in determining the
15 format of this draft. He asked me to stay late that evening
16 and prepare a first draft, which I did.

17 Q Did Mr. Roseman mention anything to you about the
18 fact that there had already been some involvement of the CIA
19 in similar subjects, and, for instance, that there had
20 already been arms transactions with Iran? Did he at this
21 January 2nd meeting mention that to you?

22 A No, he did not.

23 Q Was there any discussion at all of any activity
24 along these lines having already transpired in that discussion
25 with Mr. Roseman?

UNCLASSIFIED

UNCLASSIFIED

8

1 A No, none.

2 Q Was there any discussion of the fact that there had
3 already been a finding drafted or signed at that point?

4 A No. No, there was not.

5 Q You have since learned that there was a November
6 finding drafted and perhaps signed; is that right?

7 A That's right.

8 Q When did you learn that fact?

9 A I don't believe I became aware of the possibility
10 of such a finding until the story actually went public, which
11 would have been in November, late November or early December
12 of 1986.

13 Q You believe that you didn't hear anything about a
14 1985 finding --

15 A No.

16 Q -- on the Iran matter until the story broke in the
17 press; is that right?

18 A That's correct. That's correct.

19 Q And does the same go for learning any information
20 about a weapons shipment or shipments to Iran in 1985? Did
21 you learn anything about that before the story broke?

22 A Well, I mean, as I mentioned, there were various
23 sorts of assistance that Mr. Roseman described to me at that
24 January 2nd meeting. It was my understanding that that
25 assistance might take the form of military, you know, of

UNCLASSIFIED

UNCLASSIFIED

9

1 transfers of military materiel. So at that point on January
2 2nd I was aware that the possibility existed that their
3 shipments might have been made. I didn't learn that shipments
4 had actually been made, though, until the story -- once again,
5 until the story broke in November of '86.

6 Q Mr. Roseman must have explained in a bit more
7 detail what it was that this finding was to provide for if
8 you were going to be drafting one that night.

9 A Uh-huh.

10 Q Can you think of anything else that he told you
11 about the anticipated activity?

12 A My recollection was that he described a range of
13 assistance that would have included intelligence support, I
14 believe; communications, military materiel, as I mentioned;
15 perhaps logistical support in some other form. That is really
16 about the extent of my recollection of what he described at
17 that first meeting.

18 Q And at that first meeting, did he explain who it
19 was this support was to be provided to?

20 A Yes.

21 Q And who was that?

22 A To Iran. And I really cannot recollect whether he
23 gave me any more detail at that meeting as to who precisely
24 within Iran was to be the recipient of these systems.

25 Q Did Mr. Roseman in that first meeting mention

UNCLASSIFIED

UNCLASSIFIED

10

1 anything about Israel in connection with the activities?

2 A My recollection is that he did not in that first
3 meeting.

4 Q Did he make any reference to the fact that other
5 countries would perhaps play a role in the anticipated
6 activities?

7 A I believe that he did, yes. I believe there was a
8 reference to a third country.

9 Q Did the subject of whether or not the finding which
10 was contemplated -- strike that question.

11 Mr. Roseman was clear at that point that what needed
12 to be done was draft a finding; is that right?

13 A I believe that he understood that those were the
14 instructions from the then General Counsel, yes.

15 Q And the then General Counsel was Stanley Sporkin;
16 is that right?

17 A That's correct.

18 Q And was it your understanding that Mr. Roseman had
19 received these instructions directly from Mr. Sporkin?

20 A Yes.

21 Q That the two of them had talked together about this
22 matter; is that right?

23 A That's right.

24 Q Were you aware at that time or did Mr. Roseman, in
25 that first meeting, identify any other persons who would be

1 involved in the activity?

2 A In the activity of drafting the finding or --

3 Q Let's start there -- in the activity of drafting the
4 finding.

5 A Did he mention whether other persons would be
6 involved?

7 Q That's right. That's my question.

8 A I believe he made reference to the fact that one
9 other component in our office may become involved and had been
10 involved generally in the preparation of covert action
11 findings.

12 Q And what component was that?

13 A The Intelligence Community Affairs Division.

14 Q Is that the Division in which at that time Mr.
15 Clarke, George Clarke, and Mr. George Jameson were involved?

16 A They were the Chief and Deputy Chief respectively at
17 that point, that's right.

18 Q And what do you recall Mr. Roseman saying about their
19 role?

20 A Well, to the best of my recollection, he said that
21 as a general matter covert action findings were not prepared
22 in the Intelligence Law Division. As a rule, covert action
23 was handled out of the Intelligence Community Affairs
24 Division.

25 He indicated that because the General Counsel had

1 expressed his satisfaction with the work we had done [REDACTED]
2 [REDACTED] that we were given the first crack
3 at drafting this finding. I believe he mentioned, though,
4 that there was a possibility that that Division may become
5 involved because it was their area of expertise within the
6 office.

7 Q Are [REDACTED] and this Iran
8 finding we are talking about the only two findings that you
9 have ever worked on?

10 A Yes.

11 Q And are they the only two findings that the
12 Division in which you were working had ever worked on, at
13 least as far as you know?

14 A No, that's not accurate.

15 Q Are there other findings since --

16 A Since that time?

17 Q Yes.

18 A I'm really not certain.

19 Q Are you aware of others prior to that time?

20 A Well, I am --

21 Q In which your Division had worked on?

22 A That's correct. I have subsequently learned that
23 my then Division Chief, Bernard Makowka, had been involved in
24 the preparation of the earlier finding that you referred to.

25 Q I see. But other than that finding and the

UNCLASSIFIED

~~UNCLASSIFIED~~

13

1 [REDACTED] are you aware of any other findings
2 in which your Division has been involved?

3 A No.

4 Q Either before or after; is that right?

5 A Not to the best of my knowledge.

6 Q Did Mr. Roseman offer any explanation other than the
7 fact that your work had been appreciated on the other matter
8 as a reason for involving you and he on this Iran finding?

9 A No. No, he did not.

10 Q Did Mr. Roseman say anything about whether this was
11 a particularly sensitive matter at that first meeting?

12 A I don't think he had to say it. I mean, I think it
13 was understood that it was extremely sensitive.

14 Q And what was it that made it seem immediately to be
15 a sensitive matter?

16 A Well, because the fact that military shipments were
17 perhaps being contemplated to Iran.

18 Q And why would that be sensitive?

19 A It was, I guess, our feeling at the time was that
20 because we had never -- we had not come across such a
21 proposal in the past that we assumed it would, you know, would
22 be an extremely sensitive matter. He did not make any state-
23 ments to that effect but I think we both treated it in that
24 manner.

25 Q About how long did this first meeting with Mr.

~~UNCLASSIFIED~~

14

1 Roseman last; do you recall?

2 A I don't recall exactly. I would estimate perhaps
3 45 minutes.

4 Q Did Mr. Roseman have any documents that he was
5 referring to, any notes that he had taken from this
6 conversation with Mr. Sporkin or other things that he was
7 reviewing during this meeting?

8 A I really do not recall.

9 Q And what specifically did Mr. Roseman tell you to
10 do after the meeting was over?

11 A He asked me to prepare a first draft of the
12 finding.

13 Q And did you do that?

14 A Yes, I did.

15 Q And when did you prepare the first draft?

16 A That -- beginning that afternoon and into that
17 evening.

18 Q Did Mr. Roseman say anything during the first
19 meeting about the subject of notification of Congress?

20 A I believe that he did, yes.

21 Q And do you recall what he said on that subject?

22 A I think he asked me to take a look at the language
23 that had been used in previous findings concerned reporting
24 obligations to Congress and to consider that language when I
25 was preparing my draft.

UNCLASSIFIED

~~TOP SECRET~~
~~UNCLASSIFIED~~

15

1 Q What do you mean consider it? What does that mean?

2 A To, I guess, to determine whether it might be
3 appropriate to use similar language in this finding. As I
4 subsequently found, the language was quite similar for, you
5 know, for virtually all findings. And I think it was one of
6 the factors he said that, of course, had to be included in,
7 you know, in preparing a draft finding.

8 Q Did the concept of not notifying Congress come up?

9 A I don't believe it came up at that first meeting,
10 no.

11 Q Were you aware that that was an option that at least
12 might be considered at that time?

13 A I was aware of it because my recollection is that
14 in another finding or draft finding -- and I'm afraid I cannot
15 recall which finding it was -- that I had access to in
16 preparing the earlier finding -- there had been language to
17 the effect that Congress was not to be notified, that the
18 President directed Congress not to be notified. I don't
19 recall, though, that it was actually explicitly addressed in
20 my first meeting with Mr. Roseman on January 2nd.

21 Q Okay.

2 Q Mr. Cole, I show you what has been marked as

4 seen this document?

5 I'll state for the record that it's what appears to
6 be a copy of what's become known as the November 1985 mini
7 finding and a cover document.

8 Did you see this document at any time prior to
9 November of 1986?

10 A If I can just take a quick moment to read it over.

11 Q Sure.

12 (Pause)

13 THE WITNESS: If you could just repeat the question.

14 BY MR. CAROME:

15 Q Did you see either part, either page, of what's been
16 marked as Exhibit 1 prior to November 1986?

17 A To the best of my recollection, I did not.

18 Q Is it possible that the finding, which is part of
19 this exhibit, was one of the items that you looked at when
20 you were going through all those findings?

21 A It is possible, but to the best of my recollection,
22 no, it was not, it was not among them.

23 Q After the meeting with Mr. Roseman, I take it you
24 then immediately began work to prepare a draft finding; is
25 that right?

UNCLASSIFIED

~~UNCLASSIFIED~~ SECRET

17

1 A That's correct.

2 Q And the first thing you did was look at findings
3 that have been drafted before; is that right?

4 A That's correct.

5 Q Where did you find the previously drafted findings?

6 A Well, certain of the findings were kept in a secure
7 safe in the office. And in fact, I believe I still had one or
8 two of them which I had kept in secure storage in our
9 registry because I had worked with them [REDACTED]

10 [REDACTED] that I referred to earlier. As I
11 mentioned, I don't have an exact recollection of when we had
12 finished work on [REDACTED] but it had been
13 within a week or two and I believe I still had many of the
14 materials that I had used [REDACTED] So, I
15 do not recall whether I -- it is possible that I went over and
16 inquired for additional findings from the Intelligence
17 Community Affairs people who had access to them. But I believe
18 that certainly the majority of what I worked with I already had
19 in my files at that time.

20 Q And what did you do after reviewing all the findings?

21 A The previous findings gave me a sense as I had also
22 acquired [REDACTED] the
23 language, the format, the tone, et cetera, that was used in
24 preparing the finding. I used the language that was certainly
25 the language that you see at the top of your exhibit, which

~~UNCLASSIFIED~~

~~UNCLASSIFIED~~

18

1 refers to the act which authorizes the issuance of findings
2 and included that language.

3 I then take -- taking the directions that Mr.
4 Roseman had given me concerning the types of assistance to be
5 offered to the Iranians, used language along the lines of
6 what had appeared in previous findings in describing that in
7 my draft.

8 Q And did you complete a draft that evening?

9 A Yes, I did.

10 MR. CAROME: Could you please mark that as the
11 next exhibit?

12 (Exhibit No. GC-2 was marked
13 for identification.)

14 BY MR. CAROME:

15 Q Mr. Cole, I show you what has been marked as
16 Exhibit 2 and ask you to take a look at that and tell me
17 whether or not that is the draft that you completed that
18 night?

19 A If I can just have a moment to look it over.

20 Q Please look it over.

21 A Thank you.

22 (Pause)

23 THE WITNESS: To the best of my knowledge, yes, this
24 is the finding I prepared that night.

2 Q And did you actually have it typed out that night,
3 and would it have been in this form before you went home that

5 A I really don't recall. I think in all likelihood I
6 would have asked a secretary to stay late. The matter
7 certainly seemed to me of sufficient importance to warrant
8 that.

9 Q Had Mr. Roseman told you anything about whether this
10 was an urgent matter?

11 A Yes.

12 Q And what did he say on that subject?

13 A Yes, it was to be completed, absolutely, as soon as
14 possible.

15 Q And did you take that to mean get a draft done that
16 night?

17 A You bet I did.

18 Q And I note that this Exhibit No. 2 includes an
19 introductory paragraph that specifically contemplates a report
20 to Congress --

21 A That's correct.

22 Q -- of the activity.

23 A That's correct.

24 Q And did you understand that was consistent with the
25 instructions that Mr. Roseman had given you?

~~UNCLASSIFIED~~

~~UNCLASSIFIED~~ RET

20

p end
fls

1 A Yes. As I mentioned, we had not explicitly discussed
2 congressional reporting, to the best of my recollection.

3 Q And you would have viewed it to have been somewhat
4 extraordinary to have the opposite direction, namely, a non-
5 report to Congress; is that correct?

6 A No, I wouldn't necessarily have taken that position.
7 As I said, I didn't have an experience in preparing covert
8 action findings to determine what was, you know, ordinary or
9 extraordinary. So I really couldn't have made a conclusion one
10 way or the other.

11 But he had indicated to me to work from the drafts
12 of previous findings, the majority of which had included
13 language that, you know, that Congress was to be notified in
14 accordance with the National Security Act.

15 Q In the area under Description, there's a reference
16 to working with selected foreign liaison services.

17 A Uh-huh.

18 Q Do you know what that was a reference to, or what
19 that's in there?

20 A I did not know that at the time. No, I did not know
21 what that was referring to at the time.

22 Q Had Mr. Roseman told you there needs to be a
23 reference to liaison, foreign liaison?

24 A As I mentioned earlier, I believe he had made
25 reference to the fact that there may be third countries

1 involved. I don't recollect that he mentioned specifically
2 what their involvement would be. I believe that this
3 language was included in at least one of the previous
4 findings. I think he mentioned that, as is indicated here,
5 there would be intelligence support provided.

6 My recollection would be that -- you know -- in
7 indicating that third countries would be involved that other
8 foreign liaison services would be involved as well.

9 Q Did Mr. Roseman indicate in that first meeting
10 the possibility that there might be private individuals
11 involved at all in the activities related to the finding?

12 A Not to the best of my knowledge, no.

13 Q The last paragraph of the finding refers to the
14 provision of arms equipment and related materiel --

15 A Uh-huh.

16 Q -- to Iran. Did Mr. Roseman describe to you
17 what types of arms equipment and materiel were to be
18 provided?

19 A No, he didn't.

20 Q There was no further description than that?

21 A Not at that point, no.

22 Q And there's a specific reference to the fact
23 that these materiels are to be used against Iraq. Is that
24 something that Mr. Roseman had touched upon in your
25 discussion with him that morning or that afternoon?

UNCLASSIFIED

~~UNCLASSIFIED~~

22

1 A No. I mean, he had mentioned the fact that --
2 I mean, he had -- when you say "touched upon," yes, he had
3 mentioned the fact that that's against whom the equipment
4 would be directed, which I think was our -- was our
5 understanding based on his conversation with the General
6 Counsel, but he didn't really amplify, other than to say
7 that that would be -- would be the country targeted by the
8 equipment.

9 Q So -- withdraw that.

10 I take it you completed the draft of the finding
11 and then went home for the day; is that right?

12 A That's right.

13 Q And what happened the following morning on this
14 matter?

15 A I presented the draft to Mr. Roseman --

16 Q First thing in the morning?

17 A Yes. Yes. And, to the best of my recollection,
18 he then took the finding directly up to the General Counsel
19 and discussed it with him. That's what happened immediately.

20 Q Did you have a conversation with Mr. Roseman
21 about the finding?

22 A I would assume that I must have done, but I don't
23 recall exactly -- exactly what it was, other than to say
24 that I had prepared a finding, ~~in~~ in accordance with his
25 instructions the previous day, and I assume I would have

~~UNCLASSIFIED~~

~~UNCLASSIFIED~~

23

1 asked him, "Well, does this cover what it is that Stan --
2 Mr. Sporkin had described to you?" I think he said, "Well,
3 I'd better go up and check with Stan."

4 Q Was there anyone else who saw this draft at this
5 time?

6 A I don't believe so.

7 Q And do you understand that Mr. Roseman went
8 right up to talk to Mr. Sporkin?

9 A That's right.

10 Q And what happened next?

11 A Based on his discussion with Mr. Sporkin,
12 Mr. Roseman came back and said that a couple of other
13 factors needed to be addressed in the finding.

14 Q About how long had Mr. Roseman been long; do
15 you recall?

16 A I would guess he was probably up with Mr. Sporkin
17 for -- oh, maybe 45 minutes, maybe an hour.

18 Q So about what time would it have been when he
19 came back down? Still morning?

20 A I think it probably was still morning, but I'm
21 not -- it would have been late in the morning, early
22 afternoon at that point.

23 Q And what did Mr. Roseman say to you?

24 A Well, he had said that the instructions that had
25 been given to him initially were rather general and having

~~UNCLASSIFIED~~

UNCLASSIFIED

24

1 gone over it with Stan, he had more specific information
2 which needed to be incorporated into the finding.

3 Q And what specifically was that new information?

4 A Well, my recollection is really somewhat foggy.

5 It would be reflected in the original draft that we

6 -- that we prepared there.

7 Q Let me see if I can show you what I, at least,
8 understand to be the next draft.

9 A Yes.

10 Mr. CAROME: Could you please mark that as the
11 next exhibit.

12 (Exhibit Number GC-3 was marked for
13 identification.)

17 Q And ask if you can tell whether that's the
18 next draft of the finding.

19 THE WITNESS: Once again, if I could just have a
20 moment to look at it.

21 MR. CAROME: Sure.

22 THE WITNESS: Thanks.

25 this is the draft that we worked on on January 3rd.

2 Q Now, when Mr. Roseman came back, did he have a
3 marked-up version of your first effort?

4 A I don't believe that he did.

5 Q Did he come back with any written materials or
6 notes from his meeting with Mr. Sporkin?

7 A If he did, I didn't see them. I don't believe that
8 he did, no.

9 Q Having looked at that document, can you now recall
10 what it was that were the new points that Mr. Roseman said
11 Mr. Sporkin wanted to be addressed in the finding?

12 A Well, I think -- I think there were several
13 critical ones. The first pertained to the reporting of the
14 finding to Congress.

15 Q And what did Mr. Roseman say on that point?

16 A I think he said that Mr. Sporkin wanted to
17 pursue -- wanted to leave open both options to the Director
18 of Central Intelligence, either informing the committees or
19 not informing them initially.

20 Q Did he say why that was something that he wished
21 left open?

22 A Well, he did -- I think he referred to, as the
23 language indicates here, to the fact that this was an
24 extremely sensitive operation. That would have been the
25 reason for withholding notification.

UNCLASSIFIED

UNCLASSIFIED

26

1 Q Can you expand upon what it was that made this
2 sensitive?

3 A No. No, not in any detail.

4 Q In any general way to the extent on it?

5 A Well, I think it's, you know, as I mentioned when
6 you first asked me, I think it was understood in the office
7 implicitly that the shipment of arms to Iran was considered
8 to be extremely sensitive, that it was, you know, certainly
9 not something that this office was involved in on a regular
10 basis and as such, needed to be -- needed to be treated
11 with considerable sensitivity.

12 I think, as a result, there wasn't a need
13 perceived, either on Mr. Roseman's part or, I believe, on
14 Mr. Sporkin's part, to underscore the sensitivity of the
15 operation.

16 Q Was a part of what made people feel this was a
17 very sensitive matter the fact that this was recognized
18 as a -- something of a political hot potato, something that
19 would cause a political firestorm if it were publicized this
20 were going on?

21 A Your question is whether that was the judgment
22 in the office when that was --

23 Q Whether that was a factor in the -- in perceiving
24 this to be a highly sensitive matter?

25 A Yes, I think that's true.

UNCLASSIFIED

UNCLASSIFIED

27

1 Q Then at that time, the -- your understanding was
2 that Mr. Sporkin wanted to leave open the option on the
3 question of reporting to Congress; is that right?

4 A That's correct.

5 Q And who did you understand was going to be the
6 person to make the judgement on whether or not the final
7 draft would include language to report or not to report?

8 A Well, my understanding was that it would be the
9 President who was the person signing the finding, but that
10 it would also, obviously, be reviewed by our Director before,
11 you know, before the President made a determination.

12 Q Of course, you were going to send over a proposed
13 draft finding to the White House or at some point, that
14 was going to happen, right?

15 A I was not aware of the chain of transportation
16 to the White House. I assumed that, yes, it would find its
17 way to the White House eventually.

18 Q And that the copy that would be first proposed
19 to the White House would not contain alternative language,
20 but will be drafted as a final document; is that right?

21 A That's correct.

22 Q Whose decision did you perceive it to be to
23 decide whether the completed version sent over to the White
24 House would contain language to report or not to report?

25 A As I indicated, I, as far as this agency, as far

UNCLASSIFIED

~~TOP SECRET~~
UNCLASSIFIED

28

1 as our agency was concerned, that the decision would be
2 made by the Director.

3 As to who would make the final decision on the
4 White House staff, that I did not know and cannot speculate
5 on.

6 Q What other changes or new aspects did Mr. Sporkin
7 want included in the next draft?

8 A As the draft reflects, he wanted to make it
9 clear that the elements within Iran who would receive this
10 assistance were not those elements who were committing
11 acts of terrorism against the United States. More specifically,
12 as it refers to here against U.S. persons, property or
13 interests. To the best of my recollection, that was a very
14 important point that he wanted underscored.

15 Q And what else did Mr. Sporkin want done to the
16 draft?

17 A Those were the two points that stood out in my
18 recollection, and on reviewing the finding, those are
19 certainly the two most important issues, I think, that
20 are focused on.

21 Q I notice in the next draft, the January 3rd
22 draft, there is a reference in the second line under
23 description to third countries. Was --

24 A I'm sorry, reference at what point?

25 Q The reference is in the second line --

~~TOP SECRET~~

1 A Uh-huh.

2 Q -- of the description and there's a reference to
3 third countries.

4 A Right.

5 Q That is not something that appeared in the
6 original version, as best I read it, and I'm wondering if
7 Mr. Roseman said anything on that subject.

8 A There's a reference in the first finding to
9 third countries in the context of a program of deception.
10 I don't recollect that there was -- if you can just give me
11 a moment to --

12 Q Surely.

13 A -- draw my recollection together on this.

14 Q Sure.

15 (Pause.)

16 THE WITNESS: I believe that it would have been
17 after Mr. Roseman met with Stan Sporkin that morning to go
18 over the first draft that Mr. Roseman was advised and
19 subsequently advised me that the Government of Israel would
20 be involved in the -- possibly involved in the shipment of
21 arms to Iraq, and I think that's -- the reference to third
22 countries in the second line is to reflect that -- is to reflect
23 that additional information, and that I would have learned
24 that day.

2 Q And did Mr. Roseman explain at all to you what
3 it was that Israel would be doing?

4 A I think that he mentioned in a general way that
5 the Government of Israel might be involved in transporting
6 the military materiel to Iran. He didn't elaborate beyond
7 that, though, as I can recall.

8 Q Did the question of where these arms or other
9 materiels would come from ever arise?

10 A Did it ever arise or did it arise on --

11 Q Let me rephrase the question.

12 In your conversations on January 2nd and January
13 3rd --

14 A Uh-huh.

15 Q -- with Mr. Roseman, did the subject of where the
16 weapons would be coming from come up?

17 A I don't believe that it did, no.

18 Q Was it your assumption that these would be
19 weapons coming out of the United States that would be
20 working their way to Iran?

21 A I didn't make any assumption.

22 Q The second draft, the January 3rd draft --

23 A Yeah.

24 Q -- includes, following a parenthetical 2 --

25 A Uh-huh.

~~UNCLASSIFIED~~

~~UNCLASSIFIED~~

31

1 Q -- the objective of obtaining intelligence not
2 otherwise obtainable.

3 A Uh-huh.

4 Q Was that something that you recall Mr. Roseman
5 bringing down after his discussion with Mr. Sporkin?

6 A I'm afraid I cannot recall exactly what -- whether
7 he mentioned that specifically or what that -- what that is
8 exactly intended to reflect.

9 Q But that presumably is reflective of one of
10 Mr. Sporkin's comments about the first draft; is that right?

11 A Yes, I assume that's correct.

12 Q The second paragraph of the January 3rd draft
13 refers to "more moderate elements within and outside the
14 Government of Iran." What do you recall being said on the
15 subject of moderates in Iran by Mr. Roseman during this
16 time?

17 A As I had mentioned earlier, I did not -- obviously
18 we must have discussed on the meeting of the 2nd the fact
19 the recipients of the assistance were to be moderate --
20 moderate factions within Iran, as that is reflected in the
21 2nd January finding.

22 I do not have a specific recollection of
23 Mr. Sporkin asking us to put more moderate, to, you know,
24 to further -- to give a more detailed description of those
25 exact elements. Again, I assume he must have given some

1 instruction, but I don't recall specifically what he said.

2 Q Both the January 2nd and January 3rd drafts that
3 we've been looking at talk about termination of the
4 assistance if the United States learns that the materiel
5 is being used for purposes -- actually, the language is
6 quite different in the -- as to what it is --

7 A Yes.

8 Q -- that would trigger a termination.

9 A Yes.

10 Q In the first, what would trigger a termination
11 of the assistance is use of the material other than for
12 furtherance of Iran's war effort against Iraq.

13 Do you recall, is that something that Mr. Roseman
14 had talked about on the first meeting on the 2nd?

15 A Yes, I believe he had referred to that and he also,
16 in the discussion the following day. This reinforces the
17 point that we discussed earlier, which is that Mr. Sporkin
18 wanted to make it quite clear that the recipients of the
19 assistance within Iran were not those who were participating
20 in terrorism, nor would they participate in terrorism, and
21 my understanding is that the revision of the language in the
22 finding dated January 3rd was to ensure that that point was
23 made clear.

24 Q The use of the word "reinstituting" in the second-
25 to-last line of the January 3rd finding --

~~UNCLASSIFIED~~

33

1 A Yes.

2 Q -- causes me to ask the question: Why was it
3 reinstituting, rather than just instituting terrorist acts?

4 A I'm afraid I really don't recall.

5 Q It seems to suggest that perhaps these elements
6 had at one time been engaged in terrorist acts and the
7 concern was that they not do it again.

8 Do you recall anything along those lines?

9 A I do not. There was no discussion, no detailed
10 discussion at all within our office of the character, the
11 nature of the elements in Iran who would be receiving the
12 assistance, other than the fact that they were considered
13 to be moderates. That was really the extent of the information
14 we received.

15 Q After Mr. Roseman came back with his criticisms
16 and suggestions from Mr. Sporkin, what took place next?

17 A I believe that Mr. Roseman and I then sat
18 together in his office and worked to ensure that Mr. Sporkin's
19 comments were incorporated into a subsequent draft. And
20 probably would have spent a period of several hours in
21 putting that together.

22 Q And this Exhibit 3 is a product of that effort;
23 is that right?

24 A That's right.

25 Q Just to clear up a few points --

UNCLASSIFIED

1 A Uh-huh.

2 Q When you were meeting with or working with
3 Mr. Roseman on the 3rd, were there any other people
4 present?

5 A No. There were not.

6 Q And did Mr. Roseman say whether or not there were
7 any people in addition to Mr. Sporkin that he had talked
8 to about the drafting of the finding?

9 A He may have made reference to the fact that had
10 Mr. Makowka been present in the office, that he certainly
11 would have wished him to be involved. As I mentioned at the
12 outset, the chain of command at the time was Mr. Sporkin,
13 Mr. Makowka, Mr. Roseman and myself, and had Mr. Makowka
14 been present in the office, I believe Mr. Roseman suggested
15 that Mr. Sporkin would have been dealing directly with
16 Mr. Makowka, rather than -- rather than with Mr. Roseman,
17 but I do not recall him mentioning at that point any other
18 individuals in the office to whom the finding would be
19 shown.

20 I don't believe he mentioned -- but he referred
21 once again to either Mr. Clarke or Mr. Jamison.

22 Q Now, Mr. Makowka was not in the office during
23 this time period; is that right?

24 A No, that's correct.

25 Q He wasn't in all that week; is that right?

~~UNCLASSIFIED~~

35

1 A I believe he was out for the entire week. He was
2 quite ill during at least a period -- a portion of the
3 late December and January. He had been out on leave, I believe
4 on vacation, and became ill and exactly at what point he
5 became ill, I don't know, but I believe that's correct;
6 he was out of the office for the entire week.

7 Q Was it unusual for Mr. Roseman to be dealing
8 directly with Mr. Sporkin?

9 A It was not unusual for Mr. Roseman to deal
10 with Mr. Sporkin in the absence of Mr. Makowka. Had
11 Mr. Makowka been present, though, yes, that's right.

12 Q At any time on January 2nd or 3rd, did it come
13 to your attention that Mr. Sporkin was in touch with
14 Oliver North on the subject of this finding?

15 A I believe that it came to my attention on the
16 afternoon of January the 3rd. I'm not absolutely certain,
17 but that is my recollection.

18 Q Was that something you would have learned from
19 Mr. Roseman while you were working on the draft?

20 A My recollection is quite hazy. I assume that
21 that must have been the case, but I'm afraid I really don't
22 know for sure. I did not have any direct contact with
23 Mr. Sporkin that day, to the best of my recollection. So
24 I assume that if I had learned the information, yes, I would
25 have learned it through Mr. Roseman.

2 North's role was?

3 A No. I was not given any information as to what
4 Oliver North's role was.

5 Q Did you know who North was at the time?

6 A Yes.

7 Q You knew he was a -- someone who worked at the
8 NSC?

9 A Yes, I did.

10 Q Had you met him before?

11 A No.

12 Q Had you ever met him?

13 A No.

14 Q Was there any mention of Richard Secord at any
15 time during this time frame?

16 A No.

17 Q Have you ever met Mr. Secord?

18 A No, I haven't.

19 Q Did you ever hear his name before November 1986?

20 A I don't believe I did, no.

21 Q Let's go back to January 3rd.

22 A Okay.

23 Q What -- how much time did you and Mr. Roseman
24 spend completing this second draft?

25 A As I said, I would estimate several hours.

37

1 Q And about when did you get finished?

2 A I would guess probably about in the middle of
3 the afternoon.

4 Q And what happened next?

5 A To the best of my knowledge, Mr. Roseman then
6 took the draft up to Mr. Sporkin and I believe was advised
7 that Mr. Sporkin would be taking the finding down to the
8 White House. And I believe it's at that point that I
9 probably would have been told that the finding is being
10 taken down to Oliver North.

11 Q So Mr. Roseman went up to Mr. Sporkin's office,
12 came back down and told you that it was going to be taken
13 over to the White House; is that right?

14 A I believe that's the case.

15 Q Can you be more specific about the time of day
16 that that took place?

17 A I really can't. I would, again -- my best guess
18 would be midafternoon, perhaps 3 - 4:00 p.m.

19 MR. CAROME. Would you mark this as the next
20 exhibit, please.

21 MS. McNEIL. Excuse me, could you identify these

2 that you're putting in.

3 MR. CAROME. All right.

4 BY MR. CAROME:

5 Q When Mr. Roseman came back from talking to
6 Mr. Sporkin for a second time, did he say anything about
7 Mr. Sporkin's reaction to the second draft?

8 A My recollection is that he said that Mr. Sporkin
9 was pleased and that it did accurately reflect what it was
10 he was trying to set down on paper and did reflect the
11 comments he had made on our draft that had been prepared
12 the day before. That was my -- that's my recollection.

13 Q And did Mr. Roseman say there was anything
14 further for you to do or for anyone at the Office of
15 General Counsel to do on this matter at this point?

16 A No. I mean, other than Mr. Sporkin himself, as
17 I mentioned, who would be taking the finding down to the
18 White House. He did not mention at that point that --
19 the possibility of other agency people being involved.

20 Q Did anything else happen that day on this
21 matter that you are aware of?

22 A Other than the finding being taken down to the
23 White House, no. That's the extent of my recollection.

24 Q Did you get a report back or did you hear any
25 report of how things had gone at the White House?

4 Q You didn't hear any more about the matter after

6 A On that Friday?

7 Q That's right.

8 A No, I don't believe that I did.

12 Q I show you what's been marked as Exhibit Number

15 A Uh-huh.

16 Q It's a cover sheet dated January 3rd, 1986, and
17 has four pages attached to it of CINN numbers 117 through
18 120. I ask if you've ever seen this group of documents.

19 Let's start with the first page.

20 A Uh-huh.

21 Q Do you recognize what that is?

22 A Yeah, it's a -- simply a control sheet. I do not
23 believe I've seen this before, no.

24 Q All right. And the next page --

25 A Uh-huh.

UNCLASSIFIED

~~UNCLASSIFIED~~

40

1 Q -- CIIN number 117 is something called a dummy
2 copy. Do you know what that is?

3 A Yes. Dummy copies are used for filing purposes
4 when the document is top secret, as this document was.

5 We do not actually place the full-text copy in
6 our soft files.

7 Q So this is -- I mean, it would have been in your
8 soft files or Mr. Roseman's soft files; is that correct?

9 A As it indicates on the distribution, it would
10 have been placed in a number of different files, including
11 my -- what is called my signer file. The signer file, as
12 the name indicates, is a record of all the documents that --
13 not only that I have, in fact, signed, but in which I've had
14 substantial responsibility for their preparation.

15 Q Those are your initials, GDC?

16 A That's correct.

17 Q And do you know what ILD opinion file is?

18 A That is a reference to -- ILD is the Intelligence
19 Law Division, a division of which I was and am now a member
20 and we also keep a divisional file of documents that the
21 division has been involved in preparing.

22 Q And what is ICA subject file?

23 A The ICA subject file -- ICA is the Intelligence
24 Community Affairs Division that I had referred to earlier.
25 I'm afraid I do not recall why they would have been included

41

1 on the distribution. I believe that Mr. Roseman indicated
2 that, because the Intelligence Community Affairs Division
3 is the repository in the office for covert action findings,
4 as I mentioned before, that it was appropriate that they
5 be given a copy of this. That is my recollection.

6 Q And the fact that this says "Copy 2," rather than
7 dummy copy indicates that they would've been getting an
8 actual copy of the document; is that right?

9 A That's right.

10 Q Same for Ollie North; he would actually be getting
11 a copy of the document; is that right?

12 A That's right.

13 Q And the classification in Number [REDACTED] is
14 that you? Is that your classification number?

15 A No, no.

16 MR. CAROME: If we could go off the record for
17 just a minute.

19 BY MR. CAROME:

20 Q Mr. Cole, the next page appears to be copy 2 of
21 the January 3rd finding that we were talking about a moment

24 Q And, by the way, the fact that it contains
25 alternative language up at the top regarding congressional

1 notification, does that indicate to you that at some point
2 there was going to be further work to be done on this
3 finding in the Office of General Counsel?

4 A No. No, as I indicated before, I did not know
5 exactly where the decision was going to be made. I assumed
6 it would be made by the Director and finally, obviously,
7 the President. I was not aware whether or not additional
8 work would be done in the Office of General Counsel in
9 making that change.

10 Q All right.

11 The next page of this exhibit is the -- I believe
12 it is the January 2nd finding that you worked on. And the
13 next page is a copy of the November '85 mini-finding. Now
14 again, you said you didn't see that document or know about
15 that document until November '86. Is that right?

16 A That's correct.

17 Q And do you have any idea why these three
18 documents would have been grouped together or do you know
19 whether they were grouped together and sent over to the
20 White House together?

21 A No to either question. I don't know why they
22 would have been and I had no idea that they were.

23 Q It would have been your expectation that what
24 Mr. Sporkin was taking down to the White House was simply
25 a copy of the January 3rd draft that you --

~~UNCLASSIFIED~~

43

1 A That's correct. There wouldn't have been any
2 reason to take down the draft, and as I said, I was not
3 aware of the existence of the so-called mini-finding. I
4 wouldn't have had any expectation that that would have gone
5 down.

6 Q What was the next event or development that
7 you were aware of with respect to this finding that you had
8 been working on after it was taken down to the White
9 House?

10 A A meeting was held on Monday, the following
11 Monday, which would be January the 6th. I believe it was
12 Monday. It is possible it was on Tuesday, but my
13 recollection is that it was the 6th, that evening, I would
14 guess probably beginning around 5:30 or 6:00, I believe that
15 Mr. Roseman was absent.

16 A memo had been prepared by Betty Ann Smith, who
17 was an attorney at the time in our Litigation Division,
18 concerning various -- various statutory provisions dealing
19 with the shipment of arms..

20 I recall having a copy of that memo and discussing
21 it in the context of this meeting. That is the next -- the
22 next contact I had pertaining to this matter.

23 Q You weren't aware of -- strike that.

24 Who was present at that meeting?

25

UNCLASSIFIED

UNCLASSIFIED

44

1 A I believe it was the General Counsel, Mr. Sporkin,
2 George Clarke, George Jamison, Betty Ann Smith and myself.

3 Q And what was the purpose of the meeting?

4 A I was called in, to the best of my recollection,
5 while the meeting was in process. I believe the only
6 reason I was asked to participate was because of my
7 division's involvement in drafting the finding the previous
8 week.

9 I believe that Mr. Roseman was not present in
10 the office at the time. I don't know why. And ordinarily,
11 he would have been asked to participate in the meeting.
12 As he was not there, I was called in and asked to
13 participate.

14 Q Who called you in?

15 A I believe it was Stan Sporkin's secretary. That's
16 my recollection. During the course of the meeting,
17 Mr. Sporkin had a conversation with Mr. North.

18 Q He called Mr. North on the phone while everyone
19 was present?

20 A I'm trying to remember whether I walked in during
21 the course of the conversation or was actually present.
22 I believe I was actually present when he initiated the call,
23 and yes, he did make the call.

24 Q He placed the call?

25 A That's right.

45

1 Q And what was said on the telephone?

2 A My recollection is quite hazy. I really don't
3 recall specifically. I don't believe it was a very long
4 conversation.

5 Q How did you know it was Mr. North on the other
6 end?

7 A He said, "Hello, Ollie." He said, "Hello, Ollie,
8 this is Stan."

9 Q Can you recall anything else that was said
10 during the conversation?

11 A I cannot recall in any detail. I believe he --
12 and this was the reason I was, I am sure, in describing what
13 I knew on Friday afternoon, whether I knew on Friday or,
14 in fact, learned on Monday that it was Mr. North who was
15 the recipient of the finding at the White House, I really
16 do not remember at which point I learned that. It is
17 possible that I did not learn it until the meeting on
18 Monday.

19 I believe he wanted to ensure that Mr. North
20 had the finding and I believe that he was discussing
21 coming down to see Mr. North that evening. I believe that
22 was the principal purpose of the call, was to set up a
23 meeting for Mr. Sporkin to go down to the National Security
24 Council later that night.

25 Q Was there any discussion of the subject matter

46

1 of the finding on the phone?

2 A I really cannot recall.

3 Q Anything else you can recall about the phone
4 call; how long did it last?

5 A I really can't. I would guess it probably
6 lasted a couple of minutes. I don't believe it was a
7 lengthy conversation.

8 Q This meeting was taking place in Mr. Sporkin's
9 office; is that right?

10 A Right.

11 Q What was going on at the meeting when you went
12 in?

13 A There was discussion about the memo that Betty
14 Ann Smith had prepared, which listed various statutory
15 provisions bearing on the regulation of arms exports, various
16 provisions of the Foreign Assistance Act and the Arms
17 Export Control Act and prohibitions on transfers of arms
18 and circumstances in which arms could be transferred and
19 the types of countries who could not receive those arms.

20 The conversation -- the meeting seemed to be
21 in full swing when I arrived.

7 5.

8 Is that the memorandum that was being discussed
9 at the meeting?

10 A Let me take a quick look.

11 MS. McNEIL. What other identifiers are there

13 MR. CAROME. There's a CIIN number 115.

14 MS. McNEIL. 6 January 1986; right?

15 MR. CAROME. That's right.

16 THE WITNESS. Yes, I believe this is the memo
17 that was being discussed.

18 BY MR. CAROME:

19 Q Was it clear to you that this memo related to
20 the matters that were also being addressed by the finding
21 that you had drafted?

22 A Yes.

23 Q And why were these various arms statutes under
24 discussion; do you know?

25 A I believe they were under discussion because it

~~UNCLASSIFIED~~

~~UNCLASSIFIED~~

48

1 was thought that they may have implications for the transfer
2 of arms that was contemplated in the finding.

3 Q What was the general flow of the discussion on
4 the subject?

5 A I cannot recall in any great detail. There was
6 also discussion of a provision of a provision of the --
7 I believe it is the section of the U.S. Code dealing with
8 the Department of Defense, which dealt with reportable
9 transactions at, I believe my recollection is that I was
10 actually sent out of the meeting to get a copy of the
11 statute and it deals with the point at which a transaction
12 must be reported to Congress and it's a threshold that's
13 set in terms of the dollar value of the transaction.

14 Q Is the statute you're referring to 10 USC 133
15 Note? I'm not sure that that --

16 A As I don't have it in front of me, I really cannot
17 say. 10 USC, I believe, is the section of the U.S. Code
18 dealing with the Armed Forces. It would have been in that
19 chapter.

20 Q In any event, the concern dealt with the question
21 of reporting to Congress; is that right?

22 A That was one of the concerns. The other concern
23 that was being discussed was the mechanism for the transfer
24 of the military material. And, to the best of my
25 recollection, the question that was being addressed was the

~~UNCLASSIFIED~~

UNCLASSIFIED

49

1 circumstances in which a third country could be used in
2 making such a transfer. And specifically, whether or not
3 the Government of Israel could transfer armaments which
4 were in its possession at the time or whether some other
5 mechanism had to be employed in order for the transfer
6 to be consistent with the legal requirements that were
7 discussed in Betty Ann Smith's memo.

8 To the best of my recollection, there were really
9 two points under discussion. The first was the mechanism
10 of the transfer; the second was the reportability if the
11 -- if the military items to be used are -- originate from
12 the Department of Defense, our Department of Defense.

13 Q Why was it that reporting was a concern?

14 A Well, as I had indicated before, because of the
15 sensitivity of the matter, Mr. Sporkin, in discussion with
16 Mr. Roseman, had indicated that this option -- the option
17 of not immediately reporting the finding was to be -- was
18 to be preserved. And I understood at the time that the
19 concern that is reflected in the language of the draft
20 finding that we had prepared was the same concern.

21 Q Am I correct that it was perceived that the
22 statutes that Betty Ann Smith was looking at -- the Foreign
23 Assistance Act and the Arms Export Control Act, were
24 viewed as problematic because they contained specific and
25 independent reporting requirements?

UNCLASSIFIED

UNCLASSIFIED

50

1 A To the best of my recollection, that's -- that was
2 part of the consideration, yes.

3 Q And the same would go for the other specific
4 DOD statute; is that right?

5 A Yes, but as I mentioned, it wasn't simply the
6 reporting requirements that were at issue. There is a
7 question of in what circumstances and I, you know, I, again,
8 am not -- am not and was not the expert in this area. This
9 is an area that is generally dealt with by the Intelligence
10 Community Affairs Division.

11 My understanding, though, was that there were
12 provisions in the statutes dealing with whether or not
13 a third country, under what circumstances would be permitted
14 to make such a transfer. But I think you're correct in
15 saying the reporting requirements on those statutes were
16 certainly an important topic in this meeting.

17 Q And it was specifically under discussion that
18 Israel might be a transferring party; is that right?

19 A Yes. That's right.

20 Q And was the question of replenishment of
21 weapons that Israel would transfer out of its own stocks
22 discussed at this meeting?

23 A Yes, it was.

24 Q And what was said on the subject of replenishment?

25 A I believe it was discussed whether or not

UNCLASSIFIED

UNCLASSIFIED

51

1 the reporting requirements would differ if replenishment
2 of Israeli stocks were made by -- directly by the Department
3 of Defense or whether the transfer was achieved -- the
4 replenishment was achieved by an intelligence agency.

5 Q And what was the flow of that discussion?

6 A Well, there was -- to the best of my
7 recollection, there was no resolution. There was some
8 suggestion, though, that the intelligence community would
9 not be subject to the Department of Defense reporting
10 requirements if it made the replenishment and so there was
11 thought given to whether or not the replenishment of the
12 Israeli stocks would -- should be accomplished through
13 an intelligence agency rather than through an entity of the
14 Department of Defense.

15 Q Was it a working assumption at this meeting that
16 the arms that would work their way to Iran would come out of
17 Israeli stock?

18 A No, I don't believe that it was. I think that
19 all options were considered to be live ones. There was a
20 variety of discussion, as I recall, as to whether or not
21 the arms might originate in this country or might originate
22 in Israel. Replenishment was one option that was considered.
23 I believe that it was also considered that the arms would
24 be passed, using the Israelis as an intermediary. There were
25 a variety of topics discussed.

1 As I mentioned earlier, I came in in the middle

4 I was not fully cognizant of these sorts of transactions,
5 so I, you know -- I cannot give you the fullest explanation.

6 Q Was the subject of an economy-act transfer from
7 DOD to CIA discussed at this meeting?

8 A An --

9 Q An economy-act transaction?

10 A I do believe there was reference to a
11 possible transfer from DOD to CIA. The reference to
12 economy act does not ring any bells, though. I don't believe
13 they refer to that statute by name.

14 Q Was there any reference to the involvement in
15 the transaction of private parties and whether or not that
16 would help any of the legal problems?

17 A I don't believe there was, no.

18 Q No reference to private parties at all being
19 involved that you recall?

20 A I don't believe there was any reference to
21 private parties at all. That is my recollection.

22 Q Is that a fairly firm recollection?

23 A I think it's a reasonably firm recollection.

24 Q Was there discussion of what types of weapons
25 or other material -- it was weapons that were under

1 consideration; is that right?

2 A It was munitions of some sort. I, again, my
3 recollection is not specific, but I don't believe there
4 was a reference to the sort of arms that were being
5 transferred.

6 Q You don't remember TOW missiles being discussed?

7 A No.

8 Q Or Hawk missiles?

9 A No. I do not.

10 Q Who was leading the discussion?

11 A Mr. Sporkin was the General Counsel. I think
12 it's fair to say that he was leading the discussion, though
13 the manner of conversation was quite wide open. I mean,
14 thoughts and suggestions were being fired from all over
15 the room. I don't recall that anybody in particular took
16 command of the meeting. I think there were -- you know,
17 there was input from all quarters.

18 Q Was the goal to figure out a way that this
19 transaction could be done; was that the major goal?

20 A Yes.

21 Q And did Mr. Sporkin make it clear that he wanted
22 to get this done quickly because there was some
23 urgency to performing the transaction?

24 A As I mentioned, my understanding was that when
25 he went down to discuss this matter with Mr. North, as had

~~UNCLASSIFIED~~

~~UNCLASSIFIED~~

54

1 been indicated in the phone call that took place fairly
2 early on in the meeting, that he wanted to bring some sort
3 of a recommendation on this subject. That was my
4 understanding. And so -- but, yes, it was most definitely
5 intended that we get our thoughts in order in some form
6 and to make a recommendation on this to Mr. North.

7 Q Were any decisions made at the meeting?

8 A I guess my response would be that there probably
9 were, but that -- they were not communicated to me.

10 Q Were you there for the duration of the meeting?

11 A I was there -- I believe I was there for virtually
12 all of the meeting after I arrived, yes, until Mr. Sporkin
13 left to go downtown.

14 I think it is fair to say that Mr. Sporkin often
15 conducted meetings in which he would solicit everyone's
16 views. He would not necessarily communicate the
17 decision or the resolution that he arrived at to other
18 people in the meeting. I think he probably did make a
19 decision as to the recommendation he was going to make, but
20 that was not communicated to me.

21 Q Did it seem clear by the end of the meeting that
22 the transactions being contemplated would be carried out
23 in some fashion other than pursuant to the Foreign
24 Assistance Act or the Arms Export Control Act?

25 A I'm not sure I understand the question.

~~UNCLASSIFIED~~

~~UNCLASSIFIED~~

55

1 Q My question is was it clear by the end of the
2 meeting that the mechanism for going forward with this
3 transaction would be something other than mechanisms covered
4 by the Arms Export Control Act or the Foreign Assistance
5 Act?

6 A No, to my mind, it was not fairly clear. As I
7 mentioned, serious consideration was given to other
8 proposals, to other alternatives, specifically to using
9 an intelligence agency in order to make the transfer.

10 I don't think it's fair to say, though, that in
11 my mind at the time, I was convinced that it was going to
12 be done in this fashion. I guess the only statement I
13 could make was that serious consideration had been given
14 to it and that it was obviously one of the leading
15 proposals under consideration. But I didn't really form
16 an opinion as to how definitely it was going to be done.

17 Q Was the group at this meeting told that the
18 finding had, in fact, been prepared and you had been working
19 on it?

20 Was that evident to the group?

21 A I think it was basically a working assumption,
22 yes, and I think -- I believe that they had been told. I
23 think that that's -- I think that Mr. Sporkin had probably
24 told them before I came in. I mean, it certainly would not
25 have been the normal course of business to include a junior

1 member of my division in such a discussion without some sort
2 of explanation as to why I was there.

3 Q Was there a discussion at the meeting of the
4 unusualness of the concept of the United States sending
5 arms to Iran?

6 A Not at that meeting, no.

7 Q Had that been discussed before?

8 A Prior to the meeting?

9 Q Yes.

10 A I -- well, yes, it had. I think that when
11 Mr. Roseman was first given the instructions from
12 Mr. Sporkin on the preceding Thursday and we had been asked
13 to prepare a finding, I think Mr. Roseman and I both
14 felt and expressed to one another that this was a very
15 surprising development and -- I mean, when I referred earlier
16 to the extreme sensitivity of the matter, that's -- I think
17 that was really the view that we were expressing.

18 Q Was that sensitivity discussed again at this
19 January 6th meeting?

20 A I don't believe that it was. I think that at the
21 January 6th meeting, I think -- it appeared that the people
22 involved had already been -- were already well informed as
23 to what was contemplated and the real purpose of the
24 meeting was to explore various alternatives for, you know,
25 for accomplishing the transaction. I think whatever -- you

1 know, whatever surprise would have been expressed by
2 the, you know, the various participants in the group
3 probably would have been expressed earlier.

4 I don't believe it was expressed at that meeting,
5 no.

6 Q Did Mr. Sporkin say anything about the status
7 of the finding at this meeting?

8 A I believe that Mr. North had indicated in the
9 conversation at the outset of the meeting that he had
10 read the finding and basically found it satisfactory. I
11 don't recall any other discussion of it there now.

12 Q Was Mr. North on a speaker phone?

13 A No.

14 Q You could just infer --

15 A I could gather from the tenor of Mr. Sporkin's
16 reaction his comments.

17 Q And was it your understanding that essentially
18 the finding was at the White House awaiting signature at
19 that point?

20 A I really -- I did not know. I did not know what
21 the next step would have been.

22 Q And when Mr. North was on the phone talking
23 about the finding, you assumed it to be the finding that
24 you had just been working on the previous few days; is that
25 right?

1 A Absolutely, yes.

2 Q Were there any tasks assigned to anybody at that
3 meeting by Mr. Sporkin or anyone else?4 A As I mentioned, being the most junior member of the
5 congregation present, I was dispatched to the library to
6 grab the defense statute that I referred to. Betty Ann Smith
7 obviously had been tasked to prepare the memo that she had.
8 I believe she was probably tasked with it that afternoon.
9 I don't believe that there were any other tasks that came out
10 of that meeting, or were performed during the course of the
11 meeting.

12 Q How long did the meeting go on?

13 A I estimated that I came in about 5:30 to 6 o'clock,
14 and I think it probably went on for probably another hour and
15 a half, maybe to 7:30, 7:45.16 Q Where were things left when the meeting broke up?
17 What was going to happen next?18 A I believe that Mr. Sporkin was planning on going
19 down to talk to Mr. North. That was my recollection.20 Q Was there any further discussion at the meeting
21 about which of the two reporting options -- either reporting
22 or not reporting would be pursued?

23 A In the context of the finding?

24 Q Yes.

25 A Not in the context of the various statutes?

UNCLASSIFIED

UNCLASSIFIED

59

1. Q In the context of the finding.

2 A No. I don't think that there was.

3 Q Was it clear by the end of the meeting that the
4 covert finding route was the route that was going to be
5 followed?

6 A The wisdom of the finding was not discussed in the
7 course of this meeting. I think it was pretty much taken as
8 a given when we entered the meeting that there would be a
9 finding. So I guess the answer to your question is yes, that
10 it was not as a result of discussions at that meeting.

11 Q One of the options being discussed --

12 A Uh-huh.

13 Q -- I take it at the meeting was that the Department
14 of Defense might make transactions or transfers of arms to
15 Iran directly and not involving the CIA; is that right?

16 A I believe that's correct.

17 Q Why would there have been a -- why would a finding
18 have been needed if that option were pursued?

19 A Well, as you -- you know, as you will see in looking
20 at the draft of the finding that we proposed, the transfer of
21 military materiel was simply a part of what was contemplated
22 in the finding. There were certainly other programmatic
23 aspects that may very well have involved the Intelligence
24 Agency in activities other than the collection of foreign
25 intelligence. And under the Hughes-Ryan Act that would

UNCLASSIFIED

UNCLASSIFIED

60

1 necessitate
2 necessitate a finding.

3 Q What activities might there have been other than
4 transferring arms?

5 A Well, I mean there is reference here, as you will see
6 on the finding marked January 3rd to the provision of funds,
7 intelligence, counterintelligence, training, guidance,
8 communications assistance, a variety of activities in which an
9 intelligence agency and not the Department of Defense would
10 have been involved.

11 The requirements of Hughes-Ryan, as I am sure you
12 are aware, is that if an intelligence agency in other than the
13 collection of foreign intelligence overseas, that a finding is
14 required.

15 Q Of course, the finding that you drafted
16 specifically referred to the CIA being involved in the
17 provision of weapons and materiels to Iran; is that right?

18 A The finding that I had prepared -- the January 3rd
19 finding -- says -- in the language at the top of the finding
20 there is a reference to operations undertaken by the Central
21 Intelligence Agency in foreign countries. To that extent the
22 answer, I guess, is yes.

23 Q Was it your assumption that no matter which of the
24 options under consideration at this January 6th meeting was
25 ultimately adopted that this finding would be pursued and --

A That was my impression, yes.

UNCLASSIFIED

1 Q Who did Betty Ann Smith work for at that time?

2 A Betty Ann Smith was an attorney in the Litigation
3 Division. The Litigation Division at the time was headed by
4 George Clarke. George Clarke was, as I recall, was the
5 Division Chief for both Intelligence Community Affairs and
6 Litigation, to the best of my recollection.

7 There was a Deputy Division Chief who would have had
8 specific responsibility for Litigation. There was a Deputy
9 Division Chief who had control of the Intelligence Community
10 side -- that was George Jameson who you've mentioned before.
11 I believe that the Deputy who presided over the Litigation
12 side was Page Moffett. So she would have worked for Page
13 Moffett and for George Clarke.

14 But I think it's fair to say that attorneys within
15 that Division, because Mr. Clarke wore a dual hat, would
16 occasionally become involved in the activities of the other
17 divisions. A Litigation attorney may have responsibilities in
18 the Intelligence Community area. So it's possible that Betty
19 Ann Smith may have been asked to do some work for George
20 Jameson.

21 Q Mr. Carome. Again, you recall that when the
22 meeting broke up Mr. Sporkin was going to be going down to
23 the White House --

24 A That's my recollection.

25 Q -- to meet with Mr. North; is that right?

UNCLASSIFIED

UNCLASSIFIED

62

1 A That's right.

2 Q Did you understand there was going to be anyone
3 else meeting with Mr. Sporkin and Mr. North?

4 A No.

5 Q Do you recall what time it was that Mr. North and
6 Mr. Sporkin were going to be meeting?

7 A As I indicated, I think the meeting, our meeting,
8 wound up around 7:30 or 7:45. My understanding was that Mr.
9 Sporkin would be heading down to the -- to see Mr. North
10 immediately thereafter.

11 Q And do you recall whether it was Mr. North's idea or
12 Mr. Sporkin's idea that they get together that night?

13 A I do not recall.

14 Q What was the next thing that you are aware of that
15 occurred with respect to the preparation of the finding?

16 A I have no further -- I had no further involvement
17 with any aspect of the finding after that meeting on Monday.
18 I made several inquiries of others who had been involved in
19 the meeting later in the week to ask them whether they had
20 heard anything as to what had happened, how it had progressed.
21 And they didn't, apparently did not have any indication. And
22 I really received no further information.

23 Q Did you hear during the month of January that a
24 finding had been signed?

25 A No.

UNCLASSIFIED

UNCLASSIFIED

63

1 Q Were you aware that Mr. Sporkin and Mr. North were
2 continuing to pursue the finding?

3 A I don't believe I had any awareness that it was
4 being pursued after the meeting on January the 6th.

5 Q Essentially that meeting at the 6th was the last
6 time you heard about the subject of possible shipments of
7 materiels to Iran?

8 A Until November of 1986 when the story became
9 public, that's right.

10 Q You had no contemporaneous knowledge of weapon
11 shipments taking place to Iran?

12 A None.

13 Q No contemporary awareness of -- strike that.

14 I'm right that it was clear from the very beginning
15 of your involvement in this matter that this was an effort
16 directed at securing the release of American hostages; is
17 that right?

18 A No, that's not correct. That's not correct at all.

19 Q When did the subject of hostages enter the
20 discussion?

21 A My understanding in the initial instructions that
22 I was given on January the 2nd was that the purpose of the
23 finding, the objective as it indicates here, was to establish
24 connections with more moderate elements in Iran. My
25 recollection is that there was some discussion as to whether

1 or not reference to the hostages -- to the release of
2 hostages -- would be included in the finding. I'm afraid I
3 do not have a firm recollection, though, as to how it was --
4 whether it was decided to make an explicit reference. My
5 recollection as it's reflected here is that it was not.

6 Q Did you ever see later drafts of a finding after
7 this January 3rd draft?

8 A Well, after the -- after the affair became public,
9 yes, at that point I was shown the -- a subsequent finding.

10 MR. CAROME: Could you mark this as the next
11 exhibit?

12 (Exhibit No. GC-6 was marked

14 MS. McNEIL: Could we take a break? Is it possible
15 to take a break?

16 MR. CAROME: Yes, absolutely.

17 MS. McNEIL: Would you like to take a break?

18 THE WITNESS: Sure. That would be fine.

19 (Brief recess)

20 MR. CAROME: Back on the record.

21 BY MR. CAROME:

22 Q Mr. Cole, I'm sorry if this next question is sort of
23 repeating what we just went through.

24 Could you tell me again when it was in early
25 January that the subject of American hostages came up, and in

UNCLASSIFIED

UNCLASSIFIED

65

1 what context it came up?

2 A To the best of my recollection, there was no
3 mention of the release of the American hostages in the
4 discussion that I had with Mr. Roseman on 2nd January. I
5 believe -- and this is only to the best of my recollection --
6 that there was -- that Mr. Roseman did refer to the fact that
7 there had been a -- that the subject of the hostages had been
8 discussed with Mr. Sporkin, I believe in the Friday morning
9 session that we referred to. But exactly what the resolution
10 was with respect to the language of the finding, I do not have
11 a firm recollection.

12 Q But Mr. Roseman referred to it, you think on that
13 Friday?

14 Was it referred to in the sense that the activities
15 to be undertaken by the CIA would be directed in part toward
16 freeing Americans held hostage in Lebanon?

17 A If the question is -- I'm sorry. Was the question
18 whether the Agency's efforts would be directed towards the
19 release of the hostages?

20 Q That's right.

21 A I think there was still some confusion in Mr.
22 Roseman's mind as to what exactly Mr. Sporkin wanted done in
23 that area. And I can only assume that it was taken care of to
24 Mr. Sporkin's satisfaction. I don't recall, though, exactly
25 what the resolution was.

t pg 1 Q Was the subject of hostages brought up at all during
2 the January 6th meeting?
3 A No.
4 Q I show you what's been marked as Exhibit 6. It's a
5 several page document, the first page of which has a number on
6 it, N9545. It includes a covert action finding bearing
7 Ronald Reagan's signature dated January 6th, 1986. And it's
8 that part of the document that I refer you to. And I ask if
9 you have any recollection of having seen this document?
10 A I do not recall seeing this document, no.
11 Q And it's similar to the January 3rd finding you
12 drafted. Among the differences is the inclusion of a
13 specific sub-item 3 referring to hostages.
14 A That's correct.
15 Q You don't know, or you were not part of any
16 discussions leading to the inclusion of that sub-item; is that
17 right?
18 A That's right.
19 Q And you can't be sure whether or not the finding
20 discussed in the phone call between North and Sporkin that you
21 heard was the January 3rd draft that you had done or this
22 draft dated January 6th; is that right?
23 A No, I cannot be sure, that's right.
24 Q Do you have any idea which of the two it was?
25 A No, I don't.

1 Q Did the subject of the hostages ever -- strike that.

2 After your discussion with Mr. Roseman --

3 A Uh-huh.

4 Q -- on Friday, January 3rd, and the reference is to
5 hostages, did the question of how the hostages fit into the
6 scheme ever become clearer to you?

7 A Not until November of 1986 when the story became
8 public. No, it did not become clear to me over the span of
9 the next couple of days.

10 Q Were you surprised that you had been involved in a
11 finding and then never learn the result of what happened with
12 it?

13 A No. No, because as I indicated at the outset, I was
14 surprised that I had been involved in the finding. It did not
15 surprise me that I was not subsequently informed.

16 Q Moving to a different subject.

17 A Uh-huh.

18 Q Am I correct that sometime in the summer of 1986
19 you had one or more discussions with Charlie Allen on the
20 question of monitoring of telephone calls?

21 A Yes.

22 Q Can you tell me when -- how many discussions did you
23 have with them on that subject?

24 A I would estimate that I had two. I'm sure that I
25 had one, and I may have had one more.

~~UNCLASSIFIED~~

UNCLASSIFIED

68

1 Q And when did they take place?

2 A I do not recall exactly, but it was sometime in the
3 early summer, the early summer of 1986.

4 Q And as to the first conversation on that subject,
5 how was the conversation initiated?

6 A I was told by my superiors, I believe by both Mr.
7 Makowka and Mr. Roseman, that Mr. Allen had contacted them
8 with respect to obtaining authorization in order to monitor
9 some telephone calls. There is in a CIA agency regulation
10 which provides that such monitoring can only be done for an
11 operational or security purpose and the approval of the
12 appropriate deputy director must be obtained.

13 I was aware of this regulation and was asked by, I
14 believe by both Mr. Roseman and Mr. Makowka, to contact Mr.
15 Allen, who is, as I mentioned, had been a client of mine
16 previously in connection with the Holloway Commission, to
17 talk to him to get some further information as to the purpose
18 for the monitoring and to take care of drawing up the
19 necessary authorization. That's how it was initiated.

20 Q And you then had a conversation with Mr. Allen; is
21 that right?

22 A That's right, uh-huh.

23 Q And what did he tell you in that conversation?

24 A He said that he was anticipating that he may be
25 receiving telephone calls from outside the country relating to

UNCLASSIFIED

1 the release of the hostages held in the Middle East and that
2 he wished to obtain authorization for recording those calls.

3 Q Did he tell you who it was that he wanted to
4 monitor?

5 A No, he did not.

6 Q Did he say that these were calls to himself that he
7 wanted to monitor?

8 A He mentioned that the calls might either be to him
9 or to another person in his office.

10 Q Did he say who the other person was?

11 A No.

12 Q Did he say whether these people on the other end of
13 the conversations were foreigners?

14 A No. He simply indicated that the calls would be
15 coming from outside the country and specifically that they
16 might be coming from the Middle East.

17 Q And did you specifically advise him that there
18 needed to be higher approval for such monitoring if only one
19 of the parties consented?

20 A That's right. I explained -- I explained the nature
21 of the internal Agency regulation mentioned that we should
22 prepare a memorandum requesting authorization from the
23 appropriate deputy directors for his signature, and he said
24 fine, go ahead and draw it up.

25 Q Did Allen say anything about the fact that he had

7 A No.

8 Q But you do recall the Middle East?

9 A Yes.

10 Q Did anything -- did you learn anything further --
11 withdraw that.

12 What was the resolution of this first conversation
13 on the subject?

14 A That I was to go ahead and draw up the necessary
15 approval memorandum, which I did, and that it would be sent
16 over to him for his signature, and then would be circulated
17 to -- we, to the best of my recollection, decided to submit

8 was being submitted to Deputy Directors for approval, to

Finding Pursuant to Section 662 of the Foreign Assistance Act of 1961, As Amended, Concerning Operations Undertaken by the Central Intelligence Agency in Foreign Countries, Other Than Those Intended Solely for the Purpose of Intelligence Collection

I have been briefed on the efforts being made by private parties to obtain the release of Americans held hostage in the Middle East, and hereby find that the following operations in foreign countries (including all support necessary to such operations) are important to the national security of the United States. Because of the extreme sensitivity of these operations, in the exercise of the President's constitutional authorities, I direct the Director of Central Intelligence not to brief the Congress of the United States, as provided for in Section 501 of the National Security Act of 1947, as amended, until such time as I may direct otherwise.

I hereby find that the following operation in a foreign country (including all support necessary to such operation) is important to the national security of the United States, and direct the Director of Central Intelligence, or his designee, to report this Finding to the intelligence committees of the Congress pursuant to Section 501 of the National Security Act of 1947, as amended, and to provide such briefings as necessary.

SCOPE

Iran

Work with individuals and organizations both within and outside of Iran, and with selected foreign liaison services, and other foreign government entities, to identify, develop and promote the advancement of moderate alternative leaders in Iran. Provide intelligence, counterintelligence, communications assistance and funding to the identified potential alternative leaders to promote the establishment of a more moderate government in Iran and thus reduce the threat of terrorism directed against U.S. persons, property and interests. Protect and support these operations by conducting a program of deception, unilaterally and through third countries, which may include the use of all forms of propaganda.

Provide arms, equipment and related materiel to the Government of Iran to assist in its military operations against Iraq in order to encourage to curtailment of terrorist activity directed against U.S. targets and interests. This assistance will be terminated if the U.S. Government learns that this materiel is being used for purposes other than the furtherance of Iran's war effort against Iraq.

DRAFT

I hereby find that the following operation in a foreign country (including all support necessary to such operation) is important to the national security of the United States, [and due to its extreme sensitivity and security risks, I determine it is essential to limit prior notice, and direct the Director of Central Intelligence to refrain from reporting this Finding to the Congress as provided in Section 501 of the National Security Act of 1947, as amended, until I otherwise direct.]

-or-

[and direct the Director of Central Intelligence, or his designee, to report this Finding to the intelligence committees of the Congress pursuant to Section 501 of the National Security Act of 1947, as amended, and to provide such briefings as necessary.]

SCOPEDESCRIPTION

Iran

Work with Iranian elements, groups and individuals, selected foreign liaison services and third countries, all of which are sympathetic to U.S. Government interests and which do not conduct or support terrorist actions directed against U.S. persons, property or interests, for the purpose of:

(1) establishing a more moderate government in Iran, and (2) obtaining from them significant intelligence not otherwise obtainable, to determine the current Iranian Government's intentions with respect to its neighbors and with respect to terrorist acts. Provide funds, intelligence, counterintelligence, training, guidance and communications assistance to these elements, groups, individuals, liaison services and third countries in support of these activities.

Establish contact with the more moderate elements within and outside the Government of Iran to establish their credibility with that Government by the provision of arms, equipment and related materiel to these elements on condition that these materials be limited in their use essentially to the Iran-Iraqi conflict. This assistance will be discontinued if the U.S. Government learns that these elements are misusing or intend to misuse this assistance, for the purpose of reinstituting terrorist actions against U.S. persons, property or interests, or otherwise.

Iran

Work with individuals and organizations both within and outside of Iran, and with selected foreign liaison services, and other foreign government entities, to identify, develop and promote the advancement of moderate alternative leaders in Iran. Finding Pursuant to Section 662 of the Foreign Assistance Act of 1961, As Amended, Concerning Operations Undertaken by the Central Intelligence Agency in Foreign Countries, Other Than Those Intended Solely for the Purpose of Intelligence Collection

I have been briefed on the efforts being made by private parties to obtain the release of Americans held hostage in the Middle East, and hereby find that the following operations in foreign countries (including all support necessary to such operations) are important to the national security of the United States. Because of the extreme sensitivity of these operations, in the exercise of the President's constitutional authorities, I direct the Director of Central Intelligence not to brief the Congress of the United States, as provided for in Section 501 of the National Security Act of 1947, as amended, until such time as I may direct otherwise.

SCOPEDESCRIPTION

Hostage Rescue -
Middle East

The provision of assistance by the Central Intelligence Agency to private parties in their attempt to obtain the release of Americans held hostage in the Middle East. Such assistance is to include the provision of transportation, communications, and other necessary support. As part of these efforts certain foreign material and munitions may be provided to the Government of Iran which is taking steps to facilitate the release of the American hostages.

All prior actions taken by U.S. Government officials in furtherance of this effort are hereby ratified.

MEMORANDUM FOR: [REDACTED]

Associate General Counsel

FROM: [REDACTED]

Office of General Counsel

SUBJECT:

Third Country Transfer of Equipment Provided
Under the Foreign Assistance or Arms Export
Control Acts

1. A question has arisen under what circumstances a recipient of U.S. foreign military assistance can transfer military equipment provided through the foreign assistance mechanism to a third country. Two statutory provisions address this question: one in the context of grant assistance under the Foreign Assistance Act (FAA) and the second where the equipment was purchased by a foreign country under the Arms Export Control Act (AECA). Both Acts require Presidential consent to a third country transfer and certification to Congress where certain dollar amounts and specific types of equipment are involved.

FAA § 505, 22 U.S.C. § 2314(a) and (e)

2. In order to be eligible for military assistance on a grant basis, the recipient foreign country must agree that it will not transfer the equipment to another country without the consent of the President of the U.S. and that it will return the articles to the U.S. when they are no longer needed, unless the President agrees to other disposition. 22 U.S.C. § 2314(a)(1) and (4).

3. In considering a request for approval of any transfer by gift, sale or otherwise of any implement of war to a third country, the President shall not give his consent to the transfer unless the United States itself would transfer the defense article under consideration to that country. The President shall not give his consent to the transfer of any significant defense articles on the U.S. Munitions List unless the foreign country requesting consent agrees to demilitarize

such ~~country~~ prior to transfer, or the proposed recipient foreign country provides a commitment in writing to the United States that it will not transfer such defense articles, if not demilitarized, to any other foreign country or person without first obtaining the consent of the President. (Consent authority was delegated to the Secretary of State in Executive Order 12163, § 1-201(a)(3), (4), and (5), September 29, 1979, 44 Fed. Reg. 56673.)

AECA § 3, 22 U.S.C. § 2753.

4. No defense article or defense service shall be sold or leased by the U.S. to any country or international organization unless the country or international organization shall have agreed not to transfer title to, or possession of, any defense article, unless the consent of the President is first obtained. The President shall not give his consent under this provision of AECA unless the U.S. itself would transfer the articles to that country. In addition, the President shall not give his consent to the transfer of significant defense articles on the U.S. Munitions List unless the transferring country agrees to demilitarize the equipment or the recipient nation agrees in writing that it will not further transfer the articles.

5. Under both the AECA and the FAA provision outlined above, the President must report a third country transfer to Congress after certain threshold requirements are reached. The President may not consent to a transfer of major defense equipment valued (in terms of its original acquisition cost) at more than \$14 million or any defense article valued at more than \$50 million (original acquisition cost) to a third country unless he submits a certification to the Speaker of the House and Senate Committee on Foreign Relations for congressional consent to the proposed transfer.

6. The written certification must contain (a) the name of the country proposing to make the transfer, (b) a description of the defense article or service proposed to be transferred, including its original acquisition cost, (c) the name of the proposed recipient, (d) the reasons for the proposed transfer, and (e) the date on which the transfer is proposed to be made. Such certification will be unclassified except that information regarding the dollar value and number of articles may be classified if public disclosure would be clearly detrimental to security of the United States. Consent to the transfer shall not become effective until 30 calendar days after the date of the submittal of the certification, and then only if Congress does not adopt a concurrent resolution disapproving the

UNCLASSIFIED

UNCLASSIFIED

proposed transfer. (Note: legislative veto declared unconstitutional by Supreme Court in INS v. Chadra, 462 U.S. 919 (1983)).

7. Functions of the President under this section, with certain exceptions inapplicable here, were delegated to the Secretary of State by E.O. No. 11956, January 18, 1977, 42 Fed. Reg. 4311. With respect to consent to a third country transfer, the Secretary of State is authorized to find, in consultation with other federal departments and agencies, whether the proposed transfer will strengthen the security of the U.S. and promote world peace.

Other Considerations

8. Both the FAA and AECA require that consent be given to a third country transfer of defense articles only if the U.S. itself would transfer the articles to that country. This caveat triggers a panoply of general policy considerations and specific prohibitions relating to foreign military assistance including:

- no assistance to Communist countries unless the President finds and reports promptly to Congress that (1) such assistance is vital to U.S. security; (2) the recipient country is not controlled by the international Communist conspiracy; and (3) such assistance will promote the independence of the recipient country from Communism (22 U.S.C. § 2370(f));
- no assistance to countries engaging in or preparing for aggressive military efforts directed against the U.S. or FMS recipient nations, unless the President determines that military efforts or preparations have ceased and he reports to Congress that he has received satisfactory assurances they will not be renewed. (No other FAA waiver provisions may be used.) (22 U.S.C. § 2370(i);
- ~~no assistance to countries that grant sanctuary to international terrorists; unless the President determines the national security justifies such assistance and reports his finding to the Speaker of the House and the Senate Committee on Foreign Relations~~ (22 U.S.C. §§ 2371, (PAA), 2753(f) (AECA); and
- no assistance to countries who have severed diplomatic relations with the U.S., or with whom the U.S. has

severed diplomatic relations, unless diplomatic relations are resumed and agreements for assistance are entered into after the resumption of diplomatic relations (22 U.S.C. § 2370(t)).

FROM: OLIVER L. NORTH

SUBJECT: Covert Action Finding on Iran

Attached at Tab I is a memorandum from you to the President forwarding a Covert Action Finding (Tab A). This finding is based on our discussions with Nir and my subsequent meeting with CIA General Counsel Stanley Sporkin.

At Sporkin's request, I talked to Bill Casey on secure re the Finding and the overall approach. He indicated that he thought the Finding was good and that this is probably the only approach that will work. He shares our goal of achieving a more moderate government in Iran through this process.

RECOMMENDATION:

That you sign the memorandum to the President at Tab I.

I hereby find that the following operation in a foreign country (including all support necessary to such operation) is important to the national security of the United States, and due to its extreme sensitivity and security risks, I determine it is essential to limit prior notice, and direct the Director of Central Intelligence to refrain from reporting this Finding to the Congress as provided in Section 501 of the National Security Act of 1947, as amended, until I otherwise direct.

SCOPEDESCRIPTION

Iran

Assist selected friendly foreign liaison services and third countries, which have established relationships with Iranian elements, groups, and individuals sympathetic to U.S. Government interests and which do not conduct or support terrorist actions directed against U.S. persons, property or interests, for the purpose of: (1) establishing a more moderate government in Iran, (2) obtaining from them significant intelligence not otherwise obtainable, to determine the current Iranian Government's intentions with respect to its neighbors and with respect to terrorist acts, and (3) furthering the release of the American hostages held in Beirut and preventing additional terrorist acts by these groups. Provide funds, intelligence, counter-intelligence, training, guidance and communications and other necessary assistance to these elements, groups, individuals, liaison services and third countries in support of these activities.

The USG will act to facilitate efforts by third parties and third countries to establish contact with moderate elements within and outside the Government of Iran by providing these elements with arms, equipment and related materiel in order to enhance the credibility of these elements in their effort to achieve a more pro-U.S. government in Iran by demonstrating their ability to obtain requisite resources to defend their country against Iraq and intervention by the Soviet Union. This support will be discontinued if the U.S. Government learns that these elements have abandoned their goals of moderating their government and appropriated the materiel for purposes other than that provided by this Finding.

22 and so forth. And all of them have been located except
23 one.

24 What kind of explanation would occur to you,
25 based on your experience and giving your imagination a

1 wide range?

2 THE WITNESS: That would be very difficult to
3 answer because I don't know what all could have happened.

4 MR. POLGAR: Hypothetically what could have
5 happened?

6 THE WITNESS: For a routine Immediate?

7 MR. POLGAR: Flash.

8 THE WITNESS: A Flash message. I would think
9 from my experience and knowledge of how the systems work,
10 had a Flash been sent the system, if it had a problem,
11 would not have acknowledged for that Flash, which is done
12 automatically. If the distant end did not receive an
13 acknowledgement of our receipt of that particular
14 message, then they would have resent it or they didn't
15 follow procedures, or we didn't follow procedures if
16 there was a message that was sent and non-delivered.

17 MR. POLGAR: In your recent experience --
18 let's say the last five years -- have you had much
19 experience with missing cables?

20 THE WITNESS: Only during those periods of
21 time when we had a severe system problem.

22 MR. POLGAR: When you have a large number of
23 cables -- in this particular period some 69 -- all coming
24 in on schedule and one is missing, that suggests there
25 was no system problem, doesn't it?

SECRET

34

1 THE WITNESS: I do not recall any system
2 problem in the November 85 time frame.

3 MR. POLGAR: Have you had any recent
4 experience with cables missing coming in from [REDACTED]
5 [REDACTED]

6 THE WITNESS: Since I do not deal on a day-to-
7 day basis with the actual receipt of cable traffic, I
8 would be unable to answer that without checking further
9 with the appropriate officers who do deal in that
10 situation from day to day.

11 MR. POLGAR: I accept your point. Let me
12 rephrase it. At your level have you participated in any
13 discussions in headquarters where the topic was the
14 problem of missing cables?

15 THE WITNESS: Yes, I have.

16 MR. POLGAR: I'm not referring to this
17 particular instance. I'm referring to a problem that
18 exists.

19 THE WITNESS: I have talked with other
20 divisions over the past three years concerning missing
21 messages.

22 MR. POLGAR: And how were those problems
23 resolved?

24 THE WITNESS: The problem came up in a timely
25 manner where we could research the various logs, the logs

1 for our switches and the processing through the various
2 systems, and we were able to provide information to the
3 particular offices that the messages in question at that
4 time were received and properly handled through our
5 systems.

6 MR. POLGAR: So in fact they were not missing?

7 THE WITNESS: For those particular messages in
8 question at that time, they were not.

9 MR. POLGAR: Are you making a distinction
10 between a message which is lost in the system or simply
11 mislaid after receipt?

12 THE WITNESS: Yes.

13 MR. POLGAR: What you are talking about is
14 messages that would seem to have been mislaid or
15 improperly processed upon receipt?

16 THE WITNESS: Well, the instance which I am
17 referring to was for another DO division where they felt
18 that their traffic was not being delivered. They brought
19 it to our attention. We researched the problem and found
20 that the problem was within their own registry and not
21 within the communications and message processing area.

22 MR. POLGAR: In that particular case the
23 system could account for the messages?

24 THE WITNESS: Yes.

1 recent years where the system could not account for a
2 message?

3 THE WITNESS: We have had system problems
4 where a message would be received and would not be
5 output. Those we have had. They have been few and far
6 between, but we have had them. But that was when we have
7 had system problems. We know we're having problems and
8 they are severe and we are out checking for everything
9 that we can find to see what is missing.

10 On a normal day, processing without known
11 problems, we receive, we deliver. I'm not saying there
12 isn't some times that a message could go astray without
13 our knowledge. Normally people will bring it to our
14 attention if there is something missing.

15 MR. POLGAR: Let me put it yet another way. I
16 take it from what you have said -- and correct me if I am
17 wrong -- that basically you are satisfied with the way
18 the system works.

19 THE WITNESS: Yes.

20 MR. POLGAR: That there are sufficient
21 safeguards in the system to assure continuing effective
22 communications for which CIA has been known for many
23 years?

24 THE WITNESS: Yes.

1 Q And that was your opinion as of November 1985;
2 is that correct?

3 A November '85.

4 Q And your having gone back and researched the
5 area surrounding November of '85 has not changed your
6 opinion that it was satisfactory as of that time, that
7 your system was satisfactory as of that time?

8 A It is my opinion that the system was
9 satisfactory. It was processing as required during the
10 November 1985 time frame.

11 MR. POLGAR: I have no further questions.

12 MR. WOODCOCK: [REDACTED] thank you for
13 coming and being deposed by us. We appreciate your
14 patience and time.

15 THE WITNESS: Thank you.

1 MR. FRYMAN: Is that correct, Ms. Morrison?

2 MS. MORRISON: That's correct.

3 BY MR. FRYMAN:

4 Q Mr. Conrad, what is your current address?

5 A I have two.

6 Q Could I have both of them.

7 A [REDACTED]

8 [REDACTED]

9 [REDACTED]

10 [REDACTED]

11 Q What is your date of birth, Mr. Conrad?

12 A 8-5-43.

13 Q And your Social Security number?

14 A [REDACTED]

15 Q And would you describe your education for me,

16 beginning with your college education. Well, do you have a

17 college degree?

18 A Yes.

19 Q Okay.

20 A First, I went off to school. I remember that.

21 Q Starting with your undergraduate degree, where did

22 you obtain your undergraduate degree?

UNCLASSIFIED

art5

5

UNCLASSIFIED

1 A Northwestern University.

2 Q And was that a BA?

3 A I think it is.

4 Q All right. And what year did you receive that?

5 A In 1965.

6 Q And what was the field?

7 A English and political science.

8 Q That's Northwestern University in Illinois?

9 A Evanston, Illinois.

10 Q Evanston, Illinois. And do you have any graduate
11 education?

12 A I attended graduate studies at Northwestern
13 University and also, the University of Michigan.

14 Q For what period of time?

15 A I am not sure. It was part-time, and I don't
16 remember, exactly. I mean, maybe a year, or two years. I'm
17 not positive.

18 Q Were you working toward any particular graduate
19 degree at Northwestern?

20 A I was doing graduate work in philosophy, and I
21 can't recall whether I had registered for a degree, or not.
22 And at the University of Michigan I was working on my MBA.

UNCLASSIFIED

art6

UNCLASSIFIED

1 Q But you did not obtain an MBA, is that correct?

2 A I did not obtain an MBA, right.

3 Q Now by what organizations have you been employed
4 since you graduated from college in 1965, beginning with the
5 first?

6 A The Ford Motor Company.

7 Q And what period of time, and what were your
8 positions?

9 A I don't have this readily at my fingertips, but
10 it's--I can give you my positions more readily than I can
11 give you the time.

12 Q All right. Give me the positions, and the ap-
13 proximate time. That would be satisfactory.

14 A I'm trying to recall what my title was. Management
15 trainee, I guess, in the first instance. I don't know. I
16 had some title, but I've forgotten what it is.

17 Q This was with Ford Motor Company?

18 A Yes.

19 Q And how long did that continue, approximately?

20 A Fourteen, 18 months. In that neighborhood.

21 Q Where did you work?

22 A Dearborn, Michigan, and then I transferred to

UNCLASSIFIED

art7

1 Chicago, and then my responsibilities changed and I was in
2 the--I've forgotten, now, the name of the division, but
3 Parts, Autolite. I don't think it was Autolite, but I can't
4 remember the name of the division. Anyway, in sales. Tires
5 and batteries, and things like that.

6 Q And did that employment begin in '65, after college?

7 A I graduated in December of '65, so the employment
8 started in '66.

9 Q All right. And then what did you do after the Ford
10 Motor Company employment?

11 A I was employed by Northwestern University in the
12 Alumni Relations Department.

13 Q And for how long did you do that?

14 A I think a year; maybe a little longer.

15 Q And what did you do after that?

16 A And then I worked for Havey, H-a-v-e-y, Fundraising
17 Management, Incorporated, in Madison, Wisconsin. No, I'm
18 sorry. Milwaukee, Wisconsin. And I was a field director for
19 campaigns.

20 Q How long did that continue?

21 A I'm not positive. A little less than a year.

22 Q And was that in the late 1960's?

UNCLASSIFIED

- 1 A Yes.
- 2 Q What were your responsibilities in that position?
- 3 A To run capital campaigns for nonprofit organiza-
- 4 tions.
- 5 Q What were the types of clients of Havey Fundraising
- 6 Management? Can you give me some examples.
- 7 A Hospitals, Campfire Girls, youth organizations, and
- 8 that sort of thing.
- 9 Q Was that your first employment in the fundraising
- 10 area?
- 11 A No. Northwestern University.
- 12 Q In the alumni office?
- 13 A Yes.
- 14 Q And then, what did you do after Havey Fundraising
- 15 Management?
- 16 A I became a stockbroker.
- 17 Q Where was that?
- 18 A In San Francisco.
- 19 Q What company?
- 20 A Edelstein, Campbell & Company.
- 21 Q Were you in sales?
- 22 A Yeah. I was a registered stockbroker.

UNCLASSIFIED

9

UNCLASSIFIED

1 Q And how long did that continue?

2 A Two years.

3 Q Now, are we up to the early 1970's now?

4 A Yes.

5 Q All right. What did you do after working for the
6 Edelstein firm?

7 A I started my own firm which was called the Institute
8 for Fundraising, which was a "dba" Sole proprietorship.

9 Q D-b-a stands for what?

10 A Doing business as. Pictitious name, business
11 statement. I don't know what it's referred to here.

12 Q And how long did you continue with this organiza-
13 tion?

14 A Seven, eight years, I guess. I'm not sure of the
15 number of years, but, in that neighborhood.

16 Q What was the business of the Institute for Fundrais-
17 ing?

18 A It presented seminars on the subject of fundraising
19 for nonprofit organizations. It also published manuals and
20 produced cassette tape recordings, and provided my services
21 to clients for fundraising consultation, for public speaking,
22 for special projects.

10

1 Q What was the general method of compensation for you
2 with this business? Did you charge by the hour, or did you
3 charge a percentage, or--

4 A No, no, no. Charged by--usually by day.

5 Q And where was the institute based? In what city?

6 A San Francisco.

7 Q From San Francisco?

8 A Yes.

9 Q And you say you started as a sole proprietorship?

10 A Yes.

11 Q Did you have any employees?

12 A Yes.

13 Q How many employees?

14 A When I started out I was--just me and my table.

15 Q Right. And seven or eight years later, how many
16 employees did you have? More than ten?

17 A I'm not positive. The reason I'm not positive is
18 because I don't remember, exactly, when I incorporated, and
19 how many people I had with me at the incorporation point.
20 But that's your question and I just don't remember.

21 Q Until the point where you incorporated, did this
22 business continue as a sole proprietorship?

UNCLASSIFIED

art11

11

UNCLASSIFIED

- 1 A Yes.
- 2 Q You didn't have any partners in the business?
- 3 A No.
- 4 Q And at some point you incorporated. When that
- 5 occurred, were you the sole shareholder?
- 6 A Yes.
- 7 Q And did you operate under the same name after you
- 8 incorporated?
- 9 A No.
- 10 Q What was the name, after you incorporated?
- 11 A Public Management Institute.
- 12 Q Was the business basically the same?
- 13 A Well, yes, I suppose.
- 14 Q Well, were there any ways in which it differed,
- 15 apart from the business structure? Did you expand your
- 16 services after you incorporated?
- 17 A Yes.
- 18 Q In what way?
- 19 A We expanded from fundraising as our focus to
- 20 management of nonprofit organizations. Management accounting,
- 21 fundraising, just grantsmanship, all manner of things having
- 22 to do with the management of nonprofit organizations, and

UNCLASSIFIED

12

1 also public agencies. That was the reason for the incorpora-
2 tion.

3 Q And the incorporation and the change of name to
4 Public Management Institute, am I correct in understanding
5 that was some time in the late 1970's?

6 A Yes.

7 Q And you continued to be based in San Francisco?

8 A Yes.

9 Q And is that organization still in operation?

10 A Yes.

11 Q And do you continue to be a shareholder?

12 A Yes.

13 Q Are there any other shareholders?

14 A No.

15 Q Now, has the business of Public Management Institute
16 remained the same, or have your services expanded over the
17 eight or ten years of its existence?

18 A It's changed over the years.

19 Q What new types of services have you offered, or
20 what additional types of services?

21 A Well, we've become primarily a publishing firm.

22 Q What types of publications?

UNCLASSIFIED

art13

13

UNCLASSIFIED

1 A Grant research from corporations, particularly.

2 Q Would you explain what that means.

3 A Corporations give away in excess of \$3 billion a
4 year to nonprofit organizations, and we publish the most
5 authoritative text in the field on what corporations give how
6 much, to whom, what their interests are, and that sort of
7 thing.

8 Q So you compile the material that's in this publica-
9 tion?

10 A Through interviews, and public records, and so on.

11 Q And your organization both compiles and writes the
12 material, and publishes it, is that correct?

13 A Yes.

14 Q And is this a reference source, or a reference book
15 that would be found in libraries, and other organizations?

16 A Yes.

17 Q What do you publish, other than this reference book?

18 A A variety of--I don't know. I think there's
19 between 30 and 50 publications that we--and we also distribute
20 other people's products.

21 Q These 30 to 50 publications, do they come out on a
22 periodic basis?

UNCLASSIFIED

art14

14

UNCLASSIFIED

- 1 A Some.
- 2 Q Like yearly, or monthly?
- 3 A Some.
- 4 Q Some are yearly?
- 5 A Some are yearly.
- 6 Q Are some monthly?
- 7 A Some are monthly.
- 8 Q Would you give me some examples of some of the
- 9 other publications.
- 10 A The Capital Campaign Resource Guide which is a
- 11 directory of funders, of foundations and corporations who
- 12 make grants for capital campaigns to nonprofit organizations.
- 13 It also includes in it a directory of consultants to nonprofit
- 14 organizations on the subject of capital campaigns.
- 15 It includes some other divisions. It's five
- 16 directories in one. And we publish a newsletter on a monthly
- 17 basis called the "Corporate Philanthropy Report", which deals
- 18 with corporate philanthropy.
- 19 We publish computer software for nonprofits, which
- 20 is an annual directory. We publish an annual directory
- 21 called "Grants for Computers" and that's foundations and
- 22 corporations who give grants for computer equipment and

1 services, and things.

2 Q Now the publications that you have so far described,
3 are they written or compiled by your employees?

4 A Yes.

5 Q And you mentioned that you also distributed other
6 publications, I believe?

7 A Yes.

8 Q What types of other publications?

9 A Well, anything to do with, oh, general office
10 procedures, and interests on the part of nonprofit organiza-
11 tions. How to create mailing labels in your office. Things
12 like that.

13 Q And do you have a catalogue of publications that's
14 available through your organization?

15 A Yes.

16 Q Now you say that your organization is now primarily
17 engaged in publishing or distributing publications?

18 A Yes.

19 Q Are there any other activities of the organization
20 at this point?

21 A It does research on a contract basis, and it does
22 public speaking, provides me as a public speaker, or other

1 people as public speakers at conventions and conferences, and
2 seminars, and that sort of thing. We--I don't know--we

5 Q And the organization is still based in San Francis-
6 co?

7 A Yes.

8 Q Do you have offices in other cities?

9 A No.

10 Q And you are still the sole shareholder, I believe
11 you said?

12 A Yes.

13 Q In 1986, what was the approximately gross income of
14 the organization? Well, let me phrase it another way: what
15 were the total revenues of the organization?

16 A I understand your question. I'm not sure I can
17 answer it.

18 MS. MORRISON: If you don't recall, you don't
19 recall.

20 THE WITNESS: I just don't remember.

21 BY MR. FRYMAN:

22 Q Were the revenues in excess of \$1 million?

UNCLASSIFIED

art17

17

UNCLASSIFIED

- 1 A Possibly.
- 2 Q In excess of \$5 million?
- 3 A No.
- 4 Q All right. The total number of employees of the
5 organization in 1986, did that number exceed twenty-five?
- 6 A No.
- 7 Q Was it more than ten?
- 8 A Maybe. I don't know.
- 9 Q All right. Are the financial records of your
10 organization kept on a calendar-year basis or a fiscal-year
11 basis?
- 12 A I think on a calendar-year basis.
- 13 Q Now do you draw a salary from the organization, or,
14 do you just take profits as a shareholder?
- 15 A Well, it's not clear. I mean, it's not a straight-
16 forward thing.
- 17 Q Well, how were you compensated in 1986 from this
18 company that you've described?
- 19 A They paid some of my expenses, and I think they
20 also gave me some cash, but I don't remember how much.
- 21 Q Well, did you make the decision as to how much cash
22 you wanted?

UNCLASSIFIED

art18

18

UNCLASSIFIED

1 A Sometimes. I mean, it wasn't a decision. I would
2 make a request.

3 Q Well, in your answer you said "they sometimes gave
4 me cash" and I wondered who you were referring to by "they"?

5 A The company.

6 Q The cash was given to you in response to a request
7 from you for a cash distribution of some sort, is that
8 correct?

9 A Yes.

10 Q In 1986, what was your approximate compensation
11 from this company?

12 MS. MORRISON: I think he already said he doesn't
13 recall, specifically.

14 THE WITNESS: Yeah. I don't recall, specifically.

15 BY MR. FRYMAN:

16 Q Well, was it in excess of \$100,000?

17 A No.

18 Q In excess of \$50,000?

19 A I'm not sure.

20 Q Is this organization sometimes known as PMI?

21 A Yes.

22 Q Does PMI have a board of directors?

UNCLASSIFIED

art19

19

UNCLASSIFIED

- 1 A Yes.
- 2 Q Who's on the board?
- 3 A Kenneth Gilman, and myself.
- 4 Q Just two of you?
- 5 A Yes..
- 6 Q And it's a California corporation?
- 7 A Yes.
- 8 Q Is Mr. Gilman also an employee of the organization?
- 9 A Yes.
- 10 Q But he owns no shares of the organization?
- 11 A That's correct.
- 12 Q What are his responsibilities with the organization,
- 13 other than being a board member?
- 14 A He's the president.
- 15 MR. FRYMAN: Bear with me a moment.
- 16 [Pause.]
- 17 BY MR. FRYMAN:
- 18 Q Did PMI at one point have a Seattle office?
- 19 A No.
- 20 Q Did you have an employee in Seattle?
- 21 A Yes.
- 22 Q Who was that?

UNCLASSIFIED

art20

20

UNCLASSIFIED

- 1 A Well, I mean, I'm not sure how you define "em-
2 ployee" V I mean, I think he would say he was not an employee.
3 Q Who's the individual you're referring to?
4 A His name is Craig Smith.
5 Q What did you understand his role was in PMI?
6 A He continues to be the editor of the "corporate
7 philanthropy report."
8 Q And he is based in Seattle?
9 A Yes.
10 Q And is that his sole role with the organization?
11 A Yes.
12 Q Now, Mr. Conrad, I take it you know an individual
13 named Carl Channell?
14 A Yes.
15 Q When did you first meet Mr. Channell?
16 A I'm not sure of the year. '78 maybe, '79.
17 Q What were the circumstances of your first meeting
18 with him?
19 A I was teaching a seminar on fundraising.
20 Q Do you recall where?
21 A At the Old Colony Motor Inn in Alexandria.
22 Q And was this sponsored by some particular organiza-

1 tion?

2 A Public Management Institute.

3 Q And did he pay a fee to attend this seminar?

4 A Yes.

5 Q And the approximate year, again, was--

6 A '78 or '79.

7 Q What was he doing, otherwise, then, if you know?

8 A He was the national finance chairman of the
9 National Conservative Political Action Committee, NCPAC.10 Q How many people were attending this seminar,
11 approximately?

12 A Thirty to fifty.

13 Q And you had some conversations with Mr. Channell in
14 the course of this seminar?

15 A Yes.

16 Q Now after the seminar, what was the next occasion
17 that you had any contact with Mr. Channell?

18 A I don't remember.

19 Q When did you first establish any sort of business
20 or professional relationship with Mr. Channell, other than
21 his attendance at your seminar that you described?

22 A It just evolved right after the first meeting.

UNCLASSIFIED

art22

22

UNCLASSIFIED

- 1 Q What did he ask you to do?
- 2 A He just would call me and ask me for advice.
- 3 Q Would he pay you for this advice?
- 4 A Not in the beginning.
- 5 Q What did he ask you for advice on?
- 6 A Fundraising for his political cause.
- 7 Q And this was while he was at NCPAC?
- 8 A Yes.
- 9 Q NCPAC stands for the--
- 10 A The National Conservative Political Action Commit-
- 11 tee.
- 12 Q And NCPAC is spelled N-C-P-A-C. Now there came a
- 13 point when Mr. Channell established his own fundraising
- 14 organization, did there not?
- 15 A Yes.
- 16 Q And that initially was the American Conservative
- 17 Trust?
- 18 A I don't know exactly which one was first. I wasn't
- 19 present.
- 20 Q Well, you're aware that he established an organiza-
- 21 tion called the American Conservative Trust?
- 22 A Yes.

UNCLASSIFIED

art23

23

1 Q And another organization called the National
2 Endowment for the Preservation of Liberty?

3 A Yes.

4 Q And those are also known by their initials, ACT,
5 and NEPL, are they not?

6 A Yes.

7 Q And he also established another organization called
8 Sentinel?

9 A Yes.

10 Q And a further organization called the Anti-Terrorism
11 American Committee, is that correct?

12 A Yes.

13 Q And the last organization is also known as ATAC, A-
14 T-A-C?

15 A I pronounce it different, but, yes.

16 Q All right. Now, after Mr. Channell established one
17 or more of these organizations that we have described, did he
18 also contact you about performing services for one or more of
19 these organizations?

20 A Yes.

21 Q Do you recall when that contact first occurred?

22 A Well, I can't--it wasn't first, there wasn't--I

1 mean, there probably was a first but I don't remember what
2 the first was.

3 Q Well, do you remember the circumstances of his first
4 calling you about working for one of his own organizations?

5 A Well, if you said one of the organizations that
6 we've already mentioned--

7 Q Yes.

8 A --and I would say in--I'm not sure--January or
9 February of 1985. He asked me to come to Washington to help
10 him organize a fundraising dinner that he was involved with.

11 Q What was this dinner?

12 A The Nicaraguan Refugee Fund dinner. NRF.

13 Q And that was your first association with any of
14 these particular Channell organizations that I have described
15 just a moment ago?

16 A What do you mean by "association"?

17 Q Well, your first engagement by Mr. Channell to work
18 in any capacity for any of these organizations?

19 A Yes.

20 Q Now, are you aware of any other organization that
21 Mr. Channell established, or was associated with, after he
22 left NCPAC?

UNCLASSIFIED

UNCLASSIFIED

- 1 A Yes.
- 2 Q Other than the organizations that I've described?
- 3 A Yes.
- 4 Q What organization, or organizations were those?
- 5 A Channell Corporation.
- 6 Q Anything else?
- 7 A Before I go here?
- 8 Q Yes.
- 9 A No, not that I know of.
- 10 Q Now prior to the dinner that you've just referred
- 11 to, had Mr. Channell engaged you in any capacity with respect
- 12 to the activities of Channell Corporation?
- 13 A Yes.
- 14 Q And what was the nature of those activities?
- 15 A He asked me to consult with him about how he should
- 16 build his consulting business.
- 17 Q How were you compensated for that?
- 18 A On a daily basis.
- 19 Q And what period of time was that?
- 20 A A week.
- 21 Q What year?
- 22 A '83, I think, or maybe '82. I'm not sure of the

- 1 year. I think '83.
- 2 Q And you spent a total of a week's time on that?
- 3 A Yes.
- 4 Q How much were you paid for that?
- 5 A A thousand, \$1500 a day. I've forgotten.
- 6 Q Did you provide any written material to Mr.
- 7 Channell as a result of this consultation?
- 8 A Yes.
- 9 Q What was the nature of the written material?
- 10 A A report. Recommendations.
- 11 Q Was this report under 50 pages?
- 12 A Yes.
- 13 Q Under 25?
- 14 A Yes.
- 15 Q Under 10?
- 16 A Yes.
- 17 Q Under 5?
- 18 A Yes.
- 19 Q What was the substance of your recommendations?
- 20 MS. MORRISON: This seems, to me, getting a little
- 21 far afield. What he consulted with Channell Corporation on
- 22 in '82 and '83 seems to me to be well beyond what we're about

1 here, as do the compensation questions, frankly, although
2 I've let you go with that because I thought it might come to
3 an end quickly, but it doesn't seem to be.

4 MR. FRYMAN: Let's go off the record a second.

5 [Discussion off the record.]

6 BY MR. FRYMAN:

7 Q Other than the consulting for a week with respect
8 to Channell Corporation that you've described, did you have
9 any other association, professional association with Mr.
10 Channell before he contacted you about the dinner in early
11 1985?

12 A I don't know how to answer that question.

13 Q Well, did he pay you any money for any services?

14 A No; no.

15 Q Okay. And then he contacted you in early 1985
16 about assisting him on the refugee fund dinner?

17 A Yes.

18 Q And this was for which of his organizations?

19 A The National Endowment for the Preservation of
20 Liberty.

21 Q What did he ask you to do?

22 A He asked me to come to Washington to make sure that

UNCLASSIFIED

28

1 the dinner came off as it was scheduled to do. In other
2 words, happened properly.

3 Q And how much time did you spend on this?

4 A Oh, full time.

5 Q For how long?

6 A 45 days, approximately.

7 Q And were you paid at a similar daily rate to your
8 earlier consulting services?

s2 9 A No. I wasn't.

10 Q How were you paid?

11 A It wasn't a fixed thing. They just gave me money,
12 occasionally.

13 Q Well, what was your total compensation for this
14 work for the fund dinner?

15 A I think he paid me about \$10,000, maybe fifteen.
16 I'm not positive.

17 Q And did anyone else pay you anything for this
18 dinner?

19 A Yes.

20 Q Who was that?

21 A The Nicaraguan Refugee Fund.

22 Q And what did they pay you?

UNCLASSIFIED

art29

UNCLASSIFIED

29

- 1 A Ten thousand dollars.
- 2 Q And anyone else?
- 3 A Yes. Miner and ~~Frazier~~.
- 4 Q And what did they pay you?
- 5 A I can't recall, exactly. \$1500.
- 6 Q Total?
- 7 A I think so.
- 8 Q And your responsibilities were generally to help
- 9 organize the dinner?
- 10 A In general, yes. Fundraising, consulting, and, you
- 11 know, the overall structure of the thing, how it happened, and
- 12 the details of putting it together as well as the overall
- 13 structure.
- 14 Q Now, after the dinner, did you have further
- 15 professional association with Mr. Channell?
- 16 A Yes.
- 17 Q What was the next activity?
- 18 A I don't know how to answer that. He just asked me
- 19 to stay on, and--
- 20 Q Did you become an employee of one of his organiza-
- 21 tions?
- 22 A Well, I was still officially a consultant.

UNCLASSIFIED

art30

UNCLASSIFIED

30

1 Q Well, how were you compensated? Did he retain PMI
2 to assist his organization, or did he retain you, individual-
3 ly, or, what was the nature of the relationship?

4 A Well, he didn't worry about that. I mean, it was up
5 to me how I wanted it done, and, in the beginning, it was me,
6 personally, but it changed to hiring PMI for my services.

7 Q Well, what was the period of time that he retained
8 you, personally?

9 A Well, I think it was ~~September~~ or October.

10 Q Or 1985?

11 A Right.

12 Q And that personal retention began after the refugee
13 fund dinner?

14 A Yes.

15 Q So that would be in April, approximately?

16 A Yes.

17 Q Now, from April to September-October of 1985, were
18 you basically a full-time employee of Mr. Channell and his
19 organizations?

20 A Well, I was a full-time consultant.

21 Q What does that mean?

22 A Well, I don't know how else to say that.

UNCLASSIFIED

art31

UNCLASSIFIED

31

1 Q Well, did you work on any other matters, other than
2 Mr. Channell's activities?

3 A No.

4 Q And you were paid by the day, or by the week, or
5 what?

6 A Well, it kept changing all the time. He would
7 basically decide how much to pay me, and he would just do
8 that.

9 Q In this period between April and the fall of 1985,
10 September or October, what was your approximately monthly
11 compensation from Mr. Channell?

12 A I just don't recall. It kept changing over time
13 and I just don't remember.

14 Q He just gave you whatever he wanted to give you?

15 A Basically.

16 Q And you didn't care?

17 A No. I was doing it out of friendship. I was
18 helping him do his work, so whatever he wanted to pay me was
19 fine with me. I wasn't charging him my normal rates.

20 Q And you were not charging any other clients during
21 this period for consulting services?

22 A That's correct. No, that's not true. I'm sorry.

UNCLASSIFIED

art32

32

UNCLASSIFIED

1 I forget who the organization is. I don't remember the name
2 of the organization, but maybe it was the Eastern Educational
3 Network. But there are four divisions of the Corporation For
4 Public Broadcasting, and I was hired by I think three of
5 them. In this period of time I did consult with them, but I
6 don't remember which one I was consulting with at the time.
7 So I just did a little bit of other things; not much.

8 Q So your major activity during this period of time
9 was work for Mr. Channell with some minor consulting ac-
10 tivities for this Network, and possibly some other organiza-
11 tions?

12 A Yes.

13 Q And you were retained by him as an individual
14 consultant?

15 A Yes.

16 Q And the compensation varied over this period of
17 time?

18 A Yes.

19 Q Now that compensation arrangement changed in the
20 fall of 1985, as I understand what you're saying?

21 A Yes.

22 Q How did it change?

UNCLASSIFIED

art33

33

UNCLASSIFIED

1 A Well, instead of the checks being made payable to
2 me, they were being made payable to the Public Management
3 Institute.

4 Q What was the reason for the change?

5 A Well, the more appropriate question I think is why
6 the checks were ever made payable to me to begin with, which
7 they shouldn't have been, and I think my accountant actually
8 brought it to my attention. That it shouldn't be personal
9 income to me. It should be income to the corporation,
10 because 90 percent of all the money I had ever billed in my
11 professional life has been billed from the company, not from
12 me, personally.

13 Q Was there any formal agreement entered into between
14 PMI and any of Mr. Channell's organizations?

15 A No. It was just an understanding.

16 Q How was the compensation fixed?

17 A Mr. Channell fixed it.

18 Q What was the amount?

19 A It varied over time. I mean, it kept fluctuating
20 all the time.

21 Q Was there a basic monthly retainer?

22 A That's what kept fluctuating.

UNCLASSIFIED

art34

34

UNCLASSIFIED

1 Q So beginning in the fall of 1985, Mr. Channell's
2 organizations paid a monthly amount to PMI for your services,
3 but the monthly amount varied?

4 A Yes.

5 Q And you were then compensated by PMI?

6 A Yes.

7 Q After the fall of 1985, did you receive any direct
8 compensation from Mr. Channell's organizations?

9 A Yes.

10 Q When did that begin?

11 A At the same time. At the same time.

12 Q At the same time being the fall of 1985 when the
13 Channell organizations began to pay PMI?

14 A Yes.

15 Q So your compensation was then in two parts, is that
16 correct? A direct salary check from one of Mr. Channell's
17 organizations, and a payment to PMI for your consulting
18 services?

19 A Yes.

20 Q Now what was your monthly salary beginning in the
21 fall of 1985?

22 A I think it was \$5000 a month.

UNCLASSIFIED

art35

35

UNCLASSIFIED

- 1 Q And the monthly payment to PMI varied?
- 2 A Yes. In the beginning it might have been less than
- 3 five thousand. Maybe three or four. I can't remember,
- 4 exactly.
- 5 Q And was the amount paid to PMI per month related to
- 6 the nature of services provided during any particular month
- 7 by you, or anyone else employed by PMI?
- 8 A Yes.
- 9 Q What was it tied to? The number of hours?
- 10 A No. It depended upon the amount of work that PMI
- 11 did as well. PMI did research work.
- 12 Q So was the payment to PMI for services other than
- 13 your own services?
- 14 A Yes.
- 15 Q So your own services were covered by the \$5000 a
- 16 month, or whatever the monthly salary was?
- 17 A Yes. Right.
- 18 Q Did you fix the amount of the monthly invoice, or
- 19 statement from PMI?
- 20 A No.
- 21 Q Who did that?
- 22 A Spitz.

1 Q So he paid PMI whatever he wanted to pay them?

2 A Yes.

3 Q So he retained PMI to perform certain services?

4 A Yes.

5 Q And then, at the end of the month, he would say "I
6 will pay you "x" amount for those services"?

7 A It was very loose.

8 Q And what were the nature of the services that PMI
9 for Mr. Channell's organizations from the fall of 1985
10 through 1986?

11 A Research on corporations and foundations who would
12 make grants, who would be prospects for making grants for
13 various projects.

14 Q Was this research performed by any particular
15 employee of PMI?

16 A I don't know. I mean, they handled it, you know,
17 with their research staff.

18 Q All right. Were there any time records maintained
19 of how much time was spent on this research?

20 A I have no idea.

21 Q Well, you're the sole shareholder of PMI. I mean,
22 do you have any idea of whether time records are generally

UNCLASSIFIED

art37

37

1 maintained within the organization for this type of consulting
2 service?

3 A I think they are, but I'm not positive. I'm not
4 involved in the day-to-day management of the organization.

5 Q But the amount of compensation to PMI for these
6 services was not related to the amount of time spent on the
7 services, is that correct?

8 A That's correct. Yes.

9 Q That was fixed, arbitrarily, by Mr. Channell?

10 A Yes.

11 Q Did he fix that in consultation with you?

12 A Not that I recall. Well I mean, what's consulta-
13 tion? I mean, he just said--you know--"I'm going to pay you
14 so much." We wouldn't have the conversation every month, or
15 anything like that. He just would say "I'm going to give you
16 more money," or "less money," or whatever.

17 Q Discussion of the amount for these services would
18 always be initiated by Mr. Channell, is that correct?

19 A 99 percent of the time. Sure.

20 Q Now what was your title with Mr. Channell's
21 organization, or organizations?

22 A When?

UNCLASSIFIED

art38

UNCLASSIFIED

38

1 Q After you became an employee in the fall of 1985,
2 and, if it changed, give me the different titles.

3 A Well, I was nothing for a long time, so--I don't know
4 how else to say that, and--

5 Q Well, we'll start with nothing and then, moving on.

6 A I mean, sort of gradually, from there, I became
7 chiefly, I suppose you would say, executive director.

8 Q Of what?

9 A Everything.

10 Q This is--

11 A All the organizations. Every single one of them.

12 Q And is this also true of Channell Corporation?

13 A Well, no, we didn't do anything, really, there.

14 Q But you were executive director of NEPL?

15 A I was not executive--well, I don't know if I was
16 executive director. This wasn't really official-official, I
17 mean, so I--you know--when there was something to be handled,
18 administratively, they came to me, and my title was executive
19 director.

20 Q Did you consider yourself--

21 A Actually, now that I think about it, I think I was
22 executive director of Channell Corporation.

UNCLASSIFIED

art39

UNCLASSIFIED

39

- 1 Q Did you consider yourself the number two person in
2 Mr. Channell's organizations?
- 3 A Yes.
- 4 Q You were his chief assistant or--
- 5 A Administrator, or whatever you want to say.
- 6 Q Administrator?
- 7 A Yes. Sure.
- 8 Q Now, when you commenced your work there in the
9 beginning of 1985, in connection with the work for the
10 refugee fund dinner, where were Mr. Channell's offices?
- 11 A 305 Fourth Street, Northeast, Washington.
- 12 Q And those offices moved at some point?
- 13 A August of '86.
- 14 Q And they moved to Pennsylvania Avenue?
- 15 A Yes.
- 16 Q What was the address there?
- 17 A 1331 Pennsylvania Avenue, Northwest, Suite 350
18 South.
- 19 Q All right. Now, when you began, how many employees
20 did Mr. Channell have?
- 21 A Four and a half, I guess.
- 22 Q Who were they?

UNCLASSIFIED

art40

40

UNCLASSIFIED

- 1 A Including him is five, I guess. Angela Davis.
- 2 Q She was his secretary?
- 3 A Yes. Roger Wilkins.
- 4 Q What was his position?
- 5 A Secretary. Cliff Smith.
- 6 Q And his position?
- 7 A Fund raiser. And Steve McMahon who was a consul-
- 8 tant, a CPA consultant. He's the half.
- 9 Q Okay.
- 10 A Is that four? Five?
- 11 Q And then from the beginning of 1985 through 1986,
- 12 were additional fund raisers added?
- 13 A Yes.
- 14 Q Who were they? Was Kris Littledale one?
- 15 A Yes. Krishna S. Littledale. Jane McLaughlin.
- 16 Liam Flannery. John Lutz. And--why can't I remember these
- 17 names? I'm blanking at the moment.
- 18 Q There was at least one other, you believe?
- 19 A Yes. I just can't remember his name.
- 20 Q Did the fund raisers report to you?
- 21 A Oh, the last one was Fred Fried. F-r-i-e-d. Did
- 22 they report to me?

UNCLASSIFIED

art41

UNCLASSIFIED

41

1 Q Yes.

2 A Partly, they'd report to me, and they'd report to
3 Spitz. Both. It's a small organization.

4 Q What were the responsibilities of a fund raiser?
5 What did the fund raisers do?

6 A At the risk of sounding impertinent, they raised
7 money.

8 Q How?

9 A Well, they would be given prospects to call, and
10 they would be told what to say to them--the general line of
11 approach--if you would call it that--and they would be
12 trained in the techniques of dealing with people on the
13 phone, and in person. And they would write letters to them,
14 and they would request funds for various projects.

15 Q Now who would develop the general line for the fund
16 raisers, and who would train them in fundraising techniques?

17 A Well, that's two questions.

18 Q Yes.

19 A The first question is Spitz would decide the line,
20 and in the second case, the training would be both by Spitz
21 and me.

22 Q Now you said Cliff Smith was a fund raiser?

UNCLASSIFIED

art42

UNCLASSIFIED

42

1 A Yes.

2 Q Did he have any responsibilities, other than being
3 a fund raiser?

4 A Yes.

5 Q What were those?

6 A He was I think treasurer of the American Conserva-
7 tive Trust.

8 Q What did that involve?

9 A Oh, he had to handle all the filings with the
10 Federal Election Commission, oversee the recordkeeping of the
11 books and records of the organization, financial accounting
12 and that sort of thing.

13 Q Did he have any responsibilities other than that?

14 A He may have. I can't recall. He was primarily a
15 fund raiser.

16 Q Now you said Steve McMahon was a CPA who was also a
17 consultant, or employed on a part-time basis?

18 A Yes.

19 Q And were there other accounting employees who
20 reported to him?

21 A Not at the beginning. Later there were, yes.

22 Q Later, was one of those employees, Phil Meo?

UNCLASSIFIED

art43

43

UNCLASSIFIED

- 1 A Yes.
- 2 Q And another one, Becky Pritchett?
- 3 A Yes.
- 4 Q Now, were additional services performed by Eric
- 5 Olson?
- 6 A Yes.
- 7 Q What did he do?
- 8 A Well, he consulted with us on our computer system,
- 9 and computer purchases, and management, in general.
- 10 Q Did he report to you?
- 11 A No. He reported to Spitz.
- 12 Q Do you know how much he was paid?
- 13 A I'm not sure.
- 14 Q Now is he also employed by another professional
- 15 organization?
- 16 A Yes.
- 17 Q Is he an accountant?
- 18 A I don't think he is.
- 19 Q Or a management consultant?
- 20 A I'm not sure, exactly, what his title is. I think
- 21 it's management consultant, but I'm not positive.
- 22 Q Was he retained to do this work for Mr. Channell's

UNCLASSIFIED

1 organizations individually, or as an employee of the other
2 organization that he works for?

3 A I have no idea.

4 Q Is he also Mr. Channell's roommate?

5 A Yes.

6 Q Do you know how his compensation was established?

7 A I have no idea.

8 Q Now am I correct, that the day-to-day administra-
9 tive activities of these organizations were under your
10 direction?

11 A To a degree.

12 Q Would you explain that answer.

13 A Well, the way it should have worked was Spitz
14 should have told me everything he wanted to have done, and
15 then I would see that it got done, but he didn't operate that
16 way. He would tell me sometimes. He would tell other people
17 sometimes. Sometimes he would tell several people the same
18 thing, producing mass chaos, which he delights in.

19 Q Did you have a practice of developing activity
20 outlines, or "to-do" lists?

21 A Yes.

22 Q And you would update those on a periodic basis?

UNCLASSIFIED

art45

45

UNCLASSIFIED

1 A Yes.

2 Q And was that one of your principal management tools?

3 A Well, it was the way I kept track of the thousands
4 of details that needed to be looked into.

5 Q To whom did you distribute those outlines?

6 A Usually only Spitz, but occasionally, other people,
7 depending on the situation.

8 Q And you kept a file of the outlines that you had
9 generated, is that correct?

10 A Yes.

11 MR. FRYMAN: Okay. I ask the reporter to mark as
12 Conrad No. 1 a group of activity outlines which have been
13 produced by counsel for Mr. Channell. These outlines will be
14 in two volumes. Deposition Exhibit No. 1 for identification
15 will be the first volume. The page numbers are identified by
16 control numbers that had been stamped on the bottom of the
17 outlines by counsel for Mr. Channell.

18 In the beginning of this exhibit, there is a list
19 of the activity outline page numbers in both of the volumes
20 that we will use. This first volume begins with page numbers
21 20143-51, and continues through an outline dated December 16,
22 1985 which is page numbers 20702-03.

BY MR. FRYMAN:

identification. I'm going to ask you a number of specific
questions about these outlines, but without looking at every
page, would you generally look through this volume and tell
me if these are the types of activity outlines that you
prepared on a periodic basis?

A Yes.

Q Okay. Now let me first direct your attention-

MR. FRYMAN: Let's go off the record a moment.

[Discussion off the record.]

BY MR. FRYMAN:

Q Mr. Conrad, I have referred to these documents that
are included in Deposition Exhibit 1 for identification as
activity outlines. Now was that the name you used, or, did
you have another name for these papers?

UNCLASSIFIED

47

UNCLASSIFIED

- 1 A No. I called these my "to-do" lists.
- 2 Q And were these basically for your own use?
- 3 A Yes.
- 4 Q And I believe you said you gave them to Mr.
- 5 Channell?
- 6 A Yes, only for verification of the details. In
- 7 other words, was I doing what I was supposed to be doing.
- 8 Q But it was your normal procedure to show any of
- 9 these "to-do" lists to Mr. Channell?
- 10 A Yes. Normally, I would.
- 11 Q Would he make notes on them, and return them to you?
- 12 A Yes.
- 13 Q Did you retain the copies with his notes?
- 14 A In most cases.
- 15 Q And was your general practice to update these on a
- 16 periodic basis?
- 17 A Weekly.
- 18 Q On a weekly basis?
- 19 A Yes.
- 20 Q And would a lot of the material be repeated in the
- 21 next week's "to-do" list?
- 22 A If it didn't get done.

UNCLASSIFIED

art48

UNCLASSIFIED

48

1 Q If it didn't get done?

2 A Yes.

3 Q If it didn't get done, it would be cut out?

4 A Yes.

5 Q And then if it didn't get done it would be carried
6 over, and then you would add additional items that you would
7 plan to accomplish in the following week?

8 A It only ever grew. Yes.

9 Q Now let me begin by the outline which is dated
10 September 8, 1985, which begins on page 20143. There's a
11 Roman one there that begins Greene, G-r-e-e-n-e. What does
12 that refer to?

13 A Lt. Col. Oliver North.

14 Q What was the reason for referring to him as Greene?

15 A I was told to.

16 Q By whom?

17 A I think Rich Miller and Frank Gomez.

18 Q Did they give a reason for calling him Greene?

19 A They said that it was very easy to, for the Soviets
20 and Cubans, and the Sandinistas, to find out what the
21 movements of Colonel North were, and the contra leaders, and
22 so they said we had to use code names for everyone.

UNCLASSIFIED

- 1 Q Did Mr. Channell also tell you to call him Greene?
- 2 A Not that I recall.
- 3 Q Did you tell anyone else within the organization to
- 4 refer to him as Greene?
- 5 A Oh, I may have. I don't recall, exactly.
- 6 Q You referred to Richard Miller and Frank Gomez.
- 7 Who were they?
- 8 A They're the partners in a firm called International
- 9 Business Communications.
- 10 Q And they were also consultants to NEPL, were they
- 11 not?
- 12 A Yes.
- 13 Q Now under Roman I, Greene, entry capital "A" is
- 14 headed "White House letters" ✓
- 15 A Yes.
- 16 Q And then under that, there is item one, "To Barbara
- 17 Newington from RR" ✓ What does that refer to?
- 18 A We wanted to ask Oliver North to get a letter, a
- 19 thank-you letter from Ronald Reagan addressed to and sent to
- 20 Barbara Newington, who was a contributor.
- 21 Q And what was the reason for wanting that letter?
- 22 A Fundraising authority, I suppose you'd say. In

UNCLASSIFIED

art50

50

UNCLASSIFIED

1 fundraising you need--oh, you might call it an endorsement
2 letter, authorization letter. I don't know. It has a lot of
3 different terms.

4 Q Had Barbara Newington--

5 A Acknowledgement letter, sometimes.

6 Q Had Barbara Newington by September 8, 1985, made a
7 substantial contribution to NEPL?

8 A Not substantial enough.

9 Q Was this letter intended to obtain a more substan-
10 tial contribution from her?

11 A Well, it's part of the process.

12 Q How is it part of the process?

13 A I'm talking about how you create relationships with
14 contributors.

15 Q Right.

16 A You cultivate them, and this was one tool in the
17 cultivation process, and it's common in all organizations,
18 although in this case it's the President of the United States.

19 Q So one tool in your cultivation process with
20 contributors was to obtain letters from President Reagan?

21 A Yes.

22 Q And that was done through Colonel North?

UNCLASSIFIED

art51

51

UNCLASSIFIED

1 A Well, we requested it from him.

2 Q That was the channel to request such a letter, was
3 to go to Colonel North?

4 A Well, we also requested it from many other people
5 as well.

6 Q Who else did you request such a letter from?

7 A Rich Miller, Frank Gomez, John Roberts. Oh, lord.
8 I mean, practically everybody we ran across, we would say,
9 Can you get us a letter from the President?

10 Q And this particular "to,do" list refers to a
11 contact that was to be made to Colonel North for a letter
12 from President Reagan to Mrs. Newington?

13 A Yes.

14 Q All right. You mentioned a John Roberts. Who was
15 John Roberts?

16 A He was on Pat Buchanan's staff at the White House.

17 Q What was his position?

18 A I don't know. Speechwriter, maybe. I'm not sure.

t3 19 Q Now, moving on down on this page 20143, Roman II
20 refers to a Dallas trip, and under that, capital "A" is
21 "Primary Group" and there's a list of six names. What does
22 that item refer to?

UNCLASSIFIED

art52

52

UNCLASSIFIED

1 A Well, we wanted to see these people when we were
2 down there. It was appointments to arrange.

3 Q Now item "E" under that refers to a convention,
4 does it not?

5 A Yes..

6 Q What was that convention?

7 A The World Anti-Communist League, WACL, convention.

8 Q And under item "E" on page 20144, there are ten
9 items listed, and that's surrounded by a parenthesis that
10 says "15 packets", I believe. Is that correct?

11 A Yes. That's correct.

12 Q What does the "15 packets" refer to?

13 A How many packets to make up to take to Dallas; thus
14 what should be in the packets.

15 Q To give to the people at the convention?

16 A No, no. At the--oh, yeah, I guess the way it is
17 structured here. My thinking was that it had to do with the
18 primary and secondary group because that is--maybe he wanted
19 some extra ones--I can't remember, exactly--some extra ones to
20 pass out at the convention. ^y_A

21 Q But these were packets to be given to prospective
22 contributors in Dallas, is that your understanding?

UNCLASSIFIED

art53

53

UNCLASSIFIED

1 A Yes.

2 Q And the items listed there were to be included in
3 the packets, is that correct?

4 A Yes.

5 Q And those items included a tax-exempt certificate?

6 A Yes.

7 Q What was that?

8 A I don't know what you--what's the official word for
9 it from the Internal Revenue Service? No, the exempt letter.
10 It tells you what your number is.

11 Q Is this a letter concerning a 501(c)(3) organiza-
12 tion?

13 A Any nonprofit organization gets a certification of
14 its tax-exempt status, whether it's a (c)(3), or (c)(4), or
15 (c)(5), (c)(6)--whatever it is--and that letter--it's usually
16 two pages--and that we had reproduced and put it in these
17 packets.

18 Q Now was the purpose of that to indicate to the
19 potential contributors that they could take a tax deduction
20 for contributions?

21 A It was put in so that if they had any question on
22 the tax deductibility it would be answered by that, so they

UNCLASSIFIED

art54

54

UNCLASSIFIED

1 could give it to their accountants, or whoever.

2 Q And the answer would be yes, they could take a
3 deduction?

4 A Yes.

5 Q Now item five refers to "Maule airplane specs and
6 brochures". What is that?

7 A It's a small airplane made by the Maule Aircraft
8 Company, and we had a brochure.

9 Q What was the reason for including that in the
10 packet?

11 A We would ask people to contribute enough money to
12 buy one.

13 Q That was one of the purposes that you were raising
14 funds for?

15 A Yes.

16 Q Who had told you that Maule airplanes were needed?

17 A Colonel North.

18 Q Had he told that to you?

19 A Yes.

20 Q Now item six is "Big plane specs". What does that
21 refer to?

22 A He said two types of airplanes were needed. I

UNCLASSIFIED

art55

55

UNCLASSIFIED

1 can't remember the other brand, or model number, whatever it
2 is, and so, it was other planes that the freedom fighters
3 needed to be able to deliver humanitarian aid.

4 Q Now did item six, "Big plane specs" was this an
5 additional type of plane that was to be purchased with funds
6 from contributors?

7 A Yes.

8 Q And the Maule planes, and the big planes were to be
9 used for delivering goods in Nicaragua, is that correct?

10 A It may be Honduras, too.

11 Q Honduras or Nicaragua?

12 A Yeah. Maybe other areas around there. You know, I
13 didn't know, exactly.

14 Q Now you mentioned humanitarian aid. Were these
15 planes also to be used for delivering military supplies?

16 A It was never discussed. We specifically discussed
17 humanitarian aid.

18 Q And there's no specific discussion of other types
19 of use of these planes?

20 A No. I mean, the purpose was to buy them to deliver
21 the humanitarian aid.

22 Q Now, going back to the preceding page, 20143, under

UNCLASSIFIED

art56

56

UNCLASSIFIED

1 the Dallas trip there's a list of "A", "Primary Group", "B",
2 "Secondary Group", and then set forth, separately, as item "C"
3 is Bunker Hunt. First of all, who is Bunker Hunt, and
4 secondly, why was he set forth as a separate item in your "to
5 do" list?

6 A Bunker Hunt is a billionaire and that's why he's
7 separate.

8 Q He was the only billionaire on the list?

9 A Well, maybe Mrs. Schoellekopf is, too, but we
10 didn't have as good a relationship with her as Mr. Hunt.

11 Q All right. And the plan was on the Dallas trip to
12 make fundraising appeals to the individuals listed here?

13 A Yes.

14 Q Now on the second page, 20144, there's reference in
15 Roman "III" to a September 19th White House meeting. What do
16 the items under that refer to?

17 A Well, "Request RR to stop in" is a request for the
18 President to stop by the meeting and say hello to everyone.
19 Go by. A request for Robert McFarlane to stop in at the
20 meeting, and make Hay-Adams reservations where we would go for
21 dinner and cocktails.

22 Q Now were these steps taken?

UNCLASSIFIED

art57

UNCLASSIFIED

57

- 1 A No.
- 2 Q Why not?
- 3 A Got postponed. I don't know. I guess. I don't
- 4 remember, exactly.
- 5 Q But the meeting was not held on the 19th?
- 6 A No.
- 7 Q Turning to page three of your outline, Roman "VII"
- 8 refers to Rich and Frank. Who is that?
- 9 A Richard Miller and Frank Gomez.
- 10 Q And item "A" is "Barbara Newington, 9-12 meeting at
- 11 the White House"? Is that what "WH" stands for?
- 12 A Yes.
- 13 Q What does that refer to?
- 14 A Well, I'm not positive I can recall that. I can't
- 15 remember. She went several times there. I don't remember
- 16 which time this was.
- 17 Q Were there White House meetings requested for Mrs.
- 18 Newington?
- 19 A Yes.
- 20 Q What was the reason for that?
- 21 A Again, part of the solicitation process, the
- 22 cultivation process.

UNCLASSIFIED

art58

UNCLASSIFIED

58

1 Q All right. Turning to page five of this outline,
2 which is page 20147, there's a reference there to an October
3 18 White House meeting. What does that refer to?

4 A A briefing. A meeting that would be a briefing on
5 the situation in Nicaragua, and it would be held at the White
6 House.

7 Q And that was the meeting you were trying to set up
8 for the 18th of October?

9 A Yes.

10 Q Did that go ahead?

11 A It wasn't on that date.

12 Q All right. It was postponed?

13 A Yeah. Wasn't the 18th? I thought it was the 19th.
14 It was the 18th? 17th. Well, fine. Whatever. It was moved
15 forward, changed, altered. Something.

16 Q Now what does item "A", "Draft letter to RR" refer
17 to?

18 A I don't remember. I don't remember that.

19 Q All right. Item "B" is "Need special invitation
20 and literature". What does that refer to?

21 A Our internal. We needed to develop an invitation
22 that would be special, that would look special, and accompany-

UNCLASSIFIED

UNCLASSIFIED

1 ing literature for us to send to our prospects to get them to
2 come to the briefing.

3 Q And the items under that, on page six, are what
4 would be included in that sort of package to the potential
5 contributors?

6 A That's correct.

7 Q Okay. Let's turn to the next outline, Mr. Conrad.

8 A Could I ask something off the record?

9 MR. FRYMAN: Yes.

10 [Discussion off the record.]

11 MR. FRYMAN: Back on the record.

12 MR. FRYMAN: I would now ask the reporter to mark
13 as Conrad Exhibit No. 2 for identification, a second volume
14 of the activity outlines, or "to-do" lists, which is a
15 continuation of Conrad Exhibit 1. The pages in Deposition
16 Exhibit 2 for identification begin with page 20685, and
17 continue through page 30002.

18 The pages in this volume are the pages that are
19 listed on the first page in Exhibit No. 1, between those
20 respective numbers.

21

22

UNCLASSIFIED

(The document above-referred
to was marked Conrad Deposition
Exhibit No. 2 for identifica-
tion.)

MR. FRYMAN: Mr. Conrad, I'm going to have a number of
additional questions relating to the activity outlines, or "to-
do" lists which are in Deposition Exhibits 1 and 2 for
identification. During the break, however, Mr. McGough and I
discussed the approach to the questioning, and we had planned
on dividing questioning with Mr. McGough covering an area
later in the deposition.

During the break we discussed whether it wouldn't
make more sense to go ahead at this point with his area of
questioning since it covers events relating to an earlier
point in time than are reflected in these outlines.

So, we will now, then, proceed with an area of
questioning with Mr. McGough which I think will take about a
half an hour, and then the plan will be to go through that,
and then, when we finish that area, break for lunch, if
that's all right.

MR. MCGOUGH: Now Mr. Conrad, of course if you

1 don't understand the question and want some clarification,
2 just let me know.

3 EXAMINATION BY COUNSEL FOR THE

4 SENATE SELECT COMMITTEE

5 BY MR. MCGOUGH:

6 Q I want to go back to the Nicaraguan refugee dinner,
7 or the period during which that was being organized, and
8 develop some of the threads of your and Mr. Channell's
9 activities, or efforts on behalf of the Nicaraguan resistance,
10 which we'll call the contras, if that's all right with you.

11 At the time that you were brought in, in early
12 1985, to work on the NRF dinner, was there any other aspect,
13 or any other activity by Mr. Channell's organizations, to
14 your knowledge, that was related to support of the contras,
15 or involved with Nicaragua at all?

16 A You have to state the question again.

17 Q I want to try to get a snapshot of what you
18 observed about Mr. Channell's targets, the policies toward
19 which he was raising funds at the time you started working on
20 the Nicaraguan Refugee Fund dinner. And what I want to know
21 is when you began that work, was Mr. Channell, or were Mr.
22 Channell or his organizations doing anything else in relation-

1 ship to the Nicaraguan situation? Did they have any other
2 programs at that time?

3 A I think he had an advertising program, or, there
4 were some other things going on, but I can't recall, exactly.
5 But this was the main activity.

6 Q The dinner was the main activity?

7 A Yes.

8 Q All right. When did you first come in contact with
9 IBC, that is, Mr. Miller and Mr. Gomez?

10 A In early April of 1985.

11 MR. McGOUGH: Now let's have this marked as number
12 3.

13 (The document above-referred
14 to was marked Conrad Deposition
15 Exhibit No. 3 for identifica-
16 tion.)

17 MR. McGOUGH: I'd like to have this marked as
18 Exhibit 4.

20 to was marked Conrad Deposition
21 Exhibit No. 4 for identifica-
22 tion.)

1 BY MR. MCGOUGH:

2 Q I now show you what have been marked as Exhibits 3
3 and 4, which are handwritten notes that bear the date 3-19-
4 85. That would be March 19, 1985, in the upper lefthand
5 corner. Is this your handwriting on these notes?

6 A Yes.

7 Q Now, first of all, just take a minute to look at
8 them so that we can get some context to some of the
9 questions. Do you recall the occasion or the reason you had
10 for making these two notes, that is, Exhibits 3 and 4?

11 A Yes.

12 Q What was that?

13 A Spitz Channell, and I were discussing with Amba-
14 sador Alvaro Rizo, and Mike Schoor, and his partner, Luman--
15 I've forgotten his first name--the possibility of raising
16 funds directly for the freedom fighters in Nicaragua.

17 Q All right. Now who is Ambassador Rizo?

18 A I'm not sure if I have all this totally correct,
19 but I'll tell you what I do know. I think he was executive
20 director, or president--I'm not sure what his title was--at
21 the Nicaraguan Refugee Fund.

22 Q All right. And Michael Schoor?

UNCLASSIFIED

art64

64

UNCLASSIFIED

1 A He was an attorney.

2 Q All right. And you mentioned one other person.

3 A Luman. It's the firm of Luman and Schoor, but I
4 had forgotten Luman's name.

5 Q Now, Exhibits 3 and 4, are they two pages of notes
6 written on the same occasion?

7 A Yes.

8 Q All right. So looking at them together, at the
9 time you were having this meeting, had you been introduced to
10 IBC, or Mr. Miller or Mr. Gomez, to the best of your recollec-
11 tion?

12 A I don't believe so.

13 Q All right. Now do you recall what kind of a
14 assistance you were going to provide to the FDN or the
15 contras, or what kind of assistance was discussed at this
16 meeting? Was it limited to humanitarian assistance?

17 A The points are here. On Exhibit 3, page one, it
18 says "American Freedom and Fairness Purposes" to develop
19 public policy support and grassroots support, US-based public
20 relations, and non-mercenary needs, health care and direct to
21 the FDN.

22 Q What do you mean by non-mercenary needs?

UNCLASSIFIED

art65

65

UNCLASSIFIED

- 1 A Non-lethal.
- 2 Q All right. And when you say "direct to FDN^o?
- 3 Adolfo Calero was to whom that aid was going to be supplied?
- 4 A Yes, according to these people.
- 5 Q All right. Now, the Americans For Freedom and
- 6 Fairness, who, or what, are they?
- 7 A Well, I'm not sure if it was--I didn't know the
- 8 exact status of it. It might have been a 501(c)(3). I don't
- 9 know what the official status of it was, and, indeed, whether
- 10 it had been in fact incorporated yet, or was just an idea in
- 11 the planning stages. It wasn't clear to me. It's not clear
- 12 to me now. It may have been clear to me at that time, but I
- 13 don't remember.
- 14 Q Who is Stu Spen^cer?
- 15 A The name is very familiar but I can't place him.
- 16 Q All right. There's a box two-thirds of the way
- 17 down that page. It says, "Need a letter from Calero asking
- 18 AFF for help, saying AFF is a great group^{ly}."
- 19 A Right.
- 20 Q Do you recall who was to get that letter? Was that
- 21 a responsibility that was assigned to someone?
- 22 A Well, I don't know if it was assigned to anybody.

UNCLASSIFIED

art66

66

UNCLASSIFIED

- 1 It was a request, on our part.
- 2 Q A request on AFF's part?
- 3 A No. On Spitz Channell and my part.
- 4 Q All right. What was the role you foresaw for
- 5 yourself and Mr. Channell in relationship to AFF?
- 6 A Fundraising consultants.
- 7 Q All right. You were going to be fund[?]raising
- 8 consultants to AFF?
- 9 A Right.
- 10 Q I see. And the letter that you wanted to get was
- 11 one essentially empowering AFF to raise funds for Mr. Calero?
- 12 A Yes.
- 13 Q All right. Who was going to head up AFF, if you
- 14 know?
- 15 A I assumed the people in the room. Maybe it was
- 16 going to be something different. Maybe I even knew at that
- 17 time, but I don't recall now.
- 18 Q Look at the Exhibit 4. On the upper right^hand
- 19 corner there's a box that says "Richard Allen, \$K for fifty
- 20 letters, plan, budget, Calero letter, IRS letter^g. Do you
- 21 know what that note refers to?
- 22 A Well, the idea was that we should hire Richard

art67

67

1 Allen to help us.

2 Q Who is Richard Allen?

3 A Former national security adviser.

4 Q All right. And do you know where he was employed
5 at that point, March 19, 1985?

6 A Oh, his consulting firm, I gather. I've never met
7 the man.

8 Q All right. "5K for 50 letters" What's that a
9 reference to?

10 A The fee we were going to offer him.

11 Q Fifty letters being what? What was he supposed to
12 produce for his \$5,000?

13 A Well, I think it was letters of endorsement, but I
14 really don't remember. We never did anything.

15 Q All right. A third of the way down the page
16 there's a note: "Letter, quotes, 'from President Reagan'
17 McFarlane memo, and Ollie North memo. We like what you're
18 doing" Can you explain those references.

19 A Well, this is all part of the fundraising documenta-
20 tion, if you will, or support, or putting together a package
21 for credibility purposes when you do a personal solicitation,
22 and so we needed to draft a letter from Calero that we wanted

1 him to sign, basically this reference on Exhibit No. 3. And
 2 we wanted to get a letter from President Reagan supporting
 3 the freedom fighters in Nicaragua. We would get quotes from
 4 President Reagan that he'd made in the press, and then
 5 speeches and things regarding the freedom fighters in
 6 Nicaragua. We'd put all this into a packet, a memo from
 7 McFarlane, and a memo from Oliver North.

8 Q Did you know, at that time, who Oliver North was?

9 A I don't recall. This is the first time my notes
 10 indicate that I'd even heard the name, but he wasn't a
 11 familiar person. I didn't meet him until much later.

12 Q All right. Moving a couple of weeks later into
 13 early April, which I believe is the time that you said that
 14 you met Mr. Miller and Mr. Gomez.

15 MR. McGOUGH: Let's have this marked as the next
 16 exhibit.

17 (The document above-referred
 18 to was marked Conrad Deposition

21 BY MR. McGOUGH:

22 Q This is a note dated April 7th, 1985, and again, is

1 this your handwriting?

2 A Yes.

3 Q All right. Take a moment to look at it, if you
4 want. I'm just going to ask you what it relates to.

5 A Yes.. I understand.

6 Q All right. It has a reference to Rich Miller, so
7 by that time you had met Mr. Miller, is that fair to say?

8 A Yes.

9 Q All right. "Helen Marie Taylor, ask her to give"
10 Do you know what that means?

11 A She's a prospect.

12 Q All right. Mr. Miller. There's an item number one
13 which is a White House authorization letter "for us and him"
14 Were you asking Mr. Miller to obtain a White House authoriza-
15 tion letter for you?

16 A Yes.

17 Q And number two is an authorization letter from
18 Calero "empowering Rich and us to raise--and again I don't--

19 A "X" number of dollars.

20 Q --"X" number of dollars, immediately". Were you
21 asking Mr. Miller to obtain such a letter for you?

22 A Yes.

UNCLASSIFIED

art70

70

UNCLASSIFIED

1 Q Number three refers to a meeting. Number four
2 says, "Give us the name of 20 donors." Then there's "Promised:
3 1. To raise 50K for their projects. 2. 30 K as their fee for
4 the authorization." What is that a reference to? What does
5 that mean?

6 A That we would hire them to help us, and we would
7 say that we would--these are the terms. We would raise
8 \$50,000 for their projects. They had--Rich Miller and Frank
9 Gomez had other projects of their own related to this issue,
10 and we would pay them. \$30,000 is their fee for getting the
11 authorization.

12 Q From whom?

13 A From Calero.

14 Q From Calero. In other words, IBC would receive
15 \$30,000 as a fee for obtaining Adolfo Calero's authorization
16 to NEPL to raise money?

17 A Yes. Well, I can't remember who it was to, but--

18 Q Was the fee to be paid to IBC, or was the fee to be
19 paid to Mr. Calero?

20 A Oh, to IBC.

21 Q All right. Did Mr. Miller agree to those terms?

22 A I can't recall.

UNCLASSIFIED

art71

UNCLASSIFIED

71

1 Q Who proposed the \$30,000 fee as a fee for the
2 authorization letter?

3 A Spitz.

4 Q Do you recall if Mr. Miller or Mr. Gomez asked for
5 a fee for the authorization letter?

6 A Oh, no. We offered it.

7 Q All right. Do you recall if they accepted that
8 offer?

9 A I don't think they did.

10 Q Do you recall what their answer was, or why they
11 didn't accept it?

12 A I can't answer either of those questions. I don't
13 know. They ended up taking a monthly retainer, but I don't
14 remember the dealings that led to that.

15 Q Are these notes taken contemporaneously at a
16 meeting?

17 A It was contemporaneous with a meeting with Spitz,
18 not with anybody else.

19 Q All right. And was Spitz reporting on a meeting he
20 had with IBC, or how did these notes come about?

21 A We were just discussing the subject. It's notes to
22 myself, really.

UNCLASSIFIED

art72

72

UNCLASSIFIED

1 Q Was it in advance of the meeting, or after the
2 meeting? Do you know? And I guess what I'm focusing on is
3 the word "promised" in the past tense.

4 A Yes. I think that's a mistake. I think it was to
5 be promised.

6 Q To the best of your recollection--

7 A In other words, I'm being empowered to do this.

8 Q To make that offer?

9 A Yes. You know, I just left off the "to be"

10 Q All right. I see. So it was anticipatory to
11 making this offer, as best you can recollect?

12 A Yes. But after a discussion with them about the
13 topic in general. We had some things to work with, to
14 develop this.

15 Q All right. Did there come a time when you had a
16 dinner with Mr. John Ramsey in Texas?

17 A Yes.

18 Q There has been other testimony that that dinner
19 occurred on or about April 10th, 1985. Does that date hit
20 you as being approximately correct?

21 A Yes.

22 Q Where did the dinner take place?

UNCLASSIFIED

art73

73

UNCLASSIFIED

1 A The Hay, Adams Hotel.

2 Q And who was there?

3 A John Ramsey, Rich Miller, Frank Gomez, Spitz

4 Channell, and myself..

5 Q What was the purpose of the dinner?

6 A Well, part of the fund-raising process to raise
7 money for the freedom fighters.

8 Q Had you, Mr. Miller, Mr. Gomez, and Mr. Channell,
9 or any subgroup of that, sat down before the dinner and
10 talked about what you were going to say to Mr. Ramsey, or
11 what approach you were going to make to him?

12 A Yes.

13 Q And who was engaged in those discussions before the
14 dinner itself?

15 A I think all of us were, at different times,
16 different groups, you know, different subgroups.

17 Q Was there a discussion, or did anyone say that Mr.
18 Ramsey was more likely to contribute for lethal aid than for
19 non-lethal aid to the contras, in anticipation of this
20 meeting?

21 A No.

22 Q Were there any discussions about the type of

UNCLASSIFIED

art74

74

UNCLASSIFIED

1 assistance Mr. Ramsey might be willing to give, leading up to
2 this dinner?

3 A Well, there was discussions about what he was not
4 interested in giving to.

5 Q And what was he not interested in giving to?

6 A He didn't want to give to the refugees.

7 Q All right. Anything else?

8 A And he had concerns about giving directly to the
9 freedom fighters.

10 Q What approach did you decide to take, or did the
11 group decide to take with Mr. Ramsey, if you can generalize a
12 bit about the pitch you were prepared to make?

13 A Well, we wanted to answer all of his questions,
14 tell him what the current situation was in Nicaragua, and
15 answer all of his questions about the situation. And
16 basically give him an inside picture of what all was going
17 on. Allay his fears and concerns, and that sort of thing.

18 Q Were there, again, prior to the dinner, discussions
19 of the military needs of the contras?

20 A Rephrase the question.

21 Q Were there discussions of what they needed,
22 militarily? What kind of weapons they needed in order to

UNCLASSIFIED

art75

75

UNCLASSIFIED

1 advance their cause?

2 MS. MORRISON: At what time?

3 THE WITNESS: By whom?

4 MR. McGOUGH: Prior to the dinner. I'm trying to
5 establish, prior to the dinner, what kind of discussions led
6 up to it, by anyone who was attending the dinner, that you're
7 aware of.

8 THE WITNESS: Well--

9 MR. McGOUGH: And let me lay a little foundation
10 here. I'm not trying to mousetrap you and I think you
11 probably know we're eventually going to go to this document
12 that appears to be a transcript of that dinner.

13 BY MR. McGOUGH:

14 Q What I'm trying to do is establish if there was any
15 discussion before the dinner about things like Red/Eye
16 missiles and rounds for AK-47s, and specific military lethal
17 needs of the contras, leading up to the dinner?

18 A Well, the first I ever heard of it was at the
19 dinner.

20 Q All right. Was the dinner recorded?

21 A Yes.

22 Q Who recorded it?

UNCLASSIFIED

art76

76

UNCLASSIFIED

1 A Me.

2 Q Did you record it surreptitiously or openly?

3 A Oh, openly.

4 Q How did you go about doing that?

5 A I put my tape recorder in the middle of the room,
6 just like this.

7 Q Why did you record it?

8 A Because Rich Miller and Frank Gomez knew an
9 enormous amount about the people involved, the effort
10 involved, the facts of the situation in Nicaragua. They had
11 been to Nicaragua, and they had been with the freedom
12 fighters, and knew all the people, and everything, and we
13 didn't. And I wanted to get all of the details of that, so
14 that we could use the facts to weave into fundraising
15 letters, which we would send to potential contributors.

16 MR. McGOUGH: Let's mark this as Exhibit 6.

17 (The document above-referred
18 to was marked Conrad Deposition
19 Exhibit No. 6 for identifica-
20 tion.)

21 BY MR. McGOUGH:

22 Q Mr. Conrad, what is Exhibit 6?

UNCLASSIFIED

art77

77

UNCLASSIFIED

1 A A version of the transcript of the meeting with
2 John Ramsey.

3 Q Who actually transcribed the tape on which you
4 recorded this meeting?

5 A I don't recall.

6 Q Would it have been one of the secretaries?

7 A Yes.

8 Q You did not do it personally--

9 A No.

10 Q --is that right? You've seen this document before,
11 have you not?

12 A Yes.

13 Q And recently?

14 A Yes.

15 Q At the end, I believe there is what appears to be,
16 it appears to segue into a fundraising letter or one kind, or
17 another?

18 A Yes.

19 Q Can we agree that at some point the dinner conversa-
20 tion ends, and, for one reason or another, whoever was
21 transcribing this started transcribing a letter to be sent to
22 donors?

UNCLASSIFIED

art78

78

UNCLASSIFIED

1 A Yes. Without the appropriate break.

2 Q Without the appropriate break. Can you put the
3 appropriate break on that?

4 A Well, I haven't read this enough to--I haven't read
5 this recently, so I'd have to go back and redo that, to be
6 able to do that.

7 MR. McGOUGH: Let me say for the record, Alexia, I
8 don't want to go through this whole thing line by line, and
9 have it broken up by people, and all that sort of thing. We
10 may have to do that at some point, and I appreciate your
11 continued cooperation. We're not going to be the first or
12 the last people who ask you to do it.

13 But I just want to lay a little bit of a foundation.

14 BY MR. McGOUGH:

15 Q We can agree, can we not, Mr. Conrad, that there
16 are discussions of lethal military needs by the contras in
17 the course of this dinner, is that right?

18 A Yes.

19 Q Having reviewed this transcript--and granted, that
20 it's not broken down by speakers--can we agree that it is a
21 fairly accurate, or it is an accurate transcript of the
22 dinner that took place, the conversation that took place at

UNCLASSIFIED

art79

79

UNCLASSIFIED

1 that dinner?

2 A Yes. Or at least part of it.

3 Q Or at least part of it?

4 A Sure.

5 Q And there are handwritten notes on the copy that
6 you've been given. Do you know whose handwriting that is?

7 A Well, I think it's either Rich Miller or Frank
8 Gomez.

9 Q Did you in fact send a copy of this transcript to
10 Mr. Miller and Mr. Gomez?

11 A I gave it to them.

12 Q All right. And did one or the other of them make
13 handwritten notes on it?

14 A Yes. Or maybe they gave it to somebody else to do,
15 but they were responsible for seeing it got done.

16 Q Did they ever object to your taping the proceedings?

17 A No.

18 Q Did they ever object to your transcribing the
19 proceedings?

20 A Well, I wouldn't say object.

21 Q What would you say?

22 A They were concerned. After they saw it they said

UNCLASSIFIED

art80

80

UNCLASSIFIED

1 this shouldn't be around for public display, and I said,
2 well, it's not, it's only for internal purposes. They said
3 okay. This is after they had corrected it.

4 Q Then they performed some corrections on it?

5 A Yes..

6 Q Do you know what happened to the original tape?

7 A It was probably erased.

8 Q Do you have the original tape? Or maybe that's
9 better addressed to Alexia.

10 A Well, maybe I have the original tape, but it's
11 erased. So, I mean, I don't know which tape it was that had
12 that original, erasure on it. I couldn't possibly--

13 Q I understand. But to the best of your knowledge,
14 this recording has been erased?

15 A Oh, absolutely.

16 Q The recording of the dinner?

17 A Sure. I mean, this was several years ago. We use
18 those tapes all the time.

19 Q All right. There are discussions--can we agree
20 in here?--for example--of Red/Eye missiles, and the cost of
21 the a Red/Eye missile, and that sort of thing?

22 A Yes.

UNCLASSIFIED

81

- 1 Q Were you the source of information about Red/Eye
2 missiles?
- 3 A No.
- 4 Q Who was, if you recall?
- 5 A I think it was Rich Miller, but I'm not positive.
- 6 Q Were you surprised when the conversation took that
7 turn?
- 8 A No.
- 9 Q Did you understand, going into the dinner, that Mr.
10 Ramsey would be asked for money, and told that his money
11 might go to buy lethal items like Red/Eye missiles?
- 12 A You have two questions there. Would you like to
13 rephrase it?
- 14 Q Well, why don't we break it down. Did you under-
15 stand that there would be discussion of things like Red/Eye
16 missiles, going into the dinner?
- 17 A Well, like Red/Eye missiles, I'm not sure.
- 18 Q Lethal items?
- 19 A Yes.
- 20 Q You knew that, going into the dinner?
- 21 A Yes.
- 22 Q Did you understand that Mr. Ramsey might be willing

UNCLASSIFIED

art82

82

UNCLASSIFIED

1 to contribute funds toward the purchase of such items?

2 A No. I didn't know that at all.

3 Q Do you feel, at that dinner on April 10th, that Mr.
4 Ramsey was asked to contribute toward the purchase of lethal
5 items?

6 MS. MORRISON: Don't answer that. You mean you
7 want his speculation as to what this transcript reflects?

8 MR. MCGOUGH: No. I want his speculation as to
9 what Mr. Ramsey was being asked to contribute to.

10 MS. MORRISON: Well, the transcript tells you what
11 he was asked or not asked.

12 MR. MCGOUGH: The transcript is incomplete.

13 BY MR. MCGOUGH:

14 Q Setting aside the transcript, was Mr. Ramsey asked
15 to contribute to the purchase of lethal items at that dinner?

16 MS. MORRISON: I mean, that is a conclusion. If
17 you want to ask him if he formed an opinion at the time as to
18 what Ramsey was being asked for, and whether, having formu-
19 lated an opinion, if he did formulate an opinion, he recalls
20 what that opinion was, I think maybe you can get at it that
21 way.

22 BY MR. MCGOUGH:

1 Q Having had all those qualifications, do you know
2 what you were asking Mr. Ramsey to contribute to?
3 A Do I know what he was asked to contribute to? Yes.
4 Q What?
5 A Direct aid to the contras.
6 Q And what do you mean by direct aid?
7 A That was not specified.
8 Q Was it intentionally not specified?
9 A Not to my recollection.
10 Q Does "direct aid" include Red/Eye missiles, as
11 posed to Mr. Ramsey?
12 MS. MORRISON: You're talking about in his opinion,
13 what he's thinking now, what Rich was thinking or--
14 MR. MCGOUGH: That's right. Or what anybody else
15 was doing. Did you understand "direct aid" to include
16 Red/Eye missiles?
17 THE WITNESS: This is very difficult for me to
18 answer. I don't know how to answer the question.
19 MR. MCGOUGH: It's not an easy question.
20 THE WITNESS: No, but I just don't know how to
21 answer that.
22 BY MR. MCGOUGH:

1 Q Turn to the last page of the transcript where
2 someone is talking about two different kinds of Red/Eye
3 missiles. There is one that's very unsophisticated, et
4 cetera. And someone, at some point says: "So you have to
5 have the \$8,000 Red/Eye to make it work." Can we agree
6 that's what the transcript says?

7 A Yes.

8 Q All right. And do you recall who said that?

9 A Well, I think John Ramsey, but I'd have to refresh
10 my memory.

11 Q John Ramsey quoted the \$8,000 price for the Red/Eye
12 missile?

13 A Yeah. Does it appear earlier in the transcript? I
14 don't know.

15 Q I think there are some prior references. Then
16 there's a reference to a tradeoff, and quote: "If you provide
17 money for ammunition, the money they've set aside for
18 ammunition can go to boots. On the other hand, if you provide
19 money for boots, what they've set aside for boots can go to
20 ammunition." All right. Do you recall who said that?

21 A I think it was Rich Miller, but I'm not positive.
22 Again, I have to re-read this to be sure who said what.

UNCLASSIFIED

art85

85

UNCLASSIFIED

1 Q All right. Those two sentences, beginning, "If you
2 provide money for ammunition--

3 A Yes.

4 Q --does that, in your mind, sum up what "direct aid"
5 meant, that you were giving them money that was fungible,
6 that could be used for either ammunition or humanitarian
7 supplies?

8 A Yes.

9 Q As a professional fundraiser, and someone who is
10 familiar with 501(c)(3) corporations--let me back up for a
11 moment. The money that you were soliciting from Mr. Ramsey
12 was to be paid to whom?

13 A I didn't know.

14 Q Was it to be brought into NEPL or was it to be
15 given directly to Mr. Calero, if you know?

16 A Well, I did find out, subsequently.

17 Q But did you know at that time?

18 A No.

19 Q Did you consider the possibility that perhaps this
20 type of assistance, or aid, might not be properly solicited
21 by a 501(c)(3) corporation?

22 MS. MORRISON: You haven't established that he

UNCLASSIFIED

art86

UNCLASSIFIED

86

1 thought it was going to be solicited for a 501(c)(3) corpora-
2 tion. He said he didn't know who was going to get the money
3 at that point.

4 BY MR. MCGOUGH:

5 Q Well, who were the possibilities?

6 MS. MORRISON: If he thought about that at the time.

7 MR. MCGOUGH: If you thought about them at the
8 time. Fair enough.

9 THE WITNESS: I don't know how to answer that. I
10 really--at the time.

11 MR. MCGOUGH: Well, I'm not trying to ask you
12 stumbers. I mean, I--

13 THE WITNESS: I know you're not intentionally
14 trying but you're doing it.

15 MR. MCGOUGH: Let me try to lead up to it again.

16 BY MR. MCGOUGH:

17 Q You were asking this fellow for money, and a
18 significant amount of money, by most people's standards, is
19 that fair to say?

20 A Yes, but it wasn't for us.

t4 21 Q You must have had some understanding, at that
22 point, to whom the money was going to go; if not a fixed

UNCLASSIFIED

UNCLASSIFIED

1 understanding of the exact entity, at least some vague
2 understanding of where, for whom you were soliciting money?

3 A Yes.

4 Q And how can you describe that, the target of that?

5 A Just direct aid to the freedom fighters. That was
6 the idea.

7 Q All right. At that time, had there been any
8 consideration given to bringing this money into NEPL, or any
9 other Channell organizations?

10 A No. It was specifically avoided.

11 Q And why?

12 A Because Mr. Ramsey wanted to be sure that his money
13 went directly to the freedom fighters without any inter-
14 mediary.

15 Q How did this solicitation fit into your agreement
16 with IBC, or any understanding you had with IBC about what
17 NEPL intended to do for the freedom fighters?

18 A How did it fit in? I don't understand.

19 Q Prior to this dinner you had a meeting or some
20 discussions with IBC about forming a relationship, and in the
21 course of that relationship soliciting aid for the freedom
22 fighters, is that right?

UNCLASSIFIED

art88

88

UNCLASSIFIED

1 A Directly. Yes.

2 Q Directly. What was NEPL's role to be in that
3 solicitation, or what was Mr. Channell's organization's role
4 to be in that?

5 MS. MORRISON: If it had been determined at that
6 point.

7 MR. MCGOUGH: Fair enough.

8 THE WITNESS: Well, I think in a document--I think
9 there's a document you don't have here. But we wanted to do
10 two things, and it's actually referred to--we got the idea,
11 basically, from Exhibit No. 3, or it's referred to in Exhibit
12 No. 3, which is we wanted to develop public policy support
13 and grassroots support, and we wanted to provide non-mercenary
14 needs, health care and such, to--direct aid to the freedom
15 fighters. And those things got changed as time went on, but
16 that was how it was started.

17 MR. MCGOUGH: All right.

18 THE WITNESS: And what was your question? Tell me
19 your question again.

20 BY MR. MCGOUGH:

21 Q What was NEPL's role in the solicitations that were
22 being planned at that point?

UNCLASSIFIED

UNCLASSIFIED

- 1 A Well, it didn't have one at the beginning.
- 2 Q What were you doing at the meeting with Mr. Ramsey?
- 3 What was your job at the meeting with Mr. Ramsey?
- 4 A Well, this is extremely difficult. I don't
- 5 understand how to answer the question. My personal job?
- 6 Q Yes. Let's start there.
- 7 A Listen and take notes, and make a tape recording,
- 8 and see that everything went all right in the solicitation.
- 9 Monitor what happened, critique it after the fact, prompt
- 10 people beforehand. Consulting things.
- 11 Q All right. Let's move beyond the dinner to a short
- 12 time later, and mark this as Exhibit 7.
- 13 (The document above-referred
- 14 to was marked Conrad Deposition
- 15 Exhibit No. 7 for identifica-
- 16 tion.)
- 17 BY MR. McGOUGH:
- 18 Q This is a note, Mr. Conrad, again your handwriting,
- 19 is that right?
- 20 A Yes.
- 21 Q Dated April 20th, 1985?
- 22 A Yes.

UNCLASSIFIED

art90

90

UNCLASSIFIED

1 Q Do you recall what sparked this note?

2 A Yes. This is a transcript by me from the same tape
3 that was used to transcribe the John Ramsey meeting, but
4 while the meeting was going on, I took the tape recorder and
5 held it close to my mouth, and talked with Rich Miller--sort
6 of making notes to myself while the transcript was happening.
7 And I wanted to extract those from the tape, so they wouldn't
8 get confused in the transcript, and this is a verbatim
9 transcript that I made myself, because I knew what I was
10 looking for.

11 Q Okay. Number one is head, "Idea, colon", and then
12 there's an ~~idea~~ people giving money for the value of weapons.

13 A Yes.

14 Q All right. Now again, this would be money given
15 directly to the contras, is that--

16 A Well, it wasn't clear at the time. I guess.

17 Q All right. Number two is a reference about
18 "Contacting" and there's "We". "We will contact all weapons
19 manufacturers", et cetera. Who is "we"?

20 A It was not specific at the time.

21 Q All right. Number three also includes a "we". To
22 whom is that a reference?

UNCLASSIFIED

art91

91

UNCLASSIFIED

1 A Oh, that's to us, to Spitz Channell and myself.

2 Q All right. You needed a thank-you letter from Rich
3 and Frank to John Ramsey, and a thank-you letter from Adolfo
4 to John Ramsey. That was something you wanted to do as part
5 of the fundraising--

6 A Package.

7 Q Package. That's a good word. All right. Then
8 plus a list of items they need to purchase and their cost.

9 A Right.

10 Q You and Spitz wanted to obtain a list of the items
11 they needed, and their cost, is that--

12 A A fundraising package needs to include specific
13 items--I mean, in a hospital you have to do the same thing.
14 You have to know--you know--how much the X-ray machine costs,
15 and how much--specific items, how much they cost, are.

16 Q All right. This list that you were going to get,
17 from whom were you going to get it?

18 A It was just a note. It's a "to-do" list item. We
19 needed to discuss who we might get it from. We didn't know.
20 We just made a list of things we needed.

21 Q What did you plan to do with it?

22 A Well, it would be part of the fundraising package.

UNCLASSIFIED

art92

92

UNCLASSIFIED

1 Q It would be sent out to donors, or used in some way
2 to solicit money from donors?

3 A Yes.

4 Q And as far as the list of items that they needed,
5 were you drawing in your own mind at that point--I'm only
6 talking about you--know in your own mind the distinction
7 between lethal and non-lethal supplies?

8 A I don't think I thought about it.

9 Q Even in light of the Ramsey dinner and the discus-
10 sion of weapons at the Ramsey dinner?

11 A Well, the reason for discussing the weapons at the
12 Ramsey dinner was far different from what direct aid should
13 be.

14 Q Elaborate on that a little bit. I'm not sure I
15 understand.

16 A Well, John Ramsey is a worrier, and believes that
17 refugees should not be given money, they should be given guns
18 and turned around and pointed back toward their border, tell
19 the people to go shoot the opposition. I mean, so he wants
20 to know his--how will I put it? His hobby is the things of
21 warfare. I mean, he follows all that very closely, and the
22 discussion in the transcript had to do with--it's basically a

UNCLASSIFIED

art93

93

UNCLASSIFIED

1 discussion of how viable they were, militarily. I don't know
2 how else to put that. And it's because his special interest-
3 -in other words, he doesn't want to give money to them, if
4 they're not militarily viable, if they're going to be a
5 "nothing" organization.

6 It was not, for example, that he was going to supply
7 them the actual weapons, in my view, I mean, that was--

8 Q But I think you said, or we were talking about
9 direct aid, which, essentially the concept is money is
10 fungible and it can be used for either lethal or non-lethal
11 supplies.

12 A Yes.

13 Q Up until the John Ramsey solicitation, had you ever
14 been involved in raising money for a fighting force before?

15 A No.

16 Q Was this a new role for you, to say the least?

17 A Oh, absolutely. I'd never done anything political
18 before.

19 Q Did you have any qualms about doing it? Any
20 reservations about doing it?

21 A Well, I didn't know what I was--I didn't know what
22 the rules and particulars were. I mean, it was a very

UNCLASSIFIED

art94

94

UNCLASSIFIED

1 unusual arena.

2 Q Agreed. You say you don't know what the rules and
3 particulars were. Do you mean the practical rules or the
4 legal rules?

5 A Both.

6 Q What attempts did you make--

7 A I meant mostly, though, the practical ones, not so
8 much--

9 Q Did you have some reservations about whether or not
10 it was legal for you, for a nonprofit organization to be
11 involved, even peripherally, in raising money for a fighting
12 force, raising direct aid for a fighting force at that time?

13 A I didn't have any misgivings about it at the time.
14 It had not come up in my experience before.

15 Q Did you seek any legal advice at that time about
16 what NEPL or a nonprofit organization could or could not do
17 in that context?

18 A Well, I can't recall whether we did or we didn't.
19 Yeah. I just don't recall.

20 Q Do you recall consulting lawyers about anything at
21 that point?

22 A I'm not sure when it was.

UNCLASSIFIED

art95

95

UNCLASSIFIED

1 Q Obviously it's triggered a recollection that there
2 was some consultation with some lawyer about something, is
3 that right? And you don't know when it was?

4 A Yes. That's correct.

5 Q Who was the lawyer?

6 A Curt Herge. H-e-r-g-e.

7 Q I don't want to penetrate attorney-client privilege,
8 but I do want to ask, did the subject of the consultation
9 deal with what we've been talking about, that is, what is
10 permissible for--

11 MS. MORRISON: He's told you the fact of a consulta-
12 tion and with whom he consulted, and he is not able to
13 identify the timeframe, and we're not going to talk about, by
14 illusion to earlier conversations, or by general subject
15 matter, what the nature of the consultation was about. It's
16 privileged.

17 BY MR. MCGOUGH:

18 Q Did you, at some point, have personal misgivings
19 about the legality of what you were doing?

20 A Yes.

21 Q When? When did that first arise?

22 A I'm not sure, exactly. I really am not.

UNCLASSIFIED

art96

96

UNCLASSIFIED

1 Q I'm not asking you, exactly, but can you put it in
2 some kind of context? Can you relate it to any particular
3 event?

4 A I think maybe the last--the third or the fourth
5 quarter of '85.

6 Q So we're talking some time between July 1, '85 and
7 December 31, '85?

8 A Right.

9 Q Do you recall what caused those misgivings? Was
10 there a specific catalytic event?

11 A No. It was a cumulation of events.

12 Q Now, for a period of time after the Ramsey dinner,
13 NEPL--and when I speak of NEPL, rather than name all of Mr.
14 Channell's various organizations, I'm speaking of them
15 collectively as NEPL--NEPL raised and collected, or solicited
16 and collected funds that it provided directly to elements of
17 the contra organization, is that a fair statement? And I'm
18 trying to bracket the period of time from, say, March of '85
19 to when the payments or the contributions started to be made
20 to IBC.

21 Was there a transition period during which NEPL
22 collected money for the contras that it then distributed

1 directly to some person or entity representing the contras,
2 other than IBC?

3 A And what's the time period you're asking about?

4 Q April, May, June 1985.

5 A Yes.

6 Q Did you have any understanding, at that point, as
7 to what the aid during that period was directed to, or was to
8 be used for?

9 A Just direct aid.

10 Q In the same sense that we discussed direct aid
11 earlier?

12 A Yes.

13 Q That is, fungible money?

14 A Yes.

15 Q To whom, if you know, was that money provided?

16 A I did not know at the time.

17 Q Have you learned since?

18 A Yes.

19 Q And who is it?

20 A I think it was Alpha Services.

21 Q There came a time--moving on a little bit--when
22 there was a shift in the contribution mechanism, and the

UNCLASSIFIED

98

UNCLASSIFIED

1 money targeted for the contras was paid to IBC or some
2 related entity, is that fair to say?

3 A Yes.

4 Q Now there has been testimony by other witnesses
5 about a dinner that took place on July 9th, 1985, and I
6 believe with Colonel North, and some other people there. You
7 were mentioned as one of the people who was present at that
8 dinner. Now do you recall that dinner?

9 A Yes.

10 Q Do you remember why the dinner was put together?

11 A Yes.

12 Q And why was that?

13 A Well, it had several purposes. One was to report
14 on our progress of the June--something or other--event. I
15 don't remember the exact date. So, in other words, reporting
16 on our progress of our fundraising from those people. We
17 also wanted to find out the degree to which we could ask
18 Oliver North for help and assistance, how much access we
19 could get to him, and how much help he would give us. I
20 mean, there's a whole--I had a huge list of things that we
21 wanted to discuss.

22 We wanted to discuss worldwide fundraising. I

1 can't remember what else.

2 Q Was one of the topics of conversation at dinner how
3 NEPL should direct its contributions to the contras?

4 A It wasn't planned to be, but it came out to be.

5 Q Can you tell me how that came about?

6 A I think Spitz asked how we should do things. I've
7 forgotten how he phrased it. But Colonel North said that--
8 pointing to Rich Miller and Frank Gomez--just pass it through
9 them, they'll handle it.

10 Q Did he mention IBC, specifically, or, if you recall?

11 A I don't think he mentioned IBC, specifically. I
12 can't recall, precisely.

13 Q And is it fair to say from that point onward,
14 contributions directed to the contras, as a general matter,
15 went to or through IBC?

16 A Yes.

17 Q As a professional fund/raiser, did you have any
18 reservations about that arrangement?

19 A No. I thought that was fine.

20 Q Did you ask for any assurances or guarantees from
21 IBC as to what was happening to the money?

22 A I didn't. Spitz was doing it.

1 Q Do you know if he ever got those assurances?

2 A They said they would provide the documents. They
3 gave us some documents along the way.

4 Q When did you first meet Colonel North?

5 A The June--something or other--meeting, briefing. I
6 don't remember the date of it.

7 Q Between the June briefing and the July 9th dinner,
8 do you recall if you had any contact with Colonel North,
9 personally?

10 A No.

11 MR. McGOUGH: Let's just mark this as Exhibit No.
12 8.

13 (The document above-referred
14 to was marked Conrad Deposition
15 Exhibit No. 8 for identifica-
16 tion.)

17 BY MR. McGOUGH:

18 Q I show you what has been marked as Exhibit 8, Mr.
19 Conrad, and it's dated September 3rd, 1985. Is that correct?

20 A Yes.

21 Q And it's in your handwriting, is that also right?

22 A Yes.

1 Q Do you recall whether a specific event triggered
2 the making of this note?

3 A Well, Spitz's direction. I mean, I don't know what
4 else to say.

5 Q They're not notes of a particular meeting that
6 sticks in your mind, or anything like that?

7 A Well, this was the thing that later resulted in my
8 notes. I mean, this is one of the precursor documents, and
9 so I would have done this at a meeting with Spitz.

10 Q Kind of an embryonic "to-do" list, do you think?

11 A Well, this was when I was still doing it, not on
12 the computer.

13 Q All right. Now the top portion has "Rich and
14 Frank" and that's Miller and Gomez, is that right?

15 A Yes.

16 Q And it has a list below it--"Strategic Review"
17 "Soldier of Fortune" et cetera, et cetera. Some of them
18 include telephone numbers. Can you tell me what that note
19 means.

20 A Well, we wanted to get information on the contras,
21 and what was happening to them, and these were just various
22 military publications and Spitz thought we might need to

UNCLASSIFIED

art102

102

UNCLASSIFIED

1 subscribe to these.

2 Q Why, with the type of access that at least Mr.
3 Miller and Mr. Gomez had, were you interested in information
4 on the contras?

5 A Good question.

6 Q Well, let me back up. Who was supposed to do what
7 regarding this note, I guess is the question?

8 A Oh, I was supposed to subscribe to these publica-
9 tions for our office.

10 Q And what is the reference, "Rich and Frank"?

11 A They mentioned, they gave me the list of who the
12 publications were. You know, which publications were the
13 significant ones.

14 Q I understand.

15 A Now, but, for example, there's "Military Space" on
16 there which I have no idea why they would say that.

17 MR. McGOUGH: I think that's all I have. We can
18 break for lunch and then go back to the "to-do" lists.

AFTERNOON SESSION

[2:30 P.M.]

Whereupon,

DANIEL LYNN CONRAD

resumed the witness stand following a luncheon recess and, having previously been duly sworn, was further examined and further testified as follows:

RESUMPTION OF EXAMINATION BY COUNSEL FOR THE
HOUSE SELECT COMMITTEE

BY MR. FRYMAN:

Q Mr. Conrad, returning to Deposition Exhibit 1 for identification, would you look at the "to-do" list in that exhibit, dated September 17, 1985, and I believe that begins at page 20981. Again that begins with a Roman "I", Greene. And item "D" under that reads: "confirm today with Greene Ralph's meeting of Tuesday (it will probably take 1 hour at Green's office or other location)".

Now, first of all, that is your note in that "to do" list, is it not? You prepared that?

A Yes.

Q Yes. And Greene, again, is North?

UNCLASSIFIED

art104

104

UNCLASSIFIED

- 1 A Yes.
- 2 Q Now who does Ralph refer to?
- 3 A Well, I think it's Ralph Hixson, but I'm not sure.
- 4 Q Who is Ralph Hixson?
- 5 A He was a contributor.
- 6 Q And where did he live?
- 7 A In Texas. I don't know the town.
- 8 Q Was there also a Ralph Hooper?
- 9 A Yes. But I don't think we even knew him at this
- 10 time.
- 11 Q So you believe this refers to Ralph Hixson?
- 12 A Yes. His name is here, right above it.
- 13 Q Now had he been a prior contributor to any of Mr.
- 14 Channell's organizations?
- 15 A Spitz knew him. I don't know if he was a con-
- 16 tributor or not. I think he was. I don't know.
- 17 Q What was the reason for confirming a meeting with
- 18 Greene on Tuesday?
- 19 A I don't understand.
- 20 Q Well, let me rephrase it. Were you aware that Mr.
- 21 Hixson had made a contribution to NEPL--and by NEPL I will
- 22 include the other Channell organizations as well--on or

UNCLASSIFIED

art105

1 around September 17, 1985?

2 A Well, I think it was under discussion, and I think
3 he did eventually make a contribution, but I don't remember
4 the dates.

5 Q Was the intended purpose of this meeting, to your
6 understanding, to facilitate a fundraising effort with Mr.
7 Hixson?

8 A Broadly speaking, yes.

9 Q All right. And again, how would that work? What
10 would be the purpose of meeting with Colonel North?

11 A Well, it's the same purpose as when any political
12 organization in Washington invites contributors to Washington
13 for, quote, "a briefing," close quote, because the whole
14 methodology there is that you're getting an inside look,
15 fresh, current, up-to-the-minute, not what's in the news,
16 insider information.

17 Q Did you understand that a meeting with someone such
18 as Colonel North added a certain legitimacy to your fundrais-
19 ing efforts?

20 A Well, of course.

21 Q All right. And that was one of the purposes of a
22 meeting with Colonel North, was it not?

UNCLASSIFIED

art106

106

UNCLASSIFIED

1 A Sure.

2 Q Now item "E" on that same page reads: "follow up
3 with Greene on Ross Perot." What does that refer to?

4 A We wanted to solicit Ross Perot for a major
5 contribution, and so we asked Colonel North whether he knew
6 Ross Perot and how to contact him, and maybe he could arrange
7 the appointment for us, and so on.

8 Q What did Colonel North say?

9 A Well, I don't remember whether it was on this
10 occasion. I don't remember when this happened because we had
11 several discussions with Ross Perot--I mean, about Ross Perot.

12 Q Let's just focus on Ross Perot at any point in
13 time. Would you recount what the efforts were and what
14 happened.

15 A Well, we wanted to, as I said, solicit Ross Perot
16 for a contribution for the freedom fighters, and we--I don't
17 know--I can't recall, exactly, how this came up, but he knew
18 Ross Perot. I mean, he discussed that with me. And so--

19 Q "He" being Colonel North?

20 A Yes. And so we talked about whether or not he
21 would be interested, and how we might make an approach to him
22 so that he would see us over the issue, and the pro's and

UNCLASSIFIED

art107

107

1 confs of talking with him, and all that sort of thing.

2 That's the context.

3 Q And did you talk with Ross Perot?

4 A No.

5 Q You had no contact with him at all?

6 A None.

7 Q Did Mr. Channell?

8 A No.

9 Q Did anyone else within NEPL?

10 A No. Well, wait a minute. Some of the fund⁴raisers
11 might have tried to call him or something, but none that I
12 remember.

13 Q Are you aware of any contribution that Mr. Perot
14 made, either directly or indirectly, to NEPL?

15 A No.

16 Q And again, when I refer to NEPL, I intend--

17 A You mean all the organizations.

18 Q --that to mean all of the Channell organizations.

19 A Yes. I understand you.

20 Q Prior to the press reports within the last few

21 months, had you been aware that Mr. Perot had been making any

22 funds available in connection with release of the hostages?

UNCLASSIFIED

art108

108

UNCLASSIFIED

- 1 A Yes.
- 2 Q When did you become aware of that?
- 3 A I don't remember the time.
- 4 Q What were the circumstances?
- 5 A Colonel North told me.
- 6 Q Where did he tell you?
- 7 A In his office.
- 8 Q What did he tell you about that?
- 9 A Well, he said that Ross had been providing cash, on
- 10 one occasion, over a million dollars in cash for getting the
- 11 hostages out of Beirut.
- 12 Q How did this subject come up in your conversation
- 13 with Colonel North?
- 14 A It was at general discussion about Ross Perot.
- 15 Q And approximately when was this?
- 16 A We discussed it several times. I don't remember.
- 17 We're talking maybe third or fourth quarter of '85 again. I
- 18 think it even continued into first quarter of '86. I mean,
- 19 it was sort of a continuous theme.
- 20 Q Was anyone else present in these discussions that
- 21 you had with Colonel North?
- 22 A Not that I recall.

UNCLASSIFIED

art109

109

UNCLASSIFIED

1 Q Was Mr. Channell present?

2 A It's possible on some occasions, but mostly it was
3 just me.

4 Q I take it from your answer, that you had a number
5 of meetings with Colonel North where you met individually
6 with him?

7 A Oh, yes.

8 Q Did Colonel North give you any further details
9 about Mr. Perot's involvement in release of the hostages,
10 other than he had provided some money?

11 A He may have said something else, but I don't--I
12 mean, that's the thing that sticks out in my mind.

13 Q Do you have any recollection of what else he would
14 have said?

15 A Not as regard the hostages.

16 Q What else would he have said about Ross Perot?

17 A He said he was--I don't know his exact words, but
18 the point was that he was a person who wanted a lot of
19 personal publicity, and that if you wanted to carry on really
20 sensitive negotiations and dealings, and things, you had to
21 be really careful about Ross Perot's involvement because he
22 might hold a press conference and announce that he was

UNCLASSIFIED

art110

110

UNCLASSIFIED

1 involved in this issue, and thereby "blow" the whole deal.

2 Q What was Colonel North's reaction to your interest
3 in approaching Mr. Perot about making a contribution to NEPL?

4 A Oh, he said he would try to get us in touch with
5 him. He'd raise the issue. He thought there was initially
6 some problems, but he would try to deal with it.

7 Q Do you know what efforts he made?

8 A Well, I know what he told me he did.

9 Q What did he tell you?

10 A He said he talked with Bud McFarlane, and who knew
11 him better than Ollie did, and said that he--Bud--had talked
12 with Ross, and that Ross was ultimately not interested in
13 helping this particular cause. He was involved in too many
14 other things. But I don't know for a fact whether that ever
15 happened. That's just what I was told.

16 Q Right. Had you ever been told, or were you aware
17 that Mr. McFarlane had been involved in any other fundraising
18 efforts for NEPL?

19 A I think he--what did he do? Well, I think we wanted
20 him to come to one of our briefings one time but there wasn't
21 any more to it than--this was the only occasion, that I
22 recall, where--

UNCLASSIFIED

art111

UNCLASSIFIED

111

- 1 Q What about efforts by Mr. McFarlane to contact any
2 other specific individual?
- 3 A No. We never requested it and it was never offered.
- 4 Q And you'd never been aware of his being involved in
5 any such efforts?
- 6 A No.
- 7 Q Also on this same page, item "G" reads: "Greene:
8 have a secret project for getting the hostages out of
9 Beirut." What does that refer to?
- 10 A Spitz had the idea that we should raise money to
11 provide to Ollie North, from private citizens in the United
12 States to get the hostages out of Beirut.
- 13 Q Had that idea been discussed with Colonel North?
- 14 A I discussed it with him.
- 15 Q What did he say?
- 16 A He said the project was--I got the impression--
17 adequately funded, and they didn't need funds for it.
- 18 Q Was that one of the occasions when he told you
19 about Ross Perot providing funds?
- 20 A Maybe.
- 21 Q Did he indicate who else was providing funds, if
22 anyone?

UNCLASSIFIED

art112

112

UNCLASSIFIED

1 A No. He didn't.

2 Q Did Mr. Channell initiate this idea of NEPL raising
3 funds to use for this purpose or--

4 A Yes.

5 Q --did someone else?

6 A No, he initiated it.

7 Q And did you discuss this with Colonel North on just
8 one occasion or more than one occasion?

9 A I think just one.

10 Q And just again, to summarize his response, it was
11 that your assistance was not needed in that regard because
12 they had other assistance or other sources of funds?

13 A That's my impression of the conversation, but I
14 don't remember the exact words or anything.

15 Q All right. Now also on this page there's an item
16 "F" that reads: "follow up with Greene on World Wide Fund
17 Raising." What does World Wide Fund Raising refer to?

18 A We were hearing reports, or seeing reports in the
19 press that said that the freedom fighters were raising money--
20 \$27 or \$28 million, from sources outside the United States,
21 and that was far more than we were raising, and so we thought
22 that we were good at fund raising and so we wanted to know--

UNCLASSIFIED

art113

113

UNCLASSIFIED

1 we knew that the needs of the freedom fighters were much
2 greater than we were able to provide. And so we wanted to be
3 able to--we wanted to be put in touch with--we wanted to know
4 more about these other outside activities, and we wanted to
5 be put in touch with the various people and individuals who
6 would be interested enough to make a contribution. And this
7 was a subject which we discussed on many occasions.

8 Q Why did you consider Colonel North a person to
9 speak with about this?

10 A He was the point man for the Administration on the
11 freedom fighters, and if anybody knew, he was the person to
12 know, we thought.

13 Q And you spoke with him about this world wide fund
14 raising on several occasions?

15 A Oh, yes.

16 Q Were these conversations with you, individually or
17 were other persons present?

18 A Usually they were with me, but there were occasions
19 with other people.

20 Q And who were the other people?

21 A Rich Miller, Frank Gomez, Spitz Channell.

22 Q Can you differentiate what Colonel North told you

UNCLASSIFIED

art114

114

UNCLASSIFIED

1 in the different specific conversations, or do you have a
2 general impression of what he told you in the group of
3 conversations about this subject?

4 A A general impression.

5 Q What's your general recollection of what he said in
6 these conversations?

7 A Well, he said that the press wasn't correct, and
8 there wasn't as much money as was reported, and he said he
9 didn't know a lot of the details of it. And he always said
10 he would try to be very helpful and look into this, and try
11 to facilitate it, and all that, but nothing ever happened.

12 Q Did he identify any sources of funds?

13 A On occasion, yes. They appear in my "to-do" lists.

14 Q What sources do you recall, now, that he identified?

15 A Sir James Goldsmith.

16 Q Who else?

17 A That's all I remember at the minute.

18 Q Did he identify any other individuals who had been
19 involved in the worldwide fund-raising effort, apart from the
20 contributors?

21 A You mean as solicitors?

22 Q Yes.

UNCLASSIFIED

art115

115

UNCLASSIFIED

1 A President Reagan.

2 Q What did he say about President Reagan?

3 A He said that--how did he put it? It was easy to
4 raise money for--it was easy to raise money when you had the
5 President as your advance man, I think was how he put it.
6 And he wasn't being specific about what he did. I mean, he
7 just said--

8 Q Did he identify any specific contributions that the
9 President, as advance man, had been responsible for?

10 A No.

11 Q Did he identify anyone he'd met with as a, quote,
12 "advance man"?

13 A Not that I recall.

14 Q Anyone other than President Reagan?

15 A I think he--well, I don't know how this--I don't
16 know if I'm exactly answering your question, but we talked
17 about General Singlaub and his involvement in worldwide fund
18 raising.

19 Q What did he say about General Singlaub?

20 A Well, just that he was involved in it. He didn't
21 say--I mean, I think we rattled off a list of country names,
22 at one point, where we thought there might be funds, but I

UNCLASSIFIED

art116

UNCLASSIFIED

116

1 can't remember whether he named them, the countries, or I
2 provided them to him from my researches in the press.

3 Q Did he identify any countries where funds were
4 coming from at that point?

5 A Well, he mentioned several countries, but he did
6 not mention that there were funds coming from the countries.

7 Q Which countries did he mention?

8 A I think [REDACTED]

9 [REDACTED] I think that's all.

10 Q Did he mention [REDACTED]

11 A I don't think he mentioned [REDACTED]

12 Q Now what did he say about these four countries that
13 you've mentioned?

14 A I don't recall the specific circumstances, but that
15 he thought there were people in those countries who were
16 conservatives and strongly supportive of the freedom fighters.

17 Q Did he identify any?

18 A People?

19 Q Yes.

20 A Well, as I've said, the only one I recall, off the
21 top of my head, is Sir James Goldsmith, and he's not one of
22 those four countries.

UNCLASSIFIED

art117

117

UNCLASSIFIED

1 Q Right. Well, going back to Sir James Goldsmith,
2 what did he tell you about Sir James Goldsmith?

3 A Well, not a lot. He just said he was a wealthy
4 person that--I mean, it was in the context of, you know, who
5 would be--who's wealthy and who's conservative.

6 Q Well, did he say that he had provided funds?

7 A No.

8 Q Did he say how he knew Sir James Goldsmith?

9 A No. He did not.

10 Q Was it your understanding that Colonel North did
11 know him?

12 A I couldn't tell from the way he said it. It wasn't
13 clear. Actually, I think I had the impression that he didn't
14 know him because, you know, he didn't introduce us to him.
15 In other words, he didn't make a phone call to say you should
16 see these people.

17 Q Continuing on in this same "to-do" list, turning to
18 item Roman XI, which is the October 17 White House meeting,
19 and on page five there is an item "D" which says: "prepare a
20 letter for the October military update". What does that mean?

21 A A good question. I don't have any idea.

22 Q Did you write this?

UNCLASSIFIED

art118

118

UNCLASSIFIED

1 A Yes. I mean, it doesn't make sense to me now. It
2 just doesn't make any sense to me now. Oh, I think it is--
3 I'm deducing--but I think it is--the invitation on the
4 previous page--is referred to actually in "B" above, what
5 was going to be involved in that, and the letter is what we
6 would send people, as opposed to one from the White House. In
7 other words, the October military update refers to the
8 briefing, the content of the briefing. And the letter about
9 it is the invitation. It's a letter that we would--it's not
10 exactly an invitation. It's a letter we would with the
11 invitation. Have an invitation as a part of it.

12 Q So in effect it is the communication from NEPL to a
13 potential contributor asking them to attend a military
14 briefing at the White House?

15 A Yes.

16 Q Item "F" on that same page reads: "Will the boss
17 come to the meeting?" Who does "the boss" refer to?

18 A Ronald Reagan.

19 Q Did he come to that meeting?

20 A No.

21 Q Did you seek his attendance?

22 A Yes.

UNCLASSIFIED

art119

119

UNCLASSIFIED

1 Q How?

2 A Asked Rich and Frank. Asked Oliver North.

3 Q And what was the response?

4 A I don't remember the specific instance, but he
5 couldn't come. I mean, not available, out of town, something. Who knows?

7 Q You mentioned a few minutes ago, that you had a
8 number of meetings with Colonel North without Mr. Channell
9 being present.

10 A Yes.

11 Q What was the reason that you had these one-on-one
12 meetings with Colonel North?

13 A Spitz asked me to be the contact person with
14 Colonel North.

15 Q And this was a part of your duties as executive
16 director--

17 A Yes.

18 Q --or the No. 2 person in the organization?

19 A Yes.

20 Q Turning to the next "to do" list, which is September
21 21, item "V" again is an October 17 White House meeting.

22 A Item five?

UNCLASSIFIED

art120

120

UNCLASSIFIED

1 Q Roman "V" on page 2.

2 A Yes. I have it.

3 Q And under that is capital letter "H" "program for
4 the evening" And then you have Arabic number one, and then
5 small "a" RN, and small "b", Green. Does that mean that you
6 were seeking the President and Colonel North to appear at the
7 evening briefing?

8 A Yes.

9 Q How did you seek their attendance?

10 A I don't know how to answer the question.

11 Q Well, that was the same as your answer with respect
12 to the prior outline?

13 A Yes.

14 Q Okay. Now item 3 there refers to "private meet-
15 ings" What do you mean by "private meetings"?

16 A With Colonel North. Not in a group setting. In
17 his office, or a restaurant, or something.

18 Q And what individuals were selected for private
19 meetings? Was this--

20 A "Hot" prospects.

21 Q What do you mean by that?

22 A People who we thought might give money.

UNCLASSIFIED

art121

121

UNCLASSIFIED

1 Q I take it this did not include everyone who was
2 attending the briefing?

3 A True.

4 Q It was a selected group?

5 A Yes.

6 Q And by "hot" prospects, did this mean that they
7 would contribute a large amount of money?

8 A Sometimes.

9 Q Or you anticipated that they might?

10 A Sometimes.

11 Q What would be the exceptions to that?

12 A If they would give some money. I mean, in other
13 words, we might not know how much they would give, but we
14 thought that they were sufficiently interested, that we would
15 go and spend extra time with them.

16 Q Well, you didn't invite anybody to the briefing,
17 that you didn't think was interested in making some contribu-
18 tion, did you?

19 A True.

20 Q So there was something additional about the
21 individuals who were selected for a private meeting?

22 A I think--yes, true.

UNCLASSIFIED

art122

UNCLASSIFIED

122

1 Q And what was that extra element?

2 A It's one of two things. A personal relationship
3 existing with the solicitor, with the fund-raiser, or, in the
4 opinion of the fund-raiser, that they had significant poten-
5 tial.

6 Q Now the individuals identified here--the first one
7 is the "Warms" and then it's marked "day after" ^W

8 A Right.

9 Q Who were the "Warms"?

10 A David and Paul Warm.

11 Q And the "day after" means that the private meeting
12 would be the day after the general dinner?

13 A Yes.

14 Q The next name is Witts.

15 A Right.

16 Q Who were the Witts?

17 A It's David Witts. I don't know. I can't remember
18 if his wife was there or not.

19 Q Who is David Witts?

20 A A contributor who lives in Texas.

21 Q Did he contribute to NEPL?

22 A Yes.

- 1 Q Do you remember how much?
- 2 A Well, at least five thousand. I don't remember if
- 3 he gave more. Maybe he did. I can't recall. I think he did
- 4 give more but I don't remember how much.
- 5 Q And is Brandon, Inman Brandon?
- 6 A Yes.
- 7 Q And he's an attorney in Atlanta?
- 8 A Yes.
- 9 Q And does Sunker refer to Bunker Hunt?
- 10 A Yes.
- 11 Q Now the next name is Blakemore. Who is Mr.
- 12 Blakemore?
- 13 A Bill Blakemore.
- 14 Q Who is he?
- 15 A A Texan.
- 16 Q What's he do?
- 17 A I think he's--I'm not sure. A wealthy person but I
- 18 don't know--
- 19 Q Where does he live?

- 5 A Again, at least five thousand, but I don't remember

- 7 Q Who was Seggerman?
- 8 A Harry Seggerman and his wife. I forget her name.
- 9 Q And was he a contributor?
- 10 A Yes.
- 11 Q Where was he from?
- 12 A New York.
- 13 Q What was his occupation?
- 14 A I'm not sure I ever knew.
- 15 Q Do you know the source of his wealth?
- 16 A I don't. Not that I recall. I may have known at
- 17 one time but I don't remember at the minute.
- 18 Q Now turning to the "to-do" list dated September 30.
- 19 A September 3?
- 20 Q September 30.
- 21 A Oh, I'm sorry.
- 22 Q Which begins on page 20152. Now Roman "II" is

UNCLASSIFIED

1 headed "Public diplomacy program". What was that?

2 A Well, it was an extensive program that we designed,
3 and we wanted to send speakers around the country from the
4 freedom fighters, explaining what the situation was, and we
5 wanted to do advertising, television advertising, and
6 newspaper advertising. And there were several other com-
7 ponents to it. It was a very complex program.

8 Q Who came up with the idea for this program?

9 A Well, at the beginning it just evolved from, I
10 suppose you'd say Spitz. It evolved overtime, with several
11 people's input.

12 Q Was it related to votes in the Congress on Nicaragua
13 aid?

14 A Well, related? I'm not sure what that--

15 Q Well, was an objective of the public diplomacy
16 program to influence votes in Congress on Nicaragua aid
17 legislation?

18 MS. MORRISON: Are you distinguishing in that
19 question between an objection and an anticipated benefit?

20 MR. FRYMAN: Well, I think I'll leave the question
21 the way it is, if you understand it.

22 THE WITNESS: Well, the way I would put it is it's

UNCLASSIFIED

art126

126

1 a grassroots program.

2 BY MR. FRYMAN:

3 Q What do you mean by that?

4 A It's intended to give public information--I'm
5 sorry--to give the public information on this issue.

6 Q For what purpose?

7 A So that they'd be better informed. I mean, that's
8 what we were all about, public education.

9 Q And you say that this program was developed by a
10 number of people?

11 A Yes.

12 Q Who were the people?

13 A Well, at the beginning it was Spitz, and then I
14 added to it, and Rich Miller added to it, Frank Gomez added
15 to it, and then there were about, I think eleven different--I
16 don't remember how many--just a huge number of public
17 relations firms who we invited to give us presentations on
18 how they would conduct such a program. We told them in
19 general what we wanted to do, and they then came back to us
20 with proposals. So it was a--oh, and our advertising people
21 also--Bob and Adam Goodman, also had input to it.

22 Q Do you know if this is the first reference in your

UNCLASSIFIED

art127

1 "to-do" list to the public diplomacy program?

2 A Well, I don't know, it may be, but it was existing
3 long before this.

4 Q When did it begin?

5 A Oh, it was extent when I arrived.

6 Q Prior to--

7 A But we just made up the name, maybe about this
8 time. I don't know.

9 Q But from early 1985, this had been a major activity
10 of NEPL?

11 A Right. From our first meeting with IBC.

12 Q Now was this a subject that was discussed with
13 Colonel North?

14 A Yes.

15 Q Did he advise you on the public diplomacy program?

16 A Well, advise is not the word I'd use.

17 Q What word would you use?

18 A He listened and encouraged us to go on. I mean, in
19 other words, he thought we were doing a nice thing, and we
20 should continue.

21 Q And an integral part of this program was television
22 advertisements, was it not?

UNCLASSIFIED

art128

128

UNCLASSIFIED

1 A Yes.

2 Q And they were directed to particular media markets?

3 A Yes.

4 Q How were those media markets selected?

5 A It was a very laborious process. I don't remember
6 all the steps that took place in the development of it. It
7 was very complex.

8 Q Were they generally related to the locations of
9 particular Congressmen?

10 A That was one of the features involved.

11 Q What others?

12 A The public opinion in the area. The editorial
13 content of the major newspapers in the area, that we knew
14 about.

15 Q Now as to the element of the location of particular
16 Congressmen, was that criteria based on how the particular
17 Congressmen had voted on Nicaragua legislation?

18 A Yes.

19 Q And media markets at least with respect to that one
20 element were selected because a Congressman had voted against
21 aid for the Nicaragua resistance?

22 A Well, that was, as I mentioned, not the only reason.

UNCLASSIFIED

art129

129

UNCLASSIFIED

- 1 Q But that was a factor?
- 2 A It was a factor.
- 3 Q Who is Jimmy Lyon, Houston?
- 4 A He's a banker.
- 5 Q What was his role in this public diplomacy program?
- 6 A Nothing.
- 7 Q What does he appear as item "B" under this heading,
- 8 Roman "II" public diplomacy program?
- 9 A He used to be rich.
- 10 Q He was not, as of September 30, 1985?
- 11 A Yes, he was, on September 30.
- 12 Q Did you view him as a potential contributor to this
- 13 program?
- 14 A Yes.
- 15 Q Why was he selected, particularly, as a potential
- 16 contributor?
- 17 A Spitz knew him.
- 18 Q Did you contact him?
- 19 A No.
- 20 Q Did someone for NEPL?
- 21 A No.
- 22 Q Why not?

UNCLASSIFIED

art130

130

UNCLASSIFIED

1 A The "to-do" list is quite long.

2 Q I don't understand that answer.

3 A We had 8 million things we needed to do, and there
4 is a whole raft of things we didn't get to, and that was one
5 of the things we didn't get to.

6 Q All right. Now also, under that heading, item "C"
7 reads: Follow up with Green on Ross Perot, and then it
8 states, "proposal due 10-17-85 for \$2 million."

9 A Right.

10 Q What does that refer to?

11 A Well, we wanted to do a public diplomacy program
12 that would be very expensive, and we wanted to ask Ross Perot
13 for \$2 million to help fund that program, and Ollie North said
14 that he would convey a proposal for us if we developed one.

15 Q Did you develop one?

16 A No.

17 Q What happened?

18 A Well, I can't recall, exactly, but I think the
19 project got--we couldn't "nail down" the project. We didn't
20 finally do that until well into '86.

21 Q Did this become the CAPP program?

22 A Yes.

UNCLASSIFIED

art131

131

- 1 Q That stands for Central American Freedom Program?
- 2 A Very good.
- 3 Q But you did not solicit Ross Perot for this program
- 4 in 1985?
- 5 A No.
- 6 Q Did you, in 1986?
- 7 A No. Well, we wanted to, but we didn't.
- 8 Q Why not?
- 9 A Well, because we asked--as I mentioned before--we
- 10 asked Colonel North and Bud McFarlane to contact him, and
- 11 that he wasn't interested. They said to us he wasn't
- 12 interested. I'm sorry. Colonel North said to us he wasn't
- 13 interested. So, why bother to prepare a proposal, if he's not
- 14 going to look at it?
- 15 Q Now Fred Sacher's--S-a-c-h-e-r--name appears on a
- 16 number of occasions in these "to-do" lists. Who was Fred
- 17 Sacher?
- 18 A A contributor.
- 19 Q Where did he reside?
- 20 A California.
- 21 Q What did he do?
- 22 A I think he's in industrial real estate.

1 Q Was he anything more than a contributor in your
2 activities? Was he involved in preparing a film, or any
3 presentation that was used?

4 A No. Not that I recall.

5 Q So far as you know, his only involvement in NEPL
6 was as a contributor?

7 A Yeah.

8 Q Do you know if Mr. Channell had had a prior
9 relationship with Mr. Sacher as a contributor?

10 A I don't recall how we got in contact with him.

11 Q There's the reference in item "E" to "get Fred Sacher
12 presentation from Rich". What does that refer to?

13 A Well, we had IBC prepare a presentation on the
14 components of a public diplomacy program, and we made it up
15 for Rich to give to Fred Sacher, which he did. And so that's
16 what it is.

17 Q And that was as a basis for seeking a contribution
18 from Mr. Sacher?

19 A Yes.

20 Q Did he make a contribution?

21 A Yes.

22 Q Do you recall the amount?

UNCLASSIFIED

art133

133

UNCLASSIFIED

1 A I also don't remember whether it was at this time.

2 Q All right. Now what's the reference in the
3 preceding item, "Fred Sacher: Gallup poll of American Aware-
4 ness. What would he have to do with a Gallup poll?

5 A He wanted us to get one. Or in other words, we--
6 maybe not--how do I put this? We wanted to be able to show
7 Fred Sacher this. In other words, for the Fred Sacher
8 presentation we would want to show him what the Gallup poll
9 showed.

10 Q Turning to item "X" on page five of this outline,
11 that's headed "Rich and Frank" and I take it these are
12 assignments for Rich and Frank, is that correct?

13 A Yes.

14 Q Now under "AA" October objectives, there's a list
15 of various meetings and/or letters with President Reagan,
16 including meetings with Barbara Newington, Bunker Hunt, and
17 Ellen Garwood. What was the reason you were trying to
18 establish meetings between the President and those in-
19 dividuals?

20 A To facilitate fundraising.

21 Q Had they made substantial contributions by that
22 point?

UNCLASSIFIED

art134

134

UNCLASSIFIED

1 A Yes. Well, I think so. I'd have to look at the
2 record to know what it had exactly been by that time. What,
3 by September 30?

4 Q Yes.

5 A Well, two of them had at least.

6 Q Which two?

7 A Barbara Newington and Ellen Garwood. I don't know
8 substantial, either. I mean, that's another question.

9 Q Well, was the general pattern that a contributor
10 would meet with the President at a meeting which you arranged,
11 only after there had been a sizeable contribution?

12 A I wouldn't say that that was the determining factor.

13 Q What was the determining factor?

14 A I suppose whether we thought that they might give--
15 that they had potential, that they might give a large amount
16 of money.

17 Q Do you recall any meeting that NEPL attempted to
18 arrange with the President--

19 A Yes.

20 Q --that involved an individual who had contributed
21 less than \$300,000?

22 A Well, as I said before, at this particular time, I

UNCLASSIFIED

art135

135

UNCLASSIFIED

1 believe Ellen Garwood had given less than \$300,000, and I
2 believe the Warms and Fred Sacher had given less than
3 \$300,000. I believe Bunker Hunt had given less than 300,000
4 as well.

5 Q Well, this sheet doesn't say anything about a
6 meeting with the President with the Warms, does it?

7 A It says "add Sacher and Warms", off to the side in
8 my notes.

9 Q Oh, all right. That's your handwritten note?

10 A Yes. That's correct.

11 Q All right.

12 A So, you know, it's more of a cultivation technique
13 than--I don't know what you said before, but that was the
14 purpose of it.

15 Q And your route for arranging these meetings at this
16 point in time was Rich Miller and Frank Gomez?

17 A Chiefly.

18 Q And what was the other route? You directly to
19 Colonel North?

20 A Colonel North, yes. And various other people as
21 well. As I mentioned, I asked John Roberts to arrange these
22 things, and there are various other people that we came

UNCLASSIFIED

art136

UNCLASSIFIED

136

1 across at different times, and would ask them if they could
2 arrange this.

3 Q Item 11 here is "dinner with Don Regan" Did such
4 a dinner occur?

5 A No.

6 Q This item indicates you sought to have Miller and
7 Gomez arrange such a dinner?

8 A Yes.

9 Q Do you know why they were unable to do that?

10 A They weren't able to do anything on that list.

11 Q Turning to the October 7 outline or "to-do" list,
12 which begins at page 20,000.

13 A Yes.

14 Q Returning, Mr. Conrad, before we get to the October
15 7 outline, to the September 30, 1985 outline, page seven.

16 There's an entry which is under the general heading "Lang-
17 horne Washburn" item "Do" "visit his sister for Spark:
18 request \$10-\$15K". What does that entry mean?

19 A Langhorne recommended to us that we go solicit his
20 sister for Adolfo Calero. Spark's name means Adolfo Calero.

21 Q Who was Langhorne Washburn?

22 A He was an Administration official under the Nixon

UNCLASSIFIED

art137

137

UNCLASSIFIED

1 Administration, as I recall.

2 Q And do you know what his activities were on
3 September 30, 1985, or what his occupation was?

4 A Oh, I think he's a consultant, or something.

5 Q Also one other question on that page six. There's
6 an entry up there, item "B" "Southwest Cattlemen's Associa-
7 tion list" What does that refer to?

8 A We wanted to get a copy of the list of members of
9 the Southwest Cattlemen's Association.

10 Q Why a copy of that list?

11 A For prospecting.

12 Q Seeking prospective contributors?

13 A Yes.

14 Q Who told you that that would be a rich vein?

15 A That's just my own fundraising experience.

16 Q Had you used that list before?

17 A No.

18 Q All right. Now returning to the October "to-do"
19 list beginning on page 20,000, there are a number of items
20 there relating to the October 17 Washington meeting.

21 And under "B" the dinner, there's an item 3,
22 "Sacher film and explanation of public diplomacy program"

UNCLASSIFIED

art138

138

UNCLASSIFIED

1 and then written in there is "plus statement of immediate
2 need"

3 Is that writing your writing?

4 A Yes.

5 Q What does that entry mean?

6 A Well, this is an arrangement for the dinner, and we
7 wanted to show the film that Fred Sacher had agreed to
8 finance, which we did, and explain our public diplomacy
9 program, and state the immediate needs for the public
10 diplomacy program.

11 Q Now what was this film?

12 A Well, it was a film of the freedom fighters in the
13 field.

14 Q Who had prepared the film?

15 A Some independent people hired by Rich Miller and
16 Frank Gomez.

17 Q Had the Goodman Agency been involved in this?

18 A Yes. I think they edited it.

19 Q But Miller and Gomez had hired independent photog-
20 raphers?

21 A Am I getting this confused with another--yeah, I
22 think they did it and Goodman edited it. So they hired some,

UNCLASSIFIED

art139

139

UNCLASSIFIED

1 a film crew to go down to Honduras and Nicaragua and cut the
2 film footage, shoot the film footage.

3 Q What did you understand the purpose of this film was
4 to be? What was it to be used for?

5 A For public education.

6 Q Was it to be used for television showing?

7 A Yes.

8 Q And showing at meetings such as this?

9 A Yes.

10 Q A variety of different purposes?

11 A Yes.

12 Q What was the title of the film, if there was one?

13 A Yeah, there was. I can't recall at the moment.

14 I'd have to look it up.

15 Q But there was one particular film that Fred Sacher
16 paid for the production?

17 A Yes.

18 Q Do you recall what he paid? Was it in excess of
19 \$100,000?

20 A My mind tells me ^H70,000, but I can't remember for
21 sure.

22 Q Now there are also handwritten references on that

UNCLASSIFIED

art140

140

UNCLASSIFIED

1 page to the Larry McDonald Brigade. What was the Larry
2 McDonald Brigade?

3 A It was a--what'd you call it?--a contingency
4 group?--a military unit with the contras, that Adolfo Calero
5 set up, and he just called it the Larry McDonald Brigade.

6 Q Why do you have these entries on this sheet
7 relating to the Larry McDonald Brigade?

8 A I think we wanted to make a visit to Barbara
9 Hewington, and we wanted to take these things with us.

10 Q Did you make such a visit?

11 A At some point. We'd visit her often.

12 Q Did she contribute funds for the Larry McDonald
13 Brigade?

14 A Yes.

15 Q Now on that same page, with regard to the dinner,
16 you have an item 6, "prepare briefing packets for all
17 attenders", and item one is "Baldizon quote documents". What
18 is that?

19 A I don't remember who Baldizon is, but the "quote
20 documents"--maybe he's somebody in Nicaragua related to the
21 contras, something. I'm not sure, exactly. And he made
22 statements and we wanted to get his quotes to put in our

UNCLASSIFIED

art141

141

1 packet. From newspapers.

2 Q What was the nature of the quotes?

3 A I don't recall. I can't even recall who he is.

4 Q And then item 2 is "Maps to show on strategic
5 forces during UNO speeches."

6 A UNO speeches.

7 Q UNO speeches?

8 A Right.

9 Q What is that?

10 A Well, during the briefing we wanted people to be
11 able to pull out their own map and look at where the speaker
12 was talking about.

13 Q So these are just small maps of Nicaragua or
14 Honduras?

15 A Yes. Right.

16 Q So then the individual could identify the area?

17 A Right.

18 Q Now what is the next item, "MULE, M-U-L-E, aircraft
19 brochures"?

20 A It's a mistyping. It's supposed to be Maule, M-a-
21 u-l-e.

22 Q And were those included in the briefing packets at

UNCLASSIFIED

art142

142

UNCLASSIFIED

1 this October 17 meeting?

2 A To my recollection.

3 Q And what were the State Department brochures?

4 A Oh, we had a whole raft of them. The military
5 buildup of the Sandinistas, and Cuban infiltration into
6 Nicaragua, and Soviet Union providing of aid and military
7 arms, and things to Nicaragua. All publicly available
8 documents from the State Department. Not classified.

9 Q Continuing on the next page, there's a notation at
10 the top of the page, "insert a handwritten note from RR to
11 all \$100K--and I take it that means a \$100,000--plus con-
12 tributors A

13 A Yes.

14 Q Was that done?

15 A No.

16 Q Why not?

17 A It was one of the things that Rich and Frank
18 couldn't get.

19 Q And then also on that page, there's a list of a num-
20 ber of further private meetings, is there not?

21 A Yes.

22 Q Who is Mrs. Lynch? L-y-n-c-h.

- 5 Q Who's Harry Lucas? L-u-c-a-s.
- 6 A A potential contributor.

- 8 A In Texas.
- 9 Q Who is Jim Bottari? B-o-t-t-a-r-i.
- 10 A I don't know whether I met him.
- 11 Q Do you know where he lives?
- 12 A I think Texas.
- 13 Q Who is Pew? P-e-w
- 14 A It's a Mrs. Pew from Dallas, Texas.
- 15 Q And Mr. Crowley?
- 16 A Mary Crowley, now deceased.
- 17 Q From Texas, again?
- 18 A Yes. Formerly wealthy.
- 19 Q Who is Margaret Brock?
- 20 A A friend of the Reagan's who lives in Los Angeles,
- 21 who's active in politics.
- 22 Q Who is Mrs. Alles? A-l-l-e-s.

3 Q Now the next item, item 2 reads, "RR, paren, (group

5 A No.

6 Q Whose phrase is that?

7 A Spitz Channell's.

8 Q What is a group grope?

9 A It was supposed to be a group meeting with the
10 President.

11 Q Did that occur?

12 A No.

13 Q Turning to the "to-do" list dated October 12, 1985,
14 the first page, 20061, or page 1 of the "to-do" list, at the
15 bottom it's item 3, and again it reads "MULE--M-U-L-E--
16 aircraft brochures" and then there's a handwritten note,
17 "delete". That is your handwriting, is it not?

18 A It is.

19 Q What is the reason you wrote that note, "delete"
20 there?

21 A I don't recall, but it's either because we had it
22 or because we couldn't get it.

1 Q Did anyone tell you you should not include these

5 that somebody said that we shouldn't. I think Frank Gomez,
6 but I can't remember for sure. You triggered something in my
7 memory, though.

8 Q Do you have any recollection of anyone giving you
9 any reason why you should not include those brochures?

10 A No.

11 Q Turning to the next "to-do" list which is dated
12 October 13, pages 1 through 7 of that outline contain a very
13 detailed list of items to do in connection with an October 17
14 Washington briefing. And there have been similar, if less
15 detailed items, in other of your outlines.

16 Who developed these detailed entries? Was this
17 developed by you, or by Spitz, or by both of you, or--

18 A A combination.

19 Q Did anyone else contribute to this? Did Miller have
20 any input?

21 A Maybe.

22 Q North?

UNCLASSIFIED

art146

146

UNCLASSIFIED

1 A No. Rich and Frank I think also had some input
2 into this.

3 Q Now on page two there's a reference to UNO, U-N-O
4 leaders, and, "prepare talking points for them" and then
5 "only one point for each leader" What does that refer to?

6 A They were not very good speakers. This is prompting
7 them, you know.

8 Q Now on page three, there's a reference in the middle
9 of the page, "Spitz present award to Fred Sacher" What does
10 that refer to?

11 A Well, we wanted to recognize Fred Sacher for
12 contributing to the film, publicly, in front of everyone else,
13 so--

14 Q What was the award?

15 A I don't remember. I'm sorry. I don't remember.

16 Q And then on down on that same page, item 13,
17 "Commandantes present flag awards", and the individuals there
18 are Mr. and Mrs. Warm, Ellen Garwood, and Bunker Hunt. What
19 does that refer to?

20 A Well, we wanted to give flags, American flags, in a
21 box, to various contributors.

22 Q Why were those three selected?

UNCLASSIFIED

art147

UNCLASSIFIED

147

- 1 A Because they had especially helped.
- 2 Q They contributed the most?
- 3 A Well, I don't know the most, but--
- 4 Q They'd been large contributors?
- 5 A Yeah.
- 6 Q And then on page four, item 15 is "Spitz concludes
7 with appeal^A, and that's, I take it, an appeal for contribu-
8 tions?
- 9 A Yes.
- 10 Q And was that the usual pattern of these meetings,
11 that there would be a meeting at the White House, and you
12 would meet with various individuals and would have a briefing,
13 and then you would return to the Hay-Adams Hotel and have
14 some sort of further meeting, and then, at the conclusion of
15 the further meeting there would be an appeal by Channell for
16 funds?
- 17 A A "call to the altar"^{A/V} as I prefer to phrase it,
18 yes.
- 19 Q And that was the general pattern?
- 20 A Yes.
- 21 Q Why do you call it a "call to the altar"^A?
- 22 A It's a religious analogy to evangelical movement,

1 much in disgrace these days, but nevertheless works. It's
2 where you ask sinners to be saved.

3 Q Now on page five, item E" is "private meetings",
4 again, and under that there's the entry "Green" and then an
5 entry "review agenda for private meetings with Green" What
6 does that refer to?

7 A Well, it's instructions for me to have a meeting
8 with Colonel North, and make sure that he talks about items
9 that cost about the amount that we think we want to ask, make
10 a request from the contributor for.

11 Q Was he provided with a copy of this "to-do" list?

12 A No.

13 Q Well, in this section you have Mr. Ramsey, for
14 example, has a confirmed meeting, but you don't have any
15 dollar amount by Mr. Ramsey.

16 A Yeah. As I recall, we weren't going to ask him for
17 any money at that time, at that particular occasion.

18 Q What was the reason for a private meeting with Mr.
19 Ramsey, then?

20 A Because he was very interested in the cause, and
21 was following it, and came to Washington, and Spitz and he
22 were good friends.

UNCLASSIFIED

art149

149

UNCLASSIFIED

1 Q How did you determine if you would ask for money, or
2 you would not ask for money at any particular time?

3 A The fund^raising experience of the fund^raisers.

4 Q Who made that determination? Channell?

5 A Generally, Channell.

6 Q And then the next entry is the Warms, and I take it
7 underneath that, "request \$96K" means \$96,000?

8 A Yes.

9 Q And does your prior answer mean that you would then
10 meet with Colonel North to come up with a list of items that
11 totalled \$96,000?

12 A "Come up with" is not the right word.

13 Q How would you phrase it?

14 A I would say that we told him we want to--that he
15 should talk about items which would amount to \$96,000. Or we
16 would say that we wanted to ask them for \$96,000.

t7 17 Q Did you have any discussions with Colonel North
18 about the types of items that he should discuss with par-
19 ticular contributors?

20 A No.

21 Q That was left up to Colonel North, so far as you
22 were concerned?

UNCLASSIFIED

art150

150

UNCLASSIFIED

1 A Yes.

2 Q Do you know if Mr. Channell had discussions with
3 Colonel North about the types of items he should discuss with
4 particular contributors?

5 A Not to my knowledge.

6 Q On that same page, under the entry "Bunker Hunt"
7 there's a notation to "tell Bunker there'll be no publicity"
8 What does that refer to?

9 A Of the meeting. In other words, if Bunker attends
10 the meeting, the press won't be all over him.

11 Q Turning to page eleven of that outline, which is
12 your document, page 20875, under "VII Administration,
13 there's an entry, "put Bunker funds in money market account",
14 and then, "get checks back from Rich". What does that mean?

15 A Bunker Hunt had sent us some money, \$450,000, I
16 believe, and half of it was a loan, and half of it was an
17 outright gift, and we hadn't asked for a loan. It just
18 arrived. And we were supposed to--with it came the loan
19 document, and the check, and so we deposited the check, but
20 we didn't sign the loan document. And we fussed around for
21 quite some time about what to do about that. And finally we
22 decided to put the money in a money market fund, turn

UNCLASSIFIED

1 interest on it, in the event that we would have to repay it
2 to Bunker.

3 Q What does the entry "get checks back from Rich"
4 mean?

5 A I'm forgetting, but I believe we wrote checks on
6 the money that we deposited, originally, to our account.
7 Wrote them to IBC, and so I needed to get them back.

8 Q On the same subject of the loan from Bunker Hunt,
9 did NEPL repay that loan at some point?

10 A Repay the loan? We sent the money back.

11 Q You sent the money back?

12 A Yes.

13 Q And did you pay any interest?

14 A I don't think so.

15 MR. FRYMAN: Why don't we take a break for about ten
16 minutes.

17 [Brief recess.]

18 MR. FRYMAN: Back on the record.

19 BY MR. FRYMAN:

20 Q Mr. Conrad, if you would look at the "to-do" list
21 dated October 14, 1985, particularly page one, which is your
22 document control page 20014. There's some handwritten notes

UNCLASSIFIED

UNCLASSIFIED

152

- 1 out to the right headed "Bunker" Do you see that?
- 2 A Yes.
- 3 Q Is that your handwriting?
- 4 A Yes.
- 5 Q Now item one is "not ask for dollars" is that
- 6 correct?
- 7 A Yes.
- 8 Q What does that refer to?
- 9 A It's instructions for me to relay to Colonel North.
- 10 Q Was Colonel North going to be meeting with Mr.
- 11 Bunker Hunt?
- 12 A Yes.
- 13 Q Where?
- 14 A At the White House.
- 15 Q Is that what the second item refers to, "Friday
- 16 a.m. meeting at White House"?
- 17 A Yes.
- 18 Q Now who told you that he should not ask Mr. Hunt
- 19 for dollars?
- 20 A Well, it's not that he shouldn't ask; it's that we
- 21 weren't going to ask him for dollars.
- 22 Q Why not?

UNCLASSIFIED

82-698 342

art153

153

UNCLASSIFIED

1 A Well, occasionally we would give contributors daily
2 pledge forms to fill out--I'm exaggerating to make a point--
3 but asked them all the time, and then occasionally we would
4 ask contributors--not ask contributors to give. We would
5 just want to see them and "massage" them and "fluff" them,
6 and work with them, and cultivate them. And this was one of
7 the times where we weren't going to ask for money.

8 Q Who made that decision?

9 A Spitz.

10 Q Were you involved in that decision? Did you
11 participate in it?

12 A Yeah, probably. I don't remember this specific
13 thing, but I mean, we would normally discuss such things.

14 Q Now item three under "Bunker" reads: "UNO--U-N-O--
15 will be here"?

16 A Right.

17 Q What does that refer to?

18 A The leaders, UNO leaders.

19 Q And were they to be present at the meeting with
20 Bunker?

21 A No. They were to be present at the October 17th
22 briefing.

UNCLASSIFIED

UNCLASSIFIED

1 Q Why is that entry under the heading "Bunker"?

2 A These are items to be brought up to--relating to
3 Bunker that need to be brought up to Oliver North.

4 Q Why did--

5 A So in other words, Oliver North is going to have a
6 conversation with Bunker, and these are either various points
7 he has to keep in mind while he's talking with him, or be
8 sure to mention, or whatever. So that he was supposed to
9 tell--Colonel North was supposed to tell Bunker that UNO
10 leaders were going to be there, at the October 17th briefing,
11 to encourage him to come.

12 Q Were these notes for a phone conversation that
13 Colonel North was to have with Bunker Hunt?

14 A Yes.

15 Q I see. So item two is that he was to tell Bunker
16 Hunt that there was a meeting Friday morning at the White
17 House?

18 A Right.

19 Q Now would you read item four, and particular items
20 "a" and "b" under four.

21 A Well, four says "briefing" and item "a" is "Green
22 used plane already for private things" and "b" is "have been

UNCLASSIFIED

art155

155

UNCLASSIFIED

1 using plane for two weeks⁽¹⁾

2 Q Now what does that refer to?

3 A Oliver North was supposed to say that he has been
4 using a plane that was bought with Bunker's money for private
5 deliveries, and we'd been using it for two weeks.

6 Q Was this the ^H200 and some thousand that you
7 referred to earlier?

8 A Yes.

9 Q What sort of plane had been purchased?

10 A I forget the name of it. It's the big plane
11 referred to earlier.

12 Q Now was does "private things" refer to there?

13 A I can't tell you. I don't know. Private shipments
14 to the contras.

15 Q Does that refer to military equipment?

16 A Not to my knowledge.

17 Q Private shipments of some sort?

18 A Yes. Supplies and the like to contras.

19 Q Supplies purchased with private funds?

20 A I think so.

21 Q Are these words your phrases, or is this--

22 A No. Spitz.

UNCLASSIFIED

art156

UNCLASSIFIED

156

- 1 Q He gave you this language?
- 2 A Yes. I'm taking dictation, practically.
- 3 Q Did you discuss with Channell what was meant by the
- 4 phrase "private things"?
- 5 A No.
- 6 Q Now on page seven of this outline, the entry
- 7 relating to the "RR/group grope" has a line drawn through it.
- 8 What is the significance of that?
- 9 A We couldn't get it. It was cancelled.
- 10 Q Was there ever such a "group grope"?
- 11 A Not with these people. The closest thing was the
- 12 Pentacosts.
- 13 Q What was that?
- 14 A Mr. and Mrs. Pentacost, and Mrs. Pentacost's
- 15 sister, whose name I'm blanking on at the moment, went into
- 16 see the President in 1986.
- 17 Q Now if you would turn to the "to do" list dated
- 18 October 16, 1985, and particularly page six, which is your
- 19 document control page 26471. Under the heading "private
- 20 meetings" there's again a line, "review agenda for private
- 21 meetings with Green."
- 22 A Right.

UNCLASSIFIED

art157

UNCLASSIFIED

157

1 Q Does that have the same meaning as what you've
2 described earlier?

3 A Yes. It's just carried over from previous "to do"
4 lists.

5 Q Now under that it has "Wednesday, 2:00 to 4:00
6 p.m." There's, I gather, shown, a 3:00 o'clock meeting with
7 Fred Sacher, and then there's an entry "bring--I take it
8 that's "\$6 million list updated"?

9 A Yes.

10 Q What does that refer to?

11 A A list that I saw that Colonel North had on two
12 yellow sheets of legal-size paper.

13 Q Where did you see that list?

14 A In Dallas, Texas.

15 Q Was anyone else present when you saw it?

16 A Bunker Hunt and Oliver North, and Spitz Channell
17 and myself.

18 Q Where did you see this?

19 A In some club.

20 Q Was the list shown to you?

21 A No. I just saw it from--you mean so I could read
22 it?

UNCLASSIFIED

art158

158

UNCLASSIFIED

- 1 Q Yes.
- 2 A No.
- 3 Q Colonel North had possession of it?
- 4 A Yes.
- 5 Q What did he say about it?
- 6 A Well, he went through the list. I mean, these were
- 7 the needs of the contras.
- 8 Q And the items on the list totalled \$6 million?
- 9 A I think, actually, this is a mistake. If I
- 10 remember right, it totalled \$7 million.
- 11 Q What items were on the list, that you remember?
- 12 A Guns, Red/Eye missiles, tanks, grenades. You know.
- 13 War material.
- 14 Q And this was on two sheets of yellow paper?
- 15 A Yes.
- 16 Q Was it in handwriting?
- 17 A Yes.
- 18 Q And did Colonel North show the list to Mr. Hunt to
- 19 read?
- 20 A Yes.
- 21 Q Did Mr. Hunt hold the list?
- 22 A He might have. I don't recall, exactly.

UNCLASSIFIED

art159

159

UNCLASSIFIED

- 1 Q Did Colonel North leave the list with Mr. Hunt?
- 2 A NO.
- 3 Q Took it back?
- 4 A Yes.
- 5 Q And that was a meeting in Dallas in September of
- 6 1985?
- 7 A Yes.
- 8 Q Do you know the approximately date?
- 9 A The 10th, maybe.
- 10 Q And was Mr. Hunt asked for a contribution to
- 11 acquire the items on the list?
- 12 A Yes.
- 13 Q With Colonel North present?
- 14 A No.
- 15 Q Where did Colonel North go?
- 16 A To look at the stars.
- 17 Q And who made the request for a contribution?
- 18 A Spitz.
- 19 - Q Do you know if it was arranged in advance, that
- 20 Colonel North would present the list, and then would leave
- 21 while Mr. Channell solicited a contribution?
- 22 A I told Colonel North to prepare the list.

UNCLASSIFIED

art160

UNCLASSIFIED

160

- 1 Q Right.
- 2 A He left on his own. That wasn't prearranged.
- 3 MS. MORRISON: May I ask a question?
- 4 MR. FRYMAN: Certainly.
- 5 MS. MORRISON: Did you tell Colonel North what to
- 6 put on the list?
- 7 THE WITNESS: No.
- 8 BY MR. FRYMAN:
- 9 Q What did you tell Colonel North?
- 10 A I said we wanted to raise the largest amount of
- 11 money we had ever raised from anybody, ever requested from
- 12 anybody, and we had determined that we wanted to raise \$5
- 13 million from Bunker, and that he should prepare a list of
- 14 needs that added up to \$5 million, and he should bring it
- 15 with him. And if he should fail in this, it would be a big
- 16 problem. We had to have a list of what the needs were, and I
- 17 said I don't care what you put on the list, just so it totals
- 18 \$5 million, and we're going to ask him for the whole thing.
- 19 Q Who came up with the \$5 million figure?
- 20 A Spitz.
- 21 Q Do you know how he reached that figure?
- 22 A Fundraising experience, otherwise known as picking

1 something from the sky.

2 Q What did Mr. Hunt say in response to this sollicita-
3 tion by Mr. Channell on or around September 10th?

4 A He said "I'll think about it."

5 Q Did Colonel North come back to the table?

6 A No.

7 Q Did Colonel North--

8 A Well, I withdraw that a minute. He might have. I
9 don't know. I wasn't there.

10 Q All right. Do you know if Colonel North--

11 A I don't think he did, but he might have.

12 Q Do you know if Colonel North had further discussion
13 that day with Mr. Hunt, after Mr. Channell made the appeal
14 for funds?

15 A Oh, pleasantries.

16 Q Pleasantries. What contribution did Mr. Hunt make
17 after this appeal for \$5 million plus dollars?

18 A Well, he wasn't asked for \$5 million.

19 Q What was he asked for, seven?

20 A No. He was asked for a plane, I think. An
21 airplane.

22 Q Was that one of the items on the list?

UNCLASSIFIED

art162

162

UNCLASSIFIED

1 A Yes. Maybe two airplanes. I've forgotten,
2 exactly. Oh, I know. It's \$237,500 for each check, and what
3 is that? \$475,000. He made a mistake. I think he was asked
4 for, if I remember correctly, \$450,000. He gave--or is my
5 mathematics off here? Yeah. And he gave 475.

6 Q But half of that was as a loan?

7 A Yes.

8 MS. MORRISON: So that the record is clear, I hope
9 you heard the witness say he wasn't there during parts of
10 this period of time.

11 MR. FRYMAN: Yes. I want to come back to that.
12 But I'm confused about the amounts.

13 BY MR. FRYMAN:

14 Q You told Colonel North that he would have to come
15 up with a list totalling at least \$5 million--

16 A Right.

17 Q --because you had made the decision to ask for that
18 amount--

19 A Yes.

20 Q --from Mr. Hunt?

21 A Yes.

22 Q But after the presentation of the list, you did not

UNCLASSIFIED

art163

163

UNCLASSIFIED

1 ask for the full \$5 million?

2 A That's my understanding.

3 Q You were not present at that point?

4 A That's correct.

5 Q Where were you?

6 A Gazing at the stars with Colonel North.

7 Q Was this worked out in advance with Mr. Channell,

8 that--

9 A No. He did it at the last minute, and surprised

10 everyone.

11 Q Did what?

12 A Asked me to leave the room.

13 Q So there were the four of you at the table?

14 A Yes.

15 Q You, Mr. Channell, Mr. Hunt, and Colonel North?

16 A Yes.

17 Q And at some point he asked both you and Colonel

18 North to leave?

19 A No.

20 Q Tell me what happened, then.

21 A Colonel North excused himself, first, and he left,

22 and then we talked for a minute or two, and then Spitz asked

UNCLASSIFIED

art164

164

UNCLASSIFIED

1 me to leave.

2 Q And how long were you away?

3 A The time that they were together--you know--

4 whatever that was.

5 Q Did Mr. Channell come out at some point and ask you

6 to come back to the table?

7 A No.

8 Q How did you know when to go back?

9 A We didn't. They came out.

10 Q I see. I see. So you were out gazing at the stars

11 with Colonel North?

12 A Right.

13 Q When Colonel North left, did he really say he was

14 going to go look at the stars, or--

15 A No, no. It's on the top floor of a huge building,

16 and they had just illuminated the night previously, a

17 building in fluorescent--no, what is it called?--neon lights

18 all around the building, and they'd just inaugurated it, and

19 so we were viewing the skyline of Dallas. And it was a

20 beautiful night and we were just chatting; nothing important.

21 Q Was there some prearrangement for Colonel North to

22 leave the group at a certain point in the dinner?

UNCLASSIFIED

art165

165

UNCLASSIFIED

1 A No. He did it all himself.

2 Q What did Mr. Channell later tell you occurred
3 between Mr. Hunt and him when they were alone at the dinner
4 table?

5 A He said he asked him--I believe he said Bunker asked
6 him a question or two. I can't remember what the questions
7 were. And then he requested from Bunker to fund, I think one
8 or two airplanes that were on the list.

9 Q Well, did he explain why he had not asked for the \$5
10 million contribution that you had expected to ask, in advance
11 of the dinner?

12 A No. He did not.

13 Q Did you ask him?

14 A Well, he got "cold feet" and to rub his nose in
15 that would not have been the politic thing to do, so I
16 didn't ask.

17 Q To rub Channell's nose?

18 A Right. It was the largest contribution we had
19 received to that date, and he was happy about that, and I was
20 depressed at how much we didn't get.

21 Q Now returning to the October 16 outline, the
22 reference to "bring the \$6 million list updated" was a

UNCLASSIFIED

art166

166

UNCLASSIFIED

1 reference to bringing essentially that same list to the
2 meeting with Mr. Sacher, is that right?

3 A Right.

4 Q Had you and Mr. Channell reached an agreement as to
5 how much you were going to ask from Mr. Sacher as a contribu-
6 tion?

7 A I don't recall that we did. I think he was an
8 unknown quantity to us, as to how much money he had. He's
9 low profile.

10 Q So your intention was to have Colonel North review
11 essentially the same list with Mr. Sacher that had been
12 reviewed with Mr. Hunt?

13 A Yes.

14 Q And that was a list primarily composed of military
15 equipment?

16 A Yes.

17 Q Do you know if Colonel North did that?

18 A I don't know.

19 Q Do you know if the meeting occurred with Mr. Sacher?

20 A I think so.

21 Q Was there a request for a contribution after the
22 meeting?

UNCLASSIFIED

art167

167

UNCLASSIFIED

- 1 A Probably.
- 2 Q Do you know?
- 3 A I can't recall.
- 4 Q Do you know if the list similar to the one reviewed
- 5 with Mr. Hunt was reviewed with any of the other individuals
- 6 referred to on pages six and seven of this October 16 outline?
- 7 A Not to my knowledge.
- 8 Q Turning, Mr. Conrad, to the "to-do" list for
- 9 October 16, 1985, and particularly the copy that has handwrit-
- 10 ten notes on it, which begins with your identification page
- 11 26466. Do you see that?
- 12 A Yes.
- 13 Q If you will look at page seven of that copy, there
- 14 are references there to a Friday meeting with Bunker Hunt,
- 15 and then under that, "have Green call" and then there's a
- 16 line drawn through those entries. What is the significance
- 17 of that?
- 18 A I believe he didn't come to the briefing at all,
- 19 let alone the private meeting. He didn't come to Washington.
- 20 Q So you believe that that did not occur, a meeting
- 21 at that point?
- 22 A Yes.

UNCLASSIFIED

art168

168

UNCLASSIFIED

1 Q Turning to the outline dated October 19, 1985, on
2 the first page, which is the identification page 20208, there
3 are a variety of handwritten notes on that page. Are those
4 your handwritten notes?

5 A Yes..

6 Q Out on the left there's the note "Where is Rich's
7 guarantee for Bunker? What does that mean?

8 A We discussed the problem of half of the amount of
9 money, the \$237,500 that we got from Bunker being a loan, and
10 we discussed this with Rich Miller, and he said he might have
11 a way to get that loan guaranteed if we were to sign a note.
12 And that was a note to me to follow up, to find out whether
13 in fact he had gotten the guarantee.

14 Q Did he obtain such a guarantee?

15 A No.

16 Q Now if you would turn to the next "to-do" list
17 which is dated October 26, 1985, and particularly page five.
18 Under the heading Roman "IX" "Rich and Frank", there's a
19 reference to an "RR meeting with Barbara Newington" on
20 November 7, and under that, small "i" "what to request" and
21 two small "i's" "when to request" and three small "i's"
22 "how to structure the visit". What do those entries mean?

UNCLASSIFIED

art169

169

UNCLASSIFIED

1 A Well, we wanted to have a private meeting with the
2 President for Barbara Newington, and we wanted to know--this
3 is a note asking ourselves, really, how we should structure
4 the visit, logistically, and at what times we should request--
5 these were questions we had to answer before she came.

6 Q All right.

7 A How much we wanted to request it and at what point
8 should we request it, before the meeting with the President,
9 or after.

10 Q Was a meeting between Mrs. Newington and the
11 President held on November 7?

12 A I don't recall.

13 Q Was there a meeting held sometime during the fall
14 of 1985?

15 A I can't tell you. I don't know.

16 Q Do you recall Barbara Newington coming to Washington
17 in the fall of 1985?

18 A All I know, she came to Washington but I don't
19 remember when.

20 Q Do you recall a meeting with her at the Hay-Adams
21 Hotel where Colonel North appeared?

22 A No.

UNCLASSIFIED

art170

UNCLASSIFIED

170

1 Q You did not participate in any such meeting?

2 A No.

3 Q Going back to the entries on this "to-do" list, do
4 you recall what decision was made with respect to what to
5 request and when to request it?

6 A I don't remember the specifics. I know the
7 questions were answered, but I don't remember what the
8 answers were.

9 Q All right.

10 A At the time I'm sure I did, but not now.

11 Q Turning to item ten in that outline, "Future
12 projects, there's an entry "Green" and under that "brochure
13 on multi-band frequency radios" What does that entry refer
14 to?

15 A Colonel North said that there was a necessity for a
16 new type of sophisticated radio system to be used by the
17 freedom fighters in the field, and he called it a multi-band
18 frequency radio.

19 Q Is this a subject that he initiated with you?

20 A He initiated it with the whole group.

21 Q What was the whole group?

22 A The briefing. He talked about it in the briefing.

UNCLASSIFIED

art171

171

UNCLASSIFIED

1 It's communications equipment.

2 Q And was it your intention to raise funds to
3 purchase such radios?

4 A Yes.

5 Q And he was to provide a brochure with respect to
6 the radios?

7 A No. We asked him if he could, or would.

8 Q Did he?

9 A No.

10 Q Did you obtain such a brochure from any other
11 source?

12 A No.

13 Q Did you raise funds for radios?

14 A I think so.

15 Q Do you recall if those funds were raised from any
16 particular person?

17 A I don't remember the specifics.

18 Q Now the next item is, again, an entry, "follow up
19 with Green on World Wide Fund Raising" We've discussed
20 this, or a similar entry with regard to a prior "to-do" list.

21 A It's the same entry.

22 Q Same entry. And it has the same significance in

UNCLASSIFIED

art172

172

UNCLASSIFIED

1 this?

2 A Yes.

3 Q Turning to page ten of this outline, there's a
4 reference to a "January, 1986 Project" "to support three
5 Senate races", and there's a further description that one
6 race will be a "shoe-in", one a "probable loser", and then
7 there's a reference to "three who are uncertain". What do
8 those lines in your "to-do" list refer to?

9 A We wanted to act as a Federal political action
10 committee, and we wanted to give candidates political
11 contributions, and we were talking about the general param-
12 eters for selecting potential people for that contribution,
13 maybe even independent expenditures. I'm not quite sure.

14 Q Why would you select one who's a "probably loser"?

15 MS. MORRISON: Maybe he likes a challenge.

16 THE WITNESS: Yeah. I don't know. I am not a
17 political person.

18 BY MR. FRYMAN:

19 Q What's the source of these entries in your "to do"
20 list?

21 A Spitz.

22 Q Is this something Mr. Channell gave you?

UNCLASSIFIED

art173

173

UNCLASSIFIED

- 1 A Yes.
- 2 Q Was this project activated?
- 3 A No.
- 4 Q Why not?
- 5 A Well, it's another one of those 8 million projects
- 6 that never got tended to. There was no special reason.
- 7 Q Turning to the outline for November 3, 1985,
- 8 there's a portion of that outline in this exhibit, and again,
- 9 there's the entry, at least of which a similar entry appeared
- 10 in an earlier outline, to "have a private project to get
- 11 hostages out of Beirut" and that's an entry under the
- 12 heading "Green". Is there any continued significance to the
- 13 fact that this entry continues to appear in the outline in
- 14 November of 1985?
- 15 A No particular significance.
- 16 Q It's just carried forward from outline to outline?
- 17 A Yes. It may mean that I need to debrief with Spitz
- 18 about the results of my meeting with Colonel North, and I
- 19 haven't had a chance to do that.
- 20 Q Now the next item is "coordinate Green trips with
- 21 requests for presentations to clubs". What does that mean?
- 22 A Colonel North was often asked to make presentations

UNCLASSIFIED

art174

174

UNCLASSIFIED

1 to different clubs around the United States, different clubs
2 and organizations' meetings, and if he would let us know--the
3 thought was if he would let us know when he had to go out of
4 town to give these speeches in different places, we could
5 coordinate a fundraising trip, fundraising visits, arrange
6 private briefings for individuals who couldn't come to
7 Washington.

8 Q Was that undertaken?

9 A No.

10 Q Why not?

11 A Same problem.

12 Q Just didn't get around to it?

13 A Right.

14 Q Now in your outline for November 7, 1985, it refers
15 to a November 14 Washington meeting. Was there such a
16 meeting?

17 A I think so. I mean, there was a meeting in
18 November. I don't remember the date.

19 Q On the second page it refers to "special invited
20 guests" including George Bush. Did Vice President Bush
21 attend a White House briefing for NEPL?

22 A No.

UNCLASSIFIED

art175

175

UNCLASSIFIED

t8 1 Q Why does his name appear here?

2 A I don't know how to answer that question. Because

3 he's the Vice President.

4 Q Well, had you reason to believe that he would

5 appear?

6 A Well, we hoped he would. It was a request.

7 Q Anything more than that?

8 A No.

9 Q And he did not?

10 A Right.

11 Q Did he appear at any of your briefings?

12 A No.

13 Q Turning to the November 16 outline on page seven.

14 "November Objectives" for Rich and Frank include "RR meetings"

15 with Bunker Hunt, Fred Sacher, Ellen Garwood, and David and

16 Paula Warm. Were they selected for such meetings because

17 they'd made substantial contributions?

18 A Again, as I had mentioned before, either because

19 they had, or had potential to for the future.

20 Q Well, in this instance, do you know if it was

21 because they had?

22 A Well, Bunker had. Fred had--I mean, it depends on

UNCLASSIFIED

art176

176

UNCLASSIFIED

1 what you mean by, you know, "significant contribution^A. You
2 said before \$300,000, and Bunker had given that much by this
3 time, and I don't think any of the other people had.

4 Q Did these meetings occur? Or did meetings with
5 President Reagan occur with these individuals?

6 A I think in 1986.

7 [Pause.]

8 BY MR. FRYMAN:

9 Q Exhibit 2, the first outline, or the first "to,do"
10 list is dated January 15, 1986. Now there was a large White
11 House briefing for potential contributors on January 30,
12 1986, was there not?

13 A Yes.

14 Q We've gone through, Mr. Conrad, in your earlier "to-
15 do" lists, a lot of very detailed entries with regard to
16 prior White House meetings in 1985. I do not see any similar
17 detailed entries here with regard to the January 30, 1986
18 meeting, and my question is why are they not here?

19 A Because I didn't make them.

20 Q Well, why?

21 A By that time it was down to a system. The October
22 17th one was the first major one that we did. Actually, it

UNCLASSIFIED

art177

177

UNCLASSIFIED

1 was the second one, but, you know, we reached the perfection
2 of what we wanted. It was only a question of fine-tuning it
3 after that.

4 Q Well, was there a further reason, in January of
5 1986 David Fischer became involved in working for NEPL, did
6 he not?

7 A Yes. I think, actually, he started in December.

8 Q Well, around that time.

9 A Whatever, yeah.

10 Q And he had responsibility with respect to the
11 January 30 White House meeting, did he not?

12 A Yes. Actually, it was two people. David Fischer
13 and Marty Artiano.

14 Q Marty Artiano. Did their involvement in the
15 meetings beginning in January, was that a contributing factor
16 to the absence of detailed items in your "to-do" lists with
17 respect to the White House meetings, beginning in January?

18 A Well, I daresay you won't find very much there, in
19 the way of notes regarding the briefing at the OEOB with
20 Colonel North, on previous documents, either. In other
21 words, the section of the meeting that they were concerned
22 with, which was the presidential part, was under their

UNCLASSIFIED

art178

178

UNCLASSIFIED

1 management, and that's fine. I didn't have anything to do
2 with that, particularly. I just needed to make sure it hap-
3 pened. And neither was I concerned with Colonel North's
4 presentations in the October 17th briefing and in the June
5 briefing, and in the November briefing.

6 I mean, I would just put on there that he's to
7 appear.

8 Q So the basic reason that there's an absence of
9 detailed entries with respect to the further briefings in
10 these later "to-do" lists is because you had perfected a
11 system and there was no longer a necessity for listing the
12 detailed steps?

13 A Well, if you look at the previous ones, you'll see
14 that they relate to limousines, and flowers, and, you know,
15 guards, and all that business, which, by this time we had a
16 system set up. The first time we did it that way, we had to
17 look into each one of those details.

18 The second time, and the third time, and such, we
19 had it down. We had regular computer printouts that we could
20 just fill in, or, you know, I would just say to--I mean, I
21 remember that the guards needed to be recalled, and I would
22 just tell Angela to call the guards. I mean, everybody knew

UNCLASSIFIED

art179

179

UNCLASSIFIED

1 what was coming down, and on October 17th, and June, we
2 didn't know, it was new to us, to do it.

3 Q All right. Turning to the February 22, 1986
4 outline, and page two of that outline. I believe there's
5 more than one copy of the outline in there--

6 A If you look on page one. Or yeah, I'm sorry. The
7 document number is what?

8 Q 20804. I think it's the preceding copy.

9 A Okay. At the top there's the entry, Roman "II"
10 Marty Artiano, and under that "RR meetings", and again the
11 listing of Newington, [REDACTED] Garwood, and then
12 [REDACTED] is added, in handwriting.

13 A Yes.

14 Q Now who was Marty Artiano?

15 A Is an attorney, a former aide to Governor Reagan,
16 and President Reagan.

17 Q And what was his role in NEPL at this point?

18 A To charge us lots of money.

19 Q For what?

20 A Arranging meetings with the President.

21 Q What did he charge you for that?

22 A \$50,000 a pop.

UNCLASSIFIED

art180

180

UNCLASSIFIED

- 1 Q Is that what he told you?
- 2 A Yup.
- 3 Q When?
- 4 A December '85.
- 5 Q Where did he tell you that?
- 6 A Rich Miller's office.
- 7 Q Who was present?
- 8 A I think Rich Miller, David Fischer, Spitz Channell,
- 9 myself, and Marty.
- 10 Q And the best you recall, what did Marty say?
- 11 A He said it'd be no problem to arrange these.
- 12 Q And what did he say about compensation for doing
- 13 that, as best you recall his words?
- 14 A Well, I don't recall his words, but, I mean, just
- 15 the substance of it was he was going to charge \$50,000 a
- 16 time, and we sort of gulped and said okay.
- 17 Q Did Fischer say anything?
- 18 A No. He was pretty quiet through the whole thing.
- 19 Q Did Miller say anything?
- 20 A No. He just arranged the thing, the meeting.
- 21 Q Was that the only occasion that he said to you that
- 22 he could arrange meetings with President Reagan for \$50,000 a

UNCLASSIFIED

art181

181

1 meeting?

2 A Well, I don't know how to answer that question, but
3 on subsequent meetings we expressed concern about the large
4 sum of money involved in the meetings, and Marty said he
5 thought it was very reasonable.

6 Q And he made that remark in connection with a
7 discussion about the sum of money being \$50,000 for a meeting
8 with the President?

9 A Yes.

10 Q Was there ever a meeting where Artiano, and others,
11 told you that there was not a specific charge for arranging
12 individual meetings with President Reagan?

13 A Yes, I think subsequently. I think maybe after
14 Marty--I'm not sure, exactly, the timing--but after Marty
15 split off--David and Marty split apart--David expressed
16 concerns about the way that that was all being handled. He
17 felt very uncomfortable about that type of billing situation
18 and he wanted to go on a retainer, a monthly retainer, and he
19 would provide more than just meetings with the President.

20 Q How long did the arrangement of \$50,000 a meeting
21 continue?

22 A Well, at least--I don't know. Two to four months.

UNCLASSIFIED

art182

UNCLASSIFIED

182

1 I'm not sure, exactly. I'd have to look back at the account-
2 ing records because they--\$50,000 payments were made, and
3 however many of them there were is how long it went. I just
4 don't remember.

5 Q How many meetings were there with the President
6 under this arrangement?

7 A That's what I'm not remembering. Somewhere between
8 two and four.

9 Q What individuals do you recall met with the
10 President under this arrangement?

11 MS. MORRISON: When you say "this arrangement" you
12 mean \$50,000 per visit?

13 MR. FRYMAN: Yes.

14 THE WITNESS: I'd have to look at the records. I
15 don't recall.

16 MR. FRYMAN: All right.

17 BY MR. FRYMAN:

18 Q Now also under Marty Artiano, on this "to-do" list,
19 is an item "D", "Ross Ferot, 3-10-86 meeting". What does
20 that refer to?

21 A I don't really remember. I really don't. I think
22 they were trying to arrange a meeting, but it never came out,

UNCLASSIFIED

art183

183

UNCLASSIFIED

1 never came off.

2 Q On this particular page that we're looking at,
3 which is your control page 20804, there appears to be
4 handwriting by more than one person on that page.

5 A Yes.

6 Q Is that correct?

7 A Yes.

8 Q Can you identify the different writings?

9 A Spitz Channell and myself.

10 Q Which is Mr. Channell's handwriting?

11 A All the handwriting there except three words are
12 mine. I'm sorry. Are Spitz's.

13 Q Which are the three words that are yours?

14 A "Rewrite Nixon letter" ✓

15 Q Everything else is Channell's?

16 A That's correct.

17 Q Now item Roman "III" refers to the Central American
18 Freedom Program, and I believe you've indicated earlier, that
19 that's what the Public Diplomacy Program evolved into, is
20 that correct?

21 A Yes.

22 Q Now there's a reference there to "task force

UNCLASSIFIED

art184

184

UNCLASSIFIED

1 members" and a listing of various individuals. What does the
2 "task force" mean?

3 A Well, these are all people who are involved in the
4 Central American Freedom Program. It's actually not all of
5 them; just some of them.

6 Q Who set up this task force?

7 A Oh, Spitz, myself. Rich Miller.

8 Q How did Bruce Cameron come to be on the task force?

9 A I think he was referred to us. I can't remember by
10 who. I think maybe Rich Miller.

11 Q Does Edelman refer to a public relations firm?

12 A Yes.

13 Q And Steve Cook is the account executive--

14 A No, he's the manager.

15 Q --manager responsible for--

16 A For the Washington office.

17 Q And Alan Carnier and Debbie Massich, are they
18 employees of Edelman?

19 A Yes. At that time, yes.

20 Q And what was Artiano's role in the task force to
21 be?

22 A Well, it was not clear. He didn't participate.

UNCLASSIFIED

art185

185

UNCLASSIFIED

- 1 Q Who's Edie Franker?
- 2 A She's a principal with Miner and Franker.
- 3 Q And what was her role to be?
- 4 A Talk people to death. Try to get people to start a
- 5 grassroots, letter-writing campaign, by getting other organiza-
- 6 tions in local areas to get volunteers to write letters to
- 7 Congressmen.
- 8 Q Whose idea was this?
- 9 A Oh, God! I'm not sure. Spitz's, Edie's, mine,
- 10 actually, maybe. It's possible.
- 11 Q Was Lichtenstein a pollster?
- 12 A No.
- 13 Q What was his role?
- 14 A He did the same thing as Edie.
- 15 Q And who was Brad O'Leary?
- 16 A Well, I never met the man. I've talked to him on
- 17 the phone a couple times.
- 18 Q Where did you get his name? From Channell?
- 19 A Yes.
- 20 Q What was his role to be?
- 21 A We wanted him to arrange a dinner. That was the
- 22 thinking.

UNCLASSIFIED

art186

186

UNCLASSIFIED

1 Q What was his expertise in that area, that you know
2 of?

3 A He sponsored, or arranged dinners for different
4 conservative groups. I think he ran a special event dinner
5 in New York for Jack Kemp that raised a million dollars.

6 Q All right. Turning to page six of this outline,
7 there's again the reference to the ACT Political Project.
8 Now I take it that's the same project that was in the earlier
9 outline that you say never was implemented?

10 A Yes. Right.

11 Q Now on page seven, under that general heading,
12 there's a new entry to "ask Marty Artiano/David Fischer for
13 target suggestions", and then there's a handwritten note that
14 "Terry is better informed". First of all, is the handwritten
15 note by Mr. Channell?

16 A Yes.

17 Q Who is Terry?

18 A Terry Dolan, president, former president of MCPAC.

19 Q Okay. Now what is the general entry about Artiano
20 and Fischer? What does that refer to?

21 A We wanted to ask them to use whatever sources they
22 had to help us identify potential target candidates, that we

UNCLASSIFIED

UNCLASSIFIED

1 would run out political program.

2 Q Were the target candidates candidates you would
3 support, or ones you would oppose, when you refer to "target"?

4 A It depends on which candidates we're talking about.
5 I mean, we had different criteria that we were using to
6 evaluate different candidates. One was a "shoe-in" you
7 recall, some were going to be losers, and some were going to
8 be winners. So you would use different strategies in
9 different cases.

10 Q But in any case, all of your ads would be ads in
11 support of a particular candidate?

12 A Not necessarily.

13 Q You would run negative ads against certain can-
14 didates?

15 A Yes.

16 Q So a target could be both a target for support, or
17 a target for opposition?

18 A Yes.

19 Q And you were to ask Artiano and Fischer for their
20 suggestions in this regard?

21 A Yes. It's not for their suggestions; it's for them
22 to get suggestions. They didn't know anything.

UNCLASSIFIED

art188

188

UNCLASSIFIED

1 Q Now on page ten of this same outline, I guess under
2 the major heading Roman "IX" Administration which is on
3 page eight--on page eight there's a capital "A" Fundraising
4 Prospects And then under that, Arabic "2" Prospects
5 and then those items under that, I take it continue over to
6 page ten, and there's an item 19 which says "Green contact
7 referrals Do you see that?

8 A Yes.

9 Q And under that, there's an entry, "Roy Godson" G-
10 o-d-s-o-n. Who is Roy Godson?

11 A Well, I don't know. He was a referral by Colonel
12 North, but I never did know what he did.

13 Q You never met him?

14 A I never met him.

15 Q Did you ever speak with him?

16 A Never spoke with him.

17 Q Now there's the next entry, "Causa/Rich knows
18 President What does that refer to?

19 A Colonel North was recommending to us that we go ask
20 Causa for money.

21 Q What is Causa?

22 A I don't know what it stands for. It's the Unifica-

UNCLASSIFIED

UNCLASSIFIED

1 tion Church in the United States.

2 Q Did you ask them for money?

3 A No. Well, I'm sorry. I didn't.

4 Q Do you know if anyone did?

5 A I believe--well, I don't think anybody--Causa; no.

6 Q Did they contribute money?

7 A No.

8 Q Now the next item, item "C" under "Green contact
9 referrals" is Boone Pickens.

10 A Right.

11 Q Was there a solicitation of Boone Pickens?

12 A No.

13 Q Why not?

14 A Well, again, it's because we weren't--the way was
15 not smoothed for us to do that. It was like a cold prospect.
16 I think we tried to get through and weren't successful.

17 Q Who was to smooth the way? Was it Colonel North?

18 A No. I mean, we would have wanted him to, but I
19 mean, he didn't volunteer to, or anything. He didn't say he
20 was going to.

21 Q Maybe I misunderstood, but I thought this entry
22 indicates that he referred these contacts to you.

UNCLASSIFIED

art190

190

UNCLASSIFIED

1 A Yes. Yes, he did.

2 Q So he referred Boone Pickens to you?

3 A Yes. But that doesn't mean he knew him. I mean,

4 he might have known him. I don't know.

5 Q It's just a name he mentioned?

6 A Right. Why don't you try this; why don't you try

7 that. That sort of thing.

8 Q In any case, nothing was done with respect to

9 seeking a contribution from Boone Pickens, so far as you know?

10 A I believe we tried to contact him and weren't

11 successful.

12 MR. FRYMAN: I believe this is a good breaking

13 point for the day. Why don't we go off the record.

2 DANIEL LYNN CONRAD

3 resumed as a witness and, having been first duly sworn, was
4 examined and testified as follows:

5 EXAMINATION BY COUNSEL FOR THE

6 HOUSE SELECT COMMITTEE (resumed)

7 BY MR. FRYMAN:

8 Q Mr. Conrad, if you would look again at Deposition
9 Exhibit 2 for identification, and if you would turn to the
10 outline in that volume dated March 8, 1986. Roman II on that
11 outline is headed "Bruce Cameron/Penn Kemble," and under that,
12 there are three specific items, "ad in Washington Post" is the
13 first. The second is "Congressional Public Debate," and the
14 third is "Doctors for Press Conference."

15 What do those entries refer to?

16 A (Witness peruses document.)

17 Well, the "ad in the Washington Post" refers to an
18 ad which Penn Kemble's organization -- I'm forgetting the
19 name of it for the moment --

20 Q Would that be "PRODEMCA"?

21 A Yes. Thank you. -- which PRODEMCA sponsored, ran

UNCLASSIFIED

UNCLASSIFIED

1 in the Washington Post.

2 Q Well, let me back up, let me back up a minute. Who
3 is Penn Kemble?

4 A He is the Executive Director of PRODEMCA.

5 Q Does he also have a position with an organization
6 called Center for Democracy in the Americas?

7 A I am not sure exactly. He is connected with a lot
8 of things, but I do not know all -- what the names are.

9 Q You know him as being associated with PRODEMCA,
10 primarily?

11 A Yes.

12 Q Who is Bruce Cameron?

13 A He is with another organization, also which I do not
14 remember at the minute. He is a lobbyist.

15 Q Now, how did Bruce Cameron and Penn Kemble happen to
16 be included in your "To-Do List"?

17 A As I recall, Rich Miller introduced them to us.

18 Q For what purpose?

19 A To get them involved in our Central American Freedom
20 Program.

21 Q What was their role to be?

22 A Well, Bruce's role, I do not know what it was to be

UNCLASSIFIED

ed197

197

UNCLASSIFIED

1 in the beginning, but what it ended up -- I mean I do not
2 remember what it was supposed to be in the beginning, but
3 Bruce Cameron was doing lobbying for us and I am -- Penn
4 Kemble was an authority on the area. I have forgotten
5 exactly what his role was supposed to be -- he did not do
6 very much; just ran the ad and talked to us about the problem
7 in Nicaragua.

8 Q And Cameron did lobbying for you in connection with
9 the votes on Nicaragua aid in the Congress in 1986?

10 A Yes.

11 Q You say Kemble did not do very much?

12 A I'm not remembering all the things he did. All I
13 remember is the -- I remember several luncheons with him, and
14 I remember the ad, but I do not even remember the other two
15 entries on there.

16 Q It is your recollection that Rich Miller introduced
17 Cameron and Kemble to the NEPL organization?

18 A Yes.

19 Q Do you know if Oliver North was involved in
20 introducing Cameron and Kemble to NEPL?

21 A I haven't any idea. Not to my knowledge.

22 Q All right. Now, the ad in the Washington Post, what

UNCLASSIFIED

1 was the subject matter of that ad?

2 A Democrats who support the President's policy in
3 Nicaragua.

4 Q Who sponsored the ad?

5 A PRODEMCA.

6 Q What is the reason that there is an entry in your
7 To-Do List with respect to that ad?

8 A We talked to them about it, you know. I don't know
9 how to answer the question.

10 Q Did you pay for it?

11 A We made a grant to them, to PRODEMCA.

12 Q For the ad?

13 A Well, it was not specifically for the ad.

14 Q What was the purpose of the grant?

15 A I think they made -- I am very -- not specific on
16 this. I have to look at my documents, my other documents
17 besides this. As I recall, they made a proposal to us, a
18 written proposal, and requested a grant. I cannot remember
19 the -- they made several proposals to us, and I do not
20 remember which one in particular we made the grant in
21 response to.

22 Q You considered Kemble a knowledgeable source of

ed199

UNCLASSIFIED

199

1 information about Central America?

2 A Yes.

3 Q Did you view Kemble as having a role in the lobbying
4 effort?

5 A Well, not really. I mean maybe a little bit.

6 Q Cameron was the person --

7 A Cameron was the main person.

8 Q All right. What is the entry here, the purpose for
9 the entry there, "Congressional Public Debate"?

10 A I have no recollection.

11 Q And the third entry, "Doctors for Press Conference"?

12 A Well, Penn was going to get some doctors for a press
13 conference, but I cannot remember the purpose of the press
14 conference, and who the doctors were, for that matter. I mean
15 where they -- I just do not remember. I'm sorry.

16 Q If you would turn to the next page in that outline,
17 Mr. Conrad, there is a heading, "Roman IV. Central American
18 Freedom Program," and under that, there is a description, or
19 there is an entry for "Task Force Members," and then there
20 are a number of names who are apparently included in the task
21 force.

22 Who established this task force?

UNCLASSIFIED

ed200

200

UNCLASSIFIED

1 A (Witness peruses document.)

2 Well, that is a good question. I do not know how to
3 answer that question.

4 Q What did you mean by "task force"?

5 A Well, it was my term. As far as I know, no one else
6 used it. It is people who attended a weekly meeting at Rich
7 Miller's, at IBC, to coordinate the Central American Freedom
8 Program.

9 Q Now, Cameron is on the Task Force; is that correct?

10 A Yes.

11 Q And Kemble is on the Task Force; is that correct?

12 A Yes.

13 Q And they were introduced, I believe you have
14 testified, to your organization by Miller?

15 A Yes.

16 Q Now, the first entry on the Task Force is Edelman
17 and after that, the name of Steve Cook.

18 A Yes.

19 Q What is "Edelman"?

20 A It is a public relations firm.

21 Q Was Steve Cook the local manager of that firm?

22 A Yes.

UNCLASSIFIED

ed201

201

UNCLASSIFIED

1 Q And was he responsible for that firm's work with
2 you?

3 A Yes.

4 Q What was that firm's responsibility with your
5 organization, in connection with the Central American Freedom
6 Program?

7 A Well, I would have to go back and review my records
8 to be able to tell you precisely, because I do not -- I mean
9 they're a public relations firm.

10 Q That is understood; but in general, were they doing
11 public relations type work for you in connection with the
12 Central American Freedom Program?

13 A Yes.

14 Q Was that firm introduced to your organization by
15 Miller?

16 A No.

17 Q How did you establish contact with them?

18 A I think we had maybe a dozen public relations firms
19 that we talked with to -- they came to the office and we made
20 a presentation to them, saying what we wanted. They went
21 away and made a presentation -- developed a presentation to
22 make to us on how they fulfill on it. We selected Edelman on

UNCLASSIFIED

ed202

202

UNCLASSIFIED

1 the basis of a competition, if you will, between these 12 --
2 or I do not know if I have the number correct, but several
3 public relations firms.

4 Q Who is "we" who made the selection?

5 A Rich Miller, Spitz Channell and myself.

6 Q Had you had any prior association with the Edelman
7 firm?

8 A No.

9 Q Do you know if Mr. Channell had?

10 A No.

11 Q Now, returning to the list of Task Force members,
12 Marty Artiano was also included there, and I believe you have
13 previously testified that Mr. Miller introduced him to your
14 organization.

15 A Yes.

16 Q The next name is Edie Fraser, and I believe her
17 name has come up previously. She had been involved in the
18 Nicaraguan Refugee Fund dinner?

19 A Yes.

20 Q She was an owner of the firm Miner and Fraser?

21 A Yes.

22 Q What was her role to be in this Task Force?

UNCLASSIFIED

UNCLASSIFIED

203

ed203

1 A Grass roots, letter writing, organizing the grass
2 roots letter writing.

3 Q Who selected her to be a member of the Task Force?
4 A I do not recall.

5 Q You had worked with her on the Refugee Fund dinner?
6 A Yes.

7 Q Had you been satisfied with her work?
8 A She had her strengths, certainly.

9 Q Well, that was not my question. Had you been
10 satisfied with her work?

11 A I do not know how to answer that question.

12 Q You could try yes or no.

13 MS. MORRISON: Maybe it's not that easy.

14 THE WITNESS: I was satisfied with some aspects of
15 her work.

16 BY MR. FRYMAN:

17 Q And dissatisfied with other aspects?
18 A Yes.

19 Q What was Mr. Channell's view of her work on that
20 dinner?

21 A You will have to ask him.

22 Q Are you aware of his view?

UNCLASSIFIED

ed204

204

UNCLASSIFIED

1 A I'm not sure I am.

2 Q Did he ever say anything to you about her work?

3 A The way you are putting the question, it is very
4 hard for me to answer.

5 Q Let me, then, ask another question and put this
6 question directly. Who decided to bring her into this Task
7 Force?

8 MS. MORRISON: He said he did not recall.

9 BY MR. FRYMAN:

10 Q I will ask it again.

11 A Well, I am not sure. I will phrase it that way?

12 Q Did Miller?

13 A I really do not remember.

14 Q All right. Who is Jack Lichtenstein?

15 A He is -- gosh, what is he? I guess he is a
16 consultant.

17 Q With respect to what?

18 A Well, he does a variety of things. I am not even
19 sure I know them all. We retained him to do grass roots
20 letter writing organizing.

21 Q Why was he selected?

22 A At the recommendation of Rich Miller.

UNCLASSIFIED

ed205

205

UNCLASSIFIED

- 1 Q So the members of the Task Force that you have
2 listed here, Cameron, Kemble, Artiano and Lichtenstein, were
3 selected at the suggestion of Miller?
- 4 A Say that again -- I am sorry.
- 5 Q Cameron, Kemble, Artiano and Lichtenstein were
6 selected at the suggestion of Miller?
- 7 A Well, they were introduced to us --
- 8 Q Oh, they were introduced by Miller?
- 9 A Yes.
- 10 Q Fraser -- you had previously known Fraser, and you
11 do not know why she was selected to be a member of the Task
12 Force?
- 13 A I cannot recall.
- 14 Q And Edelman was selected as a result of a compe-
15 tition among various firms and bid proposals?
- 16 A Right. That is correct.
- 17 Q Now, the names under Edelman, Carrier, Messick --
18 are they employees of the Edelman firm?
- 19 A Yes.
- 20 Q What is the reference to "weekly video summary"?
- 21 A One of the things that they did, as a public
22 relations firm, was to make a summary of -- on video tape, of

UNCLASSIFIED

ed206

UNCLASSIFIED

206

1 all the -- I think this is right -- of all the videos, video
2 plays.

3 We were sending up B-roll footage on a satellite,
4 and they were doing it from the New York office, and they
5 were summarizing all the places that it got placed, all the
6 -- what do you call it -- TV stations where it was played, and
7 the times and everything.

8 Q You used the phrase "B-roll footage." What is that?

9 A Well, it is a technical PR term. I do not know what
10 it stands for, but it means we would send -- how do I explain
11 this -- it is like a video news release. A normal news
12 release is written on paper, and you send it out. A video
13 news release would be someone speaking, or action shots, or
14 whatever. It would be sent up by satellite, and anybody who
15 has a dish to receive it, TV station, can record it, and then
16 they can use it in their news.

17 Q And then the Edelman firm would give you a weekly
18 summary of the local plays of this material?

19 A Yes.

20 Q Turning to the March 15 outline, and if you would
21 turn to item Roman XIII, which begins on Page 9, it is headed
22 "Fund Raising Prospects." Under that there is an entry,

UNCLASSIFIED

ed207

UNCLASSIFIED

207

1 capital letter "B. General Prospects," and Number 101 is the

2 [REDACTED]

3 What is the reason for the inclusion of that person
4 on this list?

5 A I thought he might be a good prospect.

6 Q How did you know of him?

7 A Edie Fraser had mentioned him at the Nicaraguan
8 Refugee Fund dinner as a prospect.

9 Q What did she say about him?

10 A She said she thought -- I think the first time I
11 heard her comment on him, that she thought he might give a
12 large sum of money -- I have forgot how much, \$50,000 or
13 \$100,000 -- I also remember a million dollars floating around
14 as a number -- but that he would be a good prospect for a
15 large contribution.

16 Q Did she indicate her source of knowledge about [REDACTED]

17 [REDACTED]

18 A No.

19 Q All she said is that he was a potential source for
20 a large contribution?

21 A I think she phrased it that she could get a large
22 contribution from him.

UNCLASSIFIED

UNCLASSIFIED

- 1 Q And that comment by her to you had occurred about
2 the time of the Refugee Fund dinner?
- 3 A Yes.
- 4 Q That had been in April of 1985?
- 5 A Yes.
- 6 Q When did you first include [REDACTED] in
7 your To-Do List?
- 8 A I do not know. I would have to look in her and see.
- 9 Q Well, this one is for March 15, 1986. Would you
10 turn to the preceding one of March 8, and I guess [REDACTED]
11 appears on Page 9 of that one.
- 12 A (Witness peruses document.)
- 13 Q So you pointed out that [REDACTED] at
14 least appears as early as January 15 of 1986.
- 15 A Well, it could have been earlier. We could look in
16 the earlier books, as well. It has been carried over for a
17 long time.
- 18 Q Do you recall if you included [REDACTED]
19 in your list? Let me rephrase that question.
- 20 When you started making these lists, am I correct
21 that you recalled that she had mentioned [REDACTED]
22 as a possible source?

UNCLASSIFIED

ed209

209

UNCLASSIFIED

1 A Yes.

2 Q And that is what prompted you to include his name
3 on the list?

4 A Yes.

5 Q Now, had you been aware, or were you ever aware,
6 until it appeared in press reports, that individuals in the
7 Administration had spoken to [REDACTED] about a
8 contribution?

9 A No.

10 Q Now, Entry 13, on Page 10 of the March 15 outline,
11 is Boone Pickens and that, again, has the parenthetical
12 reference "(Greene contract referral)." We spoke earlier
13 about Boone Pickens, and I believe you testified that he was
14 an individual that Colonel North had known of.

15 A Yes.

16 Q But you did not believe he had any sort of personal
17 relationship with Pickens.

18 A As far as I know.

19 Q Did that remain true as of March 15, 1986, when you
20 made this entry?

21 A As far as I know. He's never -- I mean I never
22 heard from him that he --

UNCLASSIFIED

UNCLASSIFIED

1 Q Why did you call him a "Greene contact"? I just do
2 not understand that phrase, "Greene contract referral."

3 A Oh. It means my -- I got it through a contact with
4 Greene.

5 Q Colonel North?

6 A Yes. In other words, it is not -- I understand the
7 dilemma here, but it does not mean that it is Greene's
8 contact. It means that I got it through.

9 Q All right. Now, item Roman XIV is "Administration,"
10 and under that you have, again, Number 19 on Page 12, which
11 says, "Roy Godson," and then again a parenthetical reference,
12 "(Greene contract referral)."

13 What is the reason for the appearance of Mr.
14 Godson's name there?

15 A Well, this entry is a carryover from previous
16 entries.

17 Q Right.

18 A So maybe your question is, "How did it get there the
19 first time?" but I think you asked me that before.

20 Q Well, let me ask you again. I will try not to
21 repeat things --

22 A No, no. I am not quarreling with your right to ask

UNCLASSIFIED

ed211

UNCLASSIFIED

211

1 me multiple questions. I am merely wondering -- I mean the
2 answer is not any different from before, because when it
3 originally appeared on there was when he mentioned it to me.

4 Q I am not clear yet on what Mr. Godson's role was to
5 be with respect to the subject of administration. You enter
6 his name under the general heading "Administration," and then
7 under that there is a subheading "ACT/NEPL Administration."

8 A Well, the way we were handling this was not to call
9 him directly. We had asked Rich Miller to contact Roy Godson
10 to set up an appointment for us. And he did that, and it did
11 not happen. Roy didn't want to meet with us. So, actually,
12 it should have been -- it shouldn't have been under
13 "Administration," it should have been under "Rich and Frank."

14 Q I am still ~~now~~ clear, Mr. Conrad, -- and maybe this
15 is my fault, but I am still not clear why you wanted to meet
16 with him.

17 A Well, I do not know -- to be frank, I cannot
18 remember, I cannot remember the original reason that Colonel
19 North told us to get in touch with him. I just do not
20 remember. But it never happened.

21 Q What did you understand Mr. Godson's position to be
22 at this time?

UNCLASSIFIED

ed212

UNCLASSIFIED

212

- 1 A Actually, I don't know if I have ever known.
- 2 Q Have you ever met him?
- 3 A No.
- 4 Q Do you know if Mr. Channell has ever met him?
- 5 A I do not know if he has.
- 6 Q He never indicated to you that he had, Mr. Channell?
- 7 A Well, not to my recollection.
- 8 Q The number besides Mr. Godson's name, [REDACTED] is .
- 9 that what you understand to be his home number?
- 10 A I guess. That is why I have it there.
- 11 Q If you would turn to the next outline, March 31,
- 12 1986, and turn to Page 6, which begins with a Roman X,
- 13 "Greene," and under that, the letter "B" again appears, "Roy
- 14 Godson," and there is a different phone number, [REDACTED]. Do
- 15 you recall why the number changed?
- 16 A (Witness peruses document.)
- 17 Obviously, I did not correct my own records, because
- 18 on page 15 of that same outline, Item 21, I carry the other
- 19 phone number along with it. The phone number on page 7 was
- 20 given to me by, I believe, Fawn Hall, and I did not correct it
- 21 from before. I do not know where I got the phone number
- 22 before.

ed213

213

1 Q Okay. What is the reason, then for the second
2 entry for Mr. Godson on Page 7?

3 A It came as a result of a meeting that I had with
4 Colonel North.

5 Q And that occurred between March 15 and March 31,
6 1986?

7 A Apparently.

8 MR. MCGOUGH: Let me just interject -- are you
9 speaking of the "International Lawyer in Geneva" entry?

10 MR. FRYMAN: Yes. The entry at the top of the
11 page, "B. Roy Godson."

12 MR. MCGOUGH: Oh, I am sorry. When you said, "The
13 second entry," you mean the second entry of the name "Roy
14 Godson." I wasn't sure what entry you were referring to.
15 Obviously, Mr. Conrad knew; I just didn't.

16 MR. FRYMAN: There is a second entry that he has
17 referred to that is on Page 15, which is the carryover from
18 the prior outline.

19 MR. MCGOUGH: Right. So when you said, "second
20 entry," what you meant was the entry of the name "Roy Godson"
21 on Page 7?

22 MR. FRYMAN: That is correct.

1 BY MR. FRYMAN:

2 Q Now, this entry was a result of a meeting you had
3 with Colonel North, you believe between March 15 and March
4 31, 1986?

5 A Yes.

6 Q What did he say about Roy Godson in that meeting?

7 A Well, I do not recall.

8 Q What was the reason you made this entry on Page 7,
9 under the heading "X. Greene"?

10 A (Witness peruses document.)

11 Well, I have a problem here, because I cannot -- I
12 did not remember, at the time he told me, why I was writing it
13 down. I went to Rich Miller subsequently and I said, "I do
14 not know why Colonel North is referring these people to us."
15 He said, "Don't worry about it. I will check in with him to
16 find out about it."

17 Q And what happened?

18 A Nothing happened.

19 Q Now, beside Mr. Godson's name, there is some
20 handwriting in a box that appears to be "International layer
21 in Geneva."
22

A Yes.

UNCLASSIFIED

ed215

215

UNCLASSIFIED

1 Q Is that your handwriting?

2 A Yes.

3 Q What does that refer to?

4 A Colonel North -- this is in the context of worldwide
5 fundraising and setting up an English foundation, British
6 foundation, and I was interested in finding out how we could
7 go about this. I said -- I was not sure we were going about
8 it properly, because our attorneys did not know a lot about
9 international foundations, and he said, "Well, when you get
10 finished with setting it up, or the plan for setting it up,
11 whatever, or if you do not have any luck in setting it up, I
12 might refer you to an international lawyer in Geneva."

13 Q Well, now who is "he"?

14 A Colonel North.

15 Q All right. Why is that entry by Mr. Godson's name?

16 A I was just taking notes in that area.

17 Q You do not believe that refers to Godson?

18 A No.

19 Q Turn to the April 5, 1986, outline, particularly
20 Pages 8 and 9. At the bottom of Page 8, you have an entry,
21 "See Roy Godson," and then a subentry under that, "1. Maybe
22 Greene will refer us to an international lawyer in Geneva."

UNCLASSIFIED

ed216

216

UNCLASSIFIED

1 A (Witness peruses document.)

2 Yes.

3 Q Now, the fact that the reference to an international
4 lawyer is a subentry to the name Roy Godson suggests, does it
5 not, that the reference to an international lawyer has some
6 relation to Mr. Godson?

7 A It appears that way from the outline, but I do not
8 recall any such relationship.

9 Q You have no recollection of ever meeting Mr. Godson?

10 A No.

11 Q Have you ever spoken with him on the phone?

12 A No. Well, wait a minute. Maybe I did speak with
13 him on the phone one time. No, wait a minute -- I am getting
14 him confused with Rob Owen, who I did speak with one time on
15 the phone, and then I later met once.

16 Q Were you aware that Mr. Godson had been involved in
17 fundraising efforts for entities in Nicaragua?

18 A I am sorry; say that again.

19 Q Were you aware that Mr. Godson had been involved in
20 fundraising efforts for entities in Nicaragua?

21 A No.

22 Q No one ever told you that?

UNCLASSIFIED

ed217

217

UNCLASSIFIED

1 A No.

2 Who did you say, again? Godson?

3 Q Yes.

4 A No. No.

5 Q So returning to the March 31 outline, Page 7, the

6 reference to "international lawyer in Geneva" in your

7 handwriting, you believe, is a note of a conversation you had

8 with Colonel North?

9 A Yes.

10 Q Now, is there any significance to the fact that you

11 drew a box around that entry?

12 A No.

13 Q You have boxes around some entries, and others you

14 do not have boxes around.

15 A My idiosyncrasies.

16 Q There appears to be a line, to the left-hand side

17 of the box, surrounding "international lawyer in Geneva"?

18 A Yes.

19 Q Is there any significance to that?

20 A (No response.)

21 Q The line appears to be drawn toward the entry "Roy

22 Godson," appears to me to be. Does that also appear to you

UNCLASSIFIED

ed218

UNCLASSIFIED

218

1 to be the case?

2 A Well, it is just the way I take notes. I mean I do
3 not know how to put that, else.

4 Q Looking at that box and that line, does that
5 refresh your recollection that that entry relates to Roy
6 Godson in some way?

7 A (Witness peruses document.)

8 Well, it may relate to it, but I do not recall what-
9 the relationship is if, indeed, there is one.

10 Q Why did you ask, or why did you discuss with
11 Colonel North the subject of a European lawyer?

12 A I do not think I did.

13 Q Well, I think you said that these are notes of a
14 conversation that you had with Colonel North, and he mentioned
15 an international lawyer in Geneva.

16 A Yes, but I did not. I did not ask him.

17 Q How did the subject come up?

18 A Oh, as I said before, in the context of us wanting
19 to -- we had a -- what do you call it -- a plan, thought --
20 something that was never acted on -- to set up a foundation
21 outside of this country.

22 Q Well, in this conversation with Colonel North, did

3 conversation?

4 A He raised it.

5 Q Do you know what prompted him to raise the subject?

6 A I have no idea.

7 Q Had he been aware of your plans for the worldwide
8 fundraising?

9 A That was -- the subject matter that I was discussing
10 with him was our plan, and I wanted to get -- what do you
11 call it -- his opinion about how -- were we doing this
12 correctly, and I did not know, and I was not sure who our
13 advisers were.

14 Q What did you think -- why did you think Colonel
15 North would have any greater expertise in international
16 fundraising than you would have?

17 A Well, I did not.

18 Q Then why were you raising the subject with him?

19 A Because I thought he had expertise in things
20 international, which we did not.

21 Q Why did you think he had expertise in things
22 international?

1 A Because he was flying around the country -- flying
2 around the world all the time.

3 Q Did he recommend a lawyer in Geneva?

4 A No.

5 Q Ever?

6 A No.

7 (Interruption to proceedings.)

T1S2 8 BY MR. FRYMAN:

9 Q Did he ever mention Mr. Zucker to you?

10 A I have never heard the name.

11 Q Also in this March 31, 1986, outline, Mr. Conrad,
12 on Page 2 --

13 A On which outline?

14 Q On the March 31, 1986, outline, on Page 2, which is
15 under the general heading of "Artiano and Fischer," there is
16 an entry for, first, an "RR letter," and then a "Greene
17 letter of recommendation for Wesley Smith."

18 Who was Wesley Smith?

19 A He was a researcher.

20 Q He worked for NEFL?

21 A I think -- he did at one time; at this time, no.

22 Q And this is a letter of recommendation for law

1 school?

2 A Yes.

3 Q Did you get such a letter from Colonel North?

4 A No.

5 Q Was a draft submitted for Colonel North's signature?

6 A I am not sure if that ever was done. If so, I did
7 not do it.

8 Q The next entry there is "RR meetings," under
9 "Artiano and Fischer," and the names of Garwood, Bunker Hunt,
10 Patty Beck and May Dougherty King. Was that meetings with
11 the President that you sought to have arranged?

12 A Yes.

13 Q Did you understand these meetings were to be under
14 the financial arrangement you described that had been worked
15 out with Mr. Artiano and Mr. Fischer?

16 A I cannot recall at this date which monetary thing
17 was in -- which monetary arrangement was in force. I would
18 have to look at my other records.

19 Q One monetary arrangement was \$50,000 a meeting?

20 A Yes.

21 Q What was the other one?

22 A \$20,000 a month retainer, and it just included all

1 kinds of activities.

2 Q Including setting up meetings with the President?

3 A Yes.

4 Q Returning, on Page 6, to the entries with respect
5 to Greene or Colonel North, the first entry is, "Get back-
6 ground information packet on Saudi arms sale from Greene,"
7 and then there is a handwritten note, "Ollie, work with Jim
8 to get unclassified package together."

9 I take it, that is your handwriting?

10 A Yes.

11 Q What does that entry refer to?

12 A The typewritten or the handwritten?

13 Q Well, do they both refer to the same thing?

14 A Well, the "A" was a request by us to get some
15 information on a proposed sale of arms to Saudi Arabia, and
16 we had attending a briefing in the White House on that
17 subject.

18 Q What was your interest in that subject?

19 A We were considering it for a possible program that
20 we might do.

21 Q What does the handwritten note refer to ?

22 A My notes with Colonel North, a meeting with Colonel

1 North, and he said he would work with Jim, who I do not
2 remember at the minute who that is, to get a unclassified
3 package of information together on the arms, so we could
4 decide whether or not we wanted to do the program.

5 Q All right. Now also under the section "Greene,"
6 there is an item "D," which reads "Will recommend executive
7 director for Western Goals."

8 Were you asking Colonel North to recommend an
9 executive director for Western Goals?

10 A Yes.

11 Q Why were you asking him?

12 A We were thinking that we wanted to have a European
13 person to be the executive director but be resident in the
14 United States, and we thought he might know somebody.

15 Q Did he recommend someone?

16 A No.

17 Q What is the handwritten note -- is it "Sven
18 Kraemer," S-V-E-N, K-R-A-E-M-E-R?

19 A Yes.

20 Q What does that refer to?

21 A Well, he works at the National Security Council,
22 and we wanted to discuss with him SDI.

UNCLASSIFIED

ed224

224

1 Q That note is not related to the note concerning an
2 executive director for Western Goals?

3 A No.

4 Q On that same page you have another handwritten note
5 which reads, "O'Boyle: Douglas process for oil extraction
6 from low producing wells." What does that entry refer to?

7 A Colonel North said the next time I spoke with Bill
8 O'Boyle I might mention to him that he knew someone -- he,
9 Colonel North, knew someone who had a technique for getting
10 oil out of low producing wells, called the "Douglas process,"
11 and if O'Boyle was interested, he would put him in touch with
12 the guy.

13 Q Did you speak to O'Boyle about that?

14 A I did not -- I asked -- at that time I did not know
15 what O'Boyle's oil business was about. I mean I did not know
16 what kinds of wells he had and what kind of extraction he was
17 involved in, and this and that. And after -- I did discuss
18 with him the nature of his wells, and it turns out that he
19 was not interested in this particular process.

20 Q Did Colonel North indicate to you the source of his
21 knowledge about this Douglas process?

22 A No.

1 Q How did the subject com up in this meeting?

2 A Out of the sky. I mean it was not preceded by
3 anything nor was it followed by anything. It just arose. He
4 brought it up.

5 Q Now, Item E there reads, "Call Dick Stone (banker),
6 contributor prospect." Who is Dick Stone?

7 A I guess he is a banker.

8 Q Do you know?

9 A I haven't any idea.

10 Q Where did you get the name?

11 A From Ollie North.

12 Q Do you know if Dick Stone had been, at one time, a
13 member of the U.S. Senate?

14 A I haven't any idea.

15 Q Was this a name that Colonel North was giving to
16 you for you or someone in your organization to call?

17 A Yes.

18 Q What is the note under that, refer to, which reads,
19 "Have Fawn call him first," and then, "Have Ollie."

20 A It means, "Have Fawn have Ollie call him first."

21 Q What was the purpose of that call to be?

22 A So that he would take -- so that Dick Stone would

1 take the call from us.

2 Q But you had no idea who he was, other than he was a
3 banker?

4 A That is right.

5 Q Under that is Item F, "Calls to make," and there is
6 a list of several individuals. Are these calls that Colonel
7 North was suggesting that you make, or someone in your
8 organization?

9 A No.

10 Q What does that entry indicate then?

11 A It is calls that he is supposed to make. Colonel
12 North is supposed to make those calls.

13 Q Well, as I understand a number of these items under
14 this general entry, Mr. Conrad, these are things that Colonel
15 North is telling you to do; such as Item E, you are to call
16 Dick Stone.

17 I am not quite clear of the organization of this
18 item. Is this a combination of things Colonel North is to
19 do, that you are asking him to do, and a combination of
20 things that he is asking you to do?

21 A It is a combination.

22 Q Item G is a "Trip to Dallas and Corpus Christi."

1 Did that trip occur?

2 A No.

3 Q Why not?

4 A I have no idea.

5 Q Going back to F, you were suggesting then that

6 Greene call Garwood, Ramsey and David and Paula Warm?

7 A Yes.

8 Q What was the reason for those calls?

9 A Part of a thank-you process.

10 Q Then out to the left, there is a further handwritten
11 note, "Calls," and that has "Ramsey, Garwood, Bunker and
12 Giddens," and then Bill O'Neil's name in a box. What is the
13 reason for those notes?

14 A Well, as I recall, they were phone calls for Ollie
15 to make, and he indicated that he had already talked to
16 Ramsey.

17 Q Is that the significance of the check mark?

18 A Yes.

19 Q Over on the right-hand side of that page, there is
20 a name -- is that "Sasakawa"?

21 A Yes.

22 Q What does that mean?

UNCLASSIFIED

UNCLASSIFIED

ed228

228

- 1 A He is the wealthiest man in Japan.
- 2 Q Did Colonel North mention his name to you?
- 3 A No.
- 4 Q Why is that entry there then?
- 5 A I wanted him to -- we wanted to go solicit Mr.
- 6 Sasakawa in Japan, and we wanted to bring Sasakawa to meet
- 7 with the President. And we wanted to check before we went
- 8 into that whole process whether there were any problems with
- 9 Sasakawa because we did not know him, so we asked Ollie and
- 10 he said he would check on it.
- 11 Q What happened?
- 12 A I later found out that Sasakawa had -- I think they
- 13 put it "Mafia connections" in Japan and, therefore, he could
- 14 not meet the President, so we did not go to Japan.
- 15 Q You learned that from Colonel North?
- 16 A I think Fawn Hall told me.
- 17 Q Now, under the name SasaKawa, there is some
- 18 additional writing, which I believe is in your handwriting; is
- 19 that correct?
- 20 A Yes.
- 21 Q Would you read that for the record?
- 22 A It says, "Congressman from middle Texas re

1 contributor prospect."

2 Q What is in the next entry?

3 A "Secretary of State referral re Abrams."

4 Q What does the first entry with regard to the
5 Congressman from middle Texas refer to?

6 A Colonel North said that there was a Congressman
7 from middle Texas, whose name he could not remember, who had
8 a contributor prospect who we should solicit, and I should
9 remind him so that he could follow up on it and get the name.

10 Q Did you?

11 A Yes, but I never got the name.

12 Q That was the end of that matter?

13 A Yes.

14 Q What does the next item refer to, "Secretary of
15 State referral re Abrams"?

16 A Colonel North said that the Secretary of State had
17 been at a meeting -- function, I don't know, something, --
18 and a contributor prospect had come up -- a person had come
19 up to the Secretary of State and said, "I am interested in
20 giving money to the Freedom Fighters in Nicaragua," and he
21 was referred to Elliott Abrams. And Colonel North said that
22 he had told someone -- I do not know who -- to call us and

2 it.

3 Q So the potential contributor had spoken to the
4 Secretary of State?

5 A That is what I was told.

6 Q The Secretary of State had spoken to Mr. Abrams?

7 A Yes.

8 Q Mr. Abrams had spoken to Colonel North?

9 A Well, that is unclear. That is fuzzy in my head.

10 Q But in some way or other, there was a communication
11 between Mr. Abrams' office and Colonel North's office?

12 A Yes.

13 Q Then Colonel North raised the matter with you?

14 A Well, just to tell me -- just to notify me that
15 when I got a strange phone call from somebody, saying that
16 they had been referred by, I guess, the State Department or
17 whatever, that we would know what it was about.

18 Q All right. Did you ever speak with Mr. Abrams
19 about such a contributor?

20 A No.

21 Q I take it, you never spoke with Secretary Schultz
22 about such a contributor?

1 A No.

2 Q We will come back to that item later on.

3 On the preceding page of that outline, on Page 6,
4 Mr. Conrad, there is an entry with regard to the heading,
5 "Terrorism Film," which states, "Develop concept for new
6 film: (Greene's strategy, turn terrorists factions against
7 each other, like Mafia in-fighting.)" What does that refer
8 to?

9 A Well, I am vague on the details of it, but it is
10 basically, we wanted to do a new film, and this was -- who
11 needs a new film on terrorism? I mean there is 8 billion of
12 them, so we wanted to have a new strategy for the film, a
13 concept for the film. We asked Colonel North what he thought
14 we should do, and he told us.

15 Q Was this something you discussed with him on more
16 than one occasion?

17 A Possibly. I do not recall the frequency with which
18 we did it.

19 Q What developed out of these discussions? Was there
20 such a film made?

21 A No.

22 Q Was any action, further action, taken toward

2 A Oh, I think we had the advertising film firm that
3 we used, Robert Goodman Agency, prepare a treatment.

4 Q And that was it?

5 A Yes.

6 Q Now, moving ahead to the April 5 outline again --
7 well, let me just ask you one further question on the March
8 31 outline. I am sorry, go back again to Page 7.

9 There is a reference to Rob Owen there which, I take
10 it, is in your handwriting?

11 A Yes.

12 Q What is the basis for that reference?

13 A As I mentioned before, I do not recall -- I did not
14 recall at the time, I mean immediately after the meeting, why
15 he was being mentioned to me, and I asked Rich Miller to find
16 out.

17 Q And Rich said?

18 A He would.

19 Q What did he say to you?

20 A Basically, that Roy Godson did not want to meet
21 with us, and I have forgotten what he said about Rob Owen.
22 But anyway, nothing ever happened with either of them.

1 film, there is a reference there to meeting with Terry Arnold
2 and Neil Livingston, referred by Greene. What was their role
3 to be in this film?

4 A Oh, I do not know that they were going to have any
5 role in it. The thought was, at the time, -- my thought --
6 was that they might be able to help us to put it together,
7 conceptually.

8 Q Why did you think they would be able to help?

9 A Because they were experts on terrorism.

10 Q All right. Now, turning again to the April 5
11 outline, Page 9, Item K is "Secretary of State contributor
12 referral, see Elliott Abrams."

13 Was that entry drawn from your handwritten note on
14 the preceding outline?

15 A Yes.

16 Q And we have already talked about Item C-1 at the
17 top, "Maybe Greene will refer us to an international lawyer
18 in Geneva," and that is also similar to a handwritten note on
19 your earlier outline.

20 A Yes.

21 Q And you do not recall, at this point, how that
22 entry is related to Roy Godson, if at all?

UNCLASSIFIED

UNCLASSIFIED

1 A Oh, no, I do not.

2 (Pause.)

3 Q Turning to the April 14 outline, Entry Roman III is
4 "David Fischer."

5 A Page?

6 Q Page 5. Under that, there is an entry, capital "C.
7 RR Meetings," and under that is "Bunker Hunt, Patty Beck and
8 May Dougherty King."

9 Beside their names is a handwritten note which
10 appears to read, "DLC to privately discuss with David."
11 Whose handwriting is that?

12 A Spitz Channel.

13 Q What does that refer to?

14 A It refers to Item D, the RR meeting with CRC and
15 DLC to discuss Future of Conservatism Study."

16 Q It does not refer to Item C?

17 A No.

18 Q How do you know that?

19 A Because there is a line drawn -- there is a circle
20 drawn around the D.

21 Q Why was that a subject that was to be discussed
22 privately with David?

UNCLASSIFIED

ed236

UNCLASSIFIED

236

1 A Because we wanted to -- the Future of Conservatism
2 Study, we wanted to involve -- we wanted to have the President
3 make an address at a conference that we wanted to hold on the
4 Future of Conservatism, and we were going to do a study
5 first, called The Future of Conservatism, which would be a
6 polling of well known conservatives. And we wanted to have
7 David arrange to get us in to show the results of the study
8 to the President.

9 Q But again, I am not clear why this is something
10 that had to be privately discussed with David. Is there any
11 significance to the phrase, "Discuss privately with David"?

12 A The only significance is that I was the chief
13 liaison, increasingly, with -- I mean it did not start out
14 this way but it ended up this way, with David Fischer, and so
15 in other words, this was a note not to discuss this in a
16 public meeting.

17 Q All right.

18 A So that when I had private meetings with him, I
19 needed to discuss it.

6 A Yes.

21 see Colonel North.

22 Q Was a meeting held about this time between Colonel

2 A I would have to consult my records.

6 with the same date, April 21, 1986. The page I am referring

8 Is this also a list that you prepared?

9 A Yes.

10 Q And the notes on the right in handwriting, are they
11 your notes?

12 A Yes.

13 Q Now, there is an entry which reads, "Ellen is
14 \$60,000 short, cut from us," and the "us" is underscored.
15 What does that refer to?

16 A (Witness peruses document.)

17 Ellen Garwood was sending us contributions, and she
18 did not send us as much as she had promised, she was \$60,000

- 5 Q What do these notes reflect?
- 6 A Spitz Channell's instructions.
- 7 Q So you were to draw a check to International

- 9 from Mrs. Garwood, plus \$60,000, and the additional \$60,000
- 10 was to be drawn from general funds of NEPL?

- 14 A I do not recall whether she was or not.
- 15 Q At the top of that page, to the left, there is an
- 16 entry in handwriting, "Greene dinner Thursday, May 1, 7:00 to

- 18 A I do not remember.
- 19 Q Over on Page 10, there is again the entry, Roman

2 Q Does the repetition of that entry indicate that you
3 had not yet, when you prepared this To-Do List, received the
4 message from Mr. Miller that Mr. Godson did not want to meet
5 with you or speak with you?

6 A Yes.

7 Q Do you have any further recollection as to whether
8 there is a relationship between Mr. Godson and the reference
9 to an international lawyer in Geneva?

10 A The best I can say at the moment is that they both
11 related to the same general overall topic which was, as I
12 mentioned before, our setting up of an international found-
13 ation. But I do not remember what Roy Godson had to do with
14 anything.

15 Q That was my question, what was Mr. Godson to have
16 to do with the setting up of an international foundation?

17 A I thought your question was, how was Roy Godson
18 related to an international lawyer in Geneva.

19 A Well, I think you may be correct, that was the
20 question. But there was a further general question as to why
21 you were conferring with Mr. Godson.

22 A I did not confer with Mr. Godson.

UNCLASSIFIED

ed241

UNCLASSIFIED

241

1 Q Or why Mr. Godson appeared on this list. And is
2 one reason that he appears is that he was to be a source of
3 information about international fundraising in some respect?

4 A It is possible but, again, I mean it would be very
5 unlikely for us to ask somebody for fundraising advice,
6 internationally. I mean, as near as I can recall, it has to
7 do with the setting up -- it is the logistical setting of it
8 up. It is not fundraising, per se.

9 Q Is it now your recollection that Mr. Godson's name
10 appears here because you were trying to confer with him, in
11 some way, about the setting up of an international fundraising
12 organization? Or do you recall why his name appears here?

13 A His name appears here because Colonel North
14 referred him to us, but I do not remember why he referred him
15 to us. But this took place in the context of -- this whole
16 conversation took place in the context of us wanting to set
17 up an international foundation. I just do not remember what
18 Roy Godson had to do with it.

19 Q All right.

20 A And so did the international lawyer in Geneva have
21 to do with that.

22 Q If you will turn to Page 12 on this outline,

UNCLASSIFIED

1 Mr. Conrad, those entries appear under the general heading,
2 Roman V, "Western Goals," and under that there is a sub-
3 heading, "Talk with Western Goals-Europe," and then under
4 that there is an Item 8, "Get a multi-national corporate
5 lawyer," and then you continue, "Penn Kemble suggestions, he
6 will arrange lunch," then you continue, "Roy Godson."

7 What do those entries refer to?

8 A (Witness peruses document.)

9 Well, we wanted to -- Western Goals had a branch in
10 Germany, and one -- sort of a branch, a quasi-branch -- I do
11 not know what you call it -- in Great Britain, and we wanted
12 to set them up in countries all over the world. So we wanted
13 to get a multi-national corporate lawyer, an international
14 lawyer, better said, to tell us how to do that. This
15 different from the foundation that we were talking about
16 earlier.

17 And we asked Penn Kemble who he -- I mean we told
18 him about this problem, and he suggested that we talk with
19 these people, and he would arrange these luncheons with them.

6 A No.

7 Q What happened?

8 A It was one of the things we never got to.

9 Q Mr. Conrad, in this outline on April 21, as we have
10 looked previously at Page 10, there is the reference to Mr.
11 Godson and under that a subheading about an international
12 lawyer in Geneva, and then on Page 12, there is a second
13 reference to Mr. Godson in connection with an entry about a
14 multi-national corporate lawyer.

15 Do those entries refresh your recollection at all
16 about Mr. Godson's role in the international lawyer, or
17 obtaining an international lawyer?

18 A No. I mean I didn't even connect that I had them.
19 I mean he did not ever make an impression on me because I
20 never met the man, I never talked to him, anything, and I
21 would have put the two entries -- I think I would have put
22 the two entries close together if I had realized who we were

1 even speaking of.

2 Q Did you ever meet Midge Decter?

3 Q X Did you ever meet Jean Kirkpatrick?

4 A No.

5 Q Mr. Conrad, on that same page, on Page 12, there is
6 also a reference to Jerry Cassidy. Who is he?

7 A He is the owner of -- I think the name of the firm
8 is Cassidy and Company.

9 Q What do they do?

10 A Lobbyists.

11 Q Under his name is the entry, "We're setting up an
12 international network." What do you mean by that reference?

13 A Well, it had to do with Western Goals. Just as I
14 have mentioned before, we want to set up branches in other
15 countries.

16 Q What was Mr. Cassidy's role to be in that?

17 A We wanted to ask him what he thought we should do.

18 Q Did he tell you?

19 A I do not think we ever discussed it with him.

20 Q Turning to the outline for April 27, Roman IV on
21 Page 10 is an entry for "Greene," and under that, capital A,
22 there is a description of Greene Meeting with Bruce Hooper on

1 Wednesday, April 30, from 9:30 to 10:00 a.m.

2 What does that entry refer to?

3 A (Witness peruses document.)

4 Bruce Hooper was scheduled to have a meeting with
5 Colonel North on Wednesday, April 30th, between 9:30 and
6 10:00 a.m.

7 Q What was the reason for that meeting, as you
8 understood?

9 A Private briefing.

10 Q Had Mr. Hooper requested such a meeting?

11 A I do not know who had requested it.

12 Q What were you told about that meeting?

13 A My recollections are very vague about it.

14 Q Did you discuss that with Jane McLaughlin?

15 A I may have.

16 Q Do you recall such a discussion?

17 A No.

18 Q On the next page, Page 11, there is Item N, "Greene
19 Dinner, Thursday, May 1, 7:00 to 7:30 p.m.," and then a
20 handwritten note, "With whom." Is that entry a carry-forward
21 of your handwritten note on the earlier outline that we
22 discussed a minute ago?

UNCLASSIFIED

246

UNCLASSIFIED

1 A Yes.

2 Q Who wrote the "with whom" there?

3 A Spitz Channell.

4 Q What do you recall about that entry?

5 A Nothing.

6 Q The next entry, Roman V, is "PRODEMCA Conference,"
7 and under that you have, "Contact Fred Sacher for funding,"
8 and then under that, "Proposal due this week from Penn
9 Kemble." What does that refer to?

10 A Well, we wanted a proposal from Penn Kemble to put
11 on a conference, but I do not remember the -- I do not
12 remember whether he submitted a proposal or he didn't.

13 Q What was to be the subject of the conference, if
14 you recall?

15 A I do not remember. It is one of those projects
16 that never went anywhere, so I do not recall.

17 Q Moving ahead to June 6, and Page 3, there is an
18 entry under the general heading "Jane," which reads, "Greene
19 needs to call Bruce Hooper re \$100,000 and how it will be
20 used." What do you recall about that entry?

21 A I am sorry -- June 6, Page 3? Oh, yes, at the very
22 top of the page.

1 Q Yes.

2 A Under "Jane"? Oh, I see -- previously.

3 Jane, in a meeting, told me that Bruce Hooper was
4 expecting a phone call, and I needed to tell Colonel North to
5 call him about the \$100,000 contribution that he gave, and
6 how it would be used.

7 Q Now, "Jane" refers to Jane McLaughlin, does it not?

8 A Yes.

9 Q And Bruce Hooper was an individual who contributed
10 \$100,000 to NEEL; is that correct?

11 A Yes.

12 Q Now, had you understood that Bruce Hooper intended
13 his contribution to be used for any particular purpose?

14 A I did not have any understanding.

15 Q You were not informed about that?

16 A Well, I may have been, but I do not recall.

17 Q You do not recall.

18 Do you recall Jane asking you to arrange a meeting
19 between Colonel North and Bruce Hooper?

20 A She might very well have, but I do not recall it.

21 Q You have no independent recollection?

22 A I have no independent recollection of that. But it

1 is a normal thing I would do.

2 Q On that same outline, Page 8, which are items under
3 the general heading "David Fischer," which appears on Page 7,
4 there is an entry, "B. Barbara Newington to State Dinner,
5 July date has been reserved." What does that refer to?

6 A I had requested of David Fischer that he arrange to
7 get -- actually, more correctly put, Spitz requested that
8 Barbara Newington get an invitation to a State dinner at the
9 White House, and David said that he would do that, and a July
10 date has been reserved.

11 Q When you say "a State dinner," does that mean a
12 dinner at the White House for a visiting Head of State?

13 A Yes.

14 Q And was Mrs. Newington invited to such a dinner?

15 A No.

16 Q She never was?

17 A No. Not to my knowledge.

18 Q Do you know why not?

19 A I -- it kept getting postponed.

20 Q There is also an entry on that same page, "Ellen
21 needs a thank you from RR, alert David after total is given.
22 CRC to draft thank you note." What does that refer to?

UNCLASSIFIED

UNCLASSIFIED

ed249

249

1 A Ellen Garwood gave a lot of money, and we wanted to
2 get her a thank you letter from the President. We didn't
3 want the thank you note to go to Ellen until after the amount
4 was given that she had promised to give. So this was to tell
5 David -- this is an instruction from Spitz that I am supposed
6 to tell David Fischer, after the total was given, and Spitz
7 was going to draft a thank you note that the President could
8 use as a text.

9 Q What total had she promised to give at this point?

10 A I do not recall.

11 Q But at this point in time, as of June 6, it is your
12 recollection that there was an additional amount due from
13 Mrs. Garwood?

14 A Yes.

15 Q Turning to the outline for June 14, Page 3, Item 14
16 reads, "Penn Kamble, union participation in SDI? Show Penn
17 our latest Freedom Fighter ads." What does that refer to?

18 A (Witness peruses document.)

19 I do not remember about the union participation.
20 The Freedom Fighter ads, we were doing television spots, and
21 we wanted to show them to Penn.

22 Q Why would you be showing those to Penn?

UNCLASSIFIED

UNCLASSIFIED

250

ed250

1 A For his information, because he was very interested
2 in this issue as well.

3 Q Now, these entries are all under the general
4 heading "Rich Miller," Roman II, "Rich Miller," which appears
5 on Page 1. Does that indicate that Mr. Miller is the source
6 of this entry?

7 A No, no, no.

8 Q What does it -- what is it?

9 A It means that they are topics that I need to raise
10 with Rich. Sometimes I would, for example, ask him to
11 coordinate such a meeting.

12 Q What is the source of the notation to show Penn
13 your latest Freedom Fighter ads?

14 A Spitz Channell.

15 Q That is Channel giving you instructions on that?

16 A Both entries are.

17 Q Turning to the outline for July 16, Page 9, there
18 is a list of RR meetings, or proposed RR meetings, and under
19 that is "Mrs. Pierce." Who is Mrs. Pierce?

20 A She is a contributor, lives in Florida.

21 Q Do you recall how much she contributed?

22 A No. I would have to look at my records.

1 Q What was the reason for arranging a meeting between
2 -- or attempting to arrange a meeting between Mrs. Pierce and
3 President Reagan?

4 A Spitz's⁵ call.

5 Q He just asked you to do this?

6 A That is right.

7 Q Then Item 6 was the "CAFP small group thank you."
8 Is that a group meeting with the President that was proposed
9 for the individuals listed under that?

10 A Yes.

11 Q Is that small group meeting the successor concept
12 to the "group grope" entry in the earlier outlines?

13 A No.

14 Q What is the difference between a "group grope" and
15 a "small group thank you"?

16 A This is a larger group.

17 Q I mean are both basically the idea of a small group
18 meeting with the President?

19 A Yes.

20 Q Turning to the July 23 outline -- off the record.

21 (Discussion held off the record.)

2 Q On the July 23, 1986, outline, Page 7, which is the
3 control number Page 20276, there are several entries with
4 respect to Barbara Newington under the general heading,
5 "David Fischer." One is, "Meet with RR for signing of Contra
6 aid bill."

7 Did that occur?

8 A No.

9 Q Why not?

10 A It is one of those things that didn't happen.

11 Q The next is, "private meeting with Greene." Do you
12 know if that occurred?

13 A Well, she did meet frequently with him; I do not
14 remember whether on this date.

15 Q All right. The next item is "Larry McDonald
16 Brigade report from Rich, and films and photos." What does
17 that refer to?

18 A Mrs. Newington had made a large contribution to the
19 Larry McDonald Brigade, to be used for the Larry McDonald
20 Brigade, and we wanted to give her an updated report on the
21 Brigade itself.

22 Q Now, was that contribution made through NEPL?

UNCLASSIFIED

ed253

UNCLASSIFIED

253

1 A Yes.

2 Q What was the Larry McDonald Brigade?

3 A Well, an artificial -- I do not -- I am not
4 positive. I never saw it. My understanding was it was a,
5 you know -- what do you call it -- a military unit in the UNO
6 Forces.

7 Q What did you understand her contribution was to
8 accomplish, with respect to this Brigade?

9 A Well, she was like underwriting the support for
10 that particular unit.

11 Q Was she buying supplies for the unit?

12 A Yes.

13 Q Including military supplies?

14 A It was never specified. As a matter of fact, I do
15 not think -- I remember us discussing particularly boots and
16 uniforms and food, and I do not recall whether we discussed
17 weapons or not.

18 Q Who came up with the idea of the Larry McDonald
19 Brigade?

20 A I am foggy on the point. I think Spitz Channell
21 originally recommended it, but it might have also -- might
22 have been already in existence. I am just not positive.

UNCLASSIFIED

ed254

T2S2 1 Q Do you know if anyone else contributed to that
2 Brigade, other than Mrs. Newington?

3 A I believe that Western Goals -- before we took over
4 Western Goals, they had, unbeknownst to us, had a project to
5 raise money for them, and so I think they had quite a number
6 of contributors. But I do not know that for a fact.

7 Q Did you participate in meetings with Mrs. Newington
8 about contributions to the Larry McDonald Brigade? I said,
9 "meetings." I mean a meeting or meetings.

10 A I am trying to recall. Well, I remember discussing
11 with Mrs. Newington sort of the status of the Brigade. I was
12 present when that happened, at least on one occasion. There
13 may have been other occasions, but I do not recall.

14 Q On the one occasion, how many other people were
15 present?

16 A Spitz Channell.

17 Q Just the three of you?

18 A Just the three of us, yes.

19 Q Colonel North was not present?

20 A No.

21 Q Now, there is also an entry here about a "Greene
22 weekend in Connecticut," and I take it, that refers to the

1 weekend that Colonel North visited Mrs. Newington at her home?
2 A Yes.
3 Q Were you present?
4 A Yes.
5 Q And Mr. Channell was present?
6 A Yes.
7 Q And Colonel North's family?
8 A Yes.
9 Q Did Colonel North travel to Connecticut by private
10 plane for that weekend?
11 A Yes.
12 Q Who paid for the plane?
13 A NEPL.
14 Q Did you travel on that plane also?
15 A No.
16 Q How did you travel?
17 A Commercial airline.
18 Q On Page 11 of this July 23, 1986, outline, there is
19 a reference to the Gulf and Caribbean Foundation, and Dan
20 Kuykendall.
21 A Kuykendall.

- 4 A I do not remember.
- 5 Q Had they been involved in the CAFP Program?
- 6 A I do not think so.
- 7 Q All right. What did you understand Mr. Kuykendall's
8 involvement with NEPL was? What was Mr. Kuykendall to be
9 doing for NEPL?
- 10 A Well, I do not know how to say it. He is a --
- 11 Q Was he a consultant?
- 12 A He is a consultant, yes.
- 13 Q About what?
- 14 A Well, politics, generally. I do not know how to --
15 politics. I do not know how else to say that.
- 16 Q Was he on a monthly retainer?
- 17 A Yes.
- 18 Q How much?
- 19 A It varied over time. I do not know what it started
20 out at.
- 21 Q Now, what was the relationship between NEPL and the
22 Gulf and Caribbean Foundation?

UNCLASSIFIED

ed257

UNCLASSIFIED

257

1 A Nothing.

2 Q What did you understand the relationship between
3 Mr. Kuykendall and the Gulf and Caribbean Foundation to be?

4 A Dan was, I think, the Executive Director or their
5 -- maybe not. Maybe he was their Washington, D.C., represen-
6 tative. I never did know exactly.

7 Q But your understanding of his relationship with
8 NEPL is that he was retained as a consultant, to provide
9 general political advice?

10 A Yes.

11 Q Who is Gene Douglas?

12 A Well, I know he is a former Ambassador, but I do
13 not know any more -- I think he was a member of the Gulf and
14 Caribbean Foundation.

15 Q There is an entry on Page 11, under Gulf and
16 Caribbean Foundation, that Gene Douglas and Ollie North are
17 to attend fall meeting. What does that refer to?

18 A Well, the Gulf and Caribbean Foundation was going
19 to have a fall meeting, and Gene Douglas and Ollie North were
20 supposed to attend it.

21 Q Why was that a matter of concern to you?

22 A I think it was originally proposed that we should

- 1 undertake the management of Gulf and Caribbean Foundation.
- 2 Q When you say "we should undertake the --"
- 3 A NEPL, NEPL.
- 4 Q As opposed to Channel Corporation?
- 5 A Well, I mean I was using NEPL in the sense that w
- 6 have been using it all along here, which is everything --
- 7 Q The whole group of entities?
- 8 A I do not know which entity. I mean since we had
- 9 ll, it is hard to know which one it was going to go into.
- 10 Q Were you to undertake the management on a fee
- 11 basis, or were you to take over the organization?
- 12 A It was not clear. I do not think it ever
- 13 crystallized as an idea.
- 14 Q Was this a thought of Mr. Channell's?
- 15 A Yes.
- 16 Q Do you know if he discussed that with Mr.
- 17 Kuykendall?
- 18 A Yes, he did.
- 19 Q What was Mr. Kuykendall's response?
- 20 A He thought it was a good idea. Maybe even he
- 21 proposed it; I do not remember.
- 22 Q The next entry refers to a copy of letter sent by

UNCLASSIFIED

ed259

1 Kuykendall to board members which you are to obtain. What
2 does that refer to?

3 A Well, Dan Kuykendall sent a letter, I guess
4 explaining who we were and what we were about, to his board
5 members, a sort of anticipatory thing to the board meeting
6 that was going to be held in the fall, to alert them that we
7 were on the scene and that we were players.

8 Q Was this preparatory to NEPL taking control of the
9 Gulf and Caribbean Foundation?

10 A Yes.

11 Q But that did not occur?

12 A Right.

13 Q And you do not know why it did not occur?

14 A Well, it is another one of those 8 million things
15 that we did not get done. This would have been a twelfth
16 organization.

17 Q Now, we talked earlier about the Southwest Cattle-
18 men's Board Member list, and that, again, appears on this
19 page under Mr. Kuykendall's name. What was his involvement
20 in that?

21 A I do not know if he was ever involved in it. I
22 asked him if he could get a copy of the list.

UNCLASSIFIED

ed260

UNCLASSIFIED

1 Q Well, I guess that is my question. This entry here
2 indicates that you asked Mr. Kuykendall to get the list?

3 A Yes.

4 Q Why did you view him as a vehicle for obtaining
5 this list?

6 A Well, I do not know how to answer that. I asked
7 him to obtain a lot of lists for me at different times.

8 Q Did he get this one for you?

9 A No.

10 Q Turning to the outline for the August 9, 1986, --

11 MR. OLIVER: Which one?

12 THE WITNESS: There is only one in here.

13 BY MR. FRYMAN:

14 Q Directing your attention to the page that has the
15 control number on the bottom 20265, there is a reference
16 there to the NEPL Conference on Terrorism. What was that?

17 A Something that did not happen.

18 Q Was this, again, an idea of Mr. Channell's?

19 A Yes.

20 Q Why did it not happen?

21 A Same answer as before.

22 Q Just never got around to implementing it?

2 MR. McGOUGH: Which page are you referring to?

3 MR. FRYMAN: It is on Page 20265.

5 MR. FRYMAN: There is Roman X, "Conferences," and
6 under that, "A. NEPL Conference on Terrorism."

7 MR. McGOUGH: I have it. Thank you.

8 BY MR. FRYMAN:

9 Q Now, under that entry, which I guess is 10-A, "NEPL
10 Conference on Terrorism," there is a Number 3, "Greene," and
11 under that there is an Item C, "Letter to Mrs. King thanking
12 her for sending Spitz and Cliff and Kris," K-R-I-S, "to Paris
13 conference."

14 What does that refer to?

15 A Spitz asked me to have Colonel North send a letter
16 to Mrs. May Dougherty King to thank her for the grants,
17 monies that she gave us, so that Spitz and Cliff and Kris
18 could go to a Paris conference on terrorism.

19 Q What was the reason they attended that conference
20 in Paris?

21 A Well, terrorism was a theme that we were interested
22 in, an issue that we were interested in. We wanted to do a

UNCLASSIFIED

1 film on it. We were thinking about doing a conference on it.
2 We needed more information on it. We met with various people
3 to discuss aspects of terrorism. However, we never did
4 anything with it. But attending the conference was one of the
5 things that we were doing to get up to speed, so to speak, on
6 the issue.

7 Q Who sponsored the conference in Paris?

8 A I forget. Some French organization.

9 Q Was that the only reason that Channell and the
10 others attended the conference, or made the trip to Paris,
11 was to participate in a meeting on the subject of terrorism?

12 A As far as I know.

13 Q Was there any fundraising purpose in connection
14 with that trip?

15 A Do you mean to raise money from an individual?

16 Q Yes.

17 A No, not that I know of.

18 Q On that same page, there is another reference to an
19 ATAC, A-T-A-C, Conference in September. Did that conference
20 occur?

21 A No.

22 Q Why not?

UNCLASSIFIED

263

1 A This is getting repetitious, sir. Same reason.
2 This To-Do List, I point out, is 27 pages in length. We are
3 now reaching gargantuan proportions of things that do not get
4 done.

5 Q All right. Turning to the September 19 To-Do List,
6 the control number at the bottom is 20522, there is an item
7 Roman XXV, Paris Conference." What does that refer to?

8 A (Witness peruses document.)

9 I think it is on terrorism. I think that is the
10 update of the previous thing, entry, we were discussing --
11 also which did not happen, for the same reason.

12 (Pause.)

13 Q Turning to the next outline, dated November 11,
14 1986, --

15 THE WITNESS: Can we go off the record?

16 MR. FRYMAN: Sure. Off the record.

17 (Discussion held off the record.)

22 does that refer to?

UNCLASSIFIED

UNCLASSIFIED

264

- 1 A (Witness peruses document.)
- 2 Well, the thank you letter was one in a continuing
- 3 series -- I mean we were always wanting another thank you
- 4 letter.
- 5 Q That is a thank you letter from the President to
- 6 NEPL?
- 7 A Yes.
- 8 Q And a thank you meeting is a meeting with the
- 9 President and --
- 10 A And somebody. I do not know who this one refers
- 11 to. I mean we arranged 8 million of these, so I do not know.
- 12 Q Now, Item D is a reference to "John and Nancy
- 13 Ramsey meeting." What was the reason for attempting to
- 14 establish a meeting between the President and the Ramseys in
- 15 November of 1986?
- 16 A I do not recall. I do not also know whether it is
- 17 supposed to be a meeting with the President.
- 18 Q What do you refer that to refer to, then?
- 19 A I do not know. I do not know why it is there.
- 20 Q And the next entry is "Pentecost meeting." What
- 21 does that refer to? Item E.
- 22 A I think that is a meeting that David Fischer was

- 1 supposed to arrange with the President.
- 2 Q With the Pentecost?
- 3 A Yes.
- 4 Q Is that your handwriting beside that?
- 5 A Yes, that is.
- 6 Q What does that say?
- 7 A "Next wednesday, 11/19/86 or Wednesday, 11/26/86."
- 8 Q Why were you attempting to arrange a meeting with
- 9 the Pentecost and the President?
- 10 A A thank-you meeting.
- 11 Q For what?
- 12 A For their participation in supporting the policies
- 13 of the President.
- 14 Q Does that mean and contributing money?
- 15 A Sure.
- 16 Q Did such a meeting occur?
- 17 A Yes.
- 18 Q Turning to the January 6, 1987, To-Do List on Page
- 19 2, under the heading, "David Fischer," there is an entry that
- 20 reads, "Status of resume of Barbara Newington's friend
- 21 (attorney)." What does that refer to?
- 22 A Barbara Newington asked us, in a meeting one time,

UNCLASSIFIED

1 to see if we might be able to refer a friend of hers, who had
2 just gotten a law degree, to somebody in Washington, to see
3 whether he could get a position. And I had his resume and
4 what I did with it was to give it to David Fischer, and he
5 was going to pass it on to somebody -- I have forgotten who
6 now.

7 Q Who was this person?

8 A Just a friend of Barbara Newington.

9 Q Do you remember the name?

10 A The son of somebody.

11 Q Do you remember the name?

12 A I do not. I would have to look at my records.

13 Q Do you know what Fischer did with the resume?

14 A He gave it to somebody else but I do not remember.

15 He told me who, but I do not remember, at the moment, who it
16 was.

17 Q Do you know if Fischer succeeded in getting this
18 person a job?

19 A I do not -- I never heard the end of it. That is
20 why I have it on the To-Do List, to find out what happened,
21 and I never did find out.

22 Q Now, Item G under Fischer is a meeting with Bill

1 Simon. What does that refer to?

2 A We wanted David Fischer to arrange a meeting with

3 us with Bill Simon.

4 Q For what purpose?

5 A To solicit money.

6 Q Did such a meeting occur?

7 A No.

8 Q Do you know if Fischer knew Bill Simon?

9 A He did not know him.

10 Q Why would you ask him to arrange the meeting then?

11 A Good question. Maybe that is why it didn't happen.

12 Q Had you been aware that Bill Simon had been very

13 active in another organization to raise money for Nicaragua?

14 A Yes.

15 Q And that was an organization that Jean Kirkpatrick

16 was also involved in?

17 A Maybe she was. I do not remember. There were a

18 lot of people, notable people, involved.

19 Q And Arnaud de Borchegrave had been involved in that?

20 A Yes, I remember he was involved.

21 Q Arnaud de Bochegrave, A-R-N-A-U-D, de, D-E,

22 B-O-R-C-H-E-G-R-A-V-E.

1 And there had been a fair ~~amount~~ ^{amount} of publicity about
2 that organization?

3 A Yes.

4 Q Do you know what happened to that organization?

5 A Only from press reports.

6 Q Do you know if they raised a substantial amount
7 money?

8 A That is what the press reported. Yes.

9 Q Do you know who the executive director of that
10 organization was?

11 A No.

12 Q Was it Hal Eberley?

13 A I never heard the name, that I recall.

14 Q Did you have any dealings with that organization
15 connection with your fundraising activities?

16 A No.

17 Q Mr. Conrad, in this outline dated January 6, 198
18 on Page 3, begins a section, Roman VIII, on Nicaragua, and
19 have under that, Item 4, "RR to make an aggressive speech,
20 which, I take it, refers to President Reagan?

21 A Yes.

22 Q Then under that you have, "Give Greene an outline

1 of the speech on Tuesday." And "Greene," I take it, refers
2 to Colonel North.

3 A Yes.

4 Q Now, you are aware, are you not, that by January
5 1987, Colonel North had resigned?

6 A Yes.

7 Q Why would you be giving Colonel North an outline of
8 a speech for President Reagan to make on Nicaragua after he
9 had resigned?

10 A I believe it was an error in -- nothing ever
11 happened on this. This is another one of those things that
12 never happened. But I believe that this was not removed, in
13 error, from the outline.

14 Q Colonel North resigned in November?

15 A Yes.

16 Q And it is your belief that that entry had preceded
17 his resignation in your original To-Do List?

18 A Yes.

19 Q Now, there is a reference in that same section to
20 Bob Kagan, K-A-G-A-N. Who is Bob Kagan?

21 A To my understanding, he is with the State
22 Department.

1 Q Have you met him?

2 A No.

3 Q Who told you he was with the State Department?

4 A I think Spitz.

5 Q Do you know if Mr. Channell has met him?

6 A Yes.

7 Q Do you know on how many occasions? Let me rephrase

8 that.

9 Do you know if he has met with him on more than one

10 occasion?

11 A I am not sure.

12 Q But at least one?

13 A At least one. He had lunch with him.

14 Q Was anyone else present?

15 A Not that I know of.

16 Q Who arranged that lunch?

17 A Good question. I have no idea.

18 Q What was the purpose of the lunch?

19 A I did not know.

20 Q When did the --

21 A Oh, wait a minute. I think he -- I do not know who

22 arranged it, but I thought -- my understanding is that Kagan

1 called our office and asked to see Spitz. I think that is
2 how it went.

3 Q Approximately, when did this lunch occur?

4 A I could not tell you. I would have to look at my
5 notes.

6 Q In 1986 sometime?

7 A I do not know.

8 (Pause.)

9 Q Turning to the January 7, 1987, outline, Page 1,
10 which is your control number Page 20919; the handwritten note
11 up on the right, is that your handwriting?

12 A Yes.

13 Q Now, those notes include this reference, "Letter to
14 Jane. 1. Shocked to hear you did this; 2. You weren't
15 authorized; 3. Maybe it's good you're gone."

16 Now, is Jane Jane McLaughlin?

17 A Yes.

18 Q What does the first entry refer to, "Shocked to
19 hear you did this"?

20 A Well, the whole thing refers to items that were
21 supposed to be included in a letter, drafted by our attorney,
22 to Jane.

UNCLASSIFIED

ed272

272

UNCLASSIFIED

1 Q Was such a letter sent?

2 A NO.

3 Q What is the first item, "Shocked to hear you did
4 this"? What does that mean?

5 A Spitz is saying that he is shocked to hear that
6 Jane solicited Bruce Hooper for weapons and \$100,000 contrib-
7 ution, which she came in and told Spitz.

8 Q Is that all it refers to?

9 A Yes.

10 Q Now, the second line, "You weren't authorized,"
11 what does that refer to?

12 A Spitz is saying that he did not authorize Jane to
13 ask for \$100,000 for weapons.

14 Q From Bruce Hooper?

15 A From Bruce Hooper.

16 Q It refers to that particular contribution?

17 A Yes.

18 Q Both one and two refer to that specific
19 contribution?

20 A Yes.

21 Q Anything else?

22 A No. Jane said to Spitz that she solicited money

ed273

1 for arms from Bruce Hooper, and his point was, "You weren't
2 authorized to do it."

3 Q All right. And the last item, "Maybe it's good
4 you're gone"?

5 A She had just resigned.

6 Q All right. Now, you say these were notes to be
7 included in a letter from your attorney to Jane?

8 A Yes.

9 Q And that letter was never sent?

10 A Yes.

11 Q Why was it not sent?

12 A I do not know.

T3S1 13 Q Now, if you will look at Page 17 of this outline,
14 Item R reads, "Greene list of contributors to Nicaragua," and
15 under that is, "1. [REDACTED] and "2. Goldsmith." What does
16 that refer to?

17 A (Witness peruses document.)

18 Well, we were developing a list, we were developing
19 a list of people to request contributions from for our
20 Constitution Project, and Goldsmith was a contributor who was
21 suggested to me by Colonel North. [REDACTED] I am not sure
22 why it is there because I do not recall -- I mean I know why

1 ~~was in my mind~~ was in my mind, because I had had it for

3 anything about that.

4 Q "Goldsmith" refers to Sir James Goldsmith?

5 A Yes.

6 Q Had he been a contributor to NEPL with respect to
7 Nicaragua?

8 A We had great hopes, but no.

9 Q Why had you had great hopes?

10 A We think in terms of great hopes.

11 Q Had you met with him or spoken with him?

12 A No. I had attended a meeting where he spoke, and I
13 got more interested in him as a result.

14 Q Where was that?

15 A In Washington, at the Washington Hilton.

16 Q Do you know if anyone else had spoken with him,
17 directly or indirectly, on your behalf?

18 A Not that I know of.

19 Q Do you know if Ambassador Whittles^ey had spoken with
20 him?

21 A I haven't any idea.

22 Q But so far as you know, he had not made any

1 contribution, with respect to Nicaragua?

2 A I can -- I am 99.9 percent sure he did not make any
3 contribution --

4 Q I say, so far as you know, he did not?

5 A Yes.

6 Q And you do not know why there is an entry there for
7 [REDACTED]

8 A Well, it is only my own thinking, but I do not
9 know, I mean I -- the thing that puzzles me about it is that
10 it says it is "Green list of contributors to Nicaragua," and
11 that is puzzling to me because I do not ever remember him
12 mentioning [REDACTED]

13 Q Do you remember Mr. Channell ever telling you that
14 Colonel North had mentioned [REDACTED]

15 A I do not recall. I do not think so.

16 MR. FRYMAN: Why don't we take a break at this
17 point.

18 (Whereupon, a brief recess was taken.)

19 MR. FRYMAN: During the break, the Reporter has
20 marked, as Conrad Deposition Exhibit 9 for identification, a
21 volume of copy of handwritten notes which have been produced
22 by counsel for the Channel organizations. The particular

1 pages included in this volume, or the control numbers of the
2 particular pages, are listed at the front of the volume.

3 (The document referred to was
4 marked for identification as
5 Conrad Deposition Exhibit 9.)

6 BY MR. FRYMAN:

7 Q Mr. Conrad, I ask you to look at the first page in
8 this volume, which has the control number 68470 --

9 A 78470.

10 Q I am sorry -- 78470. Are those notes in your
11 handwriting?

12 A Yes.

13 Q And is there a date on those notes of 8/26/84?

14 A Yes.

15 Q Does that indicate the date you made the notes?

16 A No.

17 Q What is that date?

18 A It was a mistake.

19 Q What should the date be?

20 A 8/26/85.

21 Q At the top of the page, there is an entry that
22 begins "225 contributors." Do you see that?

UNCLASSIFIED

ed277

277

UNCLASSIFIED

1 A Yes.

2 Q Is that in your handwriting?

3 A Yes.

4 Q Would you read that, for the record, down through
5 the "160."

6 A This says, "225," next to it, it says "contribu-
7 tors." The next line says, "45," and next to that, it says,
8 FCS --"

9 Q What does "FCS" stand for?

10 A F. Clifton Smith.

11 Q And then under that is?

12 A And then those two amounts are totaled -- I am
13 sorry -- are subtracted, and so it is "180," and next to that
14 it says "left." Then there is another number underneath
15 that, "20," and next to that are the initials "CRC," which is
16 Spitz Channell, and below that subtracting is "160." The 20
17 from 180 is 160.

18 Q Now, what is the meaning of this computation or
19 entry? What was the purpose of this?

20 A I could not tell you. I mean it is one of the
21 innumerable calculations we made at different times. It is
22 Spitz' mental -- I mean he is verbalizing it, but his mental

1 thinking-through of the amounts of money that we have, so I
2 am taking notes. I do not remember what this referred to.

3 Q So this is information that Channel gave to you?

4 A Yes.

5 Q Now, under that are further notes by you, and if
6 anything I read about these notes is incorrect, would you
7 stop and correct me.

8 A Fine.

9 Q But as I read them, it says, "Memo to Rich and
10 Frank regarding April requests and accomplishments to date,"
11 and then in parenthesis, you have "Don't mention Nicaragua."
12 What does that refer to?

13 A (Witness peruses document.)

14 Well, I do not remember why they were doing this,
15 but they wanted to have a list of NEPL's accomplishments to
16 date, outside of Nicaragua. In other words, what had we done
17 other than Nicaragua?

18 Q Who is "they"? Is that Rich and Frank?

19 A Rich and Frank, yes. And they were going to do
20 like a press kit or something; I have forgotten why.

21 Q Now, the note has "April requests and accomplish-
22 ments to date." What do the "April requests" refer to?

UNCLASSIFIED

ed279

UNCLASSIFIED

279

1 A I am just not sure. I do not remember.

2 Q There is also an entry on that page "to have phones
3 swept and Cliff's phones." What is the meaning of that entry?

4 A Spitz was concerned and, subsequently, Cliff was
5 concerned that our phones were being tapped, and so we wanted
6 to find out how much it would cost to get them -- what do you
7 call it? Well, I call it "swept." I do not know what the
8 right word is.

9 Q Is that the significance of the word "cost" and
10 question mark at the end of that line?

11 A Yes. Cliff wanted to know how much it would cost
12 to do his junior one bedroom.

13 Q Back up to the first entry, the parenthetical
14 phrase "(don't mention Nicaragua)," who specifically told you
15 not to mention Nicaragua?

16 A Well, probably Rich or Frank. I mean the point of
17 it was, as I mentioned, that they wanted to know -- I do not
18 remember the purpose of this, but they wanted to put together
19 a memo or a document of some kind to go in a press kit, as I
20 recall, that talked about the other things that we did
21 besides Nicaragua.

22 In other words, there was other documentation -- we

UNCLASSIFIED

ed280

UNCLASSIFIED

1 were not avoiding mentioning Nicaragua. There was other
2 documentation in the kit having to do with our efforts in
3 Nicaragua. What we had not done was to document our other
4 efforts that we had been involved with, and they wanted to
5 develop something. It is for publicity, public relations
6 work.

7 Q Did you arrange to have the phones swept?

8 A I do not think we did, at this particular time.

9 Q Did you later?

10 A In 1986, yes. Way late in the year in 1986.

11 Q Did you also arrange to have Barbara Newington's
12 phones swept?

13 A Yes.

14 Q What was the reason for that?

15 A Spitz asked me to.

16 Q Why? Do you know why he wanted that done?

17 A I think as a favor to Mrs. Newington.

18 Q Do you know if he had reason to believe that her
19 phones were being tapped?

20 A As far as I knew, he did not have any reason. I
21 think he was just doing it for a precaution.

22 Q Did you consider that step a fundraising technique?

UNCLASSIFIED

ed281

UNCLASSIFIED

281

1 A Well, I did, yes. I mean he may have had other
2 ideas about it, but I thought it was a fundraising technique.

3 Q How was it a fundraising technique?

4 A Well, you heighten the atmosphere around the
5 solicitations and the information that you are conveying.

6 Q Who paid for having her phones swept?

7 A NEPL, as far as I know, or -- using NEPL to mean
8 all the organizations -- somebody there did.

9 Q Do you know the reason that Channell believed that
10 there was a reason to have the phones swept at the NEPL
11 offices in August of 1985?

12 A No, I do not.

13 Q The next entry is, "Call Ken with schedule of
14 payments to Charles." First of all, who is Ken?

15 A It is Ken Gillyman.

16 Q Who is he?

17 A President of the Public Management Institute.

18 Q And Charles?

19 A Charles Gillyman, his cousin.

20 Q Is he also an employee of PMI?

21 A No. He is deceased now.

22 Q What does that entry refer to?

UNCLASSIFIED

ed282

UNCLASSIFIED

- 1 A It is a personal business arrangement with Kenneth
2 and myself to Charles Gillyman.
- 3 Q It has nothing to do with NEPL activities?
- 4 A Nothing whatsoever.
- 5 Q One further question on the subject of sweeping
6 phones. You say you did have the phones swept in the NEPL
7 offices sometimes in 1986?
- 8 A Yes.
- 9 Q Was anything found in that process?
- 10 A No.
- 11 Q Do you know if anything was ever found in sweeping
12 Mrs. Newington's phones?
- 13 A No, nothing was.
- 14 Q Turning to the next two pages, which have your
15 control numbers 2707071-72.
- 16 A You showed me these before.
- 17 Q These, I believe, are the pages that Mr. McGough
18 asked you questions about earlier this week.
- 19 A Yes.
- 20 Q These are notes of March 19, 1985; is that correct?
- 21 A Yes.
- 22 (Pause.)

UNCLASSIFIED

1 Q Now, the next page in the volume is a group of
2 notes dated 4/5/85, is it not?

3 A Yes.

4 Q Are those your notes?

5 A Yes.

6 Q Were they made on April 5, 1985?

7 A Yes.

8 Q Now, out to the side, towards the middle, towards
9 the left-hand side, there is a reference to the "Institute on
10 North/South Issues," and then a notation of a "501(c)3
11 applicant." What does that refer to?

12 A It was an organization controlled by Rich Miller
13 and Frank Gomez, and there was a 501(c)3 applicant.

14 Q Why is there a reference to that organization on
15 your notes here?

16 A They mentioned it.

17 Q For what purpose?

18 A I guess to talk about their interest in these
19 issues, the whole Nicaraguan, Central American, South
20 American things. They were telling me about their credentials
21 and so on.

22 Q What did you understand the Institute on North/South

2 A I do not --

3 Q Was it ever used for any purpose by your
4 organization?

5 A By our organization?

6 Q Yes.

7 A Oh, certainly not.

8 Q Are you aware of any money being transferred to
9 that organization?

10 A Not by us.

11 Q By anyone else?

12 THE WITNESS: May I talk to my counsel a minute.

13 MR. FRYMAN: Off the record.

14 (Witness confers with counsel.)

15 THE WITNESS: I do not recall. I do not think
16 there were any. I would have to check my records to be sure.

17 BY MR. FRYMAN:

20 A Yes.

21 Q Are you aware of any funds that the Heritage
22 Foundation transferred to the Institute on North/South issues?

UNCLASSIFIED

UNCLASSIFIED

- 1 A No. It is the first I have ever heard of it.
- 2 Q Now, there are also notes there concerning the Gulf
3 and Caribbean Foundation, are there not?
- 4 A Yes.
- 5 Q What is the reason for those notes?
- 6 A Well, Rich Miller and Frank Gomez were telling me of
7 their previous experience with this issue, the issue of
8 Nicaragua and the Contras, and their involvement in Central
9 American issues and South American Issues, and they said they
10 had worked with the Gulf and Caribbean Foundation and Dan
11 Kuykendall. So that is why it is there.
- 12 Q Are these notes of the first meeting that you had
13 with Miller and Gomez?
- 14 A Yes.
- 15 A And they are, in effect, at this meeting, explaining
16 to you their qualifications in this area?
- 17 A Yes.
- 18 Q And this is you and Channel meeting with them?
- 19 A No. Just me.
- 20 Q Just you. So there is just three of you in the
21 meeting?
- 22 A Yes.

UNCLASSIFIED

UNCLASSIFIED

1 Q What did you understand their relationship to have
2 been with the Gulf and Caribbean Foundation?

3 A Well, they caused a pamphlet to be written; whether
4 they wrote it or not, I do not know, but they supervised its
5 production and all that business, as far as I know, because
6 they gave me a copy of it at that time. I think they were
7 retained by Gulf and Caribbean to be their publicity, PR firm.

8 Q The individuals listed under the Gulf and Caribbean.
9 Foundation are individuals associated with it?

10 A Yes.

11 Q Who is Bill Blakemore?

12 A Well, he was a contributor to us, subsequently.
13 But at that time I had never heard of him before.

14 Q Does he live in Texas?

15 A Yes.

16 Q Did they tell you that Bunker Hunt was an anonymous
17 contributor to the Gulf and Caribbean Foundation?

18 A Yes.

19 Q What did they tell you about Bobby Nolt?

20 A That he was a member of the Gulf and Caribbean

22 Q Did they tell you he was a friend of George Bush?

- 1 A Yes.

- 3 A No.
- 4 Q Now, there are notations at the bottom of that page

- 6 but I think it reads 25 to 26 districts.
- 7 A I think you are right.
- 8 Q Under that appears to be abbreviations for New
- 9 York, Texas, Illinois and Florida.
- 10 A Yes.
- 11 Q What do those notes refer to?
- 12 A (Witness peruses document.)
- 13 Well, I think that is where we thought the Contra
- 14 Aid Bill would be decided, in those districts, in those
- 15 states, in 20 to 25 districts. We went to see Rich and Frank
- 16 about what later became a Central American Freedom Program.
- 17 That is what -- this is sort of a beginning of it.
- 18 Q So what did you discuss about contemplated
- 19 activities with respect to those 25 to 26 districts?
- 20 A As far as I know, it was just television

- 22 Q What was to be the objective of that advertising?

3 Q Was the ultimate objective to change the vote of

7 "Otto Reich's," R-E-I-C-H-S, "office."

8 A Yes.

9 Q What does that refer to, or what did they tell you
10 about that?

11 A This is their previous experience. They had been
12 doing PR for the AAA, and they were either mentioning -- or I
13 do not know how they put it -- that they were -- that Otto
14 Reich's office in the State Department was the one that was
15 -- I don't know -- coordinating all this issue, or something.
16 I do not have a specific recollection.

17 Q Did they say they were working for Otto Reich's

6 very easily, but I just do not recall it.

7 Q So your recollection is, the reference to Otto
8 Reich's office is that that office was coordinating activities,
9 with respect to Central America?

10 A That is my impression.

11 Q And this is activities in connection with the
12 upcoming Congressional votes?

13 A Well, I am not sure. I do not know that the
14 subject ever came up again, and I do not recall.

15 Q At the middle of the page, or toward the upper
16 middle of the page, there is a reference to "Op Ed pieces and
17 articles and speakers," and out to the left of that is the

- 7 A Yes.
- 8 Q And is this April 7, 1985?
- 9 A Yes.
- 10 Q Who is Helen Marie Taylor?
- 11 A A contributor prospect.
- 12 Q Where did you get her name?
- 13 A Spitz Channell.
- 14 Q Under that is the name Rich Miller, and there are

- 17 A (Witness peruses document.)

3 invited to attend a meeting at the -- I think it is called
4 the Town Club in Georgetown, and Eddy Seaga, the Prime
5 Minister of Jamaica, was there and talking about the
6 International Youth Conference which was to be held in
7 Jamaica in June of 1985, and they needed some money. And
8 George Bush attended.

9 And we were asked if we could help with raising
10 money for it, giving money to it. And Jamaica World Relief
11 was the name of the entity to whom checks should be made
12 payable for the support of the International Youth Conference.

13 Q What activities did NEPL undertake with respect to
14 the International Youth Conference, if any?

15 A None.

16 Q None. Had you been aware that Mr. Godson was
17 involved in the International Youth Conference?

18 A No.

19 Q You and Mr. Channell attended this luncheon that
20 you referred to?

21 A Yes.

22 Q Was that your only involvement, with respect to

UNCLASSIFIED

UNCLASSIFIED

1 Jamaica and the International Youth Conference?

2 A Well, we had several conversations with Tom Evans
3 about it but, basically, yes.

4 Q What had been the purpose of the further
5 conversations?

6 A We developed a whole program that we thought we
7 would like to pursue. It was a little short-term notice to
8 raise money so quickly for the International Youth Project,
9 and we started to get involved in thinking how we could help
10 for the next year.

11 We were putting together a plan, fundraising plan,
12 where the Prime Minister of Jamaica and the Ambassador from
13 the United States to Jamaica would host some couples to come
14 down and be sponsors of this event. We had all kinds of
15 discussions about that, but it never went anywhere. We were
16 putting together a fundraising plan.

17 Q The next page in this volume is 30095; and are
18 those your notes dated April 17, 1985?

19 A Yes.

20 Q Down at the bottom, there is a heading "Issue
21 Options," and an Item 8, "Nicaraguan Refugees, White House
22 briefing, solicit in a group." What does that refer to?

- 1 A (Witness peruses document.)
- 2 I do not remember.
- 3 Q The next item, "Jamaica International Youth
- 4 Conference," is that just a reference to what you described a
- 5 minute ago?
- 6 A Yes, it is.
- 7 Q Now, I believe the next page, 78826, dated April
- 8 20, 1985, is a matter you have been questioned about
- 9 previously, is it not?
- 10 A Yes.
- 11 Q That is also marked as Exhibit 7.
- 12 Now, is the next entry or the next page, 37226,
- 13 your notes dated April 22, 1985?
- 14 A Yes.
- 15 Q The first entry reads, "John Roberts re RNC efforts
- 16 to identify major givers," and there is some word after that
- 17 that I cannot read. My first question is, can you read the
- 18 rest of that?
- 19 A I think it says "data base," but I am not positive.
- 20 Q In any case, what does that entry refer to?
- 21 A The fact that the Republicans were not very well
- 22 organized for fundraising.

1 Q What were you going to do with John Roberts
2 concerning this?

3 A We discussed their lack of organization, and I
4 suggested that I had several techniques that I think they
5 should be using, and they did not appear to be using. And he
6 thought that was a good idea, and I should be put in touch
7 with those people to see if I could be helpful to them.

8 Q So this is a matter you discussed with John Roberts?

9 A Yes.

10 Q Was it just the two of you?

11 A No. Spitz was there, as well.

12 Q How many times did you meet with John Roberts? Was
13 it numerous occasions?

14 A No, no. Maybe three that I can think of off the
15 top of my head.

16 Q Did you speak with him on the phone on other
17 occasions?

18 A Yes.

19 Q This is the John Roberts who worked with Ed Rollins?

20 A Yes.

21 Q Continuing on that page, it reads, "Call Peter
22 Dunston, Martin Marietta, re PAC fundraising." What does

UNCLASSIFIED

ed296

UNCLASSIFIED

296

1 that refer to?

2 A We met Peter Dunston at the Jamaica event with Vice
3 President Bush, and we started talking with him about -- he
4 had a PAC. He is with Martin Marietta, he had a PAC, and he
5 was having difficulty raising money, and we said, "Oh, that
6 is no problem. We know how to do that. We need to talk to
7 you."

8 Q So you were seeking to be retained by him, or to
9 work with him?

10 A Something. Nothing ever happened, though.

11 Q All right.

12 A I mean it wasn't clear what we wanted, not even to
13 us.

14 Q The next entry is, "Send ad to Pat Buchanan and
15 Rich Miller and John Roberts," and "Call John Roberts first."
16 What ad does that refer to?

17 A Well, I am not positive. Either a TV ad or a space
18 ad. It is either a newspaper ad or a television ad; I am not
19 sure which.

20 Q What was the reason for sending the ad to those
21 three?

22 A So they could see what we were doing on their

UNCLASSIFIED

1 behalf. I mean they were concerned about the Contra issue as
2 well as we were, and we wanted to show them what we were
3 doing.

4 Q Had you had discussions with Mr. Buchanan about
5 this?

6 A To my knowledge, Spitz never did, and I never did.

7 Q Who told you to send this to Buchanan?

8 Q Was it his idea?

9 A Yes.

10 Q What was the reason for calling John Roberts before
11 sending the ad?

12 A To alert him that they were coming so he would know
13 to pay attention to them. I think they were actually the TV
14 ads.

15 Q The next entry concerns an appointment with Bush
16 and a reference to Craig Fuller.

17 A Yes.

18 Q Did you arrange such an appointment?

19 A Eventually, yes.

20 Q Do you recall when that occurred? Was it several
21 months later?

22 A Oh, many months later.

UNCLASSIFIED

1 Q Now, the last entry says, "John Roberts," and then
2 there is a reference to "Rich Miller and districts," and a
3 further reference to a "follow-report to Pat Buchanan." What
4 does that refer to?

5 A I believe it refers to the fact that we were
6 advertising on television in a number of different media
7 markets around the United States on the Contra aid vote. And
8 we wanted to give a report to Pat Buchanan on the outcome of
9 the votes of the Congressmen in those districts.

10 (Interruption to proceedings.)

T3S2 11 BY MR. FRYMAN:

12 Q Did you make such a report?

13 A Yes.

14 Q Now, were those television ads prepared by the
15 Goodman Agency?

16 A Yes.

17 Q The first you heard of the Goodman Agency was on
18 April 5, 1983?

19 A Right.

20 Q In your meeting with Mr. Miller?

21 A Yes.

22 Q How quickly did they prepare ads to be used?

UNCLASSIFIED

299

1 A Oh, I think 24 hours.

2 Q That quickly?

3 A Yes.

4 Q And they began to be --

5 A Complained about it bitterly, but they did it.

6 Q They began to be run within a few days?

7 A Oh, yes.

8 Q So there was time for a media campaign before April-

9 22nd?

10 A I think this might have been concurrent with it; I

11 am not sure. We could check our other records and be sure

12 exactly when it started and stopped. Our intention was to

13 run the ads, and this may have been a day or two, or something

14 like that, prior to the actual report being written.

15 Q All right.

16 MS. MORRISON: This is a good place to stop.

7 FURTHER EXAMINATION BY COUNSEL

8 FOR THE HOUSE SELECT COMMITTEE

9 BY MR. FRYMAN:

10 Q Mr. Conrad, directing your attention to the
11 handwritten notes dated April 28, 1985, the one that has your
12 control number 34523 at the bottom. There is an entry at the
13 top which reads, "WH," which I take to mean White House,
14 "strategists targeted 53 representatives whose votes could be
15 swayed to support RR in Nicaragua aid vote. ACT ran TV ads in
16 12 districts, eight of them voted yes to support the
17 President."

18 Is that your handwriting?

19 A Yes.

20 Q Did you make those notes on April 28, 1985?

21 A Maybe.

22 Q On or about that date?

UNCLASSIFIED

UNCLASSIFIED

ed301

301

1 A Yes.

2 Q Who are the White House strategists referred to in
3 that sentence?

4 A No one.

5 Q Well, what does that phrase refer to?

6 A I do not know how to answer the question. This is
7 a report in which we are putting ourselves in the best
8 possible light, and so I am -- this isn't a fundraising
9 document, but I am tempted to call this fundraising -- one of
10 the things that you do with fundraising, to sensitize the
11 situation, to make it more important. In other words, there
12 is no basis in fact for the use of the term "White House
13 strategists."

14 Q Well, did someone target 53 representatives?

15 A I think so.

16 Q Who?

17 A I am not sure who did this.

18 MS. LUBIN: Excuse me. Could I interrupt for a
19 moment. This seems a little far from the mandate, and I
20 would just inquire of the relevance.

21 MR. FRYMAN: If you have read the House Resolution,
22 I do not think it is far from the mandate at all.

UNCLASSIFIED

UNCLASSIFIED

1 MS. LUBIN: Well, refresh my recollection.

2 MR. FRYMAN: The activities with respect to
3 lobbying and the votes on Nicaragua aid, I think, are
4 subjects of the investigation.

5 MS. LUBIN: Do you have a copy of the Resolution?

6 MR. FRYMAN: Sure.

7 (Counsel proffers document to counsel.)

8 MS. LUBIN: Thank you.

9 (Counsel peruses document.)

10 MR. FRYMAN: Please read back the pending question.

11 (Whereupon, the Reporter read back the pending
12 question.)

13 BY MR. FRYMAN:

14 Q Did you develop this phrase, "White House
15 strategists targeted 53 representatives," or did someone else
16 give you that phrase?

17 A I think it was Spitz, but I am not positive.

18 Q It was not you?

19 A Well, I mean it is possible that it was me, but I
20 do not recall it.

21 Q Is it your recollection that 53 Representatives
22 were selected whose votes could be swayed?

UNCLASSIFIED

ed303

UNCLASSIFIED

303

1 A Yes. Targeted.

2 Q Targeted?

3 A Yes.

4 Q And you do not recall who targeted them?

5 A I think several people were involved in the process.

6 Q Who were the several people?

7 A Spitz Channell, Rich Miller. There were others,
8 but I do not remember who they were. I mean maybe I did at
9 the time, but I do not know or I do not remember now.

10 Q Was John Roberts one of them?

11 A I do not think he -- I do not recall that he did
12 that, but it is, again, possible that he did, and I just do
13 not remember it.

14 Q Was Robert Goodman involved in that?

15 A That is also possible.

16 Q Now, did ACT run TV ads in 12 districts?

17 A To the nearest of my recollection, yes.

18 Q Now, by "districts," does that refer to Congress-
19 ional districts, or what?

20 A Yes.

21 Q Was this handwritten document transformed into a
22 typewritten or printed document?

UNCLASSIFIED

UNCLASSIFIED

ed304

304

- 1 A As I recall, yes.
- 2 Q What was that used for?
- 3 A We gave a report to John Roberts. I believe I gave
- 4 it to Rich Miller and he reworked it, or whatever, and then I
- 5 think it was given to John Roberts, but I am not positive.
- 6 Q Anyone else?
- 7 A I do not think so. I mean I do not know what John
- 8 Roberts did with it.
- 9 Q Turning to the next note, which has the number
- 10 27635 and the date 5/3/85, and I believe that carries on to
- 11 the next page, and then the following two pages are another
- 12 copy of those same notes, with some additional written
- 13 material on them.
- 14 Are the notes on 27635 and 36 your handwriting?
- 15 A Yes.
- 16 Q Were those notes made on or about May 3, 1985?
- 17 A Yes.
- 18 Q Item Number 2 is "IDC." What does IDC stand for?
- 19 A Institutional Development Council.
- 20 Q What is that?
- 21 A It is a fundraising consulting firm in New Jersey.
- 22 Q What was their role in NEPL activities?

UNCLASSIFIED

ed305

UNCLASSIFIED

305

1 A Well, I know that we have been referring to NEPL to
2 mean all the organizations, but in this particular instance
3 they were working only for the American Conservative Trust,
4 and their role was to implement a program which they -- have
5 a trademark called a "Phone/Mail Program," which is a process
6 of fundraising program of sending a series of letters to an
7 individual, a prospect, and calling them and asking them to
8 pledge a contribution.

9 Q Were they retained by ACT to do that activity?

10 A Yes.

11 Q In May of 1985 or in the Spring of 1985?

12 A In the spring.

13 Q Now, what do letters "A and B" mean?

14 A As I mentioned, the Phone/Mail Program is a series
15 of letters, Letter A and B, and actually I think there are
16 quite a number in the series, and A and B are just the first
17 two that a prospect would receive. That is how they refer to
18 them.

19 Q There is another note to, "send a copy to Bunker
20 Hunt, asking for permission to use his name."

21 A Right.

22 Q What does that refer to?

UNCLASSIFIED

ed306

UNCLASSIFIED

306

1 A That is Letter A. We wanted to send a letter on
2 Bunker's personal stationery to our prospects saying -- the
3 letter says, basically, "I think ACT is a great idea, and
4 they are going to be sending you a letter in the next few
5 days, and I wish you would read the letter."

6 Q Did Mr. Hunt consent to that?

7 A No, he did not.

8 Q So it was not sent on his stationery?

9 A Right.

10 Q Were these letters sent?

11 A Yes.

12 Q What stationery were they sent on?

13 A Boy, that is a good question. I do not recall who
14 finally ended up doing it.

15 Q The last entry there is, "Send stationery to New
16 Jersey." What does that refer to?

17 A Well, the letters A and B were going to be sent
18 from the New Jersey Office of Institutional Development
19 Council.

20 Q But what stationery are you referring to?

21 A American Conservative Trust.

22 Q Now also on that page, there is an entry, Number 4,

UNCLASSIFIED

ed307

UNCLASSIFIED

307

1 for Calero, and under that you have the note, "Get list of
2 material needs," and then "boots, bandages, etc."

3 What does that refer to?

4 A We wanted to raise money for the Freedom Fighters
5 directly, and the best way to do that, for fundraising
6 purposes, is -- for the fundraising process, is to get a list
7 of what their needs are, rather than just say, "Well, we need
8 X number of dollars."

9 Q Was that list provided by Mr. Calero?

10 A No.

11 Q Did you get it from some other source?

12 A No.

13 Q How did you proceed in your fundraising without the
14 list, then?

15 MS. LUBIN: Are you asking him to describe how they
16 raised funds for the next two years in all of this, or are
17 you asking something more --

18 MR. FRYMAN: Well, I am really following up on his
19 answer.

20 MS. LUBIN: I understand, but the follow-up kind of
21 opens up two years of activities, and it is not that easy to
22 see how you want it narrowed.

UNCLASSIFIED

ed308

UNCLASSIFIED

308

1 MR. FRYMAN: Well, if Mr. Conrad is having trouble
2 answering it, he can say so.

3 THE WITNESS: I do not know how to -- if you could
4 put the question differently, maybe I could -- I just do not
5 know how to answer it.

6 BY MR. FRYMAN:

7 Q Well, you indicated that you needed a list of
8 material items in your fundraising, and you said you were not
9 able to get such a list.

10 A Right.

11 MS. LUBIN: I think he said it would be helpful. It
12 wasn't the only way he could do it.

13 BY MR. FRYMAN:

14 Q Well, then, you were able to proceed in your
15 fundraising without the list; is that correct?

16 A Yes. It is just not as good, to be able to do it.

17 Q Okay. I will just pass over it.

18 Now, there is another entry there, "Set first White
19 House briefing date for first week in June." Who was to
20 arrange for that?

21 A Rich Miller, Frank Gomez.

22 Q And did they do so?

UNCLASSIFIED

UNCLASSIFIED

ed309

309

1 A Yes, they did, but it was not in the first week of
2 June.

3 Q It was later in the summer?

4 A Later in June.

5 Q Later in June. And you say you are to "set an
6 appointment to see the slide show to be viewed at the
7 briefing."

8 A Yes.

9 Q Who was preparing the slide show?

10 A I have no idea who was going to prepare it.

11 Q Did you see the slide show in advance of the
12 briefing?

13 A No, I did not.

14 Q You saw it at the briefing for the first time?

15 A Yes.

16 Q Was this a slide show of Colonel North's?

17 A Yes. Who prepared it, I haven't any idea.

18 Q But you saw it for the first time at the briefing
19 when he showed it?

20 A Yes.

21 Q Do you know if Mr. Channell saw it in advance?

22 A No, he did not see it in advance.

1 Q Do you know if Mr. Miller saw it in advance?

2 A That I do not know.

3 Q Continuing, you have another entry there to
4 "arrange for John Ramsey's trip to Nicaragua." What does
5 that refer to?

6 A We had the thought to send John Ramsey on a tour of
7 the camps of the Freedom Fighters, so he could see first-hand
8 what was going on.

9 Q What was the purpose of doing that?

10 A I guess fundraising texture. I mean --

11 Q Were you seeking further contributions from Mr.
12 Ramsey from such a trip, or were you intending to use him as
13 a fundraiser to seek funds from other persons, or was there
14 some other reason?

15 A Oh. Well, the more you know about a subject, the
16 better -- the more involved you -- the more involved you get
17 with the organization and the cause and all that, the more
18 money you contribute, the better spokesperson you are, the
19 better motivated you become. This is just all part of that
20 process, what I would broadly call "donor cultivation."

21 Q Who was going to pay for John Ramsey's trip?

22 A It was not discussed.

UNCLASSIFIED

ed311

- 1 Q Did he make such a trip?
- 2 A No.
- 3 Q Now, there is a reference after that to "John

- 5 Did he have such a fundraiser dinner?
- 6 A No.
- 7 Q Why not?
- 8 A Well, it got postponed several times. He could not
- 9 get enough response, I think, of interest in his town.
- 10 Q But it never occurred?
- 11 A No.
- 12 Q Now, after that, there is the name Billy Monger,
- 13 M-O-N-G-E-R. Who is Billy Monger?
- 14 A He is an oil man, I believe, in -- I think it is
- 15 Louisiana, maybe Mississippi.
- 16 Q Where did you get his name?
- 17 A Spitz Channell.
- 18 Q Did he become a contributor?

- 20 Q Did you call him?
- 21 A No.
- 22 Q Why not?

- 5 of the Reagans, and she is involved in political fundraising
- 6 in California.
- 7 Q Did you call her?
- 8 A No.
- 9 Q Why not?
- 10 A Same problem.
- 11 Q Never got around to it?
- 12 A Right.
- 13 Q Then after that, there is the name Akki Oxner,
- 14 A-K-K-I, O-X-N-E-R. Who is that?
- 15 A He is a doctor in, I think, New Orleans.
- 16 Q Is that the correct spelling of his name?
- 17 A I do not think so.
- 18 Q Is it O-C-H-S-N-E-R?
- 19 A Maybe. I do not know how to spell his name.
- 20 Q Is he the doctor who has the Ochsner Clinic there
- 21 in New Orleans?
- 22 A It may be. There surely cannot be two.

7 Q Who?
8 MS. LUBIN: If you know.
9 THE WITNESS: I think it was Cliff Smith, but I am
10 not positive.
11 BY MR. FRYMAN:
12 Q Did he make a contribution?
13 A No. He made a pledge, but no contribution. He
14 welshed.
15 Q Now, Item 5 on this list is "IBS." What does IBS
16 stand for?
17 A It is a mistake; it stands for IBC.
18 Q All right. Finally, Item 11 on the next page
19 relates to Barbara Newington, and your note is to "develop a

- 1 A Spitz.
- 2 Q Was that done?

- 4 Q Did Mr. Miller prepare such a memo at one time?
- 5 A Maybe.
- 6 Q Turning to the notes dated May 17, 1985, which is
- 7 Page 37227, are these your notes?
- 8 A Yes.
- 9 Q And were they made on or about May 17?
- 10 A Yes.
- 11 Q Now, under the heading "Calero," there is an item
- 12 which reads, "Ollie North letters have been sent?" What does
- 13 that refer to?
- 14 A Well, as I recall, Rich Miller proposed, or Frank
- 15 Gomez proposed that we send some -- I do not even remember
- 16 the content of the letters, but basically a form letter from
- 17 Oliver North to, I think, a dozen contributors or something.
- 18 Q Had you met Oliver North by this point?
- 19 A No.
- 20 Q Who had identified him for you? Was that Mr. Gomez?
- 21 A Maybe. It was either Rich Miller or Frank Gomez.
- 22 Q And it was their idea that Colonel North send such

2 A Well, it may be Spitz Channell's idea. I am not

4 Q Now, you have under that the entry, "When will we

6 at 3:00 p.m."

7 A Right.

8 Q Does that refresh your recollection as to whether
9 you saw the slide show in advance of the briefing?

10 A Oh, yes, I did see this slide show.

11 Q Is that the same slide show as the slide show for
12 the briefing?

13 A No.

14 Q What slide show does this refer to?

15 A I have forgot the guy's name -- but anyway, we had
16 a briefing at the State Department where there was a slide

18 like the guy who talked. I have forgotten the guy's name.

- 2 Q Who told you to do this?
- 3 A Spitz.
- 4 Q And one of those items is a letter from President
- 5 Reagan?
- 6 A Yes.
- 7 Q Did you get such a letter?
- 8 A No.
- 9 Q Why not?
- 10 A I could not answer the question, I do not know.
- 11 Q Did you ask for it?
- 12 A Yes.
- 13 Q You asked Roberts for it?
- 14 A Yes.
- 15 Q But you never got it?
- 16 A No.
- 17 Q Item 3 reads "Update on Nicaragua I ads and plans
- 18 for Nicaragua II ads." Did you report to John Roberts about
- 19 those subjects?
- 20 A Yes.
- 21 Q Item 4 is "Nicaragua refugee fundraising program

2 A Yes.

3 Q Did you ask him to arrange for White House
4 briefings?

5 A I do not recall that. I am not sure. We may have.

6 Q What was the purpose of that entry?

7 A I think -- it is one of two things, I am not sure
8 which. It is either "We are going to do this and we are
9 letting you know," or it is "We are telling you we want to do
10 the first part, and can you help us with the second part."
11 In other words, "We want to do refugee fundraising, and can we
12 get White House briefings, or to tell you that we are going
13 to do refugee fundraising, and we have already White House
14 briefings scheduled."

15 Now, this is 5/20 -- I am guessing by that time we
16 already knew.

17 Q At this point, Mr. Roberts was on the White House
18 staff; is that correct?

19 A Yes.

20 Q Did you consider him your principal contact with the
21 White House staff at this point?

22 A Yes.

1 Q Turning to the notes dated May 22, 1985, is that
2 your handwriting?

3 A Yes.

4 Q Did you make those notes on or about May 22, 1985?

5 A Yes.

6 Q Toward the bottom, there is an entry, "Dan
7 Kuykendall/Bunker." What does that refer to?

8 A Dan Kuykendall knew Bunker Hunt and we, as I said
9 earlier, trying to get Bunker Hunt to sign a letter and let
10 us use his personal stationery to send Letter A out for the
11 American Conservative Trust. Dan Kuykendall was going to
12 intercede on our behalf, to see whether or not he could get
13 Bunker to take our phone call so that we could discuss it
14 with him.

15 Q Do you know if he did?

16 A Who?

17 Q If Mr. Kuykendall spoke to Mr. Hunt?

18 A Yes, he did.

19 Q Did you then speak to Mr. Hunt, or someone on NEPL?

20 A Yes.

21 Q The only responsibility of Mr. Kuykendall here was
22 to make the initial contact with Mr. Hunt?

- 6 A Mr. Channell.
- 7 Q Were you present?
- 8 A I do not think so. I do not recall it.
- 9 Q Did Mr. Channell report to you what happened in the
10 conversation?
- 11 A Yes.
- 12 Q What did he say?
- 13 A I do not recall.
- 14 Q The subject was using Mr. Hunt's stationery for
15 these letters; that is your understanding?
- 16 A Yes.
- 17 Q And the basic answer was, no, you could not?
- 18 A Right.
- 19 Q Turning to the notes dated May 30, 1985, which

5 any?
- 6 A I think I may have the name confused.
- 7 Q Barbara Christian is a --
- 8 A I know who Barbara Christian is.
- 9 Q -- from Kentucky?
- 10 A Yes. But Ray Hower is -- I thought he was -- as
11 far as I know, there is no relationship between them.
- 12 Q Does that note indicate that Barbara Christian and
13 Ray Hower were to meet together with someone?
- 14 A No. I think it means -- I am guessing --

- 7 those spots?
- 8 A I am not positive. I would have to look at my
- 9 records.
- 10 Q Did you seek funds?
- 11 A I think we did, yes.
- 12 Q Did NEPL ever receive any funds from the Roe
- 13 Foundation?
- 14 A It is possible. Again, I would have to check my
- 15 records to be sure.
- 16 Q If there were such a contribution, it would be
- 17 reflected in the books of NEPL?
- 18 A Or one of the other organizations, yes.

6 A Yes.

7 Q Then there would be disbursements from that

9 A Yes.

10 Q Are you aware of any instances where there were
11 payments directly to the Goodman Agency for advertisements?

12 A Not that I recall.

13 Q Also on these notes, there are the names Justin
14 Dart, Jr., and Peter Dunston. Were they other potential
15 contributors?

16 A Yes.

17 Q And that is the only significance of their

- 2 A Yes.
- 3 Q In Item 4, under "Calero," there is a reference to
- 4 a "military briefing." What does that refer to?
- 5 A When we had a briefing, we wanted to -- for
- 6 fundraising purposes, we wanted the briefing to fall into
- 7 three parts. The military briefing was one of the three
- 8 parts.
- 9 Q What would be included in the military briefing?
- 10 A Military update as to what is happening with the
- 11 Freedom Fighters.
- 12 Q How they are faring militarily?
- 13 A Yes.
- 14 Q There is also a reference, under "Calero," to
- 15 soliciting Mr. Gaylord. Who is Mr. Gaylord?
- 16 A One of the Forbes 400 wealthiest people in America.
- 17 Q Where did you get his name?
- 18 A Spitz Channell.
- 19 Q Did you solicit him?
- 20 A No.
- 21 Q Why not?

1 Q Under "IBC," on that same page, there is a reference
2 to the -- is it "Bailey Museum dinner list"?
3 A Yes.
4 Q What is that?
5 A I am forgetting where it is -- it is in Virginia
6 somewhere, and the museum held a fundraising event, some kind
7 of dinner -- I do not know -- special event, and it was
8 reported in the Post, Washington Post. I saw the article and
9 saw, "Oh, how wonderful. I would love to have the list of
10 those who attended."
11 Q There is also the entry, "Jacques Chirac, Mayor of
12 Paris." What is the reason for that entry?
13 A I do not recall.
14 Q What was the source of that entry? Was that
15 something Mr. Channell told you?
16 A I think, actually, Frank Gomez told me about him.
17 Q Were you planning to solicit Mayor Chirac?
18 A No. That would not be a reasonable -- although it
19 is not a bad idea. You are catching on.

5 Q Turning to the next page of those notes, under the

7 contributors for \$25,000," and you have the names Roy Haley,
8 H-A-L-E-Y, Larry Parmen, P-A-R-M-E-N, Snakes Hunt and
9 Langhorn Washburn.

10 We have spoken of Mr. Hunt and we have also spoken
11 of Mr. Washburn; who are Roy Haley and Larry Parmen?

12 A Roy Haley is Roz Haley.

13 Q Roz Haley?

14 A Yes. She is a contributor who we have also spoken
15 of before; lives in two towns in Texas and, I also believe,
16 the Canary Islands, if I recall properly. Larry Parmen, I do
17 not recall -- I have never met him. I do not know who it is.
18 I do not recall.

19 Q There is also an entry there to send Lloyd Unsell,

22 A He is executive director of the Independent

2 Q What was the reason for sending him a schedule of
3 the ads?

4 A So he could see the kind of thing we were doing.

5 Q Why did you care about him seeing the kind of thing
6 you were doing?

7 A Because we wanted to do -- we wanted to do Item 13
8 with him, on the next page.

9 Q That is "Oil Spots"?

10 A Yes.

11 Q What is that?

12 A We wanted to do a fundraising campaign for Lloyd
13 Unsell. I am not phrasing it right. We wanted to do an
14 advertising campaign to -- this had to do with the tax
15 changes that were, I think, proposed at that time, to cut out
16 or vastly reduce the oil exploration allowance.

17 Q Is that unrelated to Nicaragua?

2 your only activity, with respect to Jamaica was attending the
3 luncheon in Georgetown.

4 A No. I also said that there were conversations with
5 Tom Evans on the point.

6 Q What do these entries on this page with regard to
7 Jamaica signify?

8 A Well, just further -- I mean I do not -- they
9 signify that we are working on the issue.

10 Q What does "Campbell for Congress" have to do with
11 the issue?

12 A It has nothing to do with the issue. It has to do
13 with Tom Evans.

14 Q What does that have to do with Tom Evans?

15 A Tom said would we make a contribution to Campbell
16 for Congress. And rather than make a new category, since I
17 already had 15 categories on here, I just stuck it under
18 "Jamaica."

19 Q What did you understand Tom Evans' relationship to
20 the Campbell for Congress campaign was?

21 A I knew he was going to hold a fundraiser for him at
22 his home, and he was just asking us, I thought, as a friend

1 of Campbell's, that would we give a contribution. As far as

12 A Yes.

13 Q Do these notes indicate that letters were contem-
14 plated from Oliver North to the individuals specified here?

15 A Yes.

16 Q Who suggested that?

17 A I am guessing --

- 3 A Oh, yes.
- 4 Q And Mr. Miller?
- 5 A Yes.
- 6 Q What was the reason for sending letters from
- 7 Colonel North to these individuals?
- 8 A Well, as I said previously, I do not remember what
- 9 the content of the letters was. I mean it is obviously in
- 10 some connection with fundraising, but I do not know -- I
- 11 cannot recall what.
- 12 Q Were these individuals all potential contributors?
- 13 A Yes.
- 14 Q Turning to the next page of notes, which appears to

- 17 A Yes.
- 18 Q Is that your handwriting?

6 Barbara Newington, which states, "Needs to meet the President
7 very shortly, by --" and it appears to be "7/19/85." Again,
8 does that reflect a conversation with Mr. Channell?

9 A Yes.

10 Q Do you know the reason for his belief that Mr.
11 Newington needed to meet the President very shortly?

12 A Mrs. Newington.

13 Q Mrs. Newington, I am sorry.

14 A Fundraising cultivation.

15 Q Anything more specific?

16 A No.

17 Q Why the significance of that specific date?

18 A He loves to put deadlines on things.

19 Q You believe that is the only reason for that date
20 there?

21 A Yes.

22 Q On that same page, under the heading "IBC," there

UNCLASSIFIED

UNCLASSIFIED

ed332

332

1 is the note, "Work out relationship with ACT and NEPL,"
2 N-E-P-L.

3 A Excuse me. We need to go back. I think by the
4 19th because I think he was planning to leave on the 20th on
5 his vacation, so he wanted the meeting arranged with the
6 President before he left.

7 Q All right. Did that occur; do you know?

8 A I cannot recall.

9 Q Going on then to the next item, with regard to IBC,
10 that states "Work out relationship with ACT and NEPL," and
11 then there are the further notations, "In constant touch with
12 us; never say 'no'; our disappointments so far; how they will
13 handle envy and criticism about out."

14 What do those notes refer to?

15 A It is about our relationship, the consulting
16 relationship that they had with us.

17 Q What do you need to work out in the relationship?

18 A Well, I am ^{from} California, that is what we do.

19 Q Well, what do you have in mind doing here, in this
20 specific instant?

21 A Well, just, you know, have a nice conversation, to
22 clear the table, clear the air, and that everybody is

1 communicating.

2 Q Well, I guess what I am trying to get at, Mr.
3 Conrad, is what needed clearing, at this point, between IBC
4 and the Channell organizations?

5 A Well, I mean there is inevitable problems that
6 occur in almost all relationships, and this is just a random
7 selection of various things that we were concerned about,
8 that they needed to hear what we were saying.

9 Q Well, the first one is, "In constant touch with
10 us." What does that refer to?

11 A They needed to be in constant touch with us.

12 Q Were they?

13 A No.

14 Q So you were dissatisfied with the frequency of
15 communication?

16 A Yes.

17 Q That was one thing?

18 A Yes.

19 Q The second item is, "Never say 'no.'" What does
20 that mean?

21 A They did not ever say no. It appears to mean that
22 they never say no to us but, in fact, what it was, was --

UNCLASSIFIED

ed334

UNCLASSIFIED

334

1 wait a minute, am I misstating how I am intending it?

2 Anyway, they did not -- when we would put in a
3 request to them, they never said, "No, we cannot do that."
4 They said they would always do it, but then they did not get
5 it done. This reached epidemic proportions, as you saw,
6 later in the To-Do Lists.

7 Q All right. Then the next items is, "Our disappoint-
8 ments so far." What did you have in mind there?

9 A Well, we have a list of -- a lengthy list of items
10 that they were to do that they had not done, and we are
11 paying them a lot of money, so we want to know why they have
12 not done all the things that we are asking them to do.

13 Q So that is what, basically, that refers to?

14 A Yes.

15 Q Finally, your last line is, "How they will handle
16 envy and criticism about us." What does that refer to?

17 A Well, we were being very successful at this point
18 in raising money and working on the Nicaraguan issue, and we
19 felt that we needed a public relations strategy to deal with
20 the inevitable envy and criticism from other conservatives,
21 for example.

22 Q Turning to the next page of notes, which is dated

2 has -- well, first of all, is this your handwriting?

3 A Yes.

4 Q Did you make these notes on or about July 3, 1985?

5 A Yes.

6 Q Item 5 reads, "\$15,000 in June for direct Contra
7 aid." What does that refer to?

8 A (Witness peruses document.)

9 I am not sure.

10 Q The next, Item 6, is "June 26, \$500,000 for
11 Contras." What does that refer to?

12 A I can make an intelligent guess, but I cannot
13 recall.

14 Q Your counsel is going to tell you not to make a
15 guess.

16 A So I do not recall.

17 Q Well, do you have some recollection of a note that
18 you made in July of 1985 of a significant amount of money to
19 go to the Contras on a particular date?

20 A No.

21 Q The next, Item 7, is "June 28 --" would you read
22 that line, please?

UNCLASSIFIED

ed336

UNCLASSIFIED

336

1 A It says, "June 28, fundraising dinner, netting
2 \$100,000 for the Contras."

3 Q What does that refer to?

4 A A planned dinner, which I think was held on the
5 27th or sometime -- I do not know, around there -- where we
6 were hoping to raise \$100,000.

7 Q Were you seeking a substantial contribution from
8 Mrs. Newington for the Contras in June of 1985?

9 A I believe so.

10 Q Did you visit her home in Connecticut?

11 A No.

12 Q Did Mr. Channell?

13 A Yes. I do not know if he went to her home.

14 Q But he visited her in Connecticut?

15 A Wherever. I do not know if it was in Connecticut.

16 Q He visited with her?

17 A Yes.

18 Q Did she make a substantial contribution?

19 A I cannot recall. I mean it is easy to check. All
20 we have to do is look at the records.

22 the Contras," in light of our discussion about Mr. Channell

5 July 8, 1985, control number Page 30123, I believe; what is
6 the reference in Number 12, "Calero/ --" is that "Rizo,"
7 R-I-Z-O?

8 A Yes.

9 Q What does that refer to?

10 A As I recall, Rizo was saying something -- Lord, I
11 cannot remember what -- but we wanted -- he was saying
12 something he should not be saying in public, I do not know, I
13 cannot recall. I just do not -- I cannot think of what the
14 topic was but, anyway, we wanted IBC to talk to Calero, to
15 get him to shut Rizo up.

16 Q For the record, who is Rizo?

17 A I cannot recall. He is a former Ambassador to the
18 United States from a Central American country, which maybe is
19 Nicaragua -- I am not sure -- and he was head of the
20 Nicaraguan Refugee Fund.

21 Q And this note signifies that you wanted Mr. Calero

2 A Yes.

3 Q Now, the next entry, 13, refers to "Dinner with

5 A Yes.

6 Q What does that entry mean?

7 A We wanted IBC to arrange for us to have a dinner
8 with Colonel North.

9 Q This is you and Mr. Channell?

10 A Yes.

11 Q Why did you want to have dinner with him?

12 A To talk about worldwide fundraising and to get his
13 cooperation in helping us further in our fundraising efforts.

14 Q Did such a dinner occur on July 9, 1985?

15 A Yes.

16 Q That was at the Hay Adams?

17 A Yes.

18 Q That was you, Mr. Channell and Colonel North?

19 A And Rich Miller and Frank Gomez.

5 tell you that.

6 Q Is it related to Nicaragua?

7 A No, in no way.

8 Q Turning to the next page of notes, which has the
9 control number 37236, and I believe is dated July 12, 1985;

14 Q Now, there is an entry in those notes, "Colonel
15 North to Mrs. Newington for dinner." Was that a subject that
16 was discussed at your dinner with Colonel North on the 9th of
17 July?

18 A Well, Colonel North to attend dinners, in general,

8 the word "Contracts." Can you read that?

9 A Yes.

10 Q What does it say?

11 A "One contractor, three months, \$250,000, heavy
12 drops."

13 Q What does that refer to?

14 A Renting of an airplane to make supply drops to the
15 Freedom Fighters.

16 Q Where did you get that information?

17 A I do not recall.

18 Q What is the significance of the line drawn through
19 those items?

20 A Well, it indicates that it is done, but I do not
21 know what I did with it.

22 Q What is a "heavy drop"?

UNCLASSIFIED

UNCLASSIFIED

1 A It means it is an airplane that is capable of
2 carrying heavy weight, heavy supplies.

3 Q So just to expand upon this note, does that mean
4 that you could retain a contractor for a period of three
5 months to make such heavy drops for the total sum of \$250,000?

6 A Yes.

7 Q This note indicates that someone gave you that
8 information?

9 A Yes.

10 Q And you do not recall at this point who gave it to
11 you?

12 A Right.

13 Q Now turning to the notes dated August 6, 1985, -- I
14 believe there are two copies included in this volume. The
15 first set has your control numbers 30116-17. Is this your
16 handwriting?

17 A Yes, sir.

18 Q Were these notes made on or about August 6, 1985?

19 A No. I think these were made after that.

20 Q Why do you say that?

21 A Because the next document was the one that was made
22 on August 6th.

- 1 Q I think they are the same, are they not?
- 2 A Yes, but the first one was made in Venice, Italy,
- 3 and the second one was made in Washington, D.C., so there is
- 4 at least a week of time difference between the two.
- 5 Q You are going to have to explain that, Mr. Conrad.
- 6 What pages are you referring to?
- 7 A 26895, I guess it is -- yes, 95, and --
- 8 Q And 26896?
- 9 A Yes. -- were made in Venice, between -- Spitz
- 10 Channell and I were on vacation and our paths crossed in
- 11 Venice, Italy, and so we had a meeting -- inevitably. And so
- 12 we -- this is my notes from the meeting.
- 13 Q Yes.
- 14 A Then when I came back to the United States -- I do
- 15 not know, a couple of weeks later, something -- I wrote it
- 16 out in a different form.
- 17 Q If you would compare the two, are you sure these
- 18 are not just two copies of the same document?
- 19 A Yes, they are.
- 20 Q They are two copies of the same document?
- 21 A I mean one is the copy of the other.
- 22 MR. FRYMAN: Could we go off the record.

UNCLASSIFIED

UNCLASSIFIED

- 1 (Discussion held off the record.)
- 2 MR. FRYMAN: Back on the record.
- 3 BY MR. FRYMAN:
- 4 Q So Pages 26885 and --
- 5 A No, 95.
- 6 Q -- 95 and 96, you wrote in Venice, Italy?
- 7 A That is correct.
- 8 Q And then the preceding two pages, which are 30116-
- 9 17, which have very similar content, were physically written
- 10 by you when you returned to Washington, D.C.?
- 11 A That is correct.
- 12 Q What is the significance of the 8/6/85 date? Was
- 13 that the date of the original notes in Venice, Italy, --
- 14 A Yes.
- 15 Q -- or the later notes?
- 16 A Yes, the original notes in Venice, Italy.
- 17 Q All right. What was the reason for making a second
- 18 handwritten copy of these notes?
- 19 A Well, the first copy in Venice was written on a
- 20 small piece of paper, and so the second copy I wrote on
- 21 bigger paper.
- 22 Q Other than the difference in the size of the paper,

UNCLASSIFIED

ed345

UNCLASSIFIED

345

1 what is the difference?

2 A That was the only difference.

3 Q That was the only difference.

4 A And there is not much reason there. But thank you
5 for asking.

6 Q All right. Well, let's then focus on the Venice
7 copy, and that copy was made on or about August 6, 1985?

8 A That is correct.

9 Q Item 6 refers to Ellen Garwood, and under that it
10 says, "Bring plane to her?" What does that mean?

11 A We thought that -- the Freedom Fighters wanted to
12 buy an airplane, a used airplane, and we wondered whether or
13 not we should bring the plane to her so she would not have to
14 travel, so she could see it.

15 Q What was done about that?

16 A Nothing.

17 Q Did she buy the plane, or did she buy this used
18 plane you had in mind?

19 A No.

20 Q The next item is, quote, "Catalog," closed quote,
21 "of Freedom Fighter needs from Mr. Greene," and I take it,
22 that refers to Colonel North?

UNCLASSIFIED

ed346

UNCLASSIFIED

346

1 A Yes.

2 Q What did you have in mind by the "Catalog of
3 Freedom Fighter needs"?

4 A Well, as I have mentioned before, it is a list of
5 specific material items, with a price tag on them, that we
6 could use for our fundraising purposes.

7 Q That would be a more effective fundraising
8 technique, to have such a list?

9 A Yes.

10 Q Now, the next line is, "Spark to attend ?/Greene to
11 attend?" What does that line mean?

12 A That means can we get either Adolfo Calero or
13 Lieutenant Colonel Oliver North to go to a meeting with Ellen
14 Garwood at her -- to meet with Ellen Garwood in her home.

15 Q To seek a contribution from her, or to describe the
16 needs of the Freedom Fighters?

17 A To describe the needs of the Freedom Fighters.

18 Q And then the last item, "Date?" I take it, means
19 when --

20 A When can we arrange this.

21 Q What was to be included in this catalog of Freedom
22 Fighter needs?

UNCLASSIFIED

ed347

UNCLASSIFIED

347

1 A Oh, I mean that is not for a fundraiser to
2 determine. You know, you talk to the people that want to buy
3 things, and you say, "What is it that you need?"

4 Q So you did not care one way or the other?

5 A Oh, I could care less.

6 Q It was the same to you if it included boots or if
7 it included missiles?

8 A Right.

9 Q Am I correct that you did not care because your
10 objective, as a fundraiser, was to raise the funds?

11 A Yes.

12 Q Not the use of the funds?

13 A Right.

14 Q There is a reference also in these notes to an
15 October 22 -- I am sorry -- to an August 22 White House
16 briefing, and there are references to John Ramsey concerning
17 that briefing. Was this to be a special briefing for Mr.
18 Ramsey and a group that he would bring?

19 A Well, as I mentioned previously, the fundraiser
20 that he had wanted to have in Wichita Falls, Texas, did not
21 come through. He could not get enough interest. But I
22 believe Spitz proposed to him that he should bring some of

UNCLASSIFIED

UNCLASSIFIED

1 the -- since there were not enough people for us to make a
2 trip there, maybe the reverse was true, and they could make a
3 trip to Washington.

4 Q Did that occur?

5 A No.

6 Q Do you know why not?

7 A John Ramsey could not get enough interest.

8 Q Turning to the preceding page in these notes, Item
9 2 is "terrorism Conference," and under that there is an
10 entry, "Confirm availability of the farm." What does "the
11 farm" refer to?

12 A I think it is a CIA training place.

13 Q 

14 A 

15 Q How do you know about it?

16 A I think Rich and Frank told us about it.

17 Q Was it available for such conferences?

18 A No. No.

19 Q I do not understand this entry, "Confirm
20 availability" of this CIA training place.

21 A We wanted to see whether it would be possible for
22 us to get it, to hold a conference there. And we did not --

UNCLASSIFIED

ed349

UNCLASSIFIED

349

1 the reason I laughed is because, subsequently, I discovered
2 that it is impossible to get in there.

3 Q You tried?

4 A Yes.

5 Q Who told you about "the farm"?

6 A I think Rich and Frank. It is possible it could be
7 Spitz.

8 Q Turning to the next page of notes, which are dated
9 August 19, 1985, and has the control number 34965; is this
10 your handwriting?

11 A Yes.

12 Q Were these notes made on or about August 19, 1985?

13 A Yes.

14 Q Now, the heading at the top is "Greene," and I take
15 it, again, that refers to North?

16 A Yes.

17 Q You have written there, "Goal: \$5 million." What
18 does that refer to?

19 A These are notes of a meeting -- it is a combination
20 of things. One is what I was to discuss with Colonel North,
21 and the other part of the list is what he responded. In
22 other words, it is a combination of what I was to talk about

UNCLASSIFIED

UNCLASSIFIED

ed350

350

1 and what actually was talked about.

2 We were going to go solicit Bunker Hunt, and we
3 wanted to raise \$5 million, and I had to tell Colonel North
4 to prepare for that.

5 Q Well, is the first entry, "Goal \$5 million," that
6 is a note of something you are going to bring up with Colonel
7 North; is that correct?

8 A Yes.

9 Q Does that reflect a discussion between you and Mr.
10 Channell?

11 A Yes.

12 Q There is the word "catalog" also. Is that word
13 related to the notation, "Goal: \$5 million"?

14 A Yes.

15 Q What do you mean by "catalog"?

16 A The catalog of Freedom Fighter needs.

17 Q Or a list of needs -- a "catalog" means a list, in
18 effect?

19 A Yes.

20 Q And this is what, eventually, leads to the two
21 pages of yellow notes that is used in the meeting with Mr.
22 Hunt in Dallas?

UNCLASSIFIED

ed351

UNCLASSIFIED

351

1 A Yes.

2 Q Now, at the top there is an entry, "9/9-12, Dallas,
3 World Anti-Communist League." What is the significance of
4 that entry?

5 A Well, in Dallas at the same time, at 9/9 until
6 9/12, the World Anti-Communist League was holding its
7 convention.

8 Q So does that indicate you were thinking of
9 approaching Mr. Hunt in Dallas during this meeting of the
10 World Anti-Communist League?

11 A I do not know what we were thinking about at the
12 time.

13 Q What is the relationship between that entry and the
14 entry concerning the catalog, with a goal of \$5 million, if
15 there is any?

16 A There is not any connection.

17 Q There is another entry on there, "Control over
18 Spark's public statements." What does that refer to?

19 A Well, as I recall, Adolfo Calero was saying things
20 he should not say in the press -- I do not remember what it
21 was that he was not supposed to say, but it was not furthering
22 his cause very much, and we felt that somebody needed to have

UNCLASSIFIED

UNCLASSIFIED

1 control over him.

2 Q And you raised that with Colonel North?

3 A Yes.

4 Q What did Colonel North say?

5 A Nobody had control over him.

6 Q The next item is "Barbara and Ronald Reagan." What
7 does that mean?

8 A We wanted to arrange a meeting between Barbara
9 Newington and President Reagan.

10 Q And you raised that with Colonel North?

11 A Yes.

12 Q What did he say?

13 A He would work on it.

14 Q And the next items is "Letters from Ronald Reagan."

15 A Yes.

16 Q What does that refer to?

17 A We would like to get some endorsement letters,
18 thank you letters.

19 Q From?

20 A From the President.

21 Q The President to NEPL?

22 A Or any of the other organizations.

UNCLASSIFIED

ed353

UNCLASSIFIED

353

1 Q The other organizations. What did Colonel North
2 say about that?

3 A He would work on it.

4 Q The next item is "List of days next week when
5 available for one-hour meeting, Ellen Garwood and Fred
6 Sacher." What does that refer to?

7 A I was supposed to find out when he would be
8 available so that we could bring in these two contributors to
9 talk with him.

10 Q "He" being Colonel North.

11 A Yes.

12 Q What did he say about that? Did he give you some
13 times?

14 A Yes.

15 (Interruption to proceedings.)

T5S1 16 BY MR. FRYMAN:

17 Q The next item is "Thank you letter to ACT/NEPL,"
18 and under that is "Greene and Ronald Reagan." How is that
19 different from the entry above, about letters from Ronald
20 Reagan?

21 A It is not.

22 Q So that is duplicative, at least insofar as Ronald

UNCLASSIFIED

ed354

UNCLASSIFIED

354

1 Reagan is concerned?

2 A Yes.

3 Q Now, up to that point, are these notes made in
4 advance of your meeting with Colonel North?

5 A Yes.

6 Q Now, the next item is "8/22 meeting, military
7 update." Was that made in advance of your meeting with him?

8 A We are getting into a fuzzy area. I do not recall
9 where it exactly stops.

10 Q What does that refer to?

11 A We wanted to have a briefing -- excuse me. Could
12 we go off the record for a minute.

13 Q Yes.

14 MR. FRYMAN: Off the record.

15 (Discussion held off the record.)

16 MR. FRYMAN: Back on the record.

17 THE WITNESS: The question again? I am sorry.

18 BY MR. FRYMAN:

19 Q We were talking about the 8/22 meeting and the
20 military update, and what that referred to.

21 A We wanted to have another briefing, like the one we
22 had in June that Colonel North gave, and I was supposed to

UNCLASSIFIED

ed355

UNCLASSIFIED

355

1 tell him, I believe, that there was supposed to be -- that we
2 wanted the military part of it updated.

3 Q Was that a briefing for potential contributors then?

4 A Yes.

5 Q The next item is "Major endorsement letter." What
6 does that mean?

7 A It duplicates the items above.

8 Q Again, a letter from the President?

9 A Yes.

10 Q Then there are various dates that are given there,
11 October 18th, 17th, September 20th and 19th, and September
12 12th and 13th; what are those dates?

13 A Those are alternative dates on which he would be
14 free.

15 Q So this is information that he gave to you at the
16 meeting?

17 A Yes.

18 Q And this is for the meeting with Mr. Hunt in Dallas?

19 A Yes.

20 Q Finally, at the bottom, there is an entry,
21 "452,000," and then in parenthesis, "(6 months time 100 hours
22 a month)." What does that refer to?

UNCLASSIFIED

UNCLASSIFIED

ed356

356

1 A That is, again, an airplane for making drops into
2 -- to the Freedom Fighters in the field.

3 Q Is this information that Colonel North gave you?

4 A Yes.

5 Q What was the reason, to your understanding, that he
6 gave you this information?

7 A He just mentioned it in passing; I do not recall.

8 Q Well, were you to seek funds for this item?

9 A I was not instructed.

10 Q This relates again to the heavy drops; is that
11 correct?

12 A I am not sure. The amounts of money are a little
13 different, but I am not sure.

14 Q But this relates to --

15 A Some type of aircraft which delivers --

16 Q -- obtaining services of a certain type of aircraft?

17 A Yes.

18 Q And you understand this to mean for a total of
19 \$452,000, you can obtain the operation of an aircraft for 100
20 hours a month for six months?

21 A Yes.

22 Q Was this to be one of the items to be included on

UNCLASSIFIED

UNCLASSIFIED

1 the catalog for Mr. Hunt, or do you recall?

2 A No. No, it was not specifically to be included. I
3 gave specific instructions to Colonel North that he could put
4 anything on it he wanted to, in the catalog.

5 Q Turning to the next page, which I believe is dated
6 August 23, 1985, and has the control number 26886; is that
7 your handwriting?

8 A Yes.

9 Q Were those notes made on or about August 23, 1985?

10 A Yes.

11 Q At the top, there is the entry, "Greene, special
12 thank you to Fred Sacher." What was the reason for a special
13 thank you to Fred Sacher?

14 A I think he had made a contribution.

15 Q Then a "letter to Mrs. Pierce"?

16 A I think she made a contribution also.

17 Q All right. Now, Mr. Conrad, looking at the next
18 series of notes, or actually the next page of notes, which is
19 control number 37242, and is dated September 3, 1985, and
20 this is a page of notes that has previously been specifically
21 marked as Exhibit 8.

22 I just have a couple of questions about this page

UNCLASSIFIED

ed358

UNCLASSIFIED

358

1 of notes. First of all, they are in your handwriting; is
2 that correct?

3 A Yes.

4 Q And it was made on or about September 3, 1985; is
5 that correct?

6 A Yes.

7 Q Now, to the right, there is the heading, "Dallas,"
8 and there are various names under that, beginning with Brad
9 Burns. What is the significance of those names?

10 A Prospects.

11 Q Were they people you planned to meet with in Dallas?

12 A Yes. "Hoped" is the better word.

13 Q All right. Who is Mary Crowley?

14 A A wealthy lady, now deceased.

15 Q Has she been a contributor?

16 A Yes.

17 MS. LUBIN: Are we getting to a point soon where it
18 would be convenient to break?

19 MR. FRYMAN: Off the record.

20 (Whereupon, at 4:41 p.m., the taking of the

5

EXAMINATION BY COUNSEL FOR THE

6

HOUSE SELECT COMMITTEE

7

BY MR. FRYMAN:

8

Q Mr. Conrad, directing your attention again to

9

Deposition Exhibit 9 for identification, would you look in
10 that exhibit at notes dated September 9, 1985.

11

A (Witness peruses document.)

12

Okay.

13

Q On that page, there is an Item 6 which is marked

14

with a star and reads, "Tom Signhorst," S-I-G-N-H-O-R-S-T,

15

"wants our 12 names in Dallas." Is that in your handwriting?

16

A Yes.

17

Q Would you explain that entry?

18

A Tom wanted some prospects who were contributors of

19

ours for him to send letters to for his foundation.

20

Q First, identify for the record who Tom is again.

21

A Well, at this time he was -- I'm not sure what his

22

position title was -- Executive Director, perhaps, of a

23

foundation that was co-chaired by Senator Grassley and the

24

representative from Oregon, whose name I have forgotten.

UNCLASSIFIED

UNCLASSIFIED

e.364

364

1 Dennis -- I have forgotten the last name.

2 Q What had been your prior association with --

3 A Denny Smith. Denny Smith.

4 Q What had been your prior association with Mr.

5 Signhorst, as of September 1985?

6 A Just a friend, I guess; consultant. I think he
7 served on the boards of some of our organizations, maybe. I
8 am not positive exactly.

9 Q What had his positions been, other than working for
10 this organization that you just referred to?

11 MS. LUBIN: If you recall.

12 THE WITNESS: He worked for Senator Grassley. I
13 can't remember in what capacity.

14 BY MR. FRYMAN:

15 Q Had your association with him begun when he had
16 worked with Senator Grassley?

17 A When he had what?

18 Q When he had worked for Senator Grassley.

19 Q I don't remember who he was working for exactly,
20 when I first met him. I just don't know. It was either with
21 this foundation or with Grassley. I don't know.

22 Q You say he had been a consultant to NEPL?

23 A I am not sure. I am really unclear on the point.

24 I cannot answer the question. I don't know. I would have to
25 look at my other record.

UNCLASSIFIED

UNCLASSIFIED

e1365

365

1 Q What was his area of expertise for consultation to
2 an organization such as NEPL, if you know?

3 A Well, he was a political fundraiser.

4 Q And if NEPL had retained him as a consultant, it
5 would have been in that capacity?

6 MS. LUBIN: Are you asking him to speculate?

7 MR. FRYMAN: Well, he said that --

8 MS. LUBIN: I understand what he said; he doesn't
9 recall.

10 MR. FRYMAN: All right. I will withdraw the
11 question.

12 BY MR. FRYMAN:

13 Q Now, your note refers to "our 12 names in Dallas."

14 A Yes.

15 Q What is "our 12 names"?

16 A I believe I said 12 of our contributors in the
17 Dallas area.

18 Q Was Mr. Hunt one of those?

19 A I could not tell you who was on the list. I would
20 have to look.

21 Q Where would the list be?

22 A Well, it is on our master list. I mean I would
23 have to get a printout of the list and we would have to look
24 at it and see.

UNCLASSIFIED

25 Q You understand that that reference refers to all

UNCLASSIFIED

ed366

366

1 the contributors on the master list that are located in
2 Dallas?

3 A Yes. I don't know; it might be. I don't know.
4 The word "all," if you are saying all the names, I don't
5 know. It might have been a selection of the names, but I
6 think it was all of them.

7 Q The 12 significant contributors in Dallas?

8 A Yes.

9 Q Do you know why Mr. Signhorst wanted those names?

10 A Yes. He wanted to send them a letter to ask them
11 to contribute to his foundation.

12 Q Now, Item 11 on that page reads, "Call Green re
13 J. Lyon." What does that refer to?

14 A We wanted to find out from Colonel North whether he
15 knew Jimmy Lyon, who was a banker in Houston.

16 Q Did you call him?

17 A I don't think I phoned him. I think I went to see
18 him.

19 Q Did he know him?

20 A I can't recall. I don't think he did. I think he
21 might have heard of him, but I don't think he knows him.

22 Q What was the reason for calling Colonel North about
23 Jimmy Lyon?

24 MS. LUBIN: He said he didn't call.

THE WITNESS: Well, we were constantly trying to

1 find connections, and this was just one of those that we were
2 fishing for.

3 BY MR. FRYMAN:

4 Q Where did you get Lyon's name?

5 A Spitz had known him previously, or met him
6 previously, something.

7 Q I am not clear then, Mr. Conrad, what was the
8 reason for making a note to call Colonel North about Jimmy
9 Lyon if Mr. Channell had already known Jimmy Lyon.

10 A I guess to be able to get in --

11 MS. LUBIN: If you recall. If you don't recall, we
12 don't want you to speculate.

13 MR. FRYMAN: I think that is a constant throughout.
14 If he doesn't recall, he shouldn't speculate. The questions
15 call for his recollection.

16 MS. LUBIN: I understand. But it is early in the
17 morning, and I think we're all a little bit out of practice,
18 and I wanted to refresh his recollection of the use -- it
19 seemed to me that he was speculating.

20 THE WITNESS: Would you repeat the question.

21 MR. FRYMAN: If the Reporter would read the
22 question back.

23 (Whereupon, the Reporter read back the pending
24 question.)

25 THE WITNESS: Well, the purpose was to get more

1 connection with him than we already had.

2 BY MR. FRYMAN:

3 Q What do you mean by "more connection"?

4 A I don't know how to answer that. Find somebody
5 that knew him better than we did.

6 Q What was the reason that you thought Colonel North
7 knew Jimmy Lyon?

8 A We didn't know.

9 Q You just had a hunch that he might?

10 A Yes.

11 Q Turning in that exhibit, Mr. Conrad, to the notes
12 with the date October 3, 1985, on them.

13 A Yes.

14 Q There is an entry at the bottom, "List of topics to
15 discuss with Green." What does that refer to?

16 A (Witness peruses document.)

17 I do not recall.

18 Q Is that a note to yourself?

19 A Yes.

20 Q That is in your handwriting?

21 A Yes.

22 Q And you made it on or about October 3, 1985?

23 A Yes.

24 Q Do you know if such a list of topics was developed?

A I do not recall.

2 October 7, 1985; is that in your handwriting?

3 A Yes.

4 Q And were those notes made on or about October 7,
5 1985?

6 A Yes.

7 Q There is a note, "Green," then an arrow, and then
8 the name "Ramsey," and then a note in parenthesis, "Late on
9 10/16," and there is a check mark by that line. What does
10 that line refer to?

11 A (Witness peruses document.)

12 That Ramsey was coming to town and that he could
13 meet with Colonel North in the afternoon of 10/16 -- late in
14 the evening, I am sorry.

15 Q What does the check mark mean?

16 A I do not recall.

17 Q Turning to the next page, which is dated 10/18/85,
18 and it has the control number at the bottom 37517; is that
19 your handwriting?

20 A Yes.

21 Q Is everything on that page your handwriting?

22 A I don't think so.

23 Q What is not?

24 A The date and the numbers out to the side,

25 "CH042271," whatever that is.

6 A I have no idea.

7 Q Do you know if you made those notes on or about
8 October 18, 1985?

9 A I don't know. I would have to check my other
10 documents.

11 Q What other documents would you refer to?

12 A This is on the back of a "To-do list," and the to-
13 do list was dated -- I can't recall the date, and I have --

14 MS. LUBIN: This has been separated. This is not
15 how it was produced here.

16 MR. FRYMAN: Let's go off the record a minute.

17 [Briefly off the record.]

18 MR. FRYMAN: Back on the record.

19 During the break, we have looked at the documents,
20 as produced by counsel for the Channell organizations, and we
21 have noted that the notes which are included in Exhibit 9
22 that we have just been discussing, which have Control Page
23 37517 at the bottom, are contained on the back of a type-
24 written sheet which has the Control Number 37516, which has
25 the typewritten date October 18, 1985.

4 A Yes.

5 Q Did you make them on or about that date?

6 A Yes.

7 MR. McGOUGH: Could I interject just one question?

8 It is on the back of an agenda for October 18,
9 1985. Would you have put that agenda together on or about
10 October 18th, 1985, or would have put it together sometime
11 prior to October 18, 1985?

12 THE WITNESS: Sometime prior, but just a very brief
13 time prior.

14 MR. McGOUGH: So, essentially, --

15 THE WITNESS: Maybe a day prior, for example.

16 MR. McGOUGH: But the front page, the agenda
17 itself, would have been put together sometime shortly before
18 October 18, 1985?

19 THE WITNESS: Yes.

20 MR. McGOUGH: Do you recall when the handwritten
21 notations were put on there?

2 Q Now, returning to the handwritten notations, would
3 you read those for the record.

4 A Item number one is "multi-frequency radios," and
5 underneath that it says "33K each," which is \$33,000; and the
6 item two says "50 SAM missiles, \$1.1 million, and underneath
7 that it says, "\$22,000 each times 50," and then there is a
8 line and below that, it says, "leaks down there."

9 Q First of all, is this information that you obtained
10 from a conversation with someone?

11 A Yes.

12 Q Who was that person?

13 A Colonel North.

14 Q Where did that conversation occur?

15 A In the Old Executive Office Building.

16 Q And you were meeting with him face to face when you
17 made these notes?

18 A Yes.

19 Q All right. What do these notes refer to? What is
20 item one, "multi-frequency radios, \$33,000 each"?

21 A They are special radios that the Freedom Fighters
22 would use, that kept communications secure.

23 Q What was the reason that that was a subject of
24 discussion between you and Colonel North?

A He had mentioned it in a briefing, public briefing.

UNCLASSIFIED

373

ed373

1 Q Why did the subject come up with your meeting with
2 him?
3 A I wanted to find out much it cost.
4 Q For what reason?
5 A So that we could ask contributors.
6 Q Did you raise the subject of radios with him?
7 A Yes.
8 Q And you asked him the cost of the radios?
9 A Yes.
10 Q Did you discuss anything else about the radios?
11 A He said something else, but I don't recall what it
12 was.
13 Q Now, the second item refers to 50 SAM missiles.
14 What are SAM missiles?
15 A Surface to Air missiles.
16 Q How did that subject come up in your discussion
17 with Colonel North?
18 A I asked him how many they needed.
19 Q What did he say?
20 A Fifty.
21 Q Did you also ask him the cost of the missiles?
22 A Yes.
23 Q And he said, "\$22,000 each"?
24 A Yes.
Q And that was a total cost of \$1.1 million; is that

1 correct?

2 A Yes.

3 Q What was the reason you asked him these questions
4 about the missiles?

5 A Spitz asked me to find out how much each of these
6 items cost.

7 Q What was the reason you were asking about this
8 specific item?

9 A He didn't tell me.

10 Q Had Colonel North discussed SAM missiles in
11 briefings before?

12 A Oh, yes.

13 Q So you were aware that this was a military item
14 that he believed was needed, or he had indicated was needed
15 by the resistance in Nicaragua?

16 A Yes.

17 Q Did you have some particular contributor in mind
18 for a donation, with respect to these items?

19 A No.

20 Q What did you do after you got this information
21 about the cost of these two types of items?

22 A I told Spitz.

23 Q Then what did you do?

24 A Nothing.

25 Q What did Spitz do?

375

1 A I don't know.

2 Q Did you seek contributions for these two items?

3 A I didn't.

4 Q Do you know if anyone in NEPL did?

5 A Yes.

6 Q Who?

7 A Cliff Smith.

8 Q From whom did he seek contributions?

9 A Mrs. Patty Beck^K.

10 Q When did this occur?

11 A On or about the 18th of October.

12 Q Did you discuss these items with Mr. Smith?

13 A I do not recall.

14 Q Do you know how Mrs. Beck^K was selected as a

15 potential contributor for these items?

16 A No, I do not.

17 Q But you know that Mr. Smith sought a contribution

18 from Mrs. Beck^K?

19 A Yes.

20 Q Was that for both the missiles and the radios?

21 A No.

22 Q Which?

23 A The missiles.

24 Q How do you know that he sought a contribution from

25 her?

5 A I can't recall if he mentioned it.

6 Q But you recall Mr. Smith told you?

7 A Yes.

8 Q Did you discuss it with Mrs. Beck^K?

9 A No.

10 Q So at least one source of information was Mr. Smith?

11 A Yes.

12 Q Do you know if Mr. Smith sought a contribution in a

13 telephone conversation with Mrs. Beck^K?

14 A No.

15 Q Do you know if it was in a face-to-face meeting?

16 A Yes.

17 Q Where did that occur?

18 A In the Hay Adams Hotel.

19 Q Do you know if anyone else was present?

20 A I do not know.

- 7 Q Did Mr. Smith tell you that?
- 8 A Would you clarify the question?
- 9 Q Yes. Did Mr. Smith tell you that Mrs. Bech^K had

- 12 A No.
- 13 Q How did you learn that?
- 14 A I think from the Accounting Department.
- 15 Q Who was that?
- 16 A I don't remember who was there at the time.
- 17 Q Well, now did you learn from the Accounting

- 20 A Yes.
- 21 Q Did they inform you of the purpose for which that

- 1 Q Did she make this contribution in cash?

- 8 Q Mrs. Beck^K is the only individual you know about?
- 9 A Yes.
- 10 Q Who was solicited for a contribution for radios?
- 11 A I do not recall.
- 12 Q Now, there is another note on that page that reads
- 13 "leaks down there." What does that refer to?
- 14 A I do not recall.
- 15 Q Was that something Colonel North told you?
- 16 A Yes.
- 17 Q What does the word "leaks" in that context mean?
- 18 A I do not recall.
- 19 Q Was it press leaks?
- 20 A I do not recall.
- 21 Q Turning to the notes dated December 9, 1985.
- 22 A Yes.
- 23 Q There is an entry at the top, "Green: Paul

6 A It is.

7 Q Turning to the next page in this volume, the notes
8 dated December 16, 1985 -- before we turn to that page,
9 however, I have on other question on the page we were just
10 looking at, December 9.

11 There is an entry toward the bottom that reads,
12 "Barbara Studley = Singlaub donor." Would you explain that
13 entry?

14 A Yes. This is meant to indicate that she is a
15 prospect for us, and that is to say she is a Singlaub
16 contributor.

17 Q Where did you get her name?

18 A From Colonel North.

19 Q Did you know who she was?

20 A Well, I saw her but I did not meet her.

21 Q What did you understand her position to be?

22 A Position?

23 Q Yes. Her occupation, her position with an

A I had no idea.

1 Q You had no idea?

2 A No.

3 Q Where did you see her?

4 A In the Hay Adams Hotel.

5 Q Did Colonel North identify her as a Singlaub donor?

6 A Yes.

7 Q What else did he say about her?

8 A That is all that I recall.

9 Q Did he say how much she had donated to General

10 Singlaub?

11 A Well, he may have; I don't recall.

12 Q Do you recall if he indicated any approximate

13 amount, or if he indicated she was a significant donor?

14 A Yes. A significant donor.

15 Q Okay. Was that occasion when you saw her, with

16 Colonel North present with you, was that on or about December

17 9, 1985?

18 A I do not recall.

19 Q It was before then, because you made these notes on

20 or about December 9; is that correct?

21 A Yes.

22 Q Would it have been within a period of a few weeks

23 before then?

24 A Yes.

25 Q All right. Now turning to the next page, which I

1 referred to a minute ago, dated December 16, 1985, which is
 2 identified at the bottom 28451. This is your handwriting, I
 3 take it?

4 A Yes.

5 Q Is that correct?

6 A Yes.

7 Q And are these notes you made on or about December
 8 16, 1985?

9 A Yes.

10 Q Now, the first line says, "1986 goal, \$12.7
 11 million," as I interpret the writing. Is that correct?

12 A Yes.

13 Q What does that refer to?

14 A This is our attempt at long-range planning.

15 Q Is that your fundraising goal for 1986?

16 A Yes.

17 Q You say, "This is our attempt at long-range
 18 planning." Is this the attempt of you and Mr. Channell?

19 A Yes.

20 Q Does this reflect a discussion that you had with
 21 Mr. Channell?

22 A Yes.

23 Q Anyone else?

24 A No.

25 Q Now, the next line is "One, Nicaragua/Green,

1 \$7 million by May." What does that refer to?

2 A For the direct aid to the Freedom Fighters, we
3 wanted to raise \$7 million by May.

4 Q Was that any particular type of aid?

5 A No, just direct aid.

6 Q Any sort of direct aid?

7 A Right.

8 Q What is the significance of the phrase

9 "Nicaragua/Green"?

10 A It is just to differentiate it from the next item.

11 Q Does that indicate that Colonel North was to
12 determine how this aid was to be distributed?

13 A No.

14 Q What was Colonel North's role, then, with respect
15 to this direct aid for Nicaragua?

16 A To give briefings.

17 Q Well, he also had a role in the distribution of the
18 aid, did he not?

19 A Well, not as far as we knew.

20 Q What did you understand was happening to the funds
21 that you were transferring to Mr. Miller's organizations?

22 A What was my understanding?

23 Q Yes.

24 A About what was happening?

Q Yes.

UNCLASSIFIED

383

1 A They were being given directly to the Freedom

3 Q And who was determining how those funds were being

5 A Rich Miller.
6 Q Did you understand Colonel North had any role in
7 that?
8 A I didn't know.
9 Q You didn't know one way or the other?
10 A Right.
11 Q At that time?
12 A Right.
13 Q Now, Item Two reads, "Nicaragua, public diplomacy,
14 \$3 million." Is that correct?
15 A Yes.
16 Q What do you mean by "Nicaragua, public diplomacy?"
17 A Well, that is our Public Diplomacy Program, our
18 program of press relations and speakers going around in
19 different areas, and so on.
20 Q Is that what later was known as the --
21 A Central American Freedom Program.
22 Q -- CAFF?

24 Q And was that related to legislation pending in the

4 and you have under there "\$750,000, three independent
5 expenditures, \$400,000 expenses, and \$300,000 contributions."
6 What do those entries refer to?

7 A Those are the amounts of money we wanted to raise
8 for each of those categories.

9 Q What is "three independent expenditures"?

10 A Well, we wanted to target --

11 MS. LUBIN: May I ask, first, does this have

13 THE WITNESS: No.

14 MS. LUBIN: I don't think it is within the scope.

15 MR. FRYMAN: Well, we can take a break and get the

18 an appropriate line of questioning.

19 MS. LUBIN: My recollection of the resolution was
20 that it said about any activity on electioning that had to do
21 with Nicaragua, and it did not say any activity with
22 elections.

23 I will be glad to let it go until later.

24 BY MR. FRYMAN:

25 Q Did the election activity referred to here relate

2 A No.

3 Q What was the criteria for selecting the campaigns
4 that you would be involved in?

5 A That was unclear.

6 Q So it could have been related to Nicaragua?

7 MS. LUBIN: He said it wasn't.

8 THE WITNESS: No.

9 MR. FRYMAN: Well, he said it was also unclear, so
10 I think I am entitled.

11 MS. LUBIN: I am sorry. I don't think ~~his immunity~~

12 ~~extends~~ -- that you ^rorder~~s~~ extends beyond your mandate. I
13 don't think your mandate extends to these questions. I am
14 going to have a problem with it. We can put it off. You can
15 wait until the end and put them in writing, but we are going
16 to have a problem with that area.

17 MR. FRYMAN: Well, I think when the witness answers
18 that it is unclear how an election was selected, it is an

20 MS. LUBIN: I disagree, and I am going to instruct
21 him not to answer.

22 MR. FRYMAN: All right.

- 1 A A public education program that we wanted to start

- 3 Q That is the Strategic Defense Initiative?
- 4 A Yes.
- 5 Q That is commonly known as "Star Wars"? Is that
6 correct?
- 7 A Yes.
- 8 Q Item Five reads, "Bush, entire year, \$1 million."
9 What does that refer to?
- 10 A We wanted to have a program of what we called "Bush
11 Forums," to have Vice President Bush speak at a number of
12 private gatherings that we would arrange around the United
13 States -- on foreign policy topics, not political.
- 14 Q How was that related, if it was, to Nicaragua?
- 15 A It wasn't.
- 16 Q Turning to the next page of notes, which are dated
17 January 6, 1986; are those notes in your handwriting?
- 18 A Yes.
- 19 Q Were those notes made on or about January 6, 1986?
- 20 A Yes.
- 21 Q About the fourth line down, there is a line that
22 begins, "Sacher," S-A-C-H-E-R. Do you see that?
- 23 A Yes.
- 24 Q Would you read that line?
- A It says, "Sacher program update from Rich," and

UNCLASSIFIED

UNCLASSIFIED

ed387

387

1 then in parenthesis it says, "(B-roll plans)."

2 Q What does that refer to?

3 A Well, Fred Sacher was a contributor to the Central
4 American Freedom Program and, specifically, we used a good
5 deal of his money for making films. And we wanted to get an
6 update from Rich Miller on how the films were used in B-roll
7 footage, which is broadcasting over -- in short, it is a news
8 release over the air.

9 Q All right. Now, there is another entry further
10 down on that page that reads, "Ask Bunker about stock," and
11 then there is a check mark by that. What does that refer to?

12 A This is about the stock that he contributed to us.
13 I am sorry -- the stock that he -- no, I am wrong. I don't
14 recall. I don't recall.

15 Q Did Bunker contribute stock?

16 A Not that I recall.

17 Q Did he contribute stock to anybody that you are
18 aware of?

19 A Not that I am aware of.

20 Q Is this a note you made of a conversation with Mr.
21 Channell?

22 A I don't recall that either.

23 Q Now, the check mark by that line, is that your

25 A Yes.

UNCLASSIFIED

UNCLASSIFIED

ed388

388

1 Q What is the significance of placing a check mark by
2 a line such as that? Does that indicate you performed the
3 item indicated?

4 A Generally.

5 Q So does that indicate that you ask Bunker about the
6 stock?

7 A I do not recall.

8 Q Now, we talked earlier about a contribution that
9 Mr. Hunt made to NEPL, which was in the form of two checks
10 for \$237,500, in 1985, and then it turned out that one of
11 those checks Mr. Hunt wanted to treat as a loan.

12 A Yes.

13 Q Then I believe in 1986 one of those checks -- or
14 the loan was repaid, and then he, in turn, made a contribution
15 in approximately the same amount as the amount that was
16 repaid.

17 A Yes.

18 Q You are familiar with that?

19 A Yes.

20 Q Now, are you familiar, are you aware of any other
21 contribution of any sort that Mr. Hunt made to NEPL or any of
22 Mr. Channell's organizations?

23 A I would have to check my records.

24 Q Well, what do you recall?

A I don't recall any other contributions, but there

UNCLASSIFIED

UNCLASSIFIED

389

1 may be. I would have to ask Accounting.

2 Q Do you recall any contribution that Mr. Hunt ever
3 made in the form of stock?

4 A No.

5 Q Do you recall any contribution that he made in the
6 form of stock that was related to Nicaragua, but did not go
7 directly to one of Mr. Channell's organizations?

8 A No.

9 Q At the top of that page, there is a note, "Lisa at
10 E.F. Hutton." What does that refer to?

11 A That is where we have -- it is our brokerage house,
12 and Lisa is a secretary to our broker.

T152 13 Q Under the entry, "Ask Bunker about stock," there is

14 A Yes. May I also add something?

15 Q Yes.

16 A You asked a question earlier today about whether I
17 recalled -- I don't remember how you exactly worded the
18 question, but did I know that Colonel North was directing the
19 flow of the money that was given to the Miller.

20 Q Right.

21 A And, as I said, I don't recall, but there is an
22 incident that I recall that may be useful in that connection,
23 which was at the July 9th, 1985, meeting at the Hay Adams

5 it is directly used for the purpose for which it is given,"
6 which doesn't directly mean that he controlled it. And we
7 didn't inquire what he meant by that, but that is about the
8 closest thing I can recall.

9 Q Had he suggested that you transmit the funds
10 through Mr. Channell -- through Mr. Miller's organization?

11 A Yes.

12 Q All right. Turning to the next page of notes,
13 which is also dated 1/29/86, which has the control number

18 February 4, 1986, which has the control number 27406; this,
19 again, is your handwriting, I take it?

20 A Yes.

21 Q And these notes refer to or about February 4?

22 A Yes.

23 Q The third line refers to "Elliott Abrams' CA trip,"

5 arrange a meeting between them, I believe, on 2/6.

6 Q What developed?

7 A Well, nothing happened on the California trip, and
8 I don't recall whether Mr. Jacobs had a meeting on the 6th.

- 8 A Well, I have raised the issue.
- 9 Q With Colonel North?
- 10 A I don't recall with whom I raised it.
- 11 Q But that line drawn through that entry does not

- 11 Q The first item reads "\$1 million from bank, get

- 13 A We wanted to meet the president of the bank where

- 15 the \$1 million is a loan or a contribution. I think it was a

- 17 Q You think it might have been a \$1 million contri-

- 20 Q What was the purpose of the loan?
- 21 A I don't recall.
- 22 Q There is another entry on that page that reads

- 16 Q Why not?
- 17 A I don't know.
- 18 Q There is also a reference under that to "Ollie to
- 19 Dallas on Thursday." Does that refer to Colonel North?
- 20 A Yes.
- 21 Q Did he make such a trip?
- 22 A No.
- 23 Q Why not?
- 24 A I don't know.
- 25 Q To the right of that entry are the names Bill

1 Carls, Bunker and Mrs. King. Was Colonel North supposed to
2 meet with those individuals in Dallas?

3 A Yes.

4 Q But he did not meet with them, to your knowledge?

5 A Right.

6 Q Above that, there is a reference to calling David
7 Fischer regarding Wesley Smith. What does that relate to?

8 A I think about getting a letter of recommendation
9 for Wesley Smith from the President.

10 Q Is this with regard to admission to law school?

11 A Yes.

12 Q Toward the bottom of the page, there is an entry,
13 "Green, list of names and addresses of Saudi Arabian
14 briefing," it appears to be "attendees, and background
15 literature on the issue." Does that entry relate, in any
16 way, to Nicaragua?

17 A No.

18 Q Turning to the next page, which is your control
19 number page 37275; is that page your handwriting?

20 A Yes.

21 Q Is there a date at the top? Can you read the date?

22 A 3/31/86.

23 Q Did you put the date there also?

24 A Yes.

25 Q Did you make the notes on or about that date?

2 Q Now, does the first line read, "Planes,"

3 P-L-A-N-E-S, "dollars"?

4 A Yes.

5 Q What does that refer to?

6 A Money for planes.

7 Q What types of planes?

8 A I have forgotten.

9 Q Is this planes for use in the military activity in

10 Nicaragua?

11 A It is planes for use in Nicaragua.

12 Q What sort of use?

13 A My understanding was, they were for delivery of

14 material.

15 Q To whom?

16 A The Freedom Fighters.

17 Q What type of material?

18 A Humanitarian aid.

19 Q And military aid?

20 A Wasn't discussed.

21 Q Humanitarian aid was specifically discussed?

22 A Yes.

23 Q Underneath that, there is a line "Revenue," and an

24 entry, "Barbara Newington, \$141,000 and Ellen Garwood,

25 \$131,000." Does that indicate they gave those amounts for

2 A Yes.

3 Q And that totaled \$272,000?

4 A Right.

5 Q These planes were being purchased for that purpose;
6 is that correct?

7 A I don't recall.

8 Q In some manner or other, planes were being acquired
9 for use in Nicaragua?

10 A Yes.

11 Q And you are not sure of the method of acquiring
12 them?

13 A Right.

14 Q And do the entries below that indicate that of the
15 \$272,000, \$225,000 was being transferred to IBC?

16 A Yes.

17 Q And the balance was being retained in the NEPL
18 account?

19 A Yes.

20 Q Turning back to the preceding page, the notes dated
21 March 25, 1986, on that page there is a reference to a
22 contribution from Mrs. Newington of \$142,000, and then a
23 contribution from Mrs. Garwood of \$132,000; and on the March
24 31 notes, it is \$141,000 from Mrs. Newington and \$131,000
25 from Mrs. Garwood.

1 Do the references on those two pages refer to the
2 same contributions, to your understanding, or are those
3 different contributions?

4 A The same.

5 Q What is the reason for the difference in amount?

6 A Spitz Channell.

7 Q You mean one of them is just a mistake?

8 A Yes.

9 Q Turning to the notes dated April 7, 1986, there is
10 a reference in the third line, "Bill Casey, 4:00 p.m.
11 Thursday." Is that your handwriting?

12 A Yes.

13 Q Did you make those notes on or about that date?

14 A Yes.

15 Q What does that entry refer to?

16 A Spitz Channell was due to have a meeting with Bill
17 Casey.

18 Q Who set that meeting up?

19 A I don't recall.

20 Q What was the purpose of the meeting?

21 A I don't recall.

22 Q How did you know about the meeting?

23 A Spitz told me.

24 Q Were you to attend?

5 Q Did you attend?

6 A No.

7 Q Do you know if anyone other than Channell attended?

8 A I am not sure.

9 Q Where did the meeting occur?

10 A I don't know.

11 Q How do you know it happened?

12 A Spitz said.

13 Q What did he tell you about it?

14 A He said that Mr. Casey was un-understandable.

15 Q Un-understandable?

16 A Yes.

17 Q About what?

18 A He wasn't specific as to the topic.

19 Q Was the topic Nicaragua?

20 A I don't know.

21 Q Did Mr. Fischer arrange this meeting?

5 able"?
6 A No, it is mine.
7 Q What was Mr. Channell's phrase?
8 A I don't recall.
9 Q In substance, it was that Mr. Casey had been a
10 difficult person to talk to?
11 A Yes.
12 Q Had the meeting with Mr. Casey concerned Bunker
13 Hunt?
14 A I don't know.
15 Q Look at the entries under that, Mr. Conrad, with
16 respect to "David," and then there are various names,
17 "Abramson, Poindexter, Hunt, Casey, Laxalt and Wick lunch."
18 What does that refer to?
19 A Appointments that we wanted him to make, David
20 Fischer.
21 Q Was that an appointment of a group of those

23 A Separate appointments.
24 Q Why did you need Mr. Fischer to make an appointment

- 1 A I don't know.
- 2 Q You and Mr. Channell had a prior relationship with

- 4 A Yes.
- 5 Q So there was no reason to have Mr. Fischer set up a
- 6 meeting with Mr. Hunt, was there?
- 7 A I don't know what this entry refers to.
- 8 Q Turning to your notes dated April 17, 1986, there
- 9 is an entry at the top, "Union League Club, 12:30 p.m., Bill
- 10 O'Boyle." Does that indicate that you have a meeting with
- 11 Mr. O'Boyle set for April 17th?
- 12 A I don't know the date.
- 13 Q But that is a note about a meeting you have set
- 14 with Mr. O'Boyle at the Union League Club?
- 15 A Yes.
- 16 Q Turning to the notes dated July 14, 1986; actually,
- 17 it is the second page of notes with that date. The control

- 19 A Yes.
- 20 Q There is a reference at the bottom to an "ATAC

- 22 that refer to?
- 23 A Well, we wanted to have a conference in September

2 Q What is the relation of that conference to
3 Nicaragua?

4 A None.

5 Q It relates to another subject?

6 A Yes.

7 Q All right. Turning to the next page, July 22,
8 1986; are those notes in your handwriting, made on or about
9 that date?

10 A Yes.

11 Q At the top, there is a reference, "Green, travel,
12 \$100,000; food, \$600,000." What does that refer to?

13 A We wanted to allocate \$100,000 for travel expenses
14 and \$600,000 for food. It is a projected budget.

15 Q Well, this is \$100,000 for travel expenses for
16 Colonel North?

17 A I don't recall.

18 Q What is the relationship between the identification
19 "Green," which I gather refers to Colonel North --

20 A Yes.

21 Q -- and the entry of \$100,000 for travel and
22 \$600,000 for food?

23 A Well, it is just that topic. Nicaragua what --

Q I am confused what "travel" refers to in this

2 budgeting \$00,000 for?

3 A I am not positive.

4 Q Did NEPL pay funds for travel by Colonel North? I
5 believe you identified two occasions where NEPL paid.

6 A Yes.

7 Q I believe the visit to Mrs. Newington and the trip
8 to Dallas, I believe.

9 A Yes.

10 Q Were there other occasions that you are aware of
11 where NEPL paid for Colonel North's travel?

12 A Not that I am aware of.

13 Q But you are not clear whether this entry refers to
14 travel expenses for Colonel North or for something else?

15 A Right.

16 Q It could refer to travel for Colonel North?

17 A It could.

18 Q Now, what about "food"? Could that be a food
19 expense for Colonel North.

20 A He would have to be a big eater.

21 Q So is the answer yes?

22 A No.

23 Q What do you believe that refers to, then?

24 A I believe it has to do with the Freedom Fighters.

25 Q Supplies for the Freedom Fighters in Nicaragua?

1 A Yes.

2 Q Now, turning to the notes dated October 3, 1986;

5 A Yes.

6 Q In the middle there, there is an entry, "List:
7 Read and destroy, October 1, '85 through October 1, '86." Is
8 that your handwriting?

9 A Yes.

10 Q Now, under that, there are five individuals' names
11 and certain amounts. Is that, again, your handwriting?

12 A Yes.

13 Q Now, there is an entry, "Bunker," which I take it
14 refers to Bunker Hunt --

15 A Yes.

16 Q -- and "\$700,000."

17 A Yes.

18 Q Does that indicate that Mr. Hunt made contributions
19 of \$700,000 in that one-year period?

20 A No.

21 Q It does not mean that. What does it indicate?

22 A Spitz told me to make up a list of contributions
23 from contributors, but some of the amounts were to be not
24 accurate, and he was giving me some of the numbers that he
25 wanted me to put on the list.

3 A I had to send it to somebody, but I have forgotten

5 Q Why does it say, "Read and destroy"?

6 A I was supposed to put a cover letter on it that
7 said that this was confidential and "we don't have everybody's
8 permission to list all these things, so we want you to read
9 the list and then tear it up."

10 Q Who was this letter to go to?

11 A That is what I don't recall.

12 Q And you were to include in there incorrect amounts
13 from contributors?

14 A Yes.

15 Q Pursuant to direction from Mr. Channell?

16 A Yes.

17 Q But he didn't tell you why you were to do that?

18 A Well, maybe at the time he did, but I don't recall
19 now.

20 Q Now, do you know if Mr. Hunt contributed more or
21 less than \$700,000?

- 6 A I am not positive there either. I would have to

- 8 Q But as to Mrs. Newington and Mr. Hunt, you are

- 10 A Yes.
- 11 Q Toward the bottom of the page, there is a reference
12 to a "letter to Ellen's attorneys." Is that Mrs. Garwood's
13 attorneys?
- 14 A Yes.
- 15 Q Then there are descriptions, there are "food,
16 medical supplies, transportation, logistical support,

- 18 A Spitz wanted me to draft a letter to Ellen's

20 given, and these were the items that were supposed to be
21 listed.
- 22 Q And does that note over to the left also relate to
23 that?

2 A "After April, continuing," -- I guess "continuing."

5 A I don't recall.

6 Q Was this letter in response to a request from Mrs.
7 Garwood's attorneys?

8 A I believe so.

9 Q Did you send such a letter?

10 A No.

11 Q Did you cause it to be sent?

12 A No.

13 Q Do you know if such a letter was sent?

14 A Maybe; I don't know.

15 Q Well, is this a note for you to arrange for such a
16 letter to be sent?

17 A I was supposed to draft it.

18 Q Did you?

19 A No.

20 Q Why not?

21 A It was just one of the things I didn't get to.

22 Q Turning to the notes dated October 20, 1986; is

- 1 A (Witness peruses document.)

- 3 Q Is this based on a discussion with Mr. Channell?
- 4 A Yes.
- 5 Q Now, that planning document, you break it down into
- 6 two major headings, "NEPL" and "Western Goals." What is the
- 7 dividing line of activities between those two organizations?
- 8 A Well, I don't know how to answer that question.
- 9 Q Let me phrase it another way, and maybe I can get
- 10 into this.
- 11 Under "Western Goals," you have "Item E. Three
- 12 terrorism films." Is there some reason that is a project for
- 13 Western Goals other than a project for NEPL?
- 14 A Because it had a terrorism film before.
- 15 Q Western Goals had?
- 16 A Yes.
- 17 Q Is there some reason that the Network America
- 18 projects are projects for Western Goals, other than NEPL?
- 19 A It was conceived of as a project for Western Goals
- 20 from its very beginning.
- 21 Q By Mr. Channell?
- 22 A Yes.
- 23 Q Did the Network America project relate in any way

- 25 A No.

1 Q That was not to be a subject of the various radio
2 and television spots?

3 A Not that I recall.

4 Q Or at least that wasn't a principal focus?

5 A Oh, certainly not.

6 Q Now, Item F under Western Goals says, "European
7 Worldwide Fundraising." Why is that an entry with respect to
8 Western Goals rather than NEPL?

9 A Because Western Goals already had an European
10 branch. Two European branches, actually.

11 Q Was there to be worldwide fundraising with respect
12 to NEPL, as well?

13 A Yes.

14 Q How was that to be handled?

15 A Well, for NEPL projects, and this would be for
16 Western Goals projects.

17 Q Now the next page in this volume, Mr. Conrad, is
18 dated -- or rather has the identification number at the
19 bottom 33330. Whose handwriting is that?

20 A ^KChris Littledale.

21 Q Was that document prepared at your request?

22 A Yes.

23 Q Would you describe that document?

24 A I asked him to analyze his contributions, the

25 source of -- let me see; this is complex. I told him to add

1 up all the money he has received from all each of his
2 contributors, individually, over like the last year, or since
3 he had been there -- I have forgotten. Then he was to
4 identify, for each of the contributors, which method was used
5 to contact those contributors the first time, in order that we
6 might determine how much money came from which first initial
7 contact, eventually, as it rolled out, and there are five
8 different categories, which are listed there, one through
9 five.

10 Q Now, did you develop the five different categories?

11 A Yes.

12 Q These were questions that you put to Mr. Littledale?

13 A Yes.

14 Q Did you put these questions to all of the
15 fundraisers?

16 A Yes.

17 Q Then he supplied the answers?

18 A Yes.

19 Q Now, are the questions in your handwriting?

20 A No.

21 Q Did you dictate these, in effect, to Mr. Littledale

23 A Yes.

24 Q And then he filled in the answers?

25 A Yes.

UNCLASSIFIED

1 Q Then that is his narrative conclusion under the
2 questions?

3 A Yes.

4 Q His conclusion was that "the Green meeting is the
5 single most effective way of obtaining contributors, and the
6 Green meeting is the single most effecting fundraising tool."
7 Is that correct?

8 A Yes.

9 Q And you reviewed that conclusion of his?

10 A Yes.

11 Q Did you agree with that conclusion?

12 A No.

13 Q In what way did you disagree?

14 A Well, I felt that, after reviewing all the data,
15 not only his, that meetings in general were the -- I mean he
16 was dealing with limited data, so my sense of the question
17 was that you needed to have meetings.

18 The real thrust of this question is, "Should you
19 have meetings or should you have cold-call telephoning?" and
20 it is very clear that meetings are infinitely better, whether
21 they involve Green or Ronald Reagan. And he just has the
22 experience of meetings that involve Colonel North.

- 1 Q Whose is that?

- 5 A Yes.
- 6 Q This is a part of the same analysis that also
- 7 appears on 33330; is that correct?
- 8 A Yes.
- 9 Q Turning to the notes headed "November 18, '86," at

- 11 that a page of a similar analysis, with respect to Cliff
- 12 Smith?
- 13 A Yes.
- 14 Q If you would look, Mr. Conrad, at the pages with
- 15 the control numbers beginning 23009 through 23018, whose
- 16 handwriting is on those pages?
- 17 A I haven't got the slightest idea.

- 20 A Yes.
- 21 Q Is that your handwriting?

1 A Yes.

2 Q What was the reason for asking that question?

3 A Gaining competitor intelligence, I guess.

4 Q What answer did you get?

5 A That it wasn't a very extensive organization.

6 Q But he indicated that he was knowledgeable about it?

7 A I think he said he didn't know a lot about it, but

8 what he did know wouldn't make it very extensive.

9 Q Turning to the next page, which has your control

10 number 20591; that, again, is your handwriting, is it not?

11 A Yes.

12 Q There is an entry about a fourth of the way from

13 the bottom that reads, "Draft a Casey letter for NEPL." What

14 does that refer to?

15 A Nothing to do with Nicaragua. We were going to

16 have a program to improve the image of the CIA.

17 Q What is the approximate time of this page of notes?

18 A This is out of sequence. It is on the back of a

19 to-do list, and I can only date it if I knew the other

20 documents.

21 Q But it is totally unrelated to Nicaragua?

22 A Right.

23 Q Did this program that you refer to develop with

A No.

4 A Yes.

5 Q Now, as I read this, Mr. Conrad, it states, "Larry,
6 Executive Director for Western Goals," and then "Roy Godson"
7 and two telephone numbers, and then "Terry Arnold, Neil
8 Livingston," and then in parens, "(phone numbers from Fawn)."
9 Is that correct?

10 A Yes.

11 Q What does that refer to?

12 A That I would get the phone numbers from Fawn, she
13 had them, and they are there.

14 Q Well, now, who is to be the Executive Director for
15 Western Goals? Is that Larry?

16 A No. I am supposed to ask -- this seems to indicate
17 to me that I would be asking Roy Godson for a recommendation
18 for who should be the Executive Director for Western Goals.

19 Q Who is Larry?

20 A I don't recall. I think that is somewhere else in
21 my notes, too, typed up. It might indicate more who Larry
22 is. I think you asked me about that once before. But I just
23 don't remember at this time.

24 Q Let's focus on this at the moment. Does this

2 A Yes.

3 Q Are you also to ask Terry Arnold and Neil

5 A No.

6 Q That relates to something else?

7 A Yes.

T2S2 8 Q Did Godson make a recommendation about an Executive
9 Director for Western Goals?

10 A I never spoke with him.

11 Q Why not?

12 A Because Rich Miller was getting in touch with him
13 for me.

14 Q Do you know if Miller spoke to him?

15 A He said he did.

16 Q What did he tell you about his conversation?

17 A He said he didn't want to meet with us.

18 Q Now, there is also an entry, "Ollie: and Bill
19 Greaves." What does that refer to?

20 A Bill Greaves is a friend, and I wanted to have
21 Ollie write a letter of recommendation for getting him an
22 interview for a job opening in the science -- what is it
23 called? Office of -- nothing to do with Nicaragua.

24 Q Has nothing to do with Nicaragua. Okay.

How did Terry Arnold and Neil Livingston fit into

2 A Well, Ollie referred us to them.

3 Q For what purpose?

4 A Because we were interested in terrorism and so were
5 they. They wanted to apply for a grant from us.

6 Q So their names there are unrelated to Godson?

7 A Yes.

8 Q And are unrelated to Bill Greaves?

9 A Yes.

10 Q Now, there is also an entry, "Top 10 targets from
11 Will Ball or Mitch Daniels." What does that refer to?

12 A It is congressional targets, but on what issue I
13 can't tell you. I don't remember.

14 Q Is that related to Nicaragua?

15 A I don't remember.

16 Q For the record, who is Will Ball?

17 A I don't know.

18 Q Who is Mitch Daniels?

19 A Well, he works in the White House. I don't know
20 what his official title is.

21 Q All right. Under that, there is a reference,
22 "Referral for 501."

23 A No. "Referral for SDI."

24 Q Oh, "Referral for SDI." Okay. Then, "Dick Stone,

3 Q For what project?
4 A He didn't say.
5 Q Who was Dick Stone?
6 A A banker.
7 Q Where?
8 A In Washington.
9 Q All right. Did you contact him?
10 A No.
11 Q Why not?
12 A Because Ollie was going to call him first, and he
13 never did it.
14 Q The phone number there, is that Dick Stone's phone
15 number?
16 A Yes.
17 Q You believe?
18 A Yes. Fawn gave it to me.
19 Q Turning to Page 27406A, is that your handwriting?
20 A Yes.
21 Q What does the reference mean, "\$60,000 to Ollie
22 ASAP"?
23 A It means give a \$60,000 check to IBC.
24 Q Who told you to do this?
25 A Spitz.

3 Q Do you remember this specific occasion?

5 Q Then there is a reference to "Bas^S brothers and (X)

7 A That means I was supposed to ask Colonel North

8 whether he knows the Bas^S brothers? (X)

9 Q Did you?

10 A I can't recall whether I did.

11 Q Did you ever succeed in making contact with the (Y)

12 Bas^S brothers?

13 A No. Well, I'm sorry -- I believe Jane McLaughlin

14 talked with one of them.

15 Q Did they ever contribute any money?

16 A I don't recall. I would have to look at the

17 records.

18 Q Do you recall that they made any significant

20 A No.

21 Q "No," they did not?

22 A No, they did not. UNCLASSIFIED

- 2 Q Then under that, there is a reference, "Elliott:

- 4 A I don't recall.
- 5 Q Does "Elliott" refer to Elliott Abrams?
- 6 A Yes.
- 7 Q And is "Harper" the contributor that is referred to
- 8 earlier, that was identified by Secretary Shultz?
- 9 A Perhaps.
- 10 Q Well, to refresh your recollection, look back at
- 11 the notes dated January 27, 1986.
- 12 A (Witness peruses documents.)
- 13 Q Those notes say, "Harper referred by Secretary
- 14 Shultz," do they not?
- 15 A Yes.
- 16 Q Now, does that refresh your recollection that the
- 17 note on Control Page 27406A about, "Monday: call Harper," is
- 18 that same contributor?
- 19 A I don't know.
- 20 Q That name there is "Harper," is it not
- 21 A Yes.
- 22 Q So you don't know whether that is the same Harper

- 24 that what you are saying?
- 25 A Yes. I have no recollection.

6 A It is a note prompting me to do that; yes.

AFTERNOON SESSION

MR. FRYMAN: Back on the record.

BY MR. FRYMAN:

Q Mr. Conrad, I direct your attention to a page in the notes that does not have a date on it. The control number at the bottom is 30117.

A I have it.

Q Are those notes in your handwriting?

A yes.

Q Do you know the date of those notes?

A I am looking.

(Witness peruses document.)

August 6th, 1985, Control Number 30117 -- is here twice. I refuse to submit to being asked the same questions over again on the same documents.

This was our Venice rewrite, you may recall.

Q Yes. All right.

Now turning to the next page, which I believe is 31642; in any case, it is headed at the top "ATAC-Maryland." Do you see that page?

A Yes.

Q Whose handwriting is that page?

A Spitz Channell.

Q Did he give this sheet to you?

A No.

- 1 Q Have you seen this sheet before?
- 2 A No.
- 3 Q You have never seen it until today?
- 4 A That is correct.
- 5 Q Were you aware that this sheet existed?
- 6 A No.
- 7 Q The bottom portion of the page is headed "Green
- 8 dollars," and there is a list of various names and amounts.
- 9 Do you know what those names and amounts represent?
- 10 A (Witness peruses document.)
- 11 No.
- 12 Q Turning to the next page, which has your control
- 13 number 32666, is that page in your handwriting?
- 14 A No.
- 15 Q Do you know whose handwriting that is?
- 16 A Yes.
- 17 Q Whose is that?
- 18 A Cliff Smith's.
- 19 Q Have you seen this page before today?
- 20 A No.
- 21 Q Do you know James Robert Dougherty, Jr., is?
- 22 A I believe he is the son of May Dougherty King.
- 23 Q Is he deceased?
- 24 A I am not positive. I may be confusing -- since you
- raise that issue, this may be her brother. I am not positive.

- 1 I don't know.
- 2 Q What is the entry to the left, under the name --
- 3 A Hugh Grove.
- 4 Q Is that "Foundation"?
- 5 A And Foundation.
- 6 Q Do you know what that refers to?
- 7 A I haven't any idea.
- 8 Q Do you know what the entries, "Colonel North, RR,
- 9 Director Casey," and then an arrow toward "Foundation"
- 10 further down on the page refer to?
- 11 A I have no idea.
- 12 Q Do you recall any discussion with Mr. Channell or
- 13 Mr. Smith, or anyone else within NEPL, concerning a foundation
- 14 and the brother of May Dougherty King?
- 15 A I don't recall.
- 16 Q Turning to the next page, which has control number

- 18 A No.
- 19 Q Whose is that?
- 20 A I don't know.
- 21 Q Is that Mr. Smith's handwriting?
- 22 A I don't think so. I don't know.
- 23 Q The first entry appears to state, "Reclassify P.

- 25 you know what that refers to?

- 1 A No.
- 2 Q The second item is "O-S Consultants." Do you know

- 4 A No.
- 5 Q The seventh item reads, "Calero change Xmas," which
6 is spelled X-M-A-S, "to foundation," or "FDN," appears to be
7 "foundation name," "Look at check." Do you know what that
8 refers to?
- 9 A No.
- 10 Q Do you recall any discussion of changing "Christmas"
11 to FDN name on any checks?
- 12 A I don't know what this refers to at all.
- 13 Q And you don't know whose writing this is?
- 14 A No.
- 15 Q Turning to the next pages, which are 33326 through
16 29, is this the contribution analysis of Jan^P McLaughlin,
17 which is similar to the analysis of Mr. Littledale that we
18 looked at earlier?
- 19 A Yes. And Mr. Smith.
- 20 Q And Mr. Smith.
- 21 Turning to Page 33333, is that your handwriting?

2 Q What is that page?

3 A It is part of the analysis.

6 Q Ms. McLaughlin and Mr. Littledale and Mr. Smith?

7 A Yes. It is the raw data from which the report is

8 put together.

9 Q Now, if you will look at the next page, which is

10 numbered 34522, is that page in your handwriting?

11 A Yes.

12 Q Do you recall the approximate date these notes were

13 prepared?

14 A No.

15 Q Toward the bottom of the page, there is an entry or

16 entries which state, "1.5 year multi-fasted program at local

17 level. Ads to support the President. Working with different

18 constituent groups to educate them to support the President.

19 Reached out to grass roots organizations." Then "ACT, NEPL,

20 Sentinel," then an arrow, "All three groups." Then another

21 entry, "Only national security group with even lobbyist on

23 A "One lobbyist."

24 Q "With even one lobbyist on retainer." What do

25 those notes refer to?

1 A It is our history, and I don't know why I'm writing

3 Q Are these notes for some sort of summary report?

4 A I guess.

5 Q Are these notes of a conversation with Mr. Channell?

6 A Yes.

7 Q Turning to Page 35090, is that in your handwriting?

8 A No.

9 Q Do you know whose handwriting that is?

10 A Not for certain.

11 Q Have you seen this page before?

12 A Yes.

13 Q When?

14 A I don't know.

15 Q Was this sheet prepared for you?

16 A Yes.

17 Q By the Accounting Department?

18 A I can't recall.

19 Q What was the reason you asked that this sheet be
20 prepared?

21 A Well, I believe this comes from Rich Miller, and
22 this was an accounting as to how they spent the money that we
23 gave them.

24 Q This is an accounting -- it is headed "IBC - Fees
25 received from ACT and NEPL."

ed444

UNCLASSIFIED

444

1 A Right.

2 Q And you believe this was prepared by someone at IBC?

3 A Yes.

4 Q At your request?

5 A Yes.

6 Q What was the reason for the request?

7 A Well, we requested, from time to time, listings,

8 periodic listings of how they spent the money.

9 Q Now, the column at the left has, apparently, a

10 month and a date indication. Is that the way you interpret

11 that?

12 A Yes.

13 Q What year do those months and dates refer to?

14 Would that be 1985 or 1986?

15 A I think 1985.

16 Q Now, there is an entry, "July 19, contribution to

17 cause, \$80,000." What do you interpret that to be?

18 A That we gave a check to IBC for direct aid to the

19 Freedom Fighters.

20 Q Were checks for direct aid in that amount being

21 transferred in July of 1985?

22 A I don't know.

23 Q So you are not certain if these entries relate to

24 1985 or 1986; is that correct?

25 A Well, I am as certain as I can be without looking

1 at the financial record.

2 Q Your belief is that it is 1985?

3 A That is correct.

4 Q There is an entry on July 17 for "the Sacher
5 project." Was that in 1985 or 1986?

6 A It was in both years.

7 Q Both years.

8 A But I mean it started in 1985. Also, the fact that
9 there are three payments in May, each of \$5,000, would
10 indicate that it is 1985 because we paid them in dribbles and
11 drabs rather than all at one fell swoop.

12 Q There is also an entry, June 19, "Palmer wire
13 contribution, \$130,000."

14 A Yes.

15 Q Would there have been a contribution of that amount
16 to IBC in 1985, in June of that year?

17 A I believe so.

18 Q It is possible?

19 A Sure.

20 Q Turning to 36003, which is the following page, are
21 these notes in your handwriting?

22 A No.

23 Q Do you know whose handwriting this is?

- 2 No.
- 3 Q You don't recall seeing that page previously?
- 4 A No.
- 5 Q Turning to Page 37235, is that your handwriting?
- 6 A Yes.
- 7 Q About a third of the way down, there is the entry
- 8 "Ellen Garwood, David Warm," and then what appears to be,
- 9 "FRS." What does that refer to?
- 10 A It mean hold fundraisers. We were going to ask
- 11 them to hold a fundraising event in their area.
- 12 Q Did that occur?
- 13 A No.
- 14 Q Why not?
- 15 A One of the eight million things we didn't get done.
- 16 Q Above that, there is a note, "Call Terry Dolan re
- 17 Dolan," and then there is a note I can't read. Can you read
- 18 it?
- 19 A "Report."
- 20 Q What is that?
- 21 A Nothing to do with Nicaragua. I mean the Dolan
- 22 Report is a publication that Terry Dolan wanted -- or did, in
- 23 fact, put out for a while. It was a conservative polling
- 24 document.
- 25 Q On down, there are references to other names, "Joe

UNCLASSIFIED

1 Wallace, Craig Bills, Samuel ^{Prasta} Prasta, Aunt Eleanor." Do those
2 relate to Nicaragua?

3 A Not at all.

4 Q Are those personal?

5 A Spitz' personal.

6 Q And on below that, there are other names, "Scarpia
7 and Stefano."

8 A Right.

9 Q Do they relate to the operations of NEPL?

10 A No. Personal.

11 Q Below that, "Smith Farraby letter." What does that
12 refer to?

13 A Also not to do with Nicaragua. He was the financial
14 campaign manager, I guess, -- the campaign finance manager
15 for Wyatt Durrette who was running for Governor of Virginia
16 in 1985.

17 Q Turning to Page 37254, is that your handwriting on
18 that page?

19 A Yes.

20 Q There is an entry in the middle column, "Grenada
21 Papers." What does that refer to?

22 A A publication of the United States Government.

23 Q What is the reason for that not?

24 A The Grenada Papers were published by the -- a

1 U.S. Government Printing Office in a book. We got a copy of
2 the book, and then we ordered several other copies, and that
3 is who we were supposed to send them to. For information.

4 Q That is the individuals listed under there?

5 A Right.

6 Q "Mr. Ramsey, Bunker Hunt, the Pentecosts and
7 Newington"?

8 A Right.

9 Q What is the phrase under "Newington"?

10 A "Us."

11 Q What does that mean?

12 A We needed to keep a copy.

13 Q I see. And did you send copies of those papers to
14 those individuals?

15 A Yes.

16 Q What was the reason for doing that?

17 A Just to keep them up to date on what was happening.

18 It showed Communist infiltration in Grenada and what their
19 plans were to take over other countries in the Caribbean and
20 so on.

21 Q Now, under that, there is a reference to "Room 450,
22 Green presentation." What does that refer to?

23 A It means we wanted to have a Green presentation, a

25 Q Do you recall which particular briefing this refers

5 A Yes.

6 Q What is the date of that page, or approximate date?

7 A Wait a minute. Excuse me.

8 (Witness peruses documents.)

9 Probably 3/19/85.

10 Q How do you come up with that date?

11 A By looking at the Americans for Freedom and

12 Fairness notes on -- what is it -- I guess 27071. Wait a

13 minute, I might be wrong.

14 No. I think I am wrong. I am sorry. I don't know

15 the date. I cannot tell. It is not what I said before,

16 though.

17 Q Are these notes of a meeting you had with Mr.

18 Calero?

19 A No.

20 Q With Mr. Channell?

21 A Yes.

22 Q Why is this headed "Calero Plan"?

23 A Just how we were going to raise money for direct

25 Q Did you understand from Mr. Channell that this was a

2 A No, no. For him.

3 Q This was a proposal by Mr. Channell for Mr. Calero?

4 A Well, not to be given to him directly.

5 Q But to raise money for this?

6 A Yes.

7 Q Now, did this occur in 1985?

8 A I am not positive.

9 Q Was this plan developed, or were these notes made

10 before you began making the transfers for direct aid to Mr.

11 Miller's organization?

12 A I cannot possibly tell you.

13 Actually, this might be back when I said it was,

14 about the Americans for Freedom and Fairness. In other

15 words, it could be very early in 1985.

16 Q And this was a plan of Mr. Channell to raise \$13

18 A Yes.

19 Q Was this plan implemented?

20 A No.

6 A I don't know.

7 Q Have you seen this sheet before today?

8 A Yes.

9 Q When did you see it?

10 A A few months ago.

11 Q Did you see it at or about the time Mr. Channell

12 wrote it?

13 A I don't believe so.

14 Q You don't recall if he gave you this note at or

15 about the time that he wrote it?

16 A No, I don't recall.

17 Q Now, you don't know what the phrase "New list of

18 toys" refers to?

19 A No.

20 Q Was "toys" a phrase that was used in the NEPL

22 A Sometimes.

23 Q What was it used for?

24 A Well, I never used it.

25 Q Were you aware that others were using it?

UNCLASSIFIED

UNCLASSIFIED

- 1 A Only vaguely. I mean it was no big thing, by any
2 means.
- 3 Q You never used it yourself.
- 4 A No.
- 5 Q Were you aware that there were accounts designated,
6 or there was an account designated the "Toys Account" in the
7 financial records of NEPL?
- 8 A Yes.
- 9 Q What did you understand that account represented?
- 10 A I didn't know.
- 11 Q Did you discuss it with anyone?
- 12 A Maybe Steve McMahon.
- 13 Q You did discuss it with Mr. McMahon.
- 14 A The fact that it existed, I discussed with Steve
15 McMahon.
- 16 Q Did you ask him what it represented?
- 17 A No. Spitz said, "Set it up," so we set it up.
- 18 Q That was the extent of the discussion?
- 19 A Yes.
- 20 Q Did it seem strange to you to have an account
21 designated the "Toys Account"?
- 22 A Most of the accounts were strange to me. Spitz had
23 a very peculiar way of handling his accounting system,
24 putting together his accounting system. It should never have
25 been handled this way. This is just another in a long series

UNCLASSIFIED

1 of arbitrary and capricious titles being put on things.

2 Q Now, you considered yourself the Number Two person
3 in the organization; is that correct?

4 A That is right.

5 Q Did you consider that your responsibilities
6 extended to the financial area of the organization?

7 A Well, within certain limits, yes.

8 Q Well, did those limits include bank accounts?

9 A Yes.

10 Q And designation of bank accounts for certain
11 purposes?

12 A No.

13 Q Were you aware that in late 1986 the Accounting
14 personnel were directed to change entries in the NEPL
15 financial records and substitute other entries for the phrase
16 "Toys"?

17 A Yes. I directed them to do that.

18 Q Why did you do that?

19 A Because I said it was ridiculous to call the
20 account "Toys."

21 Q Why?

22 A Because we were getting press on it.

23 Q Press about what?

24 A Well, people were alleging that we were using the

25 Toys Account as a euphemism for buying weapons, and I said we

UNCLASSIFIED

UNCLASSIFIED

454

ed454

1 shouldn't have that, so we should change the account name on
2 our computer records.

3 Q How did you know that was incorrect?

4 A What.

5 Q That that account was being used as an account for
6 funds to purchase weapons.

7 A Because the account contained all kinds of expendi-
8 tures, I mean just a huge variety of expenditures, and it was
9 a total misnomer. It is one of those accounting situations
10 that Spitz would often get himself to, which is just -- it
11 ended up being mish-mash. Maybe he had an original thought
12 when he constructed it, but it certainly got lost in the
13 shuffle.

14 Q Did you discuss with Mr. Channell that you were
15 going to direct the Accounting personnel to make these
16 changes in the records?

17 A Well, it was only one change. It was changed on
18 the computer system from the word "Toys" to another term,
19 which I have forgotten -- Central American Freedom -- CAFF,
20 something; I have forgotten.

21 Q Or "TV ads."

22 A Yes. Whatever. I would have to look.

23 Q But there were several entries that were changed,
24 were there not?

25 A I think there was only one.

UNCLASSIFIED

UNCLASSIFIED

ed455

455

1 Q You mean just one particular --

2 A I think there is only one document, one file, one
3 computer file on which this occurs.

4 Q But there were a number of contributions where the
5 particular identification was changed, from "Toys" to
6 something else.

7 A I don't know about that.

8 MS. LUBIN: May we go off the record for a minute.

9 MR. FRYMAN: Off the record.

10 [Brief discussion off the record.]

11 MR. FRYMAN: Back on the record.

12 BY MR. FRYMAN:

13 Q Mr. Conrad is it your understanding that the
14 Accounting personnel could make one entry in the computer
15 records, changing the phrase "Toys" to "CAFP" or "TV ads," or
16 whatever the revised phrase was, and that would have the
17 effect of changing that identification for each contribution
18 that had been included in that account?

19 A Yes.

20 Q Now, returning to this note, which is 37775; at the
21 top, what does the first line state?

22 A "New list, dollars." I don't know.

23 Q What does that refer to?

24 A I haven't any idea.

25 Q What does the next line state?

UNCLASSIFIED

UNCLASSIFIED

ed456

456

1 A Worldwide -- I am not sure what the next word is,
2 "foundation," maybe, and then "dollars."

3 Q What does that refer to?

4 A Well, I think it refers to our worldwide fundraising
5 efforts that we wanted to get started.

6 Q Is that with respect to NEPL or Western Goals, or
7 both?

8 A I don't know.

9 Q Now, we have talked about the next line which says,
10 "New list of toys." What is the line under that? What does
11 that say?

12 A I can't read the writing. Something "for dollars."

13 Q And the line under that, does that state, "Letter
14 from Ollie to people"?

15 A Yes.

16 Q What does that refer to?

17 A I am not sure.

18 Q What is the word above "people"?

19 A "Doable."

20 Q Is that Channell's handwriting?

21 A Yes.

22 Q Do you know what that refers to?

23 A No.

24 Q Now, the line under that, does that read, "How much

- 5 A Good question. If I saw the original, I might be

15 A Yes.

16 Q What?

17 A IARM is a project of the American Conservative

18 Foundation. It stands for the Institute for the Analysis of

19 Revolutionary Movements. And prior to our establishing it, I

20 believe Chris talked with him about it and, apparently, this

21 is his note that it was a good idea.

6 A Yes.

8 A It says, "Set up before he disappeared -- Green

10 -- we need -- we need" something. "Give \$30K, make possible."
11 I cannot read all the handwriting.

12 Q Then in solid caps, it says, "PRIVATE."

13 A Yes. I am sorry. It says "PRIVATE" in capital
14 letters.

15 Q Now, you believe this is Mr. Littledale's writing
16 or Mr. Smith's writing?

17 A Yes, one of the two.

18 Q What does that last paragraph refer to?

19 A I don't know. I think it is Chris Littledale's

 18 -- go to White House with product --" I don't know what that
 19 says -- "products," the word is undecipherable -- "so

6 dentally, being receptive to giving his daughter a scholar-
7 ship. But that never happened.

8 Q When was that discussion?

10 Q Who was that discussion with?

11 A Colonel North, myself.

12 Q Was that in his office?

13 A Yes.

14 Q What sort of foundation was this to be?

15 A We have discussed this before. We were going set up
16 a foundation in England -- we had discussed different places,
17 and so on, -- for the purpose of worldwide fundraising, and I
18 talked with Colonel North about that on several occasions.

19 On one of the occasions, I said to him, "I think if
20 your daughter would like a scholarship to Harvard University,"
21 which is where she was planning to go, "that when we get our
22 foundation set up, that if she made an application to it, I
23 feel sure it would receive favorable treatment." He said,

- 20 left the military, and we were just trying to do things that
- 21 would let him know that we were serious.

5 to that, because he still had things to do on his own, you
6 know, with the White House and with the military. Actually,
7 the longest part of the conversation was about the fact that
8 he couldn't leave until he reached retirement age, I gather,
9 at the military.

10 Q When was that to occur?

11 A Very soon.

12 Q And at that point, he could join you after he

14 A Yes. Well, so he said. I mean who knows if he was

7 Q How was he introduced to the Channell organizations?

8 A Rich Miller.

9 Q What was the name of Mr. Cameron's organization?

10 A I think the Center for Democracy in the Americas.

11 Q Is that the only organization he was associated
12 with, so far as you know?

13 A I don't know.

14 Q Well, to put the question another way: Do you know
15 of any other organization that he was associated with?

16 A I was never clear on the point.

17 Q You knew that he was associated with the Center for
18 Democracy in the Americas; is that correct?

19 A Yes.

20 Q Do you know of any other organizations that he was
21 associated with, to your knowledge?

22 A Not to my knowledge.

23 Q That is my question.

24 Now, if you would look at the memorandum dated

1 "projections on tomorrow's vote in the House," which is Pages
2 78810 through 78812.

3 A (Witness peruses document.)

4 Q Did you receive that memorandum on or around March
5 19, 1986?

6 A Yes.

7 Q Was this projection an example of the type of
8 services that Mr. Cameron's organization performed for NEPL?

9 A Yes.

10 Q Who was Mr. Singer?

11 A He worked for him, a stat person.

12 Q Turning to the next item, which is a memorandum
13 from Mr. Cameron to you, dated March 19, 1986, which has your
14 numbers 76222 through 76223; did you receive that memorandum
15 on or about March 19, 1986?

16 A Yes.

17 Q Was that a summary of the types of activities and
18 meetings that Mr. Cameron's organization was performing for
19 the Channell organizations?

20 A Yes.

21 Q Turning to the next item, which is a letter from
22 Mr. Channell to Mr. Miller dated April 15, 1986, were you
23 aware that Mr. Channell had sent this letter to Mr. Miller?

24 A (Witness peruses document.)

25 Yes.

- 1 Q Did you draft the letter?
- 2 A No.
- 3 Q Who did?
- 4 A I don't know.
- 5 Q Now, there is a list of subcontractors on Page 2 of
- 6 the letter, and then on the first page, it indicates that they
- 7 should be notified that all Sentinel financial arrangements
- 8 with them would be terminated on April 15.
- 9 A Yes.
- 10 Q What was Mr. Artiano's specific role as a subcon-
- 11 tractor, in the context of the preceding page?
- 12 A I don't know that he had one.
- 13 Q Why was he included in this letter?
- 14 A Well, it was meant to be a catch-all letter to just
- 15 tell everyone they weren't going to get any more money from
- 16 us.
- 17 Q What services did Mr. Artiano perform with respect
- 18 to the Central American Freedom Program?
- 19 A As I said, I am not sure that he did any.
- 20 Q What services did Steve Cook perform?
- 21 A Well, he is the manager of Edelman.
- 22 Q So just briefly, he performed public relation
- 23 services?
- 24 A PR services. Sure. Marty Artiano made arrangements
- 25 for us to meet with people, the President, things like that.

1 Q And David Fischer is listed after Mr. Cook; how
 2 would you describe his services in this program? Similar to
 3 the services of Mr. Artiano?

4 A Yes.

5 Q What services did Edie Frazer perform?

6 A Grass roots letter writing campaign.

7 Q And Bob and Adam Goodman?

8 A Advertising.

9 Q Dan ^{Kee}Kirschendahl? *Kuykendall*

10 A Lobbying.

11 Q How did his services differ from the services of
 12 Mr. Cameron?

13 A Well, they were very similar; he just knew different
 14 people.

15 Q Why is Mr. Cameron not listed in this letter, by
 16 the way?

17 A I couldn't tell you.

18 Q What services were performed by Jack Lichenstein?

19 A Grass roots letter writing.

20 Q His services were similar to the services of Ms.
 21 Frazer?

22 A Yes.

23 Q What services were performed by Penn Kemble?

24 A I think lobbying, as well.

25 Q Well, if you would look back at the memorandum from

UNCLASSIFIED

ed483

UNCLASSIFIED

483

1 Mr. Cameron, the March 19 memorandum, the letterhead indicates
2 that Penn Kemble was the Chairman of the Center for Democracy
3 in the Americas. Does that suggest to you that Penn Kemble
4 was really used there as a name synonymous with Bruce Cameron?

5 A I don't know.

6 Q You don't know one way or the other?

7 A Well, I mean he had his own organization, as well.

8 Q What organization was that?

9 A PRODEMCA.

10 Q Was PRODEMCA involved in the Central American
11 Freedom Program?

12 A I don't recall. I would have to go back and check.

13 Q Finally, what was the role of the UNO office in
14 this program?

15 A I didn't think they were involved.

16 Q Do you see them listed on the second page?

17 A I see them listed. I didn't draft the letter.

18 Q All right. Turning, Mr. Conrad, to the mailgram
19 dated April 17, 1986, from Cliff Smith to Jerry E. Finger; do
20 you see that?

21 A Yes.

22 Q That mailgram refers to a briefing at the White
23 House to be held on April 24, 1986, does it not?

24 A Yes.

25 Q In the mailgram, it states that "during and after

 2 President's goals in regard to Nicaragua will be discussed
 3 and undertaken by the group." DO you know what that refers
 4 to?

5 A No.

6 Q Have you seen this before?

7 A No.

8 Q Did you review correspondence and mailgrams that
 9 were sent out by the fundraisers?

10 A In some cases.

11 Q Not as a matter of course?

12 A No.

13 Q You never saw a mailgram similar to this.

14 Q Would Mr. Smith have drafted this on his own?

15 A It is entirely possible.

16 Q You had not role in it?

17 A No.

18 Q Now, turning to the next item, it is a letter from

19 Mr. *Kirkendall* ~~Kirkendall~~ to you dated May 5, 1986, on the letterhead of
 20 the *Kirkendall* ~~Kirkendall~~ Company --

BY MR. FRYMAN:

Q The letter dated May 5, Mr. Conrad, refers to consulting research and resource information from the Gulf and Caribbean Foundation, and asks for a contribution of \$5,000. Then the following page is a memorandum dated June 10, which appears to be an agreement with the ^{Kuykendall} ~~Kirchendahl~~ Company.

What is the difference in the services performed by the ^{Kuykendall} ~~Kirchendahl~~ Company and the Gulf and Caribbean Foundation?

A I could not tell you.

Q You considered them synonymous or the same?

A I don't know.

Q Was it the Gulf and Caribbean Foundation that was being compensated for the lobbying efforts of Mr. ^{Kuykendall} ~~Kirchendahl~~ in the Spring of 1986 that you have referred to, and that are referred to in the letter that we have just discussed, dated April 15, 1986?

A We would have to look at the accounting records. I don't know.

Q Returning to the memorandum dated June 10, 1986, which is a consulting arrangement, or a memorandum which confirms a consulting arrangement for a 12-month period for a fee of \$3,500 a month.

A Yes.

Q What services was Mr. ^{Kuykendall} ~~Kirchendahl~~ to perform

UNCLASSIFIED

ed486

UNCLASSIFIED

486

1 pursuant to that retainer agreement?

2 A To be available for consultations, discussions on
3 political matters.

4 Q And the following page concerns a monthly budget
5 for the Gulf and Caribbean Foundation, and that is headed
6 "Your request concerning monthly costs of operating Gulf and
7 Caribbean Foundation's presence in Washington." Is that an
8 agreement, or an amount, or an understanding that is separate
9 from the retainer agreement with Mr. ^{Kuykendall} ~~Ritchendall~~?

10 A Yes.

11 Q What does that relate to?

12 A Spitz and Dan got into some conversations about us
13 taking over the Gulf and Caribbean Foundation, and this was
14 an estimate as to how much it would cost to do that.

15 Q What became of those discussions?

16 A They didn't go anywhere.

17 Q Did you or Mr. Channell ever discuss that prospect
18 with Colonel North?

19 A I don't recall.

20 Q Turning the next item, which is a letter to Mr.
21 Channell from Mr. Cameron dated June 12, 1986, forwarding two
22 proposals; have you seen that letter before?

23 A (Witness peruses document.)

24 No.

25 Q Were you familiar with the content of that letter

UNCLASSIFIED

UNCLASSIFIED

1 and, by that, I mean a proposed grant of \$20,000 for the
 2 Center for Democracy in the Americas, and \$80,000 for the
 3 Citizens for a Democratic Foreign Policy?

4 A No.

5 Q You had not been aware of any such proposed grants?

6 A No.

7 Q Turning to the next page, which is a memo to David
 8 Fisher dated August 25, 1986, which is headed "Draft memo for
 9 Don Regan from Spitz Channell," and it has your control pages
 10 33006-07; do you know who drafted or who prepared this draft
 11 memo?

12 A (Witness peruses document.)

13 No.

14 Q Have you seen this memo before today?

15 A No.

16 Q You have never seen this?

17 A No.

18 Q Were you aware that it had been sent?

19 A No.

20 Q Now, in the memorandum, in the third paragraph,
 21 there is the statement that "Over \$2,500,000 went to the
 22 television campaign alone." What did you understand was the
 23 amount spent on the television campaign? Is that amount
 24 approximately correct?

25 A I don't think so.

UNCLASSIFIED

ed488

UNCLASSIFIED

488

1 Q How is it incorrect.

2 A Well, I think it was more like a million dollars,

3 but I would have to check my financial records to be sure.

4 Q Do you know the source of this number of \$2,500,000?

5 A I don't have any idea.

6 Q There is also a statement that "\$750,000 was spent

7 by Sentinel directly."

8 A Yes.

9 Q Do you know if that number is correct?

10 A No.

11 Q "No," you don't know, or "no," it is not correct?

12 A It is not correct.

13 Q How is it incorrect?

14 A It is inflated.

15 Q What is the correct amount that you understand?

16 A I don't know.

17 Q That is more than the amount expended?

18 A Yes.

19 Q Do you know the source of this number?

20 A No.

21 Q Turning to the September 5, 1986, memorandum from

22 Mr. Miller to Mr. Channell concerning professional fees of

23 David Fisher. There came a point, did there not, when NEPL

24 paid the fees directly to Mr. Fisher rather than having them

25 paid through Mr. Miller's organization?

UNCLASSIFIED

ed489

UNCLASSIFIED

489

- 1 A I think that happened on two occasions.
- 2 Q Only two occasions?
- 3 A As I recall.
- 4 Q Do you know the reason why it happened on those two
- 5 occasions?
- 6 A It was a mistake.
- 7 Q Is this memorandum one of those mistakes?
- 8 A No. It would be -- this isn't a mistake.
- 9 Q But do you understand this memorandum indicates
- 10 that NEPL should pay Mr. Fischer directly on these two
- 11 occasions?
- 12 A No.
- 13 Q This is just a billing from IBC for fees that they
- 14 have paid to Mr. Fischer?
- 15 A Well, I don't know what their arrangement is, but
- 16 it is a bill from IBC to us for his fees, so we were then to
- 17 make out a check to IBC.
- 18 Q All right. Turning to 57156, which is headed
- 19 "Olson Furniture" and has a list of items which totals
- 20 \$1,915; what does that refer to?
- 21 A (Witness peruses document.)
- 22 I don't know.
- 23 Q Did NEPL purchase any furniture from Mr. Olson or
- 24 Eric Olson?
- 25 A It may have.

1 Q You don't know one way or the other?

2 A I don't know.

3 Q You have no direct knowledge of that?

4 A Not that I recall.

5 Q Turning to the next page, which is a mailgram dated
6 September 9, 1986, from Mr. Channell to Colonel North,
7 concerning the defeat of Congressman Barnes. Had you been
8 aware that such a mailgram had been sent?

9 A No.

10 Q Had you seen that mailgram before today?

11 A No.

12 Q Had you discussed the transmission of such a
13 mailgram with anyone?

14 A No.

15 Q Turning to the handwritten invoice from Eric Olson
16 dated October 8, 1986, for \$10,000; what services are you
17 aware of that Mr. Olson performed during October 1986?

18 A I don't recall.

19 Q Do you know of anything he did in that month?

20 A I don't recall.

21 Q Do you know of anything he ever did for NEPL?

22 A Yes.

23 Q What?

24 A Consulted about computer equipment, our computer
system and our computer accounting, how we should organize

UNCLASSIFIED

1 for that and so on. That is his field.

2 Q Do you know how many hours he spent on those
3 particular areas?

4 A No.

5 Q Do you know of anything else he did?

6 A Well, he was constantly giving us advice on the
7 general -- what would I say -- political thrust -- comment,
8 in general, on what was going on in our organization. We
9 would often speak with him about what we were planning to do,
10 or what had just happened, and he would make suggestions
11 about how we might handle various items.

12 Q This was over what period of time that there would
13 be this general consultation?

14 A Oh, a long period. Two years.

15 Q Over a two-year period?

16 A Two and a half years.

17 Q And during this two or two and a half year period,
18 he was employed in another full time job, was he not?

19 A Yes.

20 Q That was as a management consultant?

21 A Yes.

22 Q With a major accounting firm?

23 A Yes.

24 Q And the consulting with respect to the computer
25 systems that you referred to, what time period did that

UNCLASSIFIED

UNCLASSIFIED

492

ed492

1 consulting occur?

2 A Well, after we moved, so after August of 1986.

3 Q Until what point?

4 A Well, it continued up through -- it continued into
5 1987, I don't know how long in 1987.

6 Q And you have no idea how many hours he spent on
7 that?

8 A No.

9 MS. LUBIN: Tom, do you want to explain to me what
10 possible relevance this has to anything in the mandate?

11 MR. FRYMAN: Well, no, I don't particularly want to
12 explain this.

13 MS. LUBIN: Well, then I think I will cut in; I
14 don't see any.

15 MR. FRYMAN: Well, I will ask the questions and you
16 can direct him not to answer if you want to.

17 MS. LUBIN: You can do that. You can save it to
18 the end or you can drop it.

19 BY MR. FRYMAN:

20 Q During the months beginning in August of 1986, when
21 you understand that Mr. Olson was performing some services
22 with respect to consulting about computers; during this entire
23 period, he was also employed in a full time job by another
24 organization, was he not?

MS. LUBIN: We will save the question until the

2 MR. FRYMAN: Are you directing him not to answer
3 the question?

4 MS. LUBIN: Yes, I am.

5 I don't see the relevance. I don't see that it is
6 within your scope -- any possible argument, but you have
7 declined to make any such argument. I don't see it. We are
8 not here to answer all your questions about the world at
9 large. I will be glad to reconsider if you wish to make any
10 points as to why I should.

11 BY MR. FRYMAN:

12 Q Turning, Mr. Conrad, to the letter agreement dated
13 October 15, 1986, between ^{Nofziger}~~Nofziger~~ and Bragg, and the
14 Channell Corporation; do you see that document?

15 A Yes.

16 Q What services were to be performed by ^{Nofziger}~~Nofziger~~ and
17 Bragg, or ^{Nofziger}~~Nofziger~~ Communications, Inc., I guess, pursuant
18 to that agreement?

19 A To give us advice and counsel.

20 Q About what?

21 A About anything we cared to discuss with them.

22 Q How were they selected to perform such services?

23 A I don't know how to answer that.

24 Q Was their retention discussed with Colonel North,
25 to your knowledge?

8 Q Was it discussed with Mr. Fisher?

9 A Possibly.

10 Q Was it discussed with Mr. Artiano?

11 A I don't think so.

12 Q You are not sure?

13 A No. I mean we knew who ^{Notziger} ~~Weisinger~~ was. There were

14 many connections.

15 Q And you decided --

16 A We just decided to consult with him.

17 Q Decided to start paying him \$20,000 a month?

18 A Well, that was his charge.

19 Q On what was that charge based?

20 A You will have to ask Mr. ^{Notziger} ~~Weisinger~~.

21 Q But that is what he asked for, and you agreed to

23 A Yes.

24 Q Turning to the bank slip dated -- or that appears

- 1 Does it relate to a loan that the Channell Corporation had

- 5 A No.
- 6 Q Have you seen this before?
- 7 A No. It looks to me like it is for a safety deposit

- 9 Q That was going to be a question that I had. Did
 10 Channell Corporation have a safe deposit box at Suburban Bank?
- 11 A I have no idea. This is the first time I have ever
 12 seen this document.
- 13 Q Do you know what "Suburban Bank" refers to?
- 14 A No.
- 15 Q Directing your attention to the memo to Cliff/Spitz

1 dated December 16, 1986, directed to you, for consulting
 2 services for the period December 15, 1986, through January
 3 15, 1987, in the amount of \$20,000; what services to you
 4 recall that ^{Nofziger}~~Nofziger~~ Communications performed for that
 5 amount of money?

6 A I don't recall.

7 Q You don't recall anything that they did?

8 A Right.

9 Q Who was the ^{Nofziger}~~Nofziger~~ firm primarily working with
 10 within the NEPL organization? Were they working primarily
 11 with you or with Mr. Channel, or with someone else?

12 A At different times, different people.

13 Q At this point in time?

14 A I don't recall.

15 Q Directing your attention to the invoice from the
 16 ^{Kuykendall}~~Kirchendahl~~ Company, dated December 22, 1986, for \$12,000 for
 17 services rendered for December 1986. What services do you
 18 recall that that company rendered in that period?

19 A I don't know.

20 Q You can think of nothing.

21 A No. I mean it was a contract for many months.

22 Q Turning to the letter, or draft letter, dated
 23 January 13, 1987, to Robert Goodman, on the stationery of
 24 ACT, concerning an audit regarding the account with the

25 Robert Goodman Agency; were you aware that such an audit was

UNCLASSIFIED

UNCLASSIFIED

1 being performed?

2 A Well, I knew it was a mess, but I didn't know what
3 they were doing to correct it.

4 Q What do you mean, "it was a mess"?

5 A Well, they didn't know -- the Goodman Agency and
6 our organizations had gotten all confused about billing and
7 payment, and all of that, because it was supposed to be very
8 strict and it wasn't. It was sloppy. This was an attempt to
9 straighten it out.

10 Q How was it supposed to be very strict?

11 A Well, only some ads could be paid for by certain
12 organizations, legally.

13 Q What do you mean by that?

14 A If it was for political purposes, for or against a
15 candidate, or something, then we had to pay for the ads from
16 our PAC; and if it was for, for example, the Central American
17 Freedom Program, for public education, we could do it through
18 NEPL. If it was for lobbying for a bill before Congress, we
19 had to do it through Sentinel; and the American Conservative
20 Trust State Election Fund could pay for production but not
21 airing.

22 And it was very confused -- they were very confused,
23 and as were we, about which ads could be paid for by which
24 organization, and which costs could be paid for by which
25 organizations. So they would bill us under one organization,

UNCLASSIFIED

ed498

UNCLASSIFIED

498

1 and we would have to pay it under another one. It was just
2 hopelessly confused because of the quantity of ads that we
3 did.

4 Q Who determined which organization should pay for
5 which ad?

6 A That depends on the instance involved, you know,
7 the specific invoice involved.

8 Q I mean as a general matter, is that something that
9 you consulted with counsel on, or is that a determination
10 that you made or Mr. Channell made?

11 MS. LUBIN: Tom, I am going to ask that you put
12 this off until I have had a chance to review your mandate
13 again, and if we come back tomorrow, I will make sure to
14 review it tonight.

18 BY MR. FRYMAN:

19 Q Mr. Conrad, you indicated that this had been a
20 continuing problem, that is having the Goodman Agency bill
21 the correct Channell organization for a particular
22 advertisement.

23 A Yes.

24 Q Now, this letter that we're looking at, dated
25 January 13, 1987, concerns, in part, correction of invoices

UNCLASSIFIED

1 issued in 1985. Do you know why there was a delay until
2 January 1987 concerning the correction of the 1985 invoices?

3 A (Witness peruses document.)

4 If I recall, it wasn't discovered until much later.

5 Q Do you recall how it was discovered?

6 A I am not sure.

7 Q Who discovered it? And by "it," I take it we are
8 referring to the billing of the incorrect organization?

9 A Right. The bills had all been paid, but we didn't
10 discover that they had been incorrectly billed to the wrong
11 organization -- in other words, what we should have done was
12 to send back the bill to them and say, "Please bill the
13 correct organization." But instead of doing that, what we
14 did was to pay the bill from the correct organization, in
15 many instances. And when we wanted to get this all straight,
16 then we had to go back and resurrect the whole thing.

17 Q Was there any event that prompted the discovery of
18 the problem?

19 A Maybe. I don't remember. I don't remember why
20 this happened.

21 Q Do you recall the approximate time of the discovery
22 of the problem?

23 A Well, obviously before the 13th of January.

24 Q Was it in late 1986?

25 A Quite possibly. I don't recall.

2 60534 and 60694, are these examples of invoices issued by

4 A Yes.

5 Q And there were a number of others, were there not?

6 A Yes.

7 Q Directing your attention to the letter on
8 International Business Communications stationery, to Dan from
9 Steve, and it has your control number 27087, and there is
10 another copy that is 27088; who is Steve?

11 A (Witness peruses document.)

12 I don't remember his last name at the minute.

13 Q Was he an IBC employee?

14 A Yes.

15 Q What was the approximate date of this letter or
16 memorandum?

17 A I don't know. I don't even know what year it is.

18 Q Now, there is a reference in the second line to the
19 "NRCC." What is that?

20 A National Republican Congressional Committee. I
21 don't know.

22 MS. LUBIN: Does this have anything to do with

24 MR. FRYMAN: Well, let me ask Mr. Conrad.

1 BY MR. FRYMAN:

2 Q Does this list have anything to do with Nicaragua?

3 A Not that I know of.

4 Q What does it relate to?

5 A Just open seats in the House of Representatives.

6 Q And these are unrelated to the Nicaragua vote.

7 A Right.

8 Q The priority targets?

9 A It is just targets for defeat and targets for

10 election. It is not -- or my understanding was, when it was

11 prepared, it was not a list of people having anything to do

12 with Nicaragua.

13 Q Now, Mr. Conrad, turning to the memorandum headed

14 "Central American Freedom Program," which begins on Page

15 33546, and appears to continue through 33559. You have seen

16 this memorandum before, have you not?

17 A Yes.

18 Q Who prepared this memorandum?

19 A I believe Richard Miller, or someone in his shop.

20 Q Were you involved in the preparation of it?

21 A I made some suggestions for improving it, I think.

22 Q Was this developed in early 1985?

23 A 1985? No.

24 Q When was this developed?

25 A I don't know.

UNCLASSIFIED

UNCLASSIFIED

ed502

502

1 Q What was the purpose of developing this?

2 A Oh, it is a proposal to show to different

3 contributors.

4 Q To tell them what you are going to be doing?

5 A Sure.

6 Q Who was involved in developing this, to your

7 knowledge, other than Mr. Miller and other employees of IBC?

8 A I think they did it.

9 Q Do you know if Colonel North was involved in

10 preparing this?

11 A I don't think so.

12 Q Do you know if Elliott Abrams was?

13 A I don't think so.

14 Q Was Mr. Fischer?

15 A I don't think so.

16 Q Mr. Artiano?

17 A I don't think so.

18 Q Anyone in the White House, other than Colonel North?

19 A Not to my knowledge.

20 Q Is this memorandum, to your knowledge, an accurate

21 description of how the Central American Freedom Program was

22 expected to operate?

23 MS. LUBIN: Do you want to stop and read it?

24 MR. FRYMAN: I thought he said he was familiar with

25 it.

UNCLASSIFIED

UNCLASSIFIED

503

1 MS. LUBIN: Well, it has been some time since he
2 had read it, I think.

3 THE WITNESS: Basically, I believe so, yes.

4 BY MR. FRYMAN:

5 Q Generally, did the program operate as described in
6 this memorandum?

7 MS. LUBIN: If you are going to ask him to continue,
8 he will have to read it.

9 MR. FRYMAN: Yes. Take your time and review this.
10 (Witness peruses document.)

11 THE WITNESS: Okay.

12 BY MR. FRYMAN:

13 Q Generally, did the program function as described in
14 this memorandum?

15 A Well, somewhat. I don't know "generally." We did
16 as much as we could with what we had.

17 Q In what significant ways did it differ from the
18 description in this memorandum?

19 A Well, the budget, of course, was quite a bit
20 different, as it turned out. We invested far less of this in
21 it and, as a result, several of the items that were projected
22 to be done were not done. So I would need a more detailed
23 time to review this before I could answer that with any
24 specificity.

UNCLASSIFIED

25 Q Were there any significant activities of the

ed504

UNCLASSIFIED

1 program that were undertaken that are not described in this
2 memorandum?

3 A (Witness peruses document.)

4 None that I can recall. I think this covers
5 everything.

6 Q It is your recollection that the principal author
7 of this memorandum is Mr. Miller?

8 A Yes.

9 Q Now, turning to the pages in this exhibit headed
10 "Nicaragua Effort, Targeted Congressional Representatives,"
11 which --

12 THE WITNESS: I am sorry. Could we go off the
13 record a minute.

14 MR. FRYMAN: Off the record.

15 [Brief discussion off the record.]

16 MR. FRYMAN: Back on the record.

17 BY MR. FRYMAN:

18 Q What is the source of this document?

19 A I have no idea.

20 Q Have you seen this before?

21 A Never.

22 Q Were you aware that there were Nicaragua effort
23 Targeted Congressional representatives?

24 A Well, we made eternal lists of possible targets, is
25 probably a better way of putting it

- 1 Q Who prepared the lists, that you are aware of?
- 2 When you say, "We made lists," is that you and Mr. Channell?
- 3 A We did sometimes. ^{Don Kuykendall} ~~Sean Kirchendahl~~ did, Bruce
- 4 Cameron did. Maybe Penn Kemble did, I can't recall. I think
- 5 Rich Miller did.
- 6 Q Was Oliver North involved in that?
- 7 A Not that I recall.
- 8 Q What was a "targeted representative"? What did
- 9 that mean?
- 10 A Someone who was a possible swing vote.
- 11 Q Then you would focus efforts on those individuals?
- 12 I mean was that the objective of identifying the target?
- 13 A I think it is probably better to say we wanted to
- 14 focus our efforts on their districts. I don't think we did
- 15 very much of anything to influence them.
- 16 Q How would you focus efforts on their districts?
- 17 A Send our speakers there, run ads there.
- 18 Q Buy television ads in those districts?
- 19 A Yes.
- 20 Q Those media markets?
- 21 A Yes.
- 22 Q But this particular list, which is Pages 81637-38,

4 high-up person, high level executive, manager at the IMF, I
5 believe.

6 Q That would be the International Monetary Fund?

7 A Yes.

8 Q What was the reason your or Mr. Channell met with
9 him on several occasions in 1985?

10 A He is a friend.

11 Q Did these meetings have anything to do with the
12 operations of NEPL?

13 A No.

14 Q They were personal or social?

15 A I believe so.

16 Q Who is Doug France, F-R-A-N-C-E?

16 but I don't know how much.

17 Q Who is Mike Luria, L-U-R-I-A?

18 A A graphic artist.

19 Q Is he a free lance artist?

 3 Q To work for NEPL?
 4 A Right.
 5 Q But she never did perform any services for NEPL?
 6 A No.
 7 Q What is her field? What were you trying to hire

 9 A To do fundraising.
 10 Q Fundraising. Who is Steve Kurtz, K-U-R-T-Z?
 11 A I don't recall.
 12 Q Who is John Lutz?
 13 A An employee of NEPL.

- 9 A I have no idea.
- 10 Q Who is George Bussey?
- 11 A Oh, wait a minute -- CDI is a computer company. I

- 16 A Yes.
- 17 Q What was the reason that you met with her?

8 Q What services, if any, did he perform for the

4 A I don't know.

5 Q You have no recollection of such a note?

6 A No.

7 Q And you have no recollection of any discussion
8 about such a note with Mr. Miller or Mr. Channell?

9 A No.

10 Q If you would turn to the next page of this exhibit,
11 which has your counsel's control number 19038, there is a
12 message "To Dan," which I interpret to be a message to you,
13 dated April 10, "From Fawn," and then it has "North" written
14 after that in a circle, which says, "7:30 tour? Still on."
15 What does that message refer to?

16 A I had some friends in from out of town, from
17 California, and I wanted to take a private tour of the White
18 House. I talked with Fawn and Ollie about doing that, but we
19 eventually didn't do it.

20 Q Why not?

21 A My guests' schedule didn't permit it.

22 Q But so far as Colonel North and Ms. Hall were

24 A Yes. It was just a social thing, has nothing to do
25 with Nicaragua.

16 Q NEPL was making payments to Mr. Cameron, was it not?

17 A Yes.

18 Q So far as you know, Mr. Cameron accepted all of the

20 A I believe at the beginning -- I don't remember what

- 1 A Yes.
- 2 Q Did you meet with Mr. Mabry?
- 3 A No.
- 4 Q You didn't pay his airfare to come up?
- 5 A No.
- 6 Q Were you interested in this information that he
- 7 conveyed to you?
- 8 A I thought he was a member of the lunatic fringe.
- 9 Q Did you doubt that such a meeting had occurred?
- 10 A I didn't care whether it occurred.
- 11 Q You weren't concerned about Jane McLaughlin and
- 12 Linda Guell plotting to destroy your organization?
- 13 A That is correct.
- 14 Q You were not concerned?
- 15 A That is correct.
- 16 Q Why not?
- 17 A I couldn't fathom them being able to accomplish
- 18 such a thing.
- 19 Q And that was the first time that you were aware
- 20 that Linda Guell had known or had any association with Father
- 21 Dowling?
- 22 A Yes.
- 23 Q Have you learned any more since then about the
- 24 relationship of Linda Guell and Father Dowling?
- 25 A I think they have known each other for a long time,

1 but I don't even know in what connection.

2 Q How did you learn they have known each other for a
3 long time?

4 A I cannot recall.

5 Q Have you since learned any more about them; any
6 relationship between Jane McLaughlin and Father Dowling?

7 A No.

8 Q So I take it, then, you have no knowledge of the
9 substance of this telephone message of August 11, 1986, from
10 Father Dowling to Linda Guehl?

11 A No.

12 Q Would you turn to the next page --

13 MR. McGOUGH: Before you go on, could I just
14 clarify one point? You say that the meeting that Mabry
15 described took place in November of 1986. Do you recall his
16 phone call came in?

17 THE WITNESS: I think not until January or February
18 of 1987.

19 BY MR. FRYMAN:

20 Q Turning to the next page, which has your counsel's
21 control number 18542, there is a message at the top which
22 states, "Check for Green for \$100,000," and it has the
23 initials "CRC" on the message slip and also what appears to
24 be the name "Cliff."

UNCLASSIFIED

25 Do you know what that message refers to?

UNCLASSIFIED

ed535

535

1 A I have no idea.

2 Q The next page has your counsel's control number
3 18583. In the lower left-hand corner, there is a message "To
4 CRC, from Fawn," dated October 27. The message reads, "Moved
5 breakfast on Tuesday, the 28th, to November 6," and then the
6 names "North, Terry Arnold, Neil Livingston, CRC, Dan and
7 Rob."

8 Do you know what that message refers to?

9 A Yes.

10 Q What?

11 A We asked for a meeting, a breakfast meeting, with
12 Ollie North between the people listed here, and she was
13 calling to tell us that it got moved from the 28th to
14 November 6th.

15 Q And that breakfast occurred?

16 A I think it occurred later than that; the 10th,
17 maybe.

18 Q Now, who is "Rob"?

19 A Rob Owen.

20 Q We have discussed them before, but just identify
21 again, for the record, who Terry Arnold and Neil Livingston
22 are.

23 A They are -- I don't know -- consultants, I guess,
24 on terrorism. They work with the Institute on Terrorism and
25 Sub-National Conflict, and so does Rob Owen.

UNCLASSIFIED

1 Q So they were all associated in that organization?

2 A That is correct.

3 Q What was the purpose of their meeting with you,
4 Colonel North and Mr. Channell in approximately November --
5 and I take it, this is 1986, correct?

6 A That is correct. We wanted to tell Colonel North
7 that we were behind him 100 percent, all of us, and we would
8 do what we could to be helpful to him.

9 Q What does that mean, "you were behind him 100
10 percent"?

11 A He was under criticism in the press for -- I don't
12 recall just what, several things, so we just wanted to let
13 him know that he was not going to be defenseless there.

14 Q What was the purpose of having Rob Owen, Terry
15 Arnold and Neil Livingston in such a meeting where you were
16 going to tell Colonel North that you and Mr. Channell were
17 behind him?

18 A We wanted to demonstrate solidarity.

19 Q By why that other particular group?

20 A They initiated it.

21 Q They initiated it -- oh, it was their idea to
22 indicate support for Colonel North?

23 A Yes.

24 Q And they invited you and Mr. Channell to attend?

25 A Yes.

1 Q Where was this breakfast held?

2 A The Hay Adams Hotel.

3 Q Did anyone attend, other than this group that is

4 identified here.

5 A No. Well, Ollie North.

6 Q Well, I mean he is identified in the list.

7 Did Fawn Hall attend?

8 A No.

9 Q How did you indicate, at that breakfast meeting,

10 that you were going to stand behind him and support him?

11 A We didn't have a chance to do it.

12 Q Why not?

13 A Because he talked too much.

14 Q What did he say?

15 A Oh, he was busy yapping about some crisis or other

16 that he was involved in.

17 MR. McGOUGH: "He" being North?

18 THE WITNESS: Yes.

19 BY MR. FRYMAN:

20 Q Did the others of you get to say anything that

21 morning?

22 A Not too much.

23 Q Nothing of any substance?

24 A Nothing of any substance.

25 Q Was his crisis a personal crisis?

1 A Oh, no, no, no. Two days later, three days later,
2 something, after the breakfast, we saw everything he said in
3 an Op-Ed piece in the Washington Post that had carried the
4 byline of Robert McFarlane. It was on some national security
5 issue.

6 Q Do you remember what the issue was?

7 A I don't recall.

8 Q So he, in effect, was summarizing Mr. McFarlane's
9 article for you?

10 A Yes. I sort of got the impression, after I read
11 the article, that he had drafted the piece for McFarlane, but
12 I don't know that for a fact.

13 MR. MCGOUGH: I assume that it was not Iran or
14 Nicaragua that was the subject of the Op-Ed piece; or do you
15 recall?

16 THE WITNESS: It is easy enough to check. I mean
17 all we have to do is go back and look, but I don't remember.

18 BY MR. FRYMAN:

19 Q Now, Mr. Conrad, are you aware that there were
20 various transfers of funds, particularly in March of 1986,
21 from the bank account of NEPL -- and here I am using "NEPL"
22 specifically as the National Endowment for the Preservation
23 of Liberty -- to the bank account of Sentinel?

24 A The question, again, is "Did I know that?"

Q Yes.

UNCLASSIFIED

ed539

UNCLASSIFIED

539

1 A I don't recall. I would have to look at the
2 financial records.

3 Q Well, as a general matter, were you aware that
4 there were financial transfers occurring, where money was
5 being transferred from NEPL to other Channell organizations?

6 A Sometimes I knew and sometimes I didn't.

7 Q But you knew that some transfers had occurred?

8 A Yes.

9 Q And were you aware that there were transfers from
10 NEPL to Sentinel?

11 A I don't recall. I would have to look. I mean it
12 is a question of fact, and I don't remember.

13 Q Do you recall any discussion of the need for such
14 transfers?

15 A No.

16 Q Did you authorize transfers from NEPL to other
17 Channell organizations?

18 A Sometimes.

19 Q Which ones?

20 A There are 11 organizations; I don't know.

21 Q Who would come to you, seeking authorization? Is
22 this something, as a general matter, Mr. McMahon would come
23 to you for your approval?

24 A Well, I wouldn't put it quite so strongly.

25 Sometimes he would ask me; usually he would just do it on his

UNCLASSIFIED

ed540

1 own, or perhaps Spitz would tell him. On the odd occasion
2 where neither of those two things happened, he would come to
3 me and ask me what to do.

4 Q But there were occasions where you did authorize
5 transfers of funds --

6 MS. LUBIN: Could we go off the record for a moment?

7 MR. FRYMAN: Yes. Off the record.

8 [Brief discussion off the record.]

9 MR. FRYMAN: Back on the record.

10 During the break there was a discussion about this
11 area of questioning, and it was agreed that this area would
12 be deferred until a later point in the examination.

13 MS. LUBIN: Thank you.

14 BY MR. FRYMAN:

15 Q Mr. Conrad, did Channell Corporation perform
16 services for the National Endowment for the Preservation of
17 Liberty? Let me phrase that question another way.

18 In the financial records, there are various
19 payments from NEPL to the Channell Corporation, and my
20 general question is, what were those payments for, if you
21 know?

22 A Well, I am afraid you will have to ask the
23 Accounting Department. I can't respond. I don't know how to
24 respond.

MS. LUBIN: Can you be more particular?

1 MR. FRYMAN: Let me pass this area for the time
2 being, also, then.

3 BY MR. FRYMAN:

4 Q Let me ask you one other question in the general
5 matter. The NEPL financial records indicate a number of
6 checks that were made payable to cash. Were you aware that
7 checks were being drawn to cash on various occasions?

8 A On various occasions, yes.

9 Q What was the reason for that?

10 A I would have to look at the specific checks.

11 Q Could you tell by looking at a specific check,
12 payable to cash, as to the reason for it?

13 A In some instances.

14 Q Can you give me examples of reasons why checks were
15 payable to cash?

16 A I am really grasping at straws because I mean it is
17 a matter of financial record keeping, and they knew at the
18 time what it was. On the odd occasion, I would know what it
19 was for. Sometimes I didn't even know that a check was made
20 out to cash. I can't think of any instances at the minute,
21 but I know that we did it sometimes.

22 Q When you refer to "they," are you referring to Mr.
23 McMahon or Mr. Meo?

24 A Yes.

25 Q The people in the Accounting Department?

UNCLASSIFIED

ed542

UNCLASSIFIED

1 A Yes.

2 Q They were aware of the reason for drawing a check
3 to cash?

4 A Yes.

T1S2 5 Q Did you have any knowledge of checks that had been
6 drawn by International Business Communications to cash?

7 A No.

8 Q Specifically, in March and April of 1986, three
9 checks in the approximate amount of \$20,000 each, payable to
10 cash?

11 A No.

12 Q That was never discussed with you?

13 A No.

14 Q Do you have any knowledge of checks, payable to
15 cash, ever being used to pay expenses for media campaigns?

16 A No.

17 Q Are you familiar with an organization called the
18 Heritage Foundation?

19 A Yes.

20 Q Did you ever have any role in causing funds to be
21 transmitted to the Heritage Foundation?

22 A No. I didn't know there were any.

23 Q Do you have any knowledge of funds being transferred
24 to any of Mr. Miller's organizations from the Heritage
25 Foundation?

UNCLASSIFIED

ed543

UNCLASSIFIED

1 A No.

2 Q We have previously discussed Roy Godson in this
3 deposition.

4 A Yes.

5 Q Are you aware of any activity by Mr. Godson with
6 respect to raising funds for Nicaragua or entities related to
7 Nicaragua?

8 A No.

9 Q Are you aware of any fundraising activities by
10 Faith Whittlesy?

11 A No.

12 I have just remembered something. I think the
13 country that we discussed at the breakfast was Iran, Iran and
14 China. And that is what then came out in the Op-Ed piece.

15 Q Mr. Conrad, we have talked a little bit about
16 Western Goals in this deposition.

17 A Yes.

18 Q Were there two separate Western Goals organizations?

19 A I think there were four.

20 Q What were the four, then?

21 A Western Goals Foundation, Western Goals Endowment
Fund, Western Goals Legal Defense Fund and Western Goals.

22 Q What was the reason for four separate organizations?

23 A Well, the Western Goals Foundation was a 501(c)(3),

24 and Western Goals Endowment Fund -- I am not sure of the

UNCLASSIFIED

UNCLASSIFIED

1 legal definition or designation, but it was intended to be
2 able to receive large contributions, so that the 501(c)(3)
3 could meet its public support test.

4 The Legal Defense Fund, I don't know what that was
5 for. I never had anything to do with it. But it had a
6 different purpose altogether, which I don't even know what it
7 was. Then Western Goals -- I don't really know the history
8 of that. When we took over the Western Goals Foundation and
9 Western Goals Endowment Fund, our attorney recommended that
10 we just let it lapse. So I don't really know what its
11 original purpose was, even.

12 Q Was Western Goals merged into the Western Goals
13 Foundation?

14 A No. It was just let lapse.

15 Q Western Goals itself just ceased to function?

16 A Yes.

17 Q To your knowledge, it was not formally merged into
18 one of the other organizations?

19 A No, it definitely was not. We had to make a
20 conscious decision not to do that.

21 Q And Western Goals was allowed to lapse, on the
22 advice or your attorney?

23 A Yes.

24 Q And you don't know the reason?

25 A No.

1 Q Do you know if Western Goals Endowment received any
2 of the assets or liabilities from Western Goals when it
3 ceased to function?

4 A I have no idea. My understanding was that Western
5 Goals didn't have any assets.

6 Q How about liabilities?

7 A I don't think it had any liabilities either.

8 Q We talked yesterday briefly about Congressmen who
9 had been targeted in connection with the CAFF program, and the
10 votes on Contra aid and Congressmen in Congress. Generally,
11 what was your understanding of the procedure for targeting
12 specific Congressmen? How were these particular Congressmen
13 identified as targets?

14 A Through an analysis of their voting record.

15 Q Who did the analysis?

16 A A variety of different people.

17 Q Who?

18 A Well, at different times different people did it.
19 I think Bruce Cameron did it. I think Dan ^{King Randall} Kirchendahl did
20 it. I think Rich Miller did it. I think there were more
21 people involved but I don't remember, really. Spitz did it.
22 I think Rafael Flores did it.

23 Q Were there ever meetings of some or all of the
24 group that you have identified, where the purpose of the
25 meeting was to identify particular Congressmen as targets?

UNCLASSIFIED

ed546

UNCLASSIFIED

546

1 A Well, more appropriately put, that would be we
2 would have meetings with various people and they would submit
3 who they thought were good and tell why, and all that. Spitz
4 would take it away to decide whether or not he wanted to
5 target them.

6 Q Would this be meetings with individuals from this
7 group on an individual basis, or would it be larger group
8 meetings where there would be a consensus reached, or could
9 it be both?

10 A It is both, but there is no consensus. Spitz is a
11 dictator.

12 Q Spitz made the decision?

13 A Yes.

14 Q What was the White House's role in identifying the
15 targets with respect to the CAFFP program?

16 A I don't know that they even had a role.

17 Q What about Colonel's North's role?

18 A I don't remember whether he was specifically
19 involved in the Central American Freedom Program or not. We
20 asked him, from time to time, for his analysis of who the
21 possible swing votes would be. From time to time, he gave us
22 those, but that didn't mean anything because Spitz would make
23 the final decision.

24 Q Do you know if anyone maintained any minutes of any
25 meetings with respect to selecting targeted Congressmen?

UNCLASSIFIED

ed547

UNCLASSIFIED

547

1 A No, I do not know.

2 Q You are not aware of the existence of such minutes?

3 A No.

4 Q What was John Robert's role in selecting Congressmen
5 as targets?

6 A Nothing.

7 MR. FRYMAN: Mr. Conrad, I have no further questions
8 at this time. Your counsel and I have agreed that I will
9 defer an area of questioning I have with regard to certain
10 particular financial aspects of NEPL and other Channell
11 organizations.

12 MS. LUBIN: Agreed.

13 MR. FRYMAN: My colleagues, Mr. McGough and Mr.
14 Oliver, I believe have some questions at this time.

15 MR. MCGOUGH: Why don't we take the five minutes
16 you wanted and give me a chance to organize my notes.

17 MR. FRYMAN: Off the record.

19 MR. MCGOUGH: On the record.

22 BY MR. MCGOUGH:

23 Q Mr. Conrad, if there is any question I ask you and
24 you don't understand, feel free to ask for clarification.

25 What I would like to do is cover some specific points that

UNCLASSIFIED

ed548

UNCLASSIFIED

548

1 may already have been covered, but I want to tack down some
2 corners and then I want to ask some broader questions that
3 may not key into documents exactly, but have to do, really,
4 with motivation, state of mind and that sort of thing at
5 various points in the course of events that we discuss.

6 I have in my notes, but I want to make sure we had
7 it clear, that there had been an earlier question regarding
8 gifts or things of value being given to Colonel North and his
9 family. I believe you testified that you recalled the
10 Newington weekend as the transportation and the trip, the
11 airplane trip, to meet with Mr. Hunt and a briefcase as being
12 three items that could fall into the category of gifts or
13 other things of value being provided to Colonel North or his
14 family.

15 Can you recall any other items that may have been
16 provided, to your knowledge, by NEPL -- when I speak of NEPL,
17 I speak broadly of the Channell organizations, or anyone
18 associated with NEPL -- to Colonel North or his family?

19 A No, nothing else.

20 Q Nothing?

21 A The occasional dark beer.

22 Q Let's say with a retail value in excess of \$10.

23 A I think we paid for his breakfast on November 10th,
24 and the last I recall, breakfasts there were considerably
25 more than \$10.

UNCLASSIFIED

UNCLASSIFIED

ed549

549

1 Q Let's set aside meals or beverages. Maybe that is
2 the easier way to do it.

3 A All right. No, nothing else.

4 Q Can you describe the briefcase that you gave to
5 Colonel North?

6 A Black.

7 Q Leather?

8 A Yes.

9 Q Do you recall the approximate retail value?

10 A Five hundred and some dollars.

11 Q Do you recall ever seeing him use it?

12 A No.

13 Q Approximately when did you give him that briefcase?

14 A I would have to go back and look at the dates. I
15 don't know.

16 Q Was it late 1985, early 1986, mid-1986? Can you
17 pin it down even that much?

18 A I am not good at that. Sorry. I would have to
19 look.

20 Q Did you present it to him in his office?

21 A No.

22 Q Where did you give it to him?

23 A I didn't give it to him.

24 Q Who gave it to him?

A I don't know.

UNCLASSIFIED

ed550

UNCLASSIFIED

1 Q How was it transferred to him, if you know?

2 A I believe it was given to Fawn.

3 Q By whom?

4 A I am not remembering.

5 Q Do you know if he personally ever received the
6 briefcase? Did he ever acknowledge receipt of the briefcase?

7 A Oh, I saw him in his office with the briefcase,
8 putting some thing in it, one time.

9 Q Did he ever thank you for it?

10 A I can't recall.

11 Q Did you ever see Colonel North or observe him in
12 possession of Travelers Checks at any time?

13 A No.

14 Q Did you ever observe him in possession of cash in
15 amounts greater than, say, \$100?

16 A No.

17 Q Did you ever see any Travelers Checks or cash in
18 excess of \$100 in his office or office suites?

19 A No.

20 Q Did he ever discuss Travelers Checks with you?

21 A No.

22 Q Did he ever discuss handling large amounts of cash?

23 A No.

24 Q There was an audit of receipts to the Channell

25 organizations done by a Big Eight accounting firm, or an

UNCLASSIFIED

ed551

UNCLASSIFIED

551

1 accounting firm, whose name escapes me right now. It was not
2 a Big Eight firm. Simmermacher and Phelps; is that right?

3 A That is right.

4 Q And it was the conclusion of that audit that the
5 receipts of the Channell organizations were all attributable
6 to identifiable private donors. Is that a fair summary of it?

7 A Yes.

8 Q To your knowledge, was the Simmermacher and Phelps
9 audit, and the conclusions derived there from, accurate?

10 A Oh, of course.

11 Q You have no reason to believe that it was inaccurate
12 in any regard?

13 A That is correct.

14 Q Can we conclude from that, that to your knowledge,
15 none of the proceeds of the Iranian arms sales found their
16 ways into the accounts or possession of any of the Channell
17 organizations?

18 A Would that they had.

19 Q The answer is no, they did not?

20 A The answer is no, they did not.

21 Q To your knowledge, did any of the Channell organi-
22 zations conduct advertising or public education campaigns
23 that were not paid for entirely by one of the Channell
24 organizations? Did they joint venture a campaign with any
25 other entity? Did they arrange or were they aware of other

UNCLASSIFIED

ed552

552

1 entities contributing directly to the funding of a particular
2 campaign?

3 A No.

4 Q I am not trying to confuse you. What I am looking
5 for is whether, for example, NEPL decided to launch a pro-
6 Nicaraguan educational campaign, and contracted for ads, and
7 then paid for a portion of those ads, and had or knew of
8 other entities or persons paying for the other portions of
9 the ads. That is not a question, but that is just to
10 illustrate the type of thing I am looking for.

11 To your knowledge, when NEPL or the Channell
12 organizations conducted an ad campaign, did they pay for 100
13 percent of that ad campaign or that public education campaign?

14 A Yes.

15 Q Did you ever discuss NEPL's role in raising and
16 providing direct aid to the Contras with any other government
17 official, other than Oliver North?

18 A Not that I recall.

19 Q All right. I will give you just a couple of names.
20 Elliott Abrams. Did you ever discuss NEPL's role in direct
21 assistance to the Contras with Elliott Abrams?

22 A No.

23 Q Did you ever discuss it with William Casey, or know
24 of its discussion with William Casey?

25 A I have no knowledge.

1 Q To your knowledge did Colonel North, or any other

4 A No.

5 Q Prior to the disclosure of the Iranian arms sale in
6 early November 1986, were you aware of any overtures being
7 made by any government official to Iran?

8 A No.

9 Q Did Colonel North ever discuss any aspect of the
10 Iranian arms sale or initiative with you, or with anyone in
11 your presence?

12 A No.

13 Q Were you aware of any involvement by Colonel North
14 in Iranian matters?

15 A Well, as I mentioned, on November 10th, 1986, he
16 did discuss Iran, but that was the first time I ever heard
17 him say it.

18 Q Was that the day of the breakfast that you had with
19 him?

20 A Yes.

21 Q You mentioned, in the course of Mr. Fryman's
22 questions, perhaps a week ago or two weeks ago, where you
23 explained a note in your to-do list about a private plan by
24 Colonel North to rescue the hostages, and indicated, I
25 believe, if my memory serves me correctly, that this was a

1 suggestion that you or someone made to Colonel North, that
2 might be used as a fundraising tool. Is that a fair summary?

3 A Yes.

4 Q At the time that you made that suggestion, what was
5 his response?

6 A Well, I believe I responded at the time that he
7 said he had matters in hand and we didn't need to do that.

8 Q Did you ever discuss with Colonel North any of his
9 plans or any of his activities in the area of hostage rescue
10 or hostage release?

11 A He mentioned them to us from time to time.

12 Q What did he mention about them?

13 A That he was involved in it and he was running off
14 here or there to deal with it, and negotiations going on.

15 Q Did he ever discuss with you any specific plans to
16 rescue the hostages or to release the hostages?

17 A Not that I recall.

18 Q Were you aware of any involvement by Richard Miller
19 and an alleged Saudi Arabian prince in a possible plan to
20 rescue the hostages?

21 A I didn't know anything about it.

22 Q Were you aware of any involvement of Drug

A No.

6 Q What were you told about the prince?

7 A He was a prince. I mean nothing -- "Here, meet a
8 prince," you know.

9 Q Do you know why he was in IBC's office?

10 A I assumed they had business dealings together.

11 Q Did you discuss those business dealings with the
12 prince, or with Mr. Miller or anyone at IBC?

13 A No.

14 Q Were you aware of any involvement by the prince in
15 possible aid to the Contras?

16 A No.

17 Q We have discussed [REDACTED] as a
18 possible source for funds to the Contras and the name of [REDACTED]
19 [REDACTED] cropped up in a couple of the to-do lists.

20 Are you aware of any solicitation of any other
21 nations or national governments for assistance to the
22 Contras, by NEPL or anyone else?

23 A I have no knowledge.

24 Q Did Colonel North ever discuss with you efforts to
25 raise money from other countries for support of the Contras?

1 A Not that I recall.

2 Q Did Elliott Abrams ever discuss with you efforts to
3 raise money from other countries to support the Contras?

4 A I have never discussed anything with Elliott Abrams.

5 Q Have you ever met Elliott Abrams?

6 A No. Wait, I take that back. I may have shaken his
7 hand.

8 Q Mr. Channell has told us that there was a lunch
9 with Elliott Abrams in January of 1986, shortly before Mr.
10 Abrams appeared at a White House briefing. Were you present
11 at that lunch?

12 A No.

13 Q I think it took place at the Prime Rib. Were you
14 aware of the lunch --

15 A This is not atypical.

16 Q I understand that. But are you aware that there
17 was such a lunch?

18 A Yes.

19 Q You know the lunch I am speaking of. You were not
20 present?

21 A I was not present.

22 Q Your background, Mr. Conrad, is it fair to say, is
23 a fundraiser?

24 A Yes.

25 Q Professional fundraiser?

2 Q You have worked, over the years, for a number of
3 organizations, either as an employee or as an outside
4 consultant in the role of fundraising or assisting them with
5 their fundraising; is that right?

6 A Yes.

7 Q Prior to 1985, had you ever been involved in
8 political fundraising?

9 A No.

10 Q Prior to 1985, had you ever been involved in a
11 political campaign?

12 A No.

13 Q Prior to 1985, had you ever worked directly with
14 any Federal agency or governmental body as a consultant?

15 A Yes.

16 Q What was that?

17 A Action.

18 Q All right. When was that?

19 A I don't remember. I mean you are asking for a long
20 time ago.

21 Q Twenty years ago?

22 A No, no. I mean within the last 10 years.

23 Q Within the last 10 years. What did you do for
24 Action?

25 A I conducted training programs for them, different

2 Q Training people in what?

3 A Training their grantees in how to get money,
4 nongovernmental funds.

5 Q Other than that, can you recall any --

6 A Oh, various government agencies, I have done that
7 with. The same idea.

8 Q So from time to time, you have worked as a consul-
9 tant for various government agencies?

10 A Yes.

11 Q In the area of grantsmanship, I think you call it?

12 A Yes.

13 Q You had, during your fundraising career, been
14 involved with a number of 501(c)(3) corporations, have you
15 not?

16 A Yes.

17 Q What is your understanding for which a 501(c)(3)
18 can raise money?

19 MS. LUBIN: Can we go off the record a minute.

20 MR. MCGOUGH: Yes. Off the record.

21 [Brief discussion off the record.]

22 BY MR. MCGOUGH:

23 Q What is your understanding as to the permissible
24 purposes for which a 501(c)(3) organization might raise money?

A Well, normally, I wouldn't concern myself with

1 that. It is not a question that often comes up in fund-
2 raising. You almost take it for granted that what you are
3 going after is appropriate. You wouldn't dream of questioning
4 it, in most instances, 99 percent of the time. I can't say
5 that before I came to Washington that I ever had to deal with
6 that issue. I can't recall one instance of that ever coming
7 up.

8 Q I understand that. But the question still stands
9 and that is, what is your understanding as to what the
10 appropriate or permissible purposes are for fundraising for a
11 501(c)(3)?

12 A There is a list in the Tax Code of all the things
13 that are permitted, education -- I mean just various -- I
14 would have to look at the thing to know.

15 Q Prior to your association with the Channell groups,
16 had you ever worked for an organization, either as an
17 employee or as a consultant, where you had a doubt as to the
18 tax-exempt -- as to the propriety of the use of the funds for
19 which you were raising money?

20 A No.

21 Q At the time Mr. Channell asked you to -- and I don't
22 want to get this in the wrong sequence, but at the time Mr.
23 Channell presented you with the opportunity to work on the

3 opinions about the political situation in Nicaragua?

4 A No.

5 Q None whatsoever?

6 A No.

7 Q Did you have any objection or reservations, from
8 the personal political standpoint, about raising funds for
9 the Contras?

10 A No.

11 Q Would you have had any personal political reser-
12 vations about raising funds for the Sandinistas?

13 A Well, now, certainly, of course.

14 Q At the time; I am talking about at the time.

15 A At the time, I didn't know who they were.

16 Q At the time, you really didn't understand the issue
17 at all?

18 A I didn't know where Nicaragua was.

19 Q I guess what I am trying to get at, did you care
20 what the issue was at the time you accepted the challenge?

21 A No.

22 Q It was just something, another retention to assist
23 in the raising of money for a particular issue?

24 A Sure.

4 We have discussed John Ramsey which occurred in the
5 Spring of 1985. Was the dinner that we discussed before your
6 first contact with Mr. Ramsey?

7 A Nothing sticks out in my memory as an earlier
8 contact.

9 Q After that dinner, did you ever have any further
10 personal contact with Mr. Ramsey?

11 A Sure.

12 Q On what occasions?

13 A He came to various different events.

14 Q Were you ever involved in asking him for money,
15 personally; that is, you personally?

16 A No.

17 Q Were you ever present at the time when anyone,
18 working with Mr. Channell's organizations asked him for money?

19 A None that I recall.

20 Q We have also discussed Bunker Hunt and a dinner

8 A Not that I recall.

9 Q Barbara Newington. Can you recall any personal
10 contact with Barbara Newington?

11 A Yes.

12 Q What is your first recollection of a personal
13 contact with Ms. Newington?

14 A I met her, she was at the offices. I don't know
15 how to answer the question. I met her several times.

16 Q Were you ever present at a time when Mrs. Newington
17 was solicited for a contribution?

18 A Yes.

19 Q On what occasions, or occasion?

20 A The first one I remember is this year, and we asked
21 her for a contribution for a monument.

22 Q Is this the Berlin Monument?

4 A No.

5 Q Are you aware of the meeting I'm discussing?

6 A Not specifically.

7 Q There has been testimony that a solicitation was
8 made of Mrs. Newington, on or about that time, to contribute
9 toward the purchase of Surface to Air missiles. Are you
10 aware of any such solicitation being made?

11 A I knew she was solicited; I didn't know what for.

12 Q How did you know she was solicited?

13 A Spitz told me.

14 Q What did he tell you about the solicitation?

15 A I really don't recall.

16 Q Do you recall whether you were aware that she was
17 solicited for arms?

18 A No.

19 Q Do you recall an amount that she was asked for?

20 A No.

21 Q All right. Let me ask Ellen Garwood; do you recall
22 your first contact with Mrs. Garwood?

6 didn't know whether it was for arms?
- 7 A I didn't know that it was for arms.
- 8 Q Were you aware that Colonel North, at one point,
9 produced an arms list for Mrs. Garwood?
- 10 A I was later informed, yes.
- 11 Q By whom?
- 12 A I believe Spitz Channell.
- 13 Q You say, "later." Was that more or less contempo-
14 raneously, or are you talking recently?
- 15 A Contemporaneously.
- 16 Q What did he tell you?
- 17 A I don't recall the specifics.
- 18 Q Were you surprised that Colonel North had presented
19 Mrs. Garwood with an arms list?
- 20 A No.
- 21 Q Why not?
- 22 A Because he produced one for Bunker Hunt.

- 10 A I don't understand.
- 11 Q I guess what I am saying is, other than Mr. Smith,
12 did anyone else discuss that solicitation with you?
- 13 A Not that I recall.
- 14 Q Were you aware, prior to the solicitation, that it
15 was going to take place?
- 16 A I knew she was going to be solicited, yes.
- 17 Q Did you know for what she was going to be solicited?
- 18 A I don't recall if I knew that or not.

7 A Yes.

8 Q A memorable person, to say the least. Who was his
9 solicitor; do you recall?

10 A I think ^K~~C~~hris Littledale.

11 Q Were you ever present when a solicitation was made
12 of Mr. Claggett?

13 A No.

14 Q Were you aware of, at that time or shortly there-
15 after, at the time of any solicitations or shortly thereafter,
16 that Mr. Claggett had made contributions towards the purchase
17 of arms?

19 Q You knew he had made a contribution?

20 A Yes.

21 Q But you didn't know it was for arms, or for lethal

6 Q We discussed Mr. Ramsey, Mr. Hunt, Mrs. Newington,
7 Mrs. Garwood, Mrs. Beck and Mr. Claggett. To your knowledge,
8 were any other contributors or potential contributors to
9 Channell organizations solicited for arms or lethal assistance
10 to the Contras?

11 A Well, one of the Hoopers.

12 Q Which one?

13 A I don't know. I get them confused. Bruce or Ralph
14 was asked for \$100,000 for arms.

15 Q By whom?

16 A By Jane McLaughlin. This is from Jane McLaughlin
17 that I got this information, which I did not get until the
18 day she quit, in January of 1987.

19 Q Were you surprised? I recall there was a letter, or
20 draft of a letter that was never sent, saying something like
21 "You were not authorized to do this, and we were shocked that
22 you did this." Is that accurate? Were you shocked at the
23 time to hear that she had done that?

24 A I wasn't particularly shocked, no.

- 1 A Because we had asked other people for arms.
- 2 Q All right. Other than Bruce Hooper, anyone else

- 9 A They were together.
- 10 Q They were together, it was the same time?

- 12 Q Can you recall where this took place?
- 13 A I am not sure.

- 22 A Yes.

- 24 A Well, they were together for NEPL functions.
- 25 Q So it was at a NEPL function at which the

2 A Well, maybe we need to clarify what is a "NEPL
3 function."

4 Q One of the White House briefings, perhaps.

5 A Okay.

6 Q Was it at a White House briefing?

7 A Well, it wouldn't have occurred at a White House
8 briefing, certainly not.

9 Q At a follow-up dinner to the White House briefing,
10 or something like that?

11 A Yes, something like that.

12 Q I guess what I am talking about, do you have a
13 recollection of these two women being solicited at the same
14 time? I am just trying to pull along the memory, because you
15 can't even remember if you were there or whether you just
16 heard about it.

17 A Well, they were around a lot. They came down quite
18 often, so I just don't remember.

19 Q I guess what I am focusing on is, why do you have
20 this recollection that they were asked for Red Eye missiles?
21 What is it that triggers that recollection? What do you key
22 it to?

23 A Well, they had a meeting with Ollie in his office

12 you be able to pick out the contributions to which you are

1 Q When I was asking you questions two weeks ago, or
2 whenever it was, the first day, we were discussing, really
3 focusing on the period from early 1985 up until the Hunt
4 solicitation in September or so of 1985. At that time I
5 asked you, I believe, whether in the Spring of 1985 you had
6 any reservations about what you were doing vis-a-vis solic -
7 ting, the types of solicitations, the things you were
8 soliciting money for. I think, if I recall correctly, that
9 you said you didn't at that time, but that later on you began
10 to develop reservations of that, the propriety of what you
11 were doing.

12 A Yes.

13 Q I would like to explore that a little bit with you
14 and ask you when you began to develop those reservations, and
15 why you began to develop those reservations. First, when?

16 THE WITNESS: Can we go off the record.

17 MR. MCGOUGH: Off the record.

18 [Briefly off the record. Witness and counsel

20 MR. MCGOUGH: Back on the record.

21 BY MR. MCGOUGH:

22 Q I can repeat the question, which is, essentially,
23 when did you begin to have reservations about the propriety
24 of what you were doing?

A In September of 1985.

UNCLASSIFIED

UNCLASSIFIED

1 Q Was it triggered by a specific event?

2 A Yes.

3 Q What was that?

4 A In the solicitation of Bunker Hunt, when Ollie
5 North produced his list of weapons.

6 Q Now you knew, going into that solicitation, that
7 Colonel North was going to bring with him a list, did you not?

8 A Yes.

9 Q I believe you told us before that you, at that
10 time, told him he could put anything he wanted on the list as
11 long as it totaled up to a certain amount.

12 A Yes.

13 Q Did you know, going into the solicitation, before
14 he actually produced the list for Mr. Hunt, that that list
15 had weapons on it?

16 A No.

17 Q Were you surprised that it had weapons on it?

18 A Yes.

19 Q Why?

20 A My concept of how the arrangement was working,
21 under which we could legally do this, was the concept of
22 fungible money. So in other words, if we sent money directly
23 to the Contras it could be used for the stated purposes,
24 humanitarian aid, food, boots and so on. That, in turn,
25 would free up money that the Contras had gotten from other

UNCLASSIFIED

ed573

UNCLASSIFIED

573

1 sources that they wouldn't have to spend on food and that,
2 therefore, they could turn around and spend on weapons.

3 So when he produced a list of weapons, it struck me
4 that what he should have produced was a \$14 million list,
5 half of which was weapons. Then we asked for \$7 million, it
6 could go directly for the humanitarian aid part, and then it
7 would free up \$7 million that could be spent on weapons.

8 Q But going into that meeting, you didn't specifically
9 tell Colonel North to do that?

10 A No. I no idea he was going to do that.

11 Q Certainly by that time you knew, did you not, that
12 there were people out there who would prefer to contribute to
13 weapons rather than humanitarian, did you not?

14 A Oh, sure.

15 Q John Ramsey, perhaps, being an example of that?

16 A Sure.

17 Q Up until that Hunt meeting, did you ever consider
18 it expeditious to approach those people and say, "Give money
19 for weapons," specifically?

20 A I didn't consider it expeditious.

21 Q What was it about soliciting for weapons, per se,
22 that you found unsettling?

23 A Well, I believe someone said that that was illegal,
24 but I don't recall who.

25 Q You mean someone at that time said it was illegal?

UNCLASSIFIED

ed574

UNCLASSIFIED

574

1 A At some time since I arrived in Washington. Up
2 until that time I had been informed by somebody -- I don't
3 even know in what connection -- that soliciting money for
4 arms was illegal.

5 Q At the time of the Hunt dinner, did you take any
6 action on the basis of your reservations? Did you have any
7 discussions with anyone about it?

8 A No.

9 Q Did you talk to Mr. Channell about it?

10 A No.

11 Q Would it be fair to say that after the Hunt dinner,
12 as things went further along, your reservations began to grow?

13 A I guess not.

14 Q Did you ultimately become more comfortable with
15 that type of solicitation, that is solicitation for weapons
16 alone?

17 A Yes.

18 Q Why?

19 A Because I felt that we had found a way to be able
20 to legally do it.

21 Q And what was that way?

22 A I have just described it, which is the fungible-
23 money concept.

24 Q But we can also agree that you were aware of
25 solicitations being made directly for weapons; that is, where

UNCLASSIFIED

UNCLASSIFIED

ed575

575

1 a donor was being told, "If you contribute \$44,000 you can
2 buy two Red Eye missiles"?

3 A Yes.

4 Q Now, that is no longer fungible money, is it?

5 A Yes. The way I perceived it, what you could do --
6 I didn't find out until much later, I think in the last few
7 months, that it is illegal to ask for the weapons. What I
8 thought was illegal was if you bought the weapons. Well, we
9 weren't ever buying weapons. We never once bought a single
10 weapon, never once sent any money for that purpose. We sent
11 money for humanitarian aid, so I thought it didn't make any
12 difference what we asked for.

13 And if they liked it, if they liked to give for
14 that, fine; and who were we to say that, in fact, the money
15 wouldn't eventually end up freeing up other money so that it
16 could, in fact, be spent on those things.

17 Q By late 1985, you had been involved in fundraising
18 for a considerable period of time, had you not?

19 A Yes.

20 Q Up until that time, had you ever told someone that
21 they were giving money for something and then not taking
22 steps to ensure that that money actually was applied to that
23 purpose?

24 A Well, that occasion had never arisen before.

2 Q But once you have raised the money, don't you feel
3 that you have some obligation, at least a minimal obligation,
4 to ensure that the money is spent for the purpose for which
5 you are raising it?

6 A Well, to the extent that I can do that, I mean to
7 the extent that you think the people who are spending the
8 money aren't doing it properly. That never arose in all the
9 time that I was doing this.

10 Q I guess what I am driving at -- I don't want to be
11 veiled about it -- is didn't you feel some -- weren't you
12 misrepresenting things to your donors by telling them that if
13 they gave \$22,000 or \$44,000, they would be contributing
14 toward the purchase of Red Eye missiles when, in fact, what
15 you were going to do was throw the money in a big pot without
16 any idea as to what was going to happen to that money?

17 A Well, I didn't think it was misleading. I think it
18 is more like the rhythm with which you beat the drum. I mean
19 they are deeply interested in going forth into battle, and
20 you ignore that at your peril.

21 Q Let's talk about Mrs. Garwood for a minute, who was
22 presented with an arms list by Colonel North.

1 these arms could be purchased, all right. Was it your
2 understanding that if Mrs. Garwood gave that \$1.2 million,
3 that that money would, in fact, be used for those arms?

4 A I did not know.

5 Q Did you consider it NEPL's obligation to find out?

6 A No.

7 Q Did you see anything wrong with NEPL telling her,
8 presenting her with an arms list, telling her that if she
9 gave \$1.2 million, those arms would be purchased when, in
10 fact, what you were telling her was that it would be con-
11 tributed -- when, in fact, what would be done is that it
12 would be contributed to fungible money for the Contras?

13 A Well, I didn't see a problem there.

14 Q Did you ever discuss with Mr. Channell any reser-
15 vation you had about soliciting money for arms. Let's set
16 aside what happened to the money after you got it, but did
17 you ever discuss with Mr. Channell any reservations you had
18 about asking these people for money for arms?

19 A No.

20 Q Did you ever discuss any such reservations with
21 Colonel North?

22 A Not that I recall.

23 Q When NEPL received a contribution from a donor, and
24 let's talk about for direct assistance to the Contras. When
25 it received a contribution for direct assistance, did it

UNCLASSIFIED

ed578

578

UNCLASSIFIED

1 deduct a certain amount from that contribution before passing
2 it along to IBC or to Adolfo Calero, or wherever the contrib-
3 ution went?

4 A Sometimes.

5 Q Was there a fixed percentage that NEPL took for
6 overhead or expenses?

7 A No.

8 Q Did it vary?

9 A Yes.

10 Q Who ^{made} the determination as to how much to take?

11 A Spitz.

12 Q What is the lowest amount you ever recall being
13 deducted from a contribution before it was passed along?

14 A Well, in some cases, we added to it.

15 Q So in some cases the entire contribution was passed
16 along?

17 A Plus other monies.

18 Q What is the highest amount you recall being
19 retained by NEPL from a particular contribution?

20 A Well, I would have to look at the financial
21 records. I don't know.

22 Q Higher than 50 percent?

23 A Oh, I don't think.

24 Q You can't recall any instances of that happening?

A I don't think so, no. It was usually was like 20

1 or 25 percent, but it varied all over the board.

2 Q What, if anything, do you know about Colonel
3 North's role in steering the funds to the Contras? You knew
4 he directed you to make the contributions to IBC.

5 A Right.

6 Q What, if any, role did you believe him to have, or
7 did you know him to have, after that contribution was made to
8 IBC?

9 A I didn't know specifically.

10 Q Did you ever talk to Rich Miller or anyone at IBC
11 about what happened to the money after it went into IBC?

12 A We asked them to give us an accounting.

13 Q And never got that accounting, as I recall, until
14 February of 1987.

15 A Right. Correct.

16 Q In the meantime, did you ever discuss what was
17 happening to the money with IBC?

18 A No, not that I recall.

19 Q Did you ever discuss what was happening to the
20 money with Colonel North?

21 A No.

22 Q Do you recall an incident where Mr. Hooper called
23 and wanted to know how his money had been spent?

24 A Yes.

25 Q Do you recall contacting Colonel North to find out

UNCLASSIFIED

ed580

UNCLASSIFIED

580

1 that information?

2 A No. What happened, Jane McLaughlin told me that
3 Hooper called -- who did you say? Ralph Hooper?

4 Q I think it was Bruce Hooper.

5 A Well, one of the two. -- called and wanted to know
6 how his money had been spent, and that message should be
7 gotten to Ollie. I told Spitz, and that was the end of it,
8 as far as I was concerned.

9 Q Were you ever aware of a representation being made
10 to any contributor that if a certain amount of money as
11 contributed to NEPL, a meeting between the contributor and
12 President Reagan would be arranged?

13 A No.

14 Q Did you ever hear Mr. Channell discuss such an
15 arrangement, such a possibility?

16 A Well, not in the way you are putting it. He
17 discussed at what level they had to contribute before we
18 would consider taking them in to see the President.

19 Q Do you recall what that level was?

20 A Well, it varied from time to time.

21 Q What did it vary from and to?

22 A Well, the highest it ever was, that I recall, was
23 \$250,000, and the lowest -- I don't really remember the low,
24 something like \$100,000. I don't remember exactly.

25 Q Do you ever recall the amount being pegged at

UNCLASSIFIED

ed581

UNCLASSIFIED

1 \$300,000?

2 A I don't remember that.

3 Q Do you know if Mr. Channell ever made that represen-
4 tation to Edie Frazier?

5 A I have no knowledge.

6 Q Do you recall any discussions along those lines
7 with Ms. Frazier?

8 A No.

9 Q There came a point, did there not, when you became
10 NEPL's primary contact with Colonel North; is that fair to
11 say?

12 A Yes.

13 Q You had much more contact with him than Mr. Channell
14 did, as a matter of fact?

15 A Yes.

16 Q Mr. Channell would ask you to have Colonel North do
17 things?

18 A Yes.

19 Q Why did that evolve in your direction as opposed to
20 Mr. Channell's?

21 A Spitz said that I had an unusual relationship with
22 Colonel North. I didn't know any better, and said, "Okay."
23 Fine." So he said, "From now on, you need to handle all these
24 things. He talks to you more than he talks to me."

Q So from then on, you were the one in charge, you

UNCLASSIFIED

1 were the liaison -- to use a hackneyed phrase -- with Colonel
2 North; is that fair to say?

3 A Yes.

4 Q Can you describe your relationship with Colonel
5 North? How often did you meet with him?

6 A Maybe a couple times a month. Sometimes more,
7 sometimes less.

8 Q Did you speak to him on the phone at all?

9 A Occasionally. Not very often.

10 Q Other than the Newington weekend, did you ever meet
11 his family?

12 A No.

13 Q Did you ever see him socially or outside of
14 professional context?

15 A He came to a party with his wife once, in November.

16 Q Was it a NEPL function or a private party?

17 A It was a NEPL function.

18 Q Was that the election party?

19 A Yes, election party.

20 Q Other than that incident?

21 A Well, we would meet at the Hay Adams Hotel and
22 usually have a drink or dinner, food or something.

23 Q But always with a professional overtone to it?

24 A Yes. I think once we left his office and he took
25 me home in his truck, to my home and dropped me off.

1 Q There came a time in December of 1986 when the NEPL
2 offices actually closed down; is that correct?

3 A Yes.

4 Q Why was that?

5 A We were concerned about security, and we were going
6 to close anyway, so we just closed a little early.

7 Q What caused concern about security?

8 A Documents of ours were -- I don't know. I can't
9 recall the timing of this, but they were either actually
10 appearing in the press or parts from them were appearing in
11 the press, or something.

12 Q Was that after the rift began to develop with Jane
13 McLaughlin?

14 A No. Well, I mean there wasn't a rift until she
15 announced it.

16 Q She worked up until the point where the offices
17 were closed, did she not?

18 A Yes.

19 Q Did you go into the offices during the period of
20 time they were closed?

21 A I don't think so. I might have, but I don't
22 remember.

23 Q Do you know if anyone else went into the offices
24 during the period of time they were closed?

25 A Maybe. I don't recall.

1 Q You have discussed changing the designation on the
2 Toys account in some fashion.

3 A Yes.

4 Q Because you didn't feel that was representative of
5 the contents of that account; is that fair to say?

6 A Right.

7 Q What was the content, what were the contents of
8 that account?

9 A It was a mishmash, all sorts of things, all sorts
10 of expenses.

11 Q Did it include direct assistance to the Contras?

12 A It may have. That, I don't know. I would have to
13 look at the record to see. I mean we have two issues here.
14 One is the income and the other is the expenses, and I would
15 have to review what was put into that account and what was
16 taken out and so on.

17 Q Was that the account into which direct assistance
18 to the Contras was placed?

19 A I was given to understand that in some cases, that
20 was so.

21 Q But not in all cases?

22 A But not in all cases.

23 Q Where else would direct assistance to the Contras
24 go?

25 A In other accounts. As I said, it was a mishmash.

1 It never should have been done.

2 Q I believe you testified that the name was changed
3 to something, and you didn't recall what; is that correct?

4 A Right.

5 Q Does CAFF-TV ring a bell?

6 A Yes. I mean that may be it.

7 Q Why was that designation chose?

8 A I didn't care what the designation was. I mean I
9 just said, "Change it." I didn't care. I think he actually,
10 Steve McMahon, proposed that name and I said, "That's fine.
11 I don't care what you call it."

12 Q But if the purpose was that it was misnamed in the
13 first place, why didn't you care what it was renamed to?

14 A Well, we had a little discussion about some
15 alternative names. The reason I didn't care is because it
16 was not the appropriate way that the money should be handled,
17 so it was largely irrelevant what it was called, as far as I
18 was concerned. You might call it the "Moon Account," for all
19 I care, because it was not a rational setting up of an
20 account, to begin with.

21 The only reason I wanted to change it from "Toys"
22 is because that was coming out in the press that we were, in
23 fact, using this to buy weapons with, and that wasn't its
24 purpose. So we were getting lambasted for no reason. So I
25 said, "Change the name."

- 1 Q When did that take place?
- 2 A I don't recall.
- 3 Q Was it before or after NEPL's offices closed over
- 4 Christmas?
- 5 A I don't recall.
- 6 Q Was it during the time that NEPL's offices were
- 7 closed?
- 8 A I don't recall.
- 9 Q Could it have been during that period of time?
- 10 A Yes, it could have been.
- 11 Q To your knowledge, were any accounting records,
- 12 particularly accounting records, removed from NEPL's premises?
- 13 A Yes.
- 14 Q When and by whom?
- 15 A Well, I believe they were removed in December of
- 16 1986, and I forget who removed them.
- 17 Q Why were they removed?
- 18 A Because Linda Guell had told me that she had copies
- 19 of all of our financial records, and we wanted our financial
- 20 records to be secure. It was not other people's business.
- 21 So we removed them to keep them safe.
- 22 Q Other than the designation on the Toys account,
- 23 what, if any, changes were made in NEPL's financial records?
- 24 A I don't think any.
- 25 Q That was the sole change, to your knowledge, that

1 was made in those records?

2 A Yes.

3 Q When was the last time you saw Colonel North?

4 A I am not sure.

5 Q Well, we have heard about a breakfast, a North
6 appreciation breakfast on November 10th, 1986. Have you seen
7 him since then?

8 A Not that I recall.

9 Q Have you spoken to him since then?

10 A Yes.

11 Q On what occasion?

12 A In December.

13 Q What was the occasion for that conversation?

14 A I wanted to get Fawn Hall's home phone number.

15 Q Where did you call him?

16 A At his attorney's office.

17 Q Did you speak to him directly?

18 A Yes.

19 Q What was the substance of the conversation?

20 A I said I wanted Fawn's phone number, and he gave it
21 to me.

22 Q Did you have any other discussion with him at that
23 time?

24 A He said he didn't want to have a substantive
25 conversation, on the advice of his attorney, and I said,

UNCLASSIFIED

1 "Fine." I understood that.

2 Q The conversation ended at that point?

3 A Yes.

4 Q Why did you ask for Fawn Hall's home phone number?

T2S2

5 A Because I wanted to call her and assure her that we
6 were still in her corner and would be helpful to her if we
7 could possibly be.

8 Q Meaning what? What did you mean by "helpful"?

9 A If she needed anything, she was supposed to let us
10 know.

11 Q Did you have that discussion with her?

12 A No.

13 Q Why not?

14 A Oh, the press of other matters.

15 Q Have you spoken to Fawn Hall since, say, November
16 of 1986

17 A No.

18 Q Other than that one telephone conversation, to get
19 Fawn Hall's telephone number from Colonel North, do you
20 recall any other conversations with Colonel North since the
21 breakfast on November 10th?

22 A No.

23 Q Have you spoken with Colonel North's attorney since
24 that time?

25

A I don't think I talked with him. Not that I

2 Q Brendon Sullivan and Barry Simon. You don't think
3 you spoke with them?

4 A No.

5 Q There came a time when NEPL hired a public relations
6 person by the name of Gerard Cameron, I believe.

7 A Yes. I mean Peter Hanaford.

8 Q Pardon me?

9 A Peter Hanaford is who we hired.

10 Q All right.

11 A And Gerard came along in the package.

12 Q All right. When was that done?

13 A I don't recall the time.

14 Q After the allegations about the Iran-Contra matter
15 began to break in the press?

16 A Yes.

17 Q Why was that done?

18 A We wanted public relations counsel that wasn't tied
19 in with us.

20 Q What do you mean by "public relations counsel"?

21 A Public relations counsel -- I don't know what else
22 to say. A consultant, a consulting firm who were in the
23 business of public relations.

24 Q Did you want somebody to field ^{question} questions from the
25 press for you?

- 2 Q Did, in fact, they field press inquiries for you?

- 4 Q Did you discuss your activities with Colonel North

- 6 A I did not.
- 7 Q Do you know if Mr. Channell did?
- 8 A I think he did.
- 9 Q Were you present when those discussions took place?
- 10 A No.
- 11 Q To your knowledge, were the public relations
- 12 consultants advised of the nature of your solicitations for
- 13 arms?
- 14 A I don't know.
- 15 Q Did you yourself make any statements to the press
- 16 after the allegations began to emerge?
- 17 A No.
- 18 Q I have a few specific points that arose out of some
- 19 of the documents.
- 20 A Only a few?
- 21 Q Only a few. Turn, if you would, -- this is a
- 22 deposition exhibit -- to the to-do list of February 22, 1986.

- 25 and then a list of items, including "A. RR meetings," and

UNCLASSIFIED

UNCLASSIFIED

591

1 then there is a list of people. And those are people that you
2 wanted to try to schedule meetings with Ronald Reagan?

3 A Yes.

4 Q When you made those requests for meetings with
5 Ronald Reagan, did you deal directly with David Fischer or
6 did you deal with Marty Artiano?

7 A Well, they were a pair.

8 Q Did you treat them as fungible, approach either one
9 of them, or did you deal more with Mr. Artiano or more with
10 Mr. Fischer?

11 A I don't remember, really.

12 Q What I would like to explore for a minute is your
13 perception of the relationship or with respect to the roles of
14 Mr. Artiano and Mr. Fischer. Mr. Fischer was President
15 Reagan's former Appointment Secretary --

16 A I understand he was his Personal Assistant.

17 Q Personal Assistant.

18 A That is not the same.

19 Q I am not sure of the exact title. At any rate, he
20 was an assistant to President Reagan. Mr. Artiano had never
21 worked in the White House; as best we understand, he had held
22 various positions in the campaign and in the Administration.
23 But as far as the White House itself was concerned, I don't
24 believe he had worked there.

25 A I don't know. I thought he had, but I could be

UNCLASSIFIED

UNCLASSIFIED

ed592

592

1 wrong.

2 Q I guess my question is, how did you perceive -- to
3 whom did you go when you wanted to schedule such appointments,
4 and why did you go there?

5 A Well, I mean we just had discussions, and we would
6 normally solve them together, and we said, "We want --"
7 Marty was the person who acted in charge.

8 Q That is kind of what I want to develop. You say
9 Mr. Artiano acted like he was in charge; could you elaborate
10 on that a little bit?

11 A Well, he was the one with whom you discussed the
12 business arrangement, for example. David usually didn't say
13 very much, and Marty would extemporize at the drop of a hat,
14 and so on. So he was just the leading person. I don't know
15 how to explain it. It is perfectly obvious when you see the
16 two of them together. But they were normally together when
17 we would put our requests in.

18 Q So when it came to negotiating business arrangements
19 or having discussions about fees and that sort of thing, Mr.
20 Artiano would have been the dominant person as between the
21 two of them; is that fair to say?

22 A Yes.

23 Q Tell me a little bit, if you would, about your
24 contact with Rob Owen. When did you first meet him?

25 A At the breakfast on November 17th, 1986.

UNCLASSIFIED

UNCLASSIFIED

ed593

593

1 Q Had you had contact with him before then?

2 A I had reached him by telephone in, I think, the
3 Summer of 1985 in error. I was looking for someone else and
4 he answered the phone.

5 Q What, if any, relationship did you understand him
6 to have with Colonel North?

7 A I didn't know anything about his relationship with
8 Colonel North.

9 Q I notice on -- I am not sure which deposition
10 exhibit this is -- Exhibit 11.

11 MR. OLIVER: Mr. Conrad, you said that you had
12 called, looking for someone else, and he answered the phone.
13 Who is that someone else that you were looking for, and where
14 was this phone, if you recall?

15 THE WITNESS: The man's name is Wesley Smith who I
16 was looking for, and he worked for Rob Owen. I knew that,
17 and he said, "If you want to reach me, call me here in the
18 daytime. And if I am not here, the message machine will be
19 on." One time I called and Rob himself answered.

20 MR. OLIVER: When was that phone call?

21 THE WITNESS: I think in June or July of 1985. He
22 took a message, and that was the end of it. I mean it was
23 not a lengthy conversation.

24 BY MR. McGOUGH:

25 Q My question on this exhibit is the message in the

1 lower left-hand corner. It lists the attendees at the meeting
2 of November 6th as "North, Terry Arnold, Neil Livingston,
3 CRC, Dan, Rob." Would you have recognized that as a reference
4 to Rob Owen?

5 A No.

6 Q Would Mr. Channell have recognized that as a
7 reference to Rob Owen?

8 A I don't have any idea.

9 Q Do you know what, if any contact, Mr. Channell had
10 with Rob Owen?

11 A I have no idea.

12 Q I don't think we have to turn to the document, but
13 there is a note written on the back of an agenda, referring
14 to multi-frequency radios and 50 SAM missiles. I think you
15 probably remember that.

16 A Yes.

17 Q You said that was taken during a meeting with
18 Colonel North sometime around November 18th, 1985, which was
19 the agenda thereof. Was anyone else present at the meeting
20 when that note was taken?

21 A No.

22 Q At the time that note was taken, was Colonel North
23 aware that you were going to use this information to solicit
24 funds?

25 A No.

UNCLASSIFIED

ed595

595

UNCLASSIFIED

1 Q What did you tell him? Why did he give you the
2 information?

3 A Just simple information. He had these radios -- how
4 much SAM missiles cost and how much the multi-band frequency
5 radios cost.

6 Q I think you said that he had mentioned these things.

7 A In the course of his briefing, yes.

8 Q And Mr. Channell asked you to find out how much
9 they cost.

10 A Yes. I mean, so it was a simple information
11 exchange.

12 Q You mentioned that you saw but did not meet Barbara
13 Studley, I think, at the Hay Adams Hotel.

14 A Yes. Right.

15 Q Can you tell me what that was all about; how you
16 saw her and didn't meet her, and when?

17 A Colonel North and I were sitting at a table. I
18 don't remember if we were drinking or eating or what, and I
19 don't remember who else was there or, indeed, if there was
20 anyone else there. But he was distracted from our conver-
21 sation by seeing who she was, and he got up and greeted her,
22 and walked over a little ways, greeted her, and chatted for a
23 little while and then came back.

24 I said, "Who's that?" words to that effect, and he
25 said, "Oh, that is Barbara Studley. She is one of Singlaub's

1 big contributors, or maybe even said, "her biggest con-
 2 tributor," I don't know. I said, "Oh, that is interesting,"
 3 and I immediately wrote down the name.

4 Q There came a time when you -- and I believe it
 5 starts in early 1986 -- have notes in your to-do list, "Green
 6 shopping list," and "Get new Green shopping list by Monday,"
 7 and that is circled, with dashes by it.

8 A Paramecium all around it. That is right

9 Q And I think you said -- correct me if I am wrong --
 10 that you were relaying this request to Colonel North.

11 A Yes.

12 Q And saying, "Would you please get us this list?L"

13 A Yes.

14 Q Did Colonel North ever say, "No, I am not going to
 15 give you that list" or did he just never produce it?

16 A He just never produced it.

17 Q Did he ever say he would produce would produce the
 18 list?

19 A Oh, he always promised he would produce it.

20 Q and just never did?

21 A Yes.

22 Q Let's talk for a moment about Mr. Harper and the

5 A Yes. I don't even know how it got filtered down to
6 us but, anyway, we were alerted. Colonel North said, "Be on
7 the alert because this person is going to call."

8 Q You don't know when or where, or the actual contact
9 between Secretary Shultz --

10 A No, I don't remember. I mean -- I am sorry. NOT
11 that I don't remember; I wasn't told.

12 Q There was a series of questions asked by Mr. Fryman
13 about an entry referring to a trip you wanted to take with
14 Elliott Abrams to California, "CA."

15 A Yes.

19 A Yes.

- 15 Q And "David" being David Fischer?
- 16 A Yes. And they are not accomplishing all the things
- 17 that they need to accomplish, and so I began to make up to-do
- 18 lists for them. This is my crusade, to organize the world.
- 19 Q Would these be the same to-do lists you were
- 20 producing for yourself or would they be particularized ones,
- 21 directed to them?
- 22 A They would be subsets of my own list.
- 23 Q So you wouldn't just send them your entire list?
- 24 A Oh, absolutely not.

3 during Colonel North's visit with Mrs. Newington, any
4 discussion of, quote, "business," closed quote; that is, any
5 discussion or solicitation, or any discussion of Nicaragua,
6 any solicitation for money.

7 A Well, we all sat around a table. Ollie talked
8 about Nicaragua and what was currently happening there. As I
9 recall, there was no solicitation at that time. But I think
10 one did occur, but I don't recall the specifics of it.

11 Q To you recall whether Colonel North initiated the
12 discussion of Nicaragua or whether someone else did?

13 A Oh, I think Spitz was playing ringmaster.

14 Q Meaning that you believe he initiated the discussion
15 of Nicaragua?

16 A Yes.

17 Q Was Colonel North's family present when that
18 discussion took place?

19 A They were out at the pool.

20 Q Do you recall who was present?

21 A Rich Miller, Spitz Channell, myself, Oliver North,
22 Mrs. Newington.

23 Q How long did the discussion last, if you can recall?
Not very long; half an hour.

24 Q In that half hour, was the topic of discussion the

3 Q When you say, "around the table," was that inside
4 or outside?

5 A Inside.

6 MR. McGOUGH: Off the record for a second.

7 [Brief discussion off the record.]

8 MR. McGOUGH: Back on the record.

9 BY MR. McGOUGH:

10 Q Mr. Conrad, you discussed with Mr. Fryman a request
11 by Mrs. Garwood's attorney to send a letter to her, indicating
12 that the purpose for her contributions were humanitarian. I
13 think if you want to refresh your recollection, there is a
14 note, dated October 3rd, 1986, that reads, "Letter to Ellen's
15 attorneys, food, medical supplies, transportation, logistical
16 support, ambulance services."

17 Am I correct in my summary that this was a request
18 from her attorneys for a letter saying, essentially, that her
19 contributions were used for humanitarian purposes; is that
20 right?

21 A Yes.

22 Q I think you said that was one of the things you
23 never go to; that as far as you recall, you did not -- at
24 least to your knowledge, you never sent that letter out.

25 A Right.

1 Q At the time you made this note, you were aware,
2 were you not, that Mrs. Garwood had, in fact, been solicited
3 for arms?

4 A I don't know if I knew that or not.

5 Q This is October 3rd of 1986. I believe we have had
6 testimony that the list that Colonel North gave her, in the
7 cocktail lounge, was in April or May of 1986. I believe you
8 indicated that Mr. Channell told you, more or less
9 contemporaneously, --

10 A Oh, that is right. I forgot about that.

11 Q -- that this list had been given to her; is that
12 right?

13 A Yes.

14 Q So you were aware, in October of 1986, that she had
15 been solicited for things other than food, medical supplies,
16 transportation, logistic support and ambulance services, were
17 you not?

18 A But I believe the question was, "What had her
19 contributions gone for?" which is a different question than
20 "What had she been solicited for?"

21 Q All right. Drawing that distinction, were you
22 aware at that point that it had gone for food, medical
23 supplies, transportation, logistical support and ambulance
24 services?

25 A We were assuming, because of the fact that we had

UNCLASSIFIED

ed602

1 no evidence to the contrary, that it had gone for humanitarian
2 aid, and this was just an elaboration of the items of
3 humanitarian aid.

4 Q You say you had no evidence to the contrary, but
5 you had no evidence to the affirmative either, did you?

6 A True.

7 Q In other words, you didn't know and, in the
8 fungible-funds theory, it could just as easily have gone to
9 arms as to these items; is that not right?

10 A Well, in the fungible-money concept, it could have
11 gone for anything.

12 Q I understand. But here is an attorney contacting
13 you and saying, "What was her money used for?" and you were
14 aware, certainly by October of 1986, of the important
15 distinction between money going for arms and money going for
16 humanitarian purposes, were you not?

17 A yes.

18 Q And the attorney wanted assurances, did he not,
19 that her money had been used for humanitarian purposes, is
20 that right?

21 A Yes.

22 Q And what you had on your hands, at that point, was
23 really no evidence one way or the other as to whether her
24 money had gone to humanitarian purposes; is that right?

25 A That is correct.

1 Q And, yet, you were willing to make the represen-
2 tation to this attorney that the money had, in fact, gone for
3 humanitarian purposes.

4 A Well, we didn't.

5 Q You didn't; but you were willing, at that time, to
6 make it.

7 A Well, I don't know how willing, if you didn't do
8 it. What is "willing"?

9 Q Did you raise that with Mr. Channell at the time?

10 A No.

11 Q I believe you said that Mr. Channell wanted you to
12 send this letter to Mrs. Garwood's attorneys --

13 A Yes.

14 Q -- and that is why you have a note.

15 A Yes.

16 Q Did you say to Mr. Channell, "No, I won't do that"?

17 A No.

18 Q Why not?

19 A Why didn't I say I wouldn't?

20 Q Did you say you would do it?

21 A I didn't say. I said, "Thank you," and wrote the
22 note.

23 Q Did you make a conscious decision not to
24 letter?

25 A No. Just got lost in the shuffle.

1 Q But it was something you were certainly willing to
2 do?

3 A Well, I would have drafted something, sure.

4 Q Did it bother you that Mr. Channell was asking you
5 to write that letter?

6 A No.

7 Q Did you believe that a letter of that kind would
8 have been misleading?

9 A Well, as I never wrote it, it is conjectural, at
10 best.

11 Q At best. Let's take a look at your notes of
12 October 20th, 1986, and there is the category "NEPL." These
13 are written, I think you said, as of October 20, 1986; is
14 that right?

15 A Yes.

16 Q Under "NEPL," Item A is "Organize and administer
17 Central American Freedom Program, November '86 to March '87."
18 That is your task for that period of time; I mean that is the
19 period of time during which you are going to do "A," is that
20 fair to say?

21 A Yes.

22 Q A projection?

23 A Yes.

24 Q "B" is "Organize and administer Nicaraguan Humanitarian
25 Aid Program, April '87 through December '87." First

UNCLASSIFIED

1 of all, what is the "Nicaraguan Humanitarian Aid Program"?

2 A It is direct aid to the Freedom Fighters.

3 Q Why do you call it "Nicaraguan Humanitarian Aid
4 Program?"

5 A I don't know; just the way we did it.

6 Q Up to this point we have been discussing, as we
7 said, fungible money, and can we agree that humanitarian aid
8 was, perhaps, one aspect of fungible money, but not the only
9 aspect of fungible money?

10 A Yes. You then have "April '87 through December of
11 '87." Why the six-month hiatus in the Nicaraguan Humanitarian
12 Aid Program?

13 A I think because we thought that we wouldn't need
14 any more until Congress -- until the humanitarian aid that
15 had been allocated to the Freedom Fighters would expire,
16 which I think is the Spring of 1987.

17 Q I think the humanitarian aid expired the Spring of
18 1986, and I think in the Fall of 1986 the Contras were
19 looking at \$100 million in assistance that would carry them
20 through Fiscal Year 1986.

21 A Okay.

22 Q Does that refresh your recollection?

23 A Anyway, we felt that they didn't need it, is our
24 basic point.

25 Q But you felt they would need it in April of 1987?

1 A Well, we were going to reexamine the situation then.

2 Q I notice A, C and D all really call for programs to

4 to say?

5 A Yes.

6 Q And that of the four NEPL projects, the only one
7 that is going to be postponed for six months is the, quote,
8 "Humanitarian Aid Program."

9 A Yes.

10 Q Do you recall when the Hasenfus plane was shot down
11 in Nicaragua, when Mr. Hasenfus was captured by the
12 Sandinistas?

13 A I remember the incident but I don't remember when
14 it occurred.

15 Q As a point of reference, let's put it in early
16 October 1986.

17 A Wonderful.

18 Q Were you concerned, when the Hasenfus incident
19 occurred, about the security of your own program?

20 A No.

21 Q Up until that time, you had been raising money, had
22 you not, for heavy lifting and air drops?

23 A Yes.

24 Q Did you make any inquiries to determine whether the
Hasenfus airplane was one of the planes that might have been

2 A No.

3 Q Were you concerned that it might have been?

4 A No.

5 Q Were there any discussions of that possibility?

6 A No.

7 Q In late October of 1986, were you beginning to have

8 reservations about whether your direct assistance to the

9 Contras would remain a confidential much longer?

10 A No.

11 Q Turn if you would to -- I am not sure what the page

5 Q The bottom entry has the entry "Toys" on the page
6 that I have referenced, that is 33327.
7 A Right.
8 Q What did you understand that to be a reference to?
9 A As I said, I don't recall ever having seen this
10 page before. I am sure I was given it in the package, but
11 the only one I paid any attention was the next page, which
12 was the summary of the whole thing.
13 Q Would you have understood that, at the time, to be
14 a reference to direct assistance to the Contras?
15 A I don't know. I don't know whether I would have or
16 not.

7 A I have no idea.

9 A I don't know.

10 Q Do you recall that contribution?

11 A I think it was from Barbara Newington, but I don't

18 Q To your knowledge, were any of the direct aid
19 contributions for the Contras made through IBC prior to your
20 dinner with Colonel North, or your dinner at the Hay Adams,
21 on July 9th, 1985?

22 A I don't know.

25 fast? Was there a meal associated with it?

6 MR. MCGOUGH: I thought I would put it on the

8 have discussed. My intention is to inquire into Mr. Conrad's

10 might be outstanding with the Independent Counsel regarding
11 Mr. Conrad's testimony.

12 I would agree to hold on it, with the understanding
13 that we will get, preferably in writing, some indication of
14 your position on it, preferably a response that you will tell
15 us what his status is, an indication of that status.

16 MS. LUBIN: Okay.

BY MR. MCGOUGH:

Q Mr. Conrad, did the NEPL staff have meetings? In particular, were there briefings for the fundraisers for NEPL, given by Mr. Channell?

A I would say yes.

Q At those briefings, did he discuss strategies for fundraising and approaches that might be made to contributors?

A Yes.

Q How often were those meeting held?

A As needed. Frequently.

Q Were they once a month, more frequently, less frequently than that?

A It is whatever the occasion arose. I never kept track of it.

Q Did you ever hear Mr. Channell refer to the targeted contributors as "political crazies"?

A Not that I recall.

Q Were these fundraiser meetings ever recorded?

A Occasionally.

Q Were they ever transcribed?

A They might have been. I don't remember.

10 A It is possible. I just don't remember, at the

17 Q Mr. Conrad, it has been a couple of weeks since we
18 started this deposition. I would like, if I could, to go
19 back just a little bit to the beginning of your association
20 with the Channell organizations to put us back in the
21 context. Then what I want to do is to go through some of
22 these documents, where I have put marks in the book, to follow
23 up on some of the questions that Mr. Fryman asked. I will try
24 to be as brief as possible.

25 You came to work on a full time basis for Mr.

1 Channell in January or February of 1985 as a consultant; is
2 that correct?

3 A No.

4 Q When did you begin to work full time for Mr.
5 Channell? I know you were a full time consultant for a

6 number of months.

7 A March 6th.

8 Q March 6th. And that was to primarily work on the
9 Nicaraguan Refugee Fund dinner?

10 A Yes.

11 Q What exactly did you do, in your full time capacity,
12 between March 6th and the Nicaraguan Refugee Fund dinner in
13 that period of time? I guess it was about six weeks or
14 something.

15 A Do you want to be more specific?

16 Q Well, you were paid, I think you said, \$5,000 a
17 month or \$1,500 a day. I guess the \$1,500 a day was in your
18 previous association as a consultant in 1983 when you did
19 about a week of consulting.

20 A Yes.

21 Q You came back to Washington, at his request, in
22 March of 1985 to work on this dinner.

23 A Yes.

24 Q But my question is, what did you do on that dinner?

25 I mean what was your responsibility during that period of

1 time, between March 6th and the dinner that you were brought
2 back to work on?

3 A Well, I don't know exactly how to answer the
4 question. But I was a consultant to Miner and Frazier, and I
5 was a consultant to the Nicaraguan Refugee Fund and I was a
6 consultant to the Channell organizations.

7 Q You were compensated by all three?

8 A Yes.

9 Q How was that compensation divided?

10 A Rather arbitrarily.

11 Q Who decided? Did you bill each one of them?

12 A No. Spitz just gave me some money -- I don't
13 remember how much, I would have to look and see.

14 Q Cash?

15 A A check. Miner and Frazier gave me some money, but
16 it was at Spitz' request, and Nicaraguan Refugee Fund decided
17 to hire me separately, and we had an agreement which covered
18 that.

19 Q What did you do for the Nicaraguan Refugee Fund
20 that decided to hire you, as distinguished from what you did
21 for Spitz Channell and for Miner and Frazier?

22 A Well, it was all very similar. Basically, -- I
23 don't know how you would call it -- making sure that all the
24 phone calls got made and follow-up calls were made, and that
25 the money got in when it was supposed to get in, give people

2 the letters got out. Just general coordination.

3 Q Was your office in one particular place?

4 A It was mostly at Miner and Frazier.

5 Q Is that where the people were making phone calls
6 from? Were there phone banks?

7 A There were several places where they were making
8 phone calls.

9 Q Did you supervise these phone callers, sort of
10 manage this operation?

11 A In a way. I mean not in a sense of standing over
12 them immediately to find if each one was on the phone. I
13 mean not minute by minute.

14 Q I see. But were you sort of the manager of the
15 fundraising activities of these three groups?

16 A Well, you could describe it that way. I don't know
17 how else to describe it. I didn't have an official title.

18 Q I understand. At the end of the day or at the end
19 of the week, or periodically, did you evaluate the work of
20 these fundraisers?

21 A Oh, sure. I was evaluating it all the time.

22 Q Did they give you daily reports, or weekly reports?

23 A Daily reports.

24 Q Daily reports. Those daily reports consisted of
25 what?

3 A I think of it was written and some of it was verbal.

4 Q Verbal. So you would then work with them to

5 develop their pitch and the way they interacted with the

6 people they were talking to on the phone?

7 A Yes.

8 Q Because you were the pro, you were the professional

9 who was in there to make sure this was done right?

10 A That is right.

11 Q Then after this Nicaraguan Refugee Fund dinner was

12 over, what then was your relationship with these three

13 organizations?

14 A Well, it ended with Miner and Frazier, and it ended

15 with the Nicaraguan Refugee Fund, and it continued with the

16 Channell organizations.

17 Q As a full time consultant?

18 A Yes.

19 Q That continued for another three or four months

20 before you became a full time employee, or five months, to

21 the Fall, I think, of 1985?

22 A Well, it was never clear. I mean there isn't a

1 solicitation was over, what did you do then for Mr. Channell?

2 Now this project is over, what did you do next?

3 A Well, the best way I know how to explain it is that
4 I was asked to stay on to help coordinate activities, to help
5 in the Channell projects, whatever they happened to be.

6 Q I think you testified earlier that at some point
7 you became the Executive Director of all the Channell
8 organizations.

9 A Yes.

10 Q And you said that you were responsible for the
11 administration of these organizations.

12 A Yes.

13 Q When you say, "the administration," what did that
14 include? What was your job? You described your job earlier
15 as the "Number Two Man" in all of his organizations. As an
16 administrator and a pro, as a fundraiser, what was your daily
17 activity like, your responsibilities?

18 A Well, I was basically in charge of seeing that all
19 of the program activities that we had started were completed,
20 which includes staffing and supervising of personnel, setting
21 up systems and so on.

22 Q So the to-do lists that we have gone over during
23 this deposition were basically your responsibilities to manage
24 and to execute?

25 A Yes.

UNCLASSIFIED

1 Q So if something went on your list as "to do," it
2 would be something that you would have the responsibility to
3 follow through on, or to ask somebody else to follow through
4 on; is that correct?

5 A Yes.

6 Q How did things get on your to-do lists?

7 A Spitz would tell me. On the odd occasion, I might
8 put something on myself, but very seldom.

9 Q And then you would remind Spitz, or you would then
10 say to one of the other staff people, "Have you done this
11 yet?" or "Are you doing this?" or "Do you need any help on
12 this?" or whatever the case might be?

13 A Yes. Well, in general, we had too much to do, far
14 too much to do, ten times as much to do as any human being
15 could possibly do, and that is why we kept a to-do list. It
16 was to remind us, when we had the odd spare moment, that we
17 could begin working on this or that.

18 Q Did everybody report through you to Spitz?

19 A Well, that is how it was supposed to work.

20 Q But it did not work that way?

21 A Right.

22 Q Why didn't it work that way?

23 A Because Spitz would often go directly to the person.

24 Q But you did have some management responsibility for
25 all of the employees?

UNCLASSIFIED

ed622

UNCLASSIFIED

622

1 A Yes.

2 Q Including the bookkeepers and the accountants?

3 A Yes.

4 Q So you had a general familiarity with all aspects
5 of Spitz Channell's operations?

6 A Yes.

7 Q And you had a responsibility for seeing to it that
8 all these operations went smoothly?

9 A Yes.

10 Q All these operations were housed in one office?

11 A Yes.

12 Q And there were overlapping boards of directors for
13 each of these corporations?

14 A Yes.

15 Q Did the same people sign checks for each one of
16 these organizations? Who had check-signing authority?

17 A Well, it depends on which time you are talking
18 about.

19 Q Well, let's say in November of 1985.

20 A Well, there is some overlap, and I would have to
21 look at which signature cards were enforced then as to who
22 was able to sign on which accounts to be able to answer your
23 question. Because I mean there are 11 organizations, and it
24 changed all the time and I can't keep all that in my head.

25 Q You know, I have 10 organizations on my list. Are

UNCLASSIFIED

ed623

1 you counting Grow Washington as one of those eleven?

2 A Yes.

3 Q That answers my question because I didn't have them
4 on my list. My understanding is no money ever actually went
5 into the Grow Washington account; is that correct?

6 A I think there was \$100.

7 Q But it was never really an active account?

8 A No, it wasn't. But my point is that there are a
9 lot of organizations and there is a lot of time period that
10 we are covering, and I can't keep this all straight.

11 Q Sure. Did Spitz Channell have check-signing
12 authority for all of the accounts?

13 A Most of the time.

14 Q Did you have check-signing authority for all of the
15 accounts?

16 A No.

17 Q Which accounts did you not have check-signing
18 authority for?

19 A I would have to look.

20 Q If I name them, will you know whether you had it?

21 A No. I have to look at a list. I mean I would go
22 to the accountant -- I was frequently asking the accountants,
23 "Am I authorized to sign on this account?" They were the
24 ones that told me.

Q But the accountants reported to you?

UNCLASSIFIED

UNCLASSIFIED

624

- 1 A Yes.
- 2 Q And you were the management person?
- 3 A Yes.
- 4 Q And they asked you which accounts you signed on?
- 5 A No, no. I would ask them which accounts I signed
- 6 on. Spitz would say, "Please have a check written to so and
- 7 so on this account," and he might tell them in Accounting,
- 8 without telling me. So then they would come to me and
- 9 present a check for me to sign, and I would question them,
- 10 often, "Am I authorized to sign on this account?" "Who
- 11 authorized the check to be drawn?" "Spitz." "Fine." I sign
- 12 the check.
- 13 Q This was a fairly small group of people. Who else
- 14 had check-signing authority, besides you and Spitz, on any
- 15 account, of the group of people that were there?
- 16 A Well, Cliff Smith. I don't remember who else.
- 17 Q Is it possible it was just Cliff Smith, you and
- 18 Spitz Channell?
- 19 A It is possible.
- 20 Q It was the senior members of the group?
- 21 A Yes, but it changed over time. You are asking me
- 22 specifics when all you have to do is go to the Accounting
- 23 Department and they can tell you exactly. I don't know.
- 24 Q After you became the Executive Director of all
- 25 Spitz Channell's organizations, did you continue to supervise

1 the fundraisers in the same way that you had for the
 2 Nicaraguan Refugee Fund, where you are still the professional
 3 fundraiser and you still sort of oversee what they do,
 4 evaluate their work, give them suggestions, that sort of
 5 thing?

6 A From time to time, yes.

7 Q Was that your responsibility to sort of see to it
 8 that their work was going along?

9 A Well, I was not the only one who had that
 10 responsibility.

11 Q Who else had that responsibility?

12 A Spitz Channell.

13 Q You and Spitz Channell?

14 A Yes.

15 Q So the fundraisers reported either to both of you,
 16 or one of you, and if they had a problem they came to one of
 17 you?

18 A Yes.

19 Q And you sort of gave them direction in terms of
 20 what they were going to raise money for this week and what
 21 they were going to raise money for next week?

22 A Well, in that particular instance, it wouldn't be
 23 me; it would be Spitz.

24 Q So Spitz would decide, "This week we are going to
 25 raise money for X, and this is the pitch that I want you to

1 give, that I think will work"?

2 A Yes.

3 Q You would work that out, and then they would go
4 back to their offices and they would get on the phone and
5 start making that pitch to your list of donors?

6 A Yes.

7 Q Were most of the donors that you worked with, donors
8 that you had developed over a period of time?

9 A Me, personally?

10 Q The Channell fundraising organization.

11 A Well, yes, I guess.

12 Q Did you make very many cold calls?

13 A Oh, quite a number.

14 Q How did you get those lists?

15 A We must have at least, at least 100 different lists
16 in our files.

17 Q So you collected lists like any professional
18 fundraising organization; if there is a good list and you
19 know you can get ahold of it, you got it, you tried to figure
20 out a pitch that would work on this list. And if you figured
21 out a pitch, you gave your fundraisers that list, and they
22 would go after it?

23 A Yes.

24 Q Did Spitz Channell's organizations sort of
25 specialize, once they located a donor, in developing that

UNCLASSIFIED

ed627

UNCLASSIFIED

627

1 donor and increasing their giving -- not necessarily capacity,
2 but the size of their donations?

3 A Did I do what?

4 Q Did they sort of specialize in the development of
5 donors, from being small givers to big givers?

6 A Yes.

7 Q And keeping them involved with your organization?

8 A Yes.

9 Q It appears, from what we have seen, that that was
10 really your specialty, was to find a donor who was a deep
11 pocket and treat them very nicely and bring them along, and
12 get them involved and do whatever you could to really make
13 them want to give any time you asked.

14 A This is the specialty of all professional fund-
15 raisers, or should be. Let's put it that way.

16 Q Certainly, in your case, it worked very well with a
17 number of these donors.

18 How did you go about doing that for Spitz? Let's
19 take, for example, Barbara Newington. How would you develop
20 her as a donor, to want to get her to give even more money?
21 What would you do? What was your sort of technique?

22 A I really don't know how to quite answer that,
23 because it is not a theoretical construct. You deal with
24 each case on its own merits and each individual, and it is a
25 marrying between the individual and the cause and the

UNCLASSIFIED

UNCLASSIFIED

1 organization, and the relationship that the individual
2 fundraiser has with the individual contributor. So it is a
3 combination of multiple factors.

4 Q Earlier in this deposition, we looked at hand-
5 written notes, at an evaluation of what was the most effective
6 tool for your givers. And generally, -- I think there were
7 several people evaluated, and they thought the most effective
8 tool was Green, being the code name for Oliver North; is that
9 correct.

10 A Yes. They were wrong.

11 Q They were wrong. What was the most effective tool?

12 A Well, as it turned out, as I said previously, the
13 most effective tool was, to generalize from Colonel North and
14 Presidential meetings, was meeting in general. In other
15 words, to bring people -- to ask people to come to a meeting
16 was far preferable to calling them on the phone and asking
17 them for a contribution.

18 Q Particularly, if that meeting could be in the White
19 House?

20 A Yes. However, there is substantive data, from other
21 types of organizations, that it did not make a difference
22 whether it was in the White House or not. That is the danger
23 of looking at these statistics, is that -- that is all the
24 data that we had to go on, and we dealt with such few people
25 that it is very difficult to generalize.

UNCLASSIFIED

ed629

629

UNCLASSIFIED

1 Q You dealt with a small universe of givers, several
2 of whom met with the President and several of whom attended
3 meetings in the White House; is that correct?

4 A Yes.

5 Q Other than the meetings in the White House and the
6 meetings and dinners at the Hay Adams, across the street,
7 where else did meetings of these people take place in
8 Washington?

9 A I don't believe there were any other meetings.

10 Q So the general pattern was a meeting in the White
11 House, followed by a dinner at the Hay Adams across the
12 street?

13 A Yes.

14 Q And this is what attracted these people, time and
15 time again?

16 A Well, the only point I am trying to make to you is
17 that from the experience of other organizations, I know that
18 it is not necessary to have only meetings in the White House,
19 in order to get this same kind of results. Meetings, in
20 general, for any organization, a hospital, a university, or
21 whatever, is a very good technique for getting contributors
22 to become involved with the organization.

23 As a matter of fact, we discovered, through our
24 analysis, that the meetings with Ronald Reagan weren't as
25 productive as the meetings with Oliver North. So it is

UNCLASSIFIED

ed630

UNCLASSIFIED

630

1 important that you understand that -- I mean even the
 2 fundraisers didn't understand this, that the meetings were
 3 the most important thing, not where they were or who was in
 4 charge of them.

5 Q But I was just trying to establish that in this
 6 particular instance, for the Channell organizations, for
 7 these big givers, the meetings took place either in the White
 8 House or at the Hay Adams Hotel?

9 A Yes.

10 Q Barbara Newington, according to our records, or at
 11 least the records that I have, gave something like \$3,800,000-
 12 plus dollars to the Channell organizations in 1985 and 1986.
 13 Does that figure generally strike you as being correct?

14 A No. I think it is wrong, by a big amount.

15 Q She gave more or less?

16 A Less. But I don't know that for a fact. I would
 17 have to check the records. It doesn't strike me as correct.

18 Q How much money do you think, in a general ball park
 19 figure, -- I know you don't know specifically -- how much
 20 money do you think Barbara Newington gave?

21 A Probably around a little below \$2 million.

22 Q In 1985 and 1986?

23 A Yes.

24 Q How much money do you think Ellen Garwood gave in
 25 1985 and 1986, approximately?

UNCLASSIFIED

ed631

UNCLASSIFIED

631

1 A I think more than that, like \$2.5 million. I am
2 not sure exactly. I would have to look.

3 Q But these people, people like Newington and
4 Garwood, were sort of your main contributors, that you
5 developed over a period of time?

6 A Yes.

7 Q And as you developed these people, you looked for
8 or noted a propensity or proclivity to give money to the
9 cause of the Contras in Central America, a willingness to
10 give to the point that you thought they could be approached
11 to make direct contributions to the Contras for military
12 equipment; is that correct?

13 A Yes.

14 Q Then when you decided to bring them to that stage
15 of giving, usually the method involved was a one-on-one
16 meeting with Ollie North or a one-on-two meeting with the
17 giver and Spitz and Ollie North, a small meeting where this
18 approach would be made; is that correct?

19 A Yes.

20 Q Was it usually Spitz and Ollie North who would be
21 present when this pitch was made?

22 A Usually Ollie North -- as a matter of fact, I think
23 Ollie North was never present; only Spitz Channell and the
24 contributor.

25 Q But usually, that is when the pitch was made?

UNCLASSIFIED

ed632

UNCLASSIFIED

632

1 Usually, that took place after a meeting with Ollie North; is
2 that correct?

3 A Yes.

4 Q Are you aware of the breadth of Mrs. Newington's
5 contributions to the Chanzell organizations?

6 A Well, dazzle me with figures.

7 Q Well, she gave money to the National Endowment for
8 the Preservation of Liberty; is that correct?

9 A I believe so, yes.

10 Q She gave money to the Western Goals Foundation; is
11 that correct?

12 A Yes.

13 Q She gave money to the Western Goals Endowment; is
14 that correct?

15 A Yes.

16 Q She gave money to Sentinel; is that correct?

17 A Yes.

18 Q She gave money to the ATAC Federal Election Fund;
19 is that correct?

20 A I would have to check.

21 Q She gave money to the ATAC State Election Fund; is
22 that correct?

23 A I would have to check.

24 Q She gave money to the American Conservative Trust
25 State Election Fund; is that correct?

UNCLASSIFIED

ed633

633

UNCLASSIFIED

1 A I would have to check.

2 Q She gave money to the American Conservative

3 Foundation; is that correct?

4 A I would have to check.

5 Q Well, my indication is that she did, but you can

6 check the figures.

7 A Fine. I mean it doesn't surprise me.

8 Q But the same thing was true, to a large extent, for

9 the other big givers, Garwood, King, Hunt, Warm; they gave to

10 more than one of the Channell entities; is that correct?

11 A Yes.

12 Q So you had developed these donors, and you could

13 pretty much direct where you wanted their contributions to

14 go; is that correct?

15 MS. LUBIN: When you say "you," would you clarify?

16 MR. OLIVER: I mean you could call them up and --

17 MS. LUBIN: "You," Dan Conrad, would call them up?

18 MR. OLIVER: "You," a representative of the

19 Channell organizations --

20 MS. LUBIN: Are you speaking of Dan Conrad or are

21 you speaking of the Channell organizations generally, or

3 Q Who worked with them, could call them up and say,
4 "We need money for X this week," and then next week they
5 could call them up and say, "We need money for Y"?

6 A Yes.

7 Q Once they had reached that point of being a regular
8 and repeat contributor. So was sort of an overlapping of not
9 only the components of the organizations they gave to, but
10 there was also an overlapping of your responsibilities and
11 the responsibilities of the other Channell employees with all
12 of the Channell organizations; is that correct/

13 A Yes.

14 Q These meetings that were held at the White House
15 were all arranged through IBC and/or David Fischer and Marty
16 Artiano?

17 A Or Oliver North.

18 Q Or Oliver North. If you could go directly to
19 Oliver North and set up one of these meetings, why were you
20 paying so much money to Marty Artiano and David Fisher?

21 A Well, it depends on which meetings you are talking
22 about.

23 Q Well, I am talking about White House meetings or
24 briefings. If Oliver North could do it, a person who dealt
25 directly with, had a friendly relationship with, why would

UNCLASSIFIED

UNCLASSIFIED

1 you pay somebody \$480,000 to set up meetings at the White
2 House that you could do yourself?

3 A Well, that wasn't their only responsibility.

4 Q What were their other responsibilities?

5 A Who?

6 Q David Fischer.

7 A He arranged different meetings with all kinds of
8 different people.

9 Q For instance, who were some of the people he
10 arranged meetings with?

11 A I am blanking at the moment which ones, but I mean
12 all you have to do is look on the to-do lists and there is a
13 great listing of the number of different activities he was
14 asked to participate in. Introductions and meetings were
15 only a part of that.

16 Q You testified earlier, I believe, that the Channell
17 organizations, through IBC or directly, paid Artiano and
18 Fischer \$480,000; is that correct?

19 A I don't recall the amount of money.

20 Q It was a significant amount of money. It was a
21 significant amount of money; is that correct?

22 A Oh, yes.

23 Q You don't remember any other meetings that David

4 them.

5 MR. OLIVER: The point is, my recollection of going
6 through the to-do lists was that there were a lot of things
7 on the to-do lists were David Fischer -- there were sugges-
8 tions that David Fischer set up a lot of meetings, but the
9 meetings were never set up.

10 MS. LUBIN: If this is important to you, we will be

17 Q Well, let's go back. This is a good time to go

19 maybe we can go through just briefly. If you will go back to
20 the first outline, from the beginning to --

21 A Exhibit 1?

22 Q -- 143.

23 A Yes.

24 Q On what is the Page 3 of the September 8, 1985, to-
25 do list, there is a notation --

UNCLASSIFIED

ed637

637

UNCLASSIFIED

1 A September 3, did you say?

2 Q September 8, Page 3. What I am going to do is I am
3 going through lists -- I made some notations, just some
4 marks, as we went through these during Mr. Fryman's quest-
5 ioning, just some loose ends that I would like to tie
6 together, if we could. So we will be going through them
7 seriatim, but skipping around.

8 A Fine.

9 Q Two-thirds of the way down the page, there is a
10 notation, "D-4," where it says, "Frank: who should we
11 invite?" and then the letter "A." It says, "Strategic
12 Studies Conference attendees." Do you see that?

13 A Yes.

14 Q What does that refer to?

15 A Well, I don't remember specifically, but it was a
16 Strategic Studies Conference. I don't know where it was
17 held; I never went to it, didn't know anything about it. But
18 whoever was there, we were asking the question of Frank
19 Gomez, should they be invited to our Agenda-for-Geneva
20 Conference.

21 Q This Strategic Studies Conference did take place
22 somewhere?

24 Q But Frank, presumably, knew something about the

6 A No.

10 A Yes, it is.

11 Q Because sometimes you have the same day and a
 12 different time.

13 A Yes.

14 Q There is some handwriting on the right-hand side of
 15 that page which says, "Five Senate races in January," and
 16 then "January 20th meeting, Nic -- "I assume that is
 17 Nicaraguan/Friends of Freedom. Anniversary of sixth year in

19 What do those notations refer to?

20 A Different matters.

21 Q They are not related to each other?

 10 something, I have forgot what, and we wanted to get copies of
 11 it. I don't remember why we wanted them.

3 Okay. We wanted to have a series of -- I don't

9 much we would give to Nixon, and the rest. These would be

14 A Yes. We wanted to hold the first ~~ad~~ⁱⁿ in her home.
15 She wanted dinner for six in November.
16 Q Dinner for six?
17 A Yes.
18 Q You were going to give \$10,000 to Edie and Tom, and
19 \$20,000 to Nixon, out of a dinner for six?
20 A Yes.
21 Q How much did you expect to raise in this dinner for

23 A Oh, \$100,000, probably.
24 Q What were you going to charge the donors?
25 A A lot of money.

- 14 A Roy Cohn.

10 Q So it runs from Page 1 through Page 8; is that

11 correct?

12 A It was an important program.

13 Q This all relates to the October 17th Washington

14 meeting?

15 A That is correct.

16 Q This meeting did take place?

17 A It did.

18 Q Did take place, generally, as it is planned here in

8 A Yes.

9 Q And the briefing did take place in the Indian

13 Q But it did take place in the White House?

14 A Yes.

17 A I think so. I am confusing all the different

10 A Yes.
11 Q What did she do at that meeting in January of 1986?
12 A Announced that she was leaving to run for the

14 Q Is that all she did?
15 A "Hello. I'm leaving." I mean that is about it,

17 Q This was a Linda Chavez fundraiser, was it?

8 A No.

9 Q Did anyone from the White House stop by during

11 A No. Well, not that I recall. There might have
12 been somebody, but I don't remember who.

13 Q Did anyone from the White House come to the dinner?

14 A As I say, I get them confused. I can't remember
15 this particular one.

16 Q Did anyone from the White House ever attend any of
17 the dinners at the Hay Adams?

18 A I think Elliott Abrams did, but he is not at the
19 White House, of course.

20 Q But he did attend one of the dinners at the Hay

22 A I think Ollie North came to one of the dinners. I

16 Could you tell me what that was about, that Section

17 A there?

18 A We wanted to start a Public Diplomacy Program for

19 Nicaragua, and the way we did it was by competitive bidding,

20 and we wanted several firms to participate in that. I think

21 eventually something like 10 or 11 firms did actually submit

7 handwriting; is that your handwriting?

8 A Yes.

9 Q You have, at the top, it says, "Curt Herge: what
10 is law re taking contributors away?" What does that refer to?

11 A That means taking contributor names away. Who owns
12 the names? When an organization has contributors, who
13 legally owns the names?

14 Q On the right-hand side of that page, there is a box
15 that says, "Goodman: 30 minutes: getting ready for the
16 battles to come." What does that refer to?

17 A Some idea for advertising.

18 Q Then it says, "Spots after the first of the year."
19 What does that refer to?

20 A That from the same footage, we would take spots, we
21 would take 30-second spots.

1 Q Then below that, you have several other notations

5 A We wanted to use, in an ad -- we wanted to find out
6 who were the registered agents of the USSR in the United
7 States so we could add up how much all their contracts were
8 worth, so we could say, in an ad, how much the Soviets were
9 spending to influence American opinion.

10 Q Did you do that?

11 A We tried; it was very difficult.

12 Q Why was it difficult?

13 A They have a lot of contracts, and it is not
14 specifically -- somebody needs to straighten that office.

15 Q Which office?

16 A It is not uniform how they report things, so you
17 can't just go there and get a bottom-line number, and people
18 are free to interpret the law as they wish.

19 Q You mean the Foreign Agents Registration Act that
20 is administered by the Department of Justice?

21 A Yes.

5 wanted to do another one, and we wanted to find out much he

6 was going to charge for that.

7 Q On aid to Nicaragua?

8 A Well, on the Freedom Fighters.

9 Q Then the next notation, Number Three, says,

10 "Straighten out IBC fees for October/November." What does

11 that refer to?

12 A Some accounting matter, but I don't know what.

13 Q You don't remember. Down next to the bottom, next-

14 to-the-last notation on the right side of the page, it says,

6 appears the name "Pyramid Video." Could you tell me what
7 that refers to?

8 A It is a company that send out B-roll footage by
9 satellite.

10 Q Sends out what kind of footage?

11 A B-roll. You see the reference, just below the name
12 it says "five to seven minutes of B-roll," are the words
13 there.

14 Q What is "B-roll footage?"

15 A It is a technical term in advertising. I don't
16 know what it stand for, but it means a section of video tape
17 that is sent out as a news release, a video news release,
18 over the air.

19 Q Did you contract with Mr. McAvoy to do this?

20 A No.

8 Q Would you turn back to Document A, 0036003, which
 9 is three-quarters of the way through the book, back in the
 10 other direction. It starts with "Ollie solicitation." It is
 11 a handwritten note.

12 A I can't find it. May I look at your copy?

13 Q Yes.

14 A Yes. I have it.

15 Q You have indicated in your earlier testimony that
 16 that was Cliff Smith's handwriting; is that correct

17 A Yes.

18 Q What does that page refer to?

19 A (Witness peruses document.)

20 I am not sure. It doesn't make much sense to me.

21 Q Does it refer to a solicitation, Ollie solicitation,
 22 against the Barnes' campaign?

3 MS. LUBIN: Does this relate in any way to

5 MR. OLIVER: It comes under the heading here of
6 "Ollie solicitation."

7 MS. LUBIN: This isn't his document, sir.

8 MR. OLIVER: It is the document of one of his

10 MS. LUBIN: Why don't we put this off with the
11 other agreement?

12 MR. OLIVER: We can put it off until the end of the
13 day.

14 MS. LUBIN: Why don't we put it off until we could
15 reconvene, is my understanding.

16 MR. OLIVER: Well, I don't see why this reference
17 to an "Ollie solicitation" isn't relevant to this investi-
18 gation. Mr. Barnes was the Chairman of Western Hemisphere
19 Affair Subcommittee of the House Foreign Affairs Committee.

20 MS. LUBIN: Are you aware of any solicitation

3 MR. OLIVER: On what grounds?

4 MS. LUBIN: On the grounds that we agreed to.

5 MR. OLIVER: Counsel, I have agreed to no such
6 grounds.

7 MS. LUBIN: Fine. If you want to push it now, you
8 can, but I think we are too tired to continue with it like
9 this at this time.

10 MR. OLIVER: I have just defined Mr. Barnes as the
11 Chairman of the Western Hemisphere Affairs Subcommittee with
12 oversight responsibility for Nicaragua, which I believe would
13 indicate that he is relevant to this investigation.

14 MS. LUBIN: I would like to go off the record.

15 MR. OLIVER: Off the record.

5 meetings.

6 Q Related to the Central American Freedom Program?

7 A Did you make contact with the White House about
8 that?

9 A I think we did not.

10 Q But you did have a briefing at the White House two
11 weeks later; is that correct?

12 A Yes.

13 Q And Linda Chavez was at that meeting?

14 A Yes.

15 Q Do you know who made contact with Linda Chavez?

16 A No.

17 Q You were aware of the luncheon which took place on
18 January 6th at the Prime Rib with Elliott Abrams, Marty
19 Artiano, Spitz Channell, Rich Miller and David Fischer; is
20 that correct?

21 A I didn't know who else was there.

11 A No.

12 Q Where did these story boards for your ads come from?

13 A The Robert Goodman Agency.

14 Q And you would not have known of Spitz Channell

15 having a luncheon with the Assistant Secretary of State for

16 Latin American of Affairs and showing a story board on ads?

17 MS. LUBIN: He said he knew about that.

10 Q Roman Numeral III refers to the Central American

12 to "task force members." That is the first reference that I

13 have seen in your notes -- there are none in the exhibits

14 that we have in 1985 to this task force.

15 Could you tell me what this task force was about

16 that is listed under the Central American Freedom Program?

17 A We monitored the progress of the -- "task force" is

18 too grand of a name for it; all we did was get together once

19 a week and everybody reported their progress.

20 Q This group met once a week?

21 A Yes.

- 1 A Public relations.
- 2 Q In relation to?
- 3 A Well, he handled the public relations aspect of the

- 5 Q What kind of thing did he do?
- 6 A Oh, he broadcast the B-roll footage, arranged for
- 7 speakers to be on national TV programs. He put out news
- 8 releases.
- 9 Q What kind of speakers?
- 10 A People representing the Freedom Fighters.
- 11 Q Allen Carrier. I assume, since he is listed under
- 12 "Edelman," that he worked for Steve Cook; is that correct?
- 13 A Yes.
- 14 Q What did he do?
- 15 A I don't remember.
- 16 Q Then Debbie Messick is also listed under "Edelman,"
- 17 what did she do?
- 18 A Staff person; I don't know.
- 19 Q She worked for Steve Cook?
- 20 A Yes.
- 21 Q Allen Carrier and Debbie Messick generally assisted
- 22 Steve Cook with his public relations function; is that

- 24 A Yes.
- 25 Q The next name there is Bruce Cameron, who you have

1 testified earlier was referred to you by Rich Miller. What
2 was Bruce Cameron's role in this task force and what did he
3 report during these weekly meetings?

4 A Well, he wasn't present all the time. He talked
5 about his lobbying efforts.

6 Q What did he say about his lobbying efforts?

7 A I would have to consult my other documents to be
8 able to answer that.

9 Q Did you attend these meetings?

10 A Yes.

11 Q Who else from the Channell organizations attended
12 these meetings?

13 A Well, Spitz and various other people at different
14 times.

15 I have to correct something. It is not only
16 weekly. Sometimes it was more often than that.

17 Q Sometimes more often than weekly?

18 A Yes.

19 Q Did Bruce Cameron report at these meetings about
20 how certain congressmen were going to vote or which
21 congressmen were leaning, or doubtful on this Central
22 American aid bill?

23 A Yes. That wasn't the basic thrust of it. He,
24 fundamentally, talked about what issues -- you know, we
25 weren't so concerned about the votes of particular people; we

UNCLASSIFIED

UNCLASSIFIED

1 were concerned about the issues that they were discussing on
 2 which their vote would hinge. So he would and say, "Well,
 3 this is the argument today," or "This was the argument
 4 yesterday," and "This is what we are hearing now," and so on.

5 Q The next name on the task force list is Marty
 6 Artiano. What was his role on the task force?

7 A I can't remember that he ever attended.

8 Q Why is his name on the list?

9 A I can't answer the question. I don't know.

10 Q Did he ever attend?

11 A Not that I remember.

12 Q Was he involved in the Central American Freedom
 13 Program?

14 A I don't recall.

15 Q You don't know why he would be one of five people
 16 listed on the task force?

17 A Right.

18 Q And this group met sometimes more often than weekly;
 19 during what period of time?

20 A February and March.

21 Q January to March, 1986?

22 A Somewhere in there, yes.

23 Q Edie Frazier, what was her job on this task force?

24 A She also did not attend the meetings. She was in
 25 charge of coordinating a letter-writing campaign in certain

UNCLASSIFIED

1 media markets.

2 Q In certain congressional districts?

3 A Her involvement was to state-wide programs and
4 national programs; some local, but having to do with her
5 contacts, not having to do with necessarily where we wanted
6 efforts being made.

7 Q Why would she be in this task force meeting that
8 was related, I assume, to a congressional vote that was to
9 take place in April; is that correct?

10 A Why would she be in the task force?

11 Q Yes. Well, is it correct that this was related,
12 this task force that was meeting weekly and sometimes more
13 frequently, was related to the vote that was going to take
14 place in Congress; is that correct?

15 A Yes.

16 Q Why would she be in that meeting?

17 A She didn't attend the meeting.

18 Q Why would she be on the task force?

19 A Because she was involved in organizing a grass roots
20 letter-writing campaign, which was part of the Central
21 American Freedom Program.

22 Q As that relates to a congressional vote, it would
23 seem that these grass roots letter-writing campaigns would be
24 directed towards certain congressmen; isn't that correct?

25 A It was directed to the issue of -- I mean since it

UNCLASSIFIED

UNCLASSIFIED

1 was nationwide, it could be any congressman. It was directed
2 toward the issue of the Freedom Fighters.

3 Q Edie Frazier's role was a nationwide letter-writing
4 campaign that was not geared to specific congressional
5 districts; is that your testimony?

6 A I don't remember the original instructions to her,
7 but I think the way it turned out was she was nationwide.

8 Q What did Jack Lichtenstein do on the task force?

9 A Basically the same thing as Edie Frazier.

10 Q Nationwide, grass roots letter-writing campaign?

11 A In his case, he went about it differently, and so I
12 think his was less national and more targeted to the media
13 markets that we were focusing on.

14 Q How do you focus direct mail on media markets?

15 A Get the Zip Codes in the media markets. It is easy
16 to do.

17 Q You are a professional fundraiser, and I assume you
18 are very familiar with the costs of direct mail.

19 A Yes.

20 Q How much money did you spend on this nationwide
21 direct mail campaign? Would you give us a ball park figure?

22 A Well, maybe I have misstated it. We didn't pay
23 anybody's costs in sending in direct mail. We paid the costs
24 of -- I don't remember, I mean \$20,000 or \$40,000, something
25 like that.

- 5 Q To the congressmen of their choice?
- 6 A Yes.
- 7 Q Not to any special group of congressmen?
- 8 A Right.
- 9 Q Not to any swing voters?
- 10 A No. I mean if swing voters were involved in the
11 area, fine; if they weren't, that is fine, too.
- 12 Q There wasn't a targeted list of votes that was

- 14 A Not to my knowledge. To be more precise about
15 that, there were several targeted lists. I don't know
16 whether they were discussed at these meetings or not.
- 17 Q What were the targeted lists used for?
- 18 A Well, we were constantly going to pick certain key

- 20 A Spitz wanted to know how much money we had in

- 8 Q That is correct. You have there "Bruce Cameron and

- 12 Q Did they ever arrange a press conference for

- 14 A Not that I recall.
- 15 Q Did they arrange for an ad in the Washington Post?
- 16 A Yes.
- 17 Q What was that ad?
- 18 A Well, it was an ad in support of the Freedom

6 Q What was the grant to PRODEMCA for?

7 A It was unrestricted.

8 Q It was an unrestricted grant?

9 A Right.

10 Q Do you know how much it was for; do you remember?

3 A Well, I would have to look to see if the timing is

7 A He didn't report on anything. He just listened and
8 gave advice from time to time.

9 Q What did he give advice about?

10 A I don't remember.

11 Q Was it about congressional votes?

12 A I don't recall.

13 Q He and Bruce Cameron were both on the Board of the

5 Q You are primarily a fundraising organization; is

7 A Well, I wouldn't typify it that way.

10 Q How many educators work for you? Teachers,

11 doctors, Ph.D's, people who are in the field of education?

12 Anybody in the field of education?

13 A We contracted all of that out.

14 Q Who did you contract that out to?

15 A All manner of consultants. Most of our own money

16 was spent on consultants.

17 Q Well, you have indicated that you have two direct

8 January until April of 1986, and then it disappears from your

23 A No, I wouldn't say so.

1 A To influence public opinion, as I have stated
2 previously.

3 Q Why did you disband it on April 15th, 1986?

4 A I didn't.

5 Q Why did Spitz Channell write to Rich Miller and
6 tell all those people that they were all terminated on April
7 15th?

8 A He decided to stop the program. You will have to
9 ask him why he did it.

10 Q Did it relate, in your opinion, to the House vote?

11 A That is conjecture on my part.

12 Q Do you have an opinion?

13 A No.

14 Q I don't really have much more, but there are a
15 couple of things here that I can't find. If you would just
16 give me a moment.

17 [Pause.]

18 If you would turn towards the back of this large
19 book on Page --

20 A What is the date?

21 Q It is January 7th, 1987, on Page 8. Do you have
22 that?

23 A Yes. 20926?

24 Q That is correct. On Number D says, "Design CAFF

1 A We were supposed to do another Central American
2 Freedom Program.

3 Q Number E says, "Meeting on Nicaragua with consul-
4 tants. Number 1, what we did right and wrong." What does
5 that refer to?

6 A We wanted to have a meeting, we wanted to ask them
7 how we did -- how what we did was good and how what we did
8 needed improvement.

9 Q Number 2 says, "What we need to do for the next go-
10 around." What did "the next go-around" refer to?

11 A The "January-March" above it.

12 Q Why was the January-March period important?

13 A I don't recall.

14 Q Could it have been that they felt that was the
15 period in which Congress would be considering Contra aid?

16 A It could be.

17 Q Was it?

18 A I don't know.

19 [Pause.]

20 Q Would you look at the June 14th, 1986, to-do list,

22 A Wait, wait one second.

6 Is that Ronald Reagan?

7 A Yes.

8 Q ^{Kuykendall}~~Kirchendahl~~, Ollie, Elliott Abrams, Trent Lott,
9 Bob Michaels, Mitch Daniels, Penn Kemble and UNO" What were
10 those letters for and who were they to go to?

11 A They were supposed to be addressed to us.

12 Q To NEPL?

13 A Yes.

14 Q What were they supposed to say?

15 A "Thank you for your public education program."

16 Q And "If we win," refers to what?

17 A I am not sure. This is June of 1986; I am not sure
18 what it refers to.

19 Q Could it have referred to a vote in the Congress?

20 A Possibly.

21 Q But you don't remember whether or not it was a vote
22 in Congress?

23 A I would have to check.

25 Leader and Minority Whip of the House of Representatives?

1 What did you do for them?

2 A I have no idea what we did for them.

3 Q Why were they on the list?

4 A Spitz told me to put them on the list.

5 Q Do you know why Spitz told you to put them on the
6 list?

7 A He wanted letters from them.

8 Q There is a reference, if you will turn to June 14,
9 13:10, Page 20.

10 A Okay.

11 Q On Number 11D, there is a reference to "Curt
12 Herge/Donna Miller." It says, "Ask about registering our
13 lobbyists (Sentinel)." What does that refer to?

14 A I am not remembering with any specificity.

15 Q Were your lobbyists for Sentinel registered?

16 A I don't really know the answer.

17 Q You were the Chief Administrator of the Channell
18 organization, and you don't know whether or not your lobbyists
19 were registered?

20 A I don't.

21 Q Do you know whether or not they were not registered?

6 A 20300?

7 Q That is correct. Under the "Central American

10 A Yes.

11 Q It says, "Rich and Green, get an RR thank you

12 letter to us," and then written in your handwriting is,

13 "Deadline August 17th." In parenthesis it says, "(Rich to

15 A Well, we were constantly asking Rich and Colonel

16 North to get a thank you letter from the President for

17 various efforts and activities that we engaged in.

18 Q When it said, "Transcribe all tapes, audio and

19 video," what did that refer to?

20 A When we sent speakers around the country, many

21 times we got audio tapes or video tapes of them in action,

22 and we wanted a transcript of all that so that we could put

6 Q That is correct. You have a number of references
7 there. Number C says, "Letters of endorsement needed," and
8 it says, "Green, Elliott Abrams, Mitch Daniels, Penn Kemble

10 A We were always wanting letters of endorsement from
11 all kinds of people. These are several on the list.

12 Q Were these letters of endorsement related to your
13 Central American Freedom Program?

14 A They could be related to any one of a number of

5 A Yes. All of this is what he told me to do.

19 Q Was this a letter that went out to a large number

6 A Because I asked him to.

7 Q Why did you ask him to?

8 A We wanted his projections as to who was going to

10 Q You were concerned about that vote?

11 A Spitz asked me to get the list.

12 Q Why didn't Eric singer send them to Spitz Channell?

We're helping them now to coordinate their Washington activities. We've established an office for them. We've found people to do their congressional affairs for them on a gratis basis.

We're doing the media coordination for them and also the coordination of meetings as the circle goes out beyond just media & Congressional relations. Now into fund raising & administrative & Logistical things.

Who pays?

They do. And it's precious money to them when they're late on expenses as difficult as it may be you have to remind yourself that somebody died down there today. You can't really get mad.

Once they've left the country like that aren't they totally dependent on donations of one kind or another?

There are [redacted] regional commands with from anywhere from [redacted] men. Each of those commands is in radio contact with headquarters. WJ36921

Is that command moving too?

Yes. They're moving also.

We figure now as many as [redacted] young men, and in some cases, older men, across the border, inside Nicaragua, waiting to come over, but there aren't weapons and boots for them.

The main thing I wanted to find out is what his needs really are, how his weapons are.

The second point is that the people in the camps are primarily there for R & R and for re-supply. the war is not a set-piece battle. It is an insurgency. And, in fact, they have about [redacted] insurgents whereas the Sandanistas, when they won, only had about 3,500.

So even though they're so out-gunned, in terms of technology and weaponry, [redacted] in a country of 2.5 million is a hell of a big insurgency.

The [redacted] can tie up a 100,000 man army.

The Nicaraguan army is 100,000. There are nearly as many Cubans in Nicaragua as there are freedom fighters.

They need the Cubans and their tanks to keep their own people around.

If freedom is alive and well in Nicaragua, they don't need 100,000 people to try to snuff out [redacted] guerillas. Originally, during the opposition to Somoza, the people did have shotguns and pistols. Because the struggle against Somoza had been going on for several years, as a matter of fact, at the time Costa Rica was a conduit for arms to the Sandanista forces and to provide the popular uprising and that is eventually what happened.

So the people are armed. In view of this, the Sandanistas have even cleared the militia, which is part of that 100,000 men under arms. And they're not fearful of providing arms to people, but they keep them under control through various surveillance techniques, such as what Cubans call Sandanista Defense Committee Block Committees.

Anybody who even begins to look like they're getting out of line is informed upon. H 036922

And that's a tough apparatus to fight today in Nicaragua.

But, we have been in touch, because of our experience, with the entire range of the armed and the political opposition to the Contras and when Rich was talking about the [redacted] arms, he's not referring to the Mosquitas. There's 2 Mosquito groups. There's the Misura Brooklyn Rivera and Sreadman Fagoth and Misurasata and then there is Misurasata, which is a combination of Sumu, Rama and [redacted] indians which has about another [redacted] men under arms, plus the [redacted] under ARDE, the thing that grew out of it, which is the Democratic Revolutionary Alliance, which has many arms right now, about [redacted]. But I was in [redacted] in March, and there was one guerilla leader who told me they had [redacted] ready to fight, but they needed communications, books, weapons and leadership. They're ready to fight, but they needed communications, We sent down a military expert to judge the viability. So that when he came back, he could be part of the Congressional debate. Because one of the disinformation pieces they used against the freedom fighters is that they're not militarily viable.

So we sent him down to look at it. He's a former Colonel in the Canadian Air Force. And he's a professor of International Relations at Boston University. He flew in Vietnam. His name is Yorkanastre. A real dynamic fellow.

But when he was down there, in fact NBC got it on film, they send an 800 man force against a 2,000 man contingent of artillery and infantry and routed them. They were getting ready to attack the camps. They took 13 casualties. 3 died. They killed 280. And routed the force entirely.

They took 180 AK47s. They took mortars, hand grenades.

See, what happens is, they get a lot of these weapons back. And they don't have ammunition for them. They get AK47s and they don't have the ammunition for them.

What they do with their young recruits is they give them an old Spanish ball rifle, the FAL, the (old) bolt action, roll o one rifle, and his job is to go out with his rifle, and after he's had his training - you know they do give them training.

 It's very professionally done.

And his job is to come back with his FAL and an AK47.

And they all do it.

And then they turn their FALs back in. It goes to the next recruit.

It's like the gun we made in World War II for \$2.50. It would shoot just one time. You use that to get a real gun. We dropped them by air in France.

The best I can tell, a shotgun is the best thing to use in jungle warfare.

On a very rapid fire machine gun. That's why the AK47s and the M16s are the best weapons.

The M16 fires a 22.5 caliber bullet.

I bet I could get 10,000 people to give their old shotgun to this.

Only one problem. You can't export guns for military use from the U.S.

One reason Rich and I almost feel excited about this _____, is because, on March 1, for the first time, the various opposition forces got together. They signed a document.

They've come to the realization that the opposition to the Sandanistas now is as broad, if not broader, than that which was there for Somoza.

The Miami Herald has turned around. The Washington Post has turned around.

Frank and I set up the editorial board for Arturo Cruz and Alfonso Robello and we went over and it came out about the San Jose document in the headline of the lead editorial was "A Fair Offer to the Sandanistas."

\$28 million is totally inadequate. (Alfonso Robello says) \$14 million is doubly totally inadequate. A Hind helicopter costs well over \$23 million and there's 12 of them and they're coming.

It's a big lip.

They're playing a psychological war against the Sandanistas.

The more sophisticated of the shoulder-held missiles, the red-eyes.

There's 2 different kinds. One that's a little less expensive and there's one that's \$8,000. It can take it out.

And there was a scare about 3½ weeks ago. They called in the crews.

Texans are the most patriotic.

There really hasn't been a vehicle, almost before tonight, for a direct mechanism to them. Because it's been such delicate territory that nobody's really worked out the details on it.

I don't think that anybody who's sat with somebody at a table like this yet, it's going right there. It's buying these rounds. And it's buying that missile. It's buying that boot.

Yes, this is the first.

They have lost a large portion, just because they've had to go through middle men.

There's nothing I hate worse than getting screwed. I'm scared to death any money I give to this thing is going to end up in somebody's pocket.

There isn't one dime that isn't going right into Adolfo Calero's hands. Not one dime.

I have known Adolfo Calero for roughly 2 years going on 3 years. He was jailed by the Sandnistas. He lead strikes against Somoya. He encouraged his own employees to go out on strike against Somoya.

Adolfo Calero was jailed by Somoya. But Adolfo Calero is a conservative.

Cruz is a social Democrat. He believes in a free economy but he believes in government support for a free economy which will never work. I used to work at AID and I've seen these kind.

UNCLASSIFIED

UNCLASSIFIED

But the point is that the entire spectrum now is in opposition to the Sandanistas. The entire spectrum.

They jailed 114 Social Christians a month ago. It caused them incredible harm here in Washington.

But Adolfo Calero is a conservative. He never gave in. He never gave in to the temptation of trying to negotiate with the Sandanistas.

After the elections, after the plans for the revolution, the state of Nicaragua, tell January, 1983, 2½ years after the time for revolution, he came to Washington to lobby for aid to the Sandanista government.

Since then I have seen him on countless occasions, he has been so tired from working on behalf of his men and this cause.

As long as we stay on top, as long as we stay in the offensive position, they will be on the way out.

those guys are down there. They've got 2,000 Soviets. They've got 6,000 Cubans. There's 2,000 _____.

It's not a set piece battle. The thing that has changed the equation are the Russian tanks, the Russian artillery and the Russian Hind helicopters.

How long do your boots last? Maximum 3 months. Why is that?

The humid. It's wet. And because they do a lot of walking. They're not riding in trucks. there are no trucks. They walk. And over pretty rough terrain.

They have done a pretty good job of getting their wounded cared for. Because, psychologically, you've got to have that.

These are Soviet-made land mines. They have been uncovered by the guerillas, disarmed, and brought back to camp. And they're going to re-arm them and place them again against the Sandanistas.

They don't even have their own mines.

That's similar to a claymore.

 of a conteen.

There's a lot of heavy terrain. They do a lot of ambushing.

When I was there, I asked why there were so many men in the camp.
 I want to know how many men you have her.

He said, "5,000."

I said, "How many do you have in the field?"

"Some for medical care; some for R & R; some to be re-supplied, refitted.
 But most of them because we don't have even a pack for them to carry their ammunition
They don't have boots.

What's happened is, the Sandanistas started their drive for military
 conscription. And they thought they would get support.

Instead, they got insurrection. In several of the major cities. Major
 insurrections. Coordinated insurrections.

And these boys came across the border. And their mothers and fathers
 sent them. They said, "If you're going to fight, fight for the side that will give
 you a choice. And that's why they fight.

That boy could have gone to Costa Rica. But they sent him to Honduras
 to fight instead.

He could have gone to Costa Rica and just cooled out. They sent him
 to Honduras to fight.

the reality is we're on the side of the angels with all this.

The miracle that I know about is that these people that we were just
 talking about have the highest morale. It brings tears to your eyes to see these
 people.

Having survived and even grown since last may when the aid was cut
 off.

And they are having to tell people, "I'm sorry you cannot join us.
 you cannot fight, because we cannot give you a weapon to fight with. We cannot give
 you boots so that you can go fight.

There are 12 helicopters. And if there was one ready for each one of us, we're talking about \$96,000.

Half the forces now who are in opposition to the Sandanistas would turn the other way if Americans went to fight, and we don't need Americans.

I understand there are a bunch of Americans down there.

Yes, but they're volunteer trainers. They're just doing training. They're in and out.

There are no Americans.

But you don't need them.

A [redacted] man insurgency against 40,000 full time rank and file military. 60,000 are militia. So [redacted] It's the technology that's throwing the whole thing out of kilter.

It's technology of Hind helicopters, Soviet tanks and the Soviet rapid fire assault rifles that everybody on the other side has. That's what's throwing it out.

If they had enough ammunition for the AK47s and they had enough red eyes to strategically place themselves.

How can you get the red eyes? Are they readily available?

Yeah.

They're getting arms on the international market. From everybody.

[redacted]
But by the time you go through 2 or 3 wholesalers, aren't you paying 10 times the price?

They pay very carefully. They've got pretty good credit right now with the wholesalers. But it doesn't extend far enough to get the AK47 rounds they need on the red eye missiles.

I would think they would be the first ones to start manufacturing AK47s.

No but they get them from [redacted] They can get the rifles, but they can't carry off the ammunition to supply the rifles.

And, there other suppliers.

UNCLASSIFIED

I'm not sure people need automatic weapons.

The insurgency has to live off the commodities available through success

We can get you a briefing on exactly what their military needs are.

Calero wants those red eye missiles. He wants boots. He wants back packs. He wants AK47 rounds which you can get on the international market. He wants communications equipment.

But \$14 million could be spent in 2 months without batting an eye.

Reagan ought to forget the \$14 million and start asking for a whole lot more.

The \$14 million has already been appropriated by Congress. And it can be released under certain conditions stipulated by the Congress. So that's what we're stuck with.

The only reason they've succeeded so far is because of people like yourself who have provided the material support for them to keep going. And it's not just Americans.

There are [REDACTED] There are Central Americans who are backing this effort.

The [REDACTED] have been backing this. Until it began to look like the United States might not really bother at the right time when they needed them.

Vice President Bush went to Honduras 2 weeks ago on his way back from Brazil where he attended the inauguration of the new president. [REDACTED]

The [REDACTED] need the same kind of issues. They're going to go with the winner. And yet they're hearing multiple voices out of this country. Not this administration, but this country.

They're hearing the President saying that these are Freedom Fighters. that they're our brothers and so on.

UNCLASSIFIED

A 007710

UNCLASSIFIED

C H 036929

And they're hearing someone like Michael Barnes in the Congress saying,
now wait. We're not out to topple governments.

It boils down to that.

The military aid, its surprising, boils down to back packs and boots.
You'd think weapons would be the most important thing on the list.

If you were about to set out anywhere from 3 to 9 months walking deep
into territory, jungle, roads, mountains, rain, and so on, and you knew that you
were going to gone for a long time, you would want to have a good pair of shoes,
wouldn't you?

Do they have much trouble with disease in that area?

They do all right.

We were going to rendezvous with some reporters who were coming to look
at the bases and son.

I had to travel with Calero and a couple of the members of the directorate
of the FDN plus a Mosquito fighter who had been in training there and a few others.

And we loaded up in the two vehicles.

Where were you? In Nicaragua.

Yes, in the disputed territory in Nicaragua.

And, by the way, they control an enormous amount of territory there.
They are supreme there. You drive down the road and you're out of the base camp
and you've been going on the road for a half an hour and you see these guys walking
along the road, and they're Contra. And you wave to them.

These guys look good.

In any case, we're going up these mountain roads and I am just about
fit to be tied. Because, in a jeep, 4 wheel drive, with about 6 people, even though
it's a mountain road, you feel that you ought to be able to at least go pretty well
forward, right?

We were going like this.

Over the side, heavy of a load and I was on the side and I was looking

UNCLASSIFIED

down there and it's about 800 feet straight down.

... This was about 4,000 or 5,000 feet altitude.

Jungle.

Temperature. It's warm maybe 75-80 degrees.

This is in good weather, this is dry season. But it rains a little bit and the roads are pretty bad.

In fact, some strategists think the best thing we could do for those people would be to get them a bulldozer so they could help maintain those roads.

In any case, we were going like this, and I literally six inches from going over. Six inches. Somebody was with us.

We stopped and I got out. And I looked at the tires on that jeep. It was a Toyota. And they were literally bald. Nothing there.

And that's what they're surviving with.

And I said, "Why haven't you got tires?"

And they said, "Because back packs and boots are more important than tires."

We sent Nightline's crew there and they did a very positive story.

We worked very hard with them to make sure we had journalists were sympathetic.

And I got this call from this producer when she came back.

I said, "How was it?"

She said, "It was fine. Except the part where we were going down the hill sideways."

They were in the same jeep that he was in. They hadn't changed the tires yet because they didn't have money to change them.

There is an entire group right now of Nicaraguan exiles who've been involved in the fighting themselves. One guy who's involved is setting up the anti-Pope demonstrations where they spit on the Pope and all that stuff. And we have these guys, in Washington, and in other areas, right now, sitting on their hands. Because there hasn't been the money to pay for their airplane tickets and other things to get them out to the districts, like Jim Wright's district, and have them speak up.

UNCLASSIFIED

C H 036930

Can you imagine what the reaction would be if the people in Jim Wright's district knew what they did to the Pope down there?

How about the Baptists they hand-grenaded? We have some of those.

We have some-Evangelicals who where hand-grenaded.

Let's show those on the tape.

We have been waiting for literally months. We have these people sitting, waiting, ready to go. And they could have been going earlier, but a couple people got cold feet about spending money for then to go out and do these things.

And it's a shame. Because they could have had major impact on the debate. Particularly back in the home districts of these Congressmen and Senators that we're voting for.

C H U36931

The beauty this time is that we are on the side of the insurgency which is the first time, except Afghanistan, but we can't get close enough to see it.

But we are on the side of the insurgency.

And if we can continue, as we've been working so hard to do, to turn the media around, they will start to romanticise about these guys who are the Democratic guerillas.

We going to call it the Shotgun Drive. And we're going to get Remington to put up the amo. Dupont owns Remington.

We're going to start on CBs. We're not even going to involve the electronic media until we get support or we have about 3 semis going north on Tobacco Road out of North Carolina full.

And they keep calling on another semi.

"We got an empty semi out there? Somebody got an 18-wheeler empty can come on down and help liberate Central America?"

But the organization who was in charge of putting it together utilized a Sandanista office in Managua to put together the report.

And we brought up this guy for a news conference and we had it last week and Time and Newsweek and AP and everybody reported on it. You look at Time magazine. This week's Times you'll see a little thing about a PR firm. That's us.

The point here is this U.S. Congressman stood up with people. He couldn't

UNCLASSIFIED

1 0075702

be that naive. He had to know who these people were.

He stood up with them. He had a news conference with them. And he sponsored their report. Which was clearly bought and paid for by a communist government in Managua.

Now that will scare the hell out of people.

The guy that did that Human Rights Study is a member of the National Lawyers Guild, which is a Communist front. C H 036932

It's paid for by the Soviet Union. Literally.

I don't see how anybody in this country could rationally be a Communist.

There are rational Communists.

The reality is that they profess views which are very left. Socialists. And yet they're very willing to accept a Communist government.

ron Dellums was a perfect example. He knew exactly what was going on in Grenada. It was fine with him.

The reality is you have the right to be concerned and you have the duty to be suspicious.

Because anybody you'd elect to that position and would even do it out of naivete, shouldn't be there.

They shouldn't be there.

Calero was so tired, he couldn't even keep his eyes open when we were speaking with him on some very important issues.

What I mean to imply by describing him in that way is that this man is committed. He does not have to undergo what he is undergoing now.

One, if he did not believe in it. Or two, if he were using what resources he is receiving for personal gain.

He would not suffer that much.

We're going to see to it that man doesn't have to come up here and beg anymore to be able to fight for freedom.

That's what we're going to do with you is

Where is his family? In Miami.

UNCLASSIFIED

A 000000

UNCLASSIFIED

They're scared in Miami, frankly.

-Everytime we call there, we get a call from somebody else said "why did you call?"

It's a very difficulty mentality.

Well, Alfonse Robello, one of the 3 guys who met with Reagan, was hand grenaded in San Jose in November. He heard a crash. He was driving a little Renault. He was with his fiance. He heard a crash. Renault. He was with his fiance. He stopped the car. Put it in neutral. Opened the door and turned around like that and the grenade went off.

And it blew out both his eardrums and peppered him. Blew out his fiance's back.

C H J36933

Talk about terrorism.

They have had two attempts on Alfonse Robello. Two attempts on Eden Pastore. Two attempts on Anturo Cruz. And nobody has every tried to kill Daniel Ortega.

Nobody has ever tried to kill Byardo Arsis.

If you really want to know who has a policy of systematic violence, look to the Sandanistas.

Starlite scope. You can see at nite. Good for hundreds of yards. Made in Alabama.

This is Nicaraguans for Nicaragua. We have an indigenous, tiny force that grew up on its own accord, that matured of its own accord, and is only now.

The real reason we're here is a matter of personal conviction. There is nothing in it for us personally.

We are serving the larger and more mobile cause. That is the casue of freedom and democracy. Which we see threatened by the continuation of the Sandanist regime in Nicaragua.

It would be a shame if they won by default. If they won because they were willing to put in the money that gave them the technology to succeed where

UNCLASSIFIED

where sheer numbers and sheer political force wouldn't. That's what's so disturbing to me about it.

What bothers me is what happens after they've won. Look at all these soldiers that have to go back to being peasant farmers.

Look at what's happened in Guatemala. Look at what happened in El Salvador.

The military held that news conference in El Salvador and they said, "We intend to back this government and the results from this election."

And that ended the argument.

C H J36934

Because heretofore they'd been the final arbitrator and here they were the preliminary arbitrator and they said, "This is fine," and that's the end of the argument.

And they put democracy on a sound footing in El Salvador.

And the same guys that are fighting now for the FDN, that's what they fought for, they're the same people who fought against Somoza! They were fighting for the same thing against Somoza that they're fighting for now. And it's democracy.

For me, the bottom line is, these are people who are willing to fight for their freedom and for democracy. So that we won't have to fight ourselves.

LULAC

People like Mario Obledo from the LULAC based in Texas, an Hispanic organization. Saw him on tv in Houston yesterday. He was going "Oh, no. we're heightening tensions and I'm afraid that our boys are going to have to go down there and fight."

Well, they damn well will fight unless we get behind the right side right now.

There are more Hispanic Medal of Honor winners than any other nationality in the United States.

Between now and May 1, the red eye missiles could be the entire key.

Because if they succeed at this point in launching an offensive including tanks and the MI24 helicopters into that region and go for the cans...

There's 2 different kinds of red eye missiles. There's one that's very unsophisticated which is just a direct shot missile. And then there's one that's able to take on the Hind because the Hind has major decoy devices, has heavy armament and it has these flus on the back of the exhausts from the jets - the expulsion from the engine - that mask the heat.

So you have to have the \$8,000 red eye to make it work.

They have flare system on the MI24s and they drop the flares out.

For one thing, there's a trade off.

If you provide money for ammunition, the money they've set aside for ammunition can go to boots.

On the other hand, if you provide money for boots, what they've set aside for boots can go to ammunition.

Whatever you do in regard to that list (of Calero's needs), I think you can be proud of what service you provide for democracy. I think ultimately you can be proud to stand that day in Managua when there's a free country inaugurated down there.

I'd encourage you to participate now while you can still make a difference.

That'll make a lot of difference to a lot of guys down there. I'm serious about that.

We haven't heard from you yet.

Fund Raisers Meeting-May 23, 1986

Ronald Reagan received over sixty percent of the vote. But we are to do is use that as one of the keys. Don't forget this is not a election campaign. This is an influence campaign. You are seeking to influence people to support the President's full funding needs and a key element of this influence is education. As to the threat the Communist pose if is not funded correctly. We may have an opportunity to move a lot of this into an election position. For instance we are in the process right now of finding out what are the contested races in those districts where the President got over sixty percent of the vote. What the position of the incumbent is as well as the challenger. If the incumbent is weak on SDI and the challenger is strong on SDI and the voting population strong on SDI our saturation educational ads cannot but help Republican challenge. So when these people give us \$30,000.00 and our ads cost \$35,000.00 day around the country they are in many districts literally giving a political contribution to support President Reagan's congressional candidates. They are giving us \$30,000.00 to support a challenger candidate in these districts. That is an incredible incentive for these people to give. Because we are picking the issue that is popular with the population, an issue that is popular with the President in an area where the congressman may not be supporting the President as much as the people want, being that it is an election year by hyping this issue and bringing it up and highlighting the fact by implication that the challenger supports this issue. We are really going to be giving a \$30,000.00 plus contribution to these challenger candidates. Now, you might say that to someone who is a political freak and they'll go hm, never thought you could do that and the answer to that is look Mr. Jones this woman is trying to sell cookies in Reno she doesn't to many people she can't get her message out. If you put a message on television talking about how good chocolate chip cookies are general and saturate it, these people are going to start connecting her, the person who makes them with the desire to have them and you are definitely going to help her business. This is an incredibly subtle political benefit to every single Republican challenger and I don't know how you say this without getting burned on the telephone, but you can just say I want to tell you what another way to look at this whole campaign. We are taking an issue that the American people support. We are advancing this issue in congressional districts where the American people strongly support the President and encouraging that incumbent to support the President. If that incumbent doesnot support the President, what is actually going to happen is the challenger candidate is going to benefit immeasurably from our activities because the challenger position and the population position are become well known to each other through the medium of our television message. On the other hand the fact that we

A 0036710

C H 041500

are hyping this issue and the incumbent doesn't support the President will definitely highlight the difference between the incumbent and his constituents. This is an incredible political benefit to every single Republican running for office. It is essentially a \$30,000.00 contribution to these challengers' campaign with the finest issue that Ronald Reagan has in the country today. So there are many people who love politics and this is a very good way to appeal to them. It is also tax deductible and they don't have to stop. There are four districts in the state of Texas where there are four media markets where we want this. These people can give \$120,000.00 if they want to hype this issue in those districts. We have a fabulous election opportunity in Louisiana. I don't know what the position of the two people is, your book should tell you. But we have an incredible opportunity because the people of Louisiana are extremely supportive of the President. We might want to spend a million dollars on education in Louisiana. Then get the challenger to come after the primary is over in September whenever it is and say that one the reasons why he won is because of the vast strong support of President Reagan's SDI and that will make the Democratic Party go wild. It will strengthen the President's SDI tremendously, so there are innumerable benefits from this program and people can understand that they are getting politically on the strongest issue the President has in areas where the people support him to expose incumbents positions against their constituents. You have got a very strong political ad right here and you have not mentioned meeting with the President of the U.S. once. You are virtually insuring that SDI is going to become a major issue in the campaign. Which is the strongest of the President's suits, strongest of the Republican Party's suit, it is security, it is family, it is national defense.

(You just can't call them up and say you are going to give this money and this going to be a political contribution. You don't start that way. You know there are two sides to every person, you can look in the front or the back, the same person. But the impact of saying to someone like Harry Lucas, Barbara Newington or Ellen Garwood or Mel Salvasser, or Salvatori or innumerable political crazys is that we are going to give you an opportunity to give \$30,000.00 tax deductible political contribution and we want to tell you how to do it. I mean they may say oh I am not going to do that, but they will listen. They will be very curious and then when you talk about the fact that this is where the President's residual strength is, this is where the battles are, this is where we have the greatest opportunity to win and this amounts to a \$30,000.00 political contribution. You don't have to stop there. We can carry our messages right on through the election and you can deduct every penny you pay for it.)
